Still ANOTHER INVENTION

To make housework a pleasure. It is a Summer Cook Stove, and can be seen at

J. STUART'S

Who always is ahead with anything that is practical, and this time he has it sure. The DANGLER VAPOR STOVE

As far ahead of the Oil Stove, as the common stove is of a fire place. The public are invited to call and see the wonder boil and bake, and especially do we invite those who are contemplating buying a summer stove, as it is the waly stove that will do all that any stove can do, and at one-half the expense and without heating the room at all.

We have also added to our immens: stock, a full line of FINE TOOLS; for Carpenters' and Cabinet Makers' use, and we invite all to come in and examine whether they want to buy or not, as it is a pleasure for us to show such goods, and it is worth the time to look

at them, as some time they may want, and then they will know where to find them Our stock in general never was more complete in all departments, and es specially in Wind Mill Supplies, we have the most complete stock in the counwe have all sizes of Pipe from 1/2 in. to 4 inches, and Fittings to match.

We are sole agents for many of our goods and they can the found anywhere else in the city. We will name a few of them: First, the above Stove, J. W. Massury & Son's Paints, (the oldest and best paint makers in the United States) the Kelley Steel Bart. Wire, the only wire that will measure 163, feet to the it The Parker & Whiffle patent Door Knob, the only knob that can be used with a mortise lock on an inch door, and others too numerous to mention, but space will not admit of it. We shall be as we have been in the past, Head gwarters for Screen Doors as we have on hand now over 100 all ready to sell Notwithstanding raw material has advanced from 10 to 25 per cent. we are

selling goods lower than ever; especially Steel Goods, Shovels, Spades, Hoes. Forks and Rakes are way DOWN; and while some dealers will try to convince you this all goods have advanced, it will be to your advantage to look around before you buy "atte den i yer forget it. We have a very fine line of Refrigerators and Ice Tongs now in stock.

We have left with an for onte, a very next and cheap Ironing Roard, made by one of our childrens, and any one in want of such is invited to call and examine, and petronic C. J. STUARY, Owome.
