MORTGAGE SALE. Default having been made in the condition of a certain mortgage executed by John Gutekunst and Margaret Gutekunst, his wife, to Samuel Lamfrom, er before.

We shall print all the news, putting it into readable shape, and measuring its importance, not by the traditional yardstick, but by its real interest to the people. Distance from Printing House Square is not the first consideration with The Sun. Whenever anything happens worth reporting we get the particulars, whether it happens in Brooklyn or in Bokhara.

In politics we have decided opinions; and are accustomed to express them is language that can be understood. We say what we think about men and events. That habit is the only secret of The Sun's political course.
