A. O. U. W. The Ancient Order of United Workmen has been in existence here, three years, and has cost its members (on a two thousand dollar policy) an average of eight dollars and a half a year, in assessments. Owosso Lodge No. 48, has initiated over one hundred members, and still the applications come in every week. Those desiring life insurance can find no organization or comany, at once so cheap, safe and reliable.

"Don't forget the Little ones"—have your life Insured by joining the Knights of Hon or one of the safest and most reliable organizations of the present day. It has been trice and not found wanting; has paid all its claims cheerfully and promptly.

Cost \$6 00 to join and the average assess ments are \$10 per year. For further information respecting the order, apply to any o the members or to C. J. Stuart or W.

The New York Sun.

revolution under the present management, shining, as always, for all, big and little, mean and graclous, contented and unhappy, Republican and Democrat, depraved and virtuous, intelligent and obtuse. THE SUN's light is for mankind and womankind of every sort; but its genial warmth is for the good, while it pours hot discomfort on the trator. Thereupon it is ordered, that Monday, blistering backs of the persistently wicked. THE SUN of 1868 was a newspaper of a new kind. It discarded many of the forms, and a multitude of said deceased, and all other persons interested in the superfluous words and phrases of ancient jourhalism. It undertook to report in a fresh, succinct, unconventional way all the news of the world, cause, if any there be, why the said account should omitting no event of human interest, and comment not be allowed. And it is further ordered, that I will sell or exchange my residence on Pine Street for a small farm. My house contains twelve large rooms, four closets, a hall and a large cellar. The premises include two lots, all kinds of fruit in abundance, good well and cistern, and every thing in first-class style. Apply to HUGH DOUG.

LASS, 271 Pine Street, Owosso:

will sell or exchange my residence omitting no event of human interest, and comment ing upon affairs with the fearlessness of absolute independence. The success of this experiment was the success of The Sun. It effected a permanent count, and the hearing thereof, by causing a count, and the hearing thereof, by causing a count, and the hearing thereof, by causing a count, and the hearing thereof count, and the hear independence. The success of this experiment was the success of The Sun. It effected a permanent change in the style of American newspapers. Every important journal established in this country in newspaper printed and circulating in said country. the dozen years past has been modelled after The Bun. Every important journal already existing has been modified and bettered by the force of The 10-13 Indge of Probations

Sun's example.
THE Sun of 1882 will be the same outspoken, truthfelling, and interesting newspaper.

By a liberal use of the means which an abundant prosperity affords, we shall make it better than ever before. We shall print all the news, putting it into readable shape, and measuring its importance, not by the traditional yardstick, but by its real interest to the people. Distance from Printing House Square a not the first consideration with THE SUN. Whenever anything happens worth reporting we get the particulars, whether it happens in Brooklyn or in Bokhara.

substitution of the seven daily issues. An Agricular and and department of unequalled merit, full market reports, and a liberal proportion of literary, scientific, and domestic intelligence complete The weekly Sum, and make it the best newspaper for the farmer's household that was ever printed.

Who does not know and read and like the Sumbay Sum, each number of which is a Golconda of interesting literature, with the best poetry of the lay, proceeded by the county of Shinwassee, in the city of house of the county of Shinwassee, in the city of
