There are dozens of illustrations of the truth of this statement, that have come under the observation of the writer during the past year on this side of the State. Last summer a tract of land was purchased by a Saginaw gentleman for purchased for \$2,400. A short time ago a-tract of pine in Gladwin -county was purchased at a consideration of \$15,000. and has since been sold for \$27,000. A party bought a half section of G. & I. Railroad land, and shortly sold it for about \$7,000 advance on the purchase price, the buyer likewise obtaining the remainder of the section from the railroad company. He sold his contract for \$2,000, and the third party in turn sold disgust at the paltry \$7,000 profit. Turnback. These are only a few instances of the pine mania which extends to logs and lumber as well. The Courier noted The Presbyterians of Midland City are the sale of one million feet, the other day, of lumber at \$8.50, \$17 and \$38, and the same could have been purchased 60 days ago at one dollar less per m feet than is noted above. Logs are selling at The St. Charles Leader has gone up as high as \$14 to \$17 per 1,000 feet, and dollars an acressed 3 toot of waste land and that place has now no newspaper, shows a superstant half broken up, presenting a and that place has now no newspaper, choice lots are held at \$20 cm, this side wast field of unbroken blackness with not. Large quantities, of poplar wood for of the state, while at Muskegon logs that last year and every previous year for pearly a decade, are away up this winter to \$11 and \$16. TO THE AFFLICTED.

Since the introduction of Kellogg's Columbian Oil it has made more permanent cures and given better satisfaction on Kidney Comptaints, and Rheumatism than any known remedy. Its continued series of wonderful cures in all climates has made it known as a safe and reliable agent to emmorbus, diarrhœa, coughs, colds, catarrh, and disorders among children, makes it an In the Circuit Court in Chicago invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. It is absolutely certain in its remedial effects, and will always cure when cures are possible. Call at Oaborn Bros., Owoso, and get a memorandum book giving more full details of the curative properties of this wonderful medicine. 8eow-y1

MANHOOD How Lost, How Restored!

Just published, a new edition of Dr. Culve, - well's Celebrated Essay on the sadical cura of MERICA CHEPPARTEL FARMY ON the radical cure of the knarok knew or seminal Weskitss. Involuntary Schillard Losses, larger kney, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epileesy and Fits, induced by self indulgence or sexual extravagance, &c.

The celebrated author, in this admirable Essay. clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self abuse may be radically cored; pointing out a mode of cure at once simple, certain, and offectual, by means of which every sufferer, no matter what his condition may be, may care himself cheaply, pri-

vately, and radically, youth and every man in the land. Sent under seal, in a plain envelope, to any adress, post-paid, orreceipt of six cents, or two postage stamps. Address THE CULVERWELL MEDICAL CO.: 41 ANN 51., NEW YORK, N. Y. ; Pest office Box (19-31-19)

Irish Minerals. It is not generally known, but Ireland is rich in mineral stores. Her coal, iron, lead and copper deposits are both extensive and valuable. At Knockmahon, in the county of Wexford, nearly three

thousand tons of copper are raised every year. Impaired a had is a steady quo-

tation in the markets, and the Slievor-

dagh and Dulkallow collieries have an

output of coal which would not shame

ever, capital; and if absentee landlords
