It is claimed that the Government has such a mass of evidence against the Star

Mr. Gould, and four officers and ten lads

such a mass of evidence against the Star route men that they cannot yet escape. Charges upon which it is not too late for the Grand Jury to act will, it is said, be made against these men. On the other hand, the accused persons and their friends are jubilant, and not without reason. After months of preparation, the Government has been defeated on ground of its own choosing. Naturally the accused men feel that the omen is good for them even though other prosletters were deposited, and an officer to-seize the culprit. At 8 p. m. a tall gentle-man with a case posted a letter at the good for them, even though other prosecutions are threatened. The responsibility for the blunder on the side of the Government, according to corner of Seventh avenue and Thirty.

present appearances, rests principally upon Attorney General MacVeagh. The Attorney for the District of Columbia says it is not his fault, and Mr. MacVeagh and his assistants are equally unwilling to carry the weight on their shoulders; but it belongs somewhere, and the people want to know just whom they have to thank for this ridiculous and humiliat-

THE OWOSSO PRES. WEDNESDAY, NOVEMBER 16, 1881

THE APINNER Two at down in the morning time, One to spin and one to sing.

All men list ned to the song sublime, into quite an extensive business. The But no one li-sened to the doll wheel's din two dryers of Weimeister & Vanlagen The singer sat alone in a pleasant nock, And sang of life the was the rand sweet; their utmost capacity, and the fruit it ds monia in the Middle States, and prohibit While the spinner at with a stendfast look, Bu-i y plying her hands and fe t.

And the stien repunen with dull despair and dry apples, corn, pumpkins and the Down in her heart as she sat alone. But, lof on the morrow no one shid Aught of the singer or what she song. Men were saying, "Rehold this thread!" And food the proise of the pincer rang.

AUTOMATIC CHURCH Music.-In Brighon, England, lately, a self acting organ was but in a church. The sexton learn- never lent itself to any party, clique or a witness, got but in the arm, and Stanged how to start but not how to stop it. The music went well with the first hymn. It stopped then, but just as the clergy- where it may. It is also edited with the man was saying the words "Let us pray." greatest care to make just such a paper the organ clicked and started a fresh as the people want. Hence its 34,0:0 tune. The audience and minister sat it out patiently, while the unhappy sexton grew red in the face trying to find out how to stop it. At the end of the fifth verse of the second tune the minister got up again and said, "Let us pray;" when retary of the navy has advices from Com- comment that will follow; you will be onclick" went the machine, and off it start- mander Lull, of the United States steams solved with new fift; strength and actively continued to click and to play away for on Behring's bay, and arrested a a Indi-
