rich father a few dollars more. Girls who ask any questions" had no grand-father to boast about. Pamela wondered what he would say your life. All druggists sell it. Dr David had accomplishments and good clothes if he knew all. That week she had some Kennedy, Proprietor, Rondont, N. Y 36-7 and comforts and pleasures of all sorts cards printed -professional cards. and comforts and pleasures on an some which she never knew, and which her which she never knew, and which her make the could well afford. At last on her next morning. They read thus:

"Miss Panela Crump- Laundress."

"Miss Panela Crump- Laundress." mineteenth birthday, after she had long-ed in silence for days, Pamela grew bold. House cleaning do long, fur-lined cloaks were just coming mto fashion, and how bad she wanted The cards were

one, only a girl can know. It was while her father sat counting over a roll of bills, which he had just re deived as the rent of certain property, ing her: that she went up softly behind him, and "Miss

"Pa, can I have one of these large black silk cloaks, such as Betsey Burroughs wears one with fur lining? I'll make it myself. It will wear for years. Oh, pa, I do so want it!" and she paused, with hands unconsciously clasped to-

Mr. Crump looked at her horror-

stricken. "A silk cloak, with fur lining!" he repeated slowly. "No, you can't Pamela; it's too expensive. Get your poor ma's gray blanket shawl and wear that out. I'm sure she'd be willing."

"Poor ma's shawl had moths in it two years before she died," sighed Pamela. "She couldn't wear it, and you never knew, pa, you don't know how badly off I am. I've outgrown my sacque, and look like a fool in it. I have boyal shoes and a hat—oh, dear, such a hat! I cannot

really go out anywhere.' "Women should be keepers at home," said Mr. Crump.
"Certainly I ought to go to church,"

said Pamela, "Not to show to fine clothes," said Mr.

"But I ought to dress like a lady," sighed the poor girl. "I should think you'd admit that, pa?"
"Ladies are not always most dressed," said Mr. Crump. "Far from it. You

are Miss (rump. Remember the Crumps are the oldest family in Pottsville." "Oh I know all that, pa," interrupted Pamela; "but it does no good if I must

go about looking like a beggar."

Mr. Crump brought his cane down on the floor, thundered out, "Hold your tongue, Pamela," buttoned his pocketbook into his bosom, and trotted away to deposit the money, while Pamela, scarlet from brow to chin, remained where he had left ther.

"Oh, what shall I do," she exclaimed at last. - "fo-this a woman's fate to beg all the days of her life? I have no eduration. I cannot teach. I can do nothing but housework. I'm the best washer in the village, but—. There "cried Pameda, bringing her foot down on the floor suddenly. There! I've got it. A girl book. who can wash and iron as I can doesn't need-to beg for her clothes."

Brushing her tears away, she ran into nacque and hat, put them on, locked up the house, and hurried down the village street as fast as her young strong limbs could carry her, until she stopped at a the following items little white house at the low window of which she tapped. A little girl opened the door, and Pamela followed her into Dec. a sitting room, where a thin woman thanked heaven I hadn't shad to beg it sat, smidst effshions, in a big Boston from father rocking-chair, with a brand new baby from father. across her knee, two older ones on the floor near her, and two little boys building a block house on the table, while beside his solitary hearth and looked at the little girl that had opened the door the fire for several hours, without stir made the sixth of the voutland group.

Pamela instantly offered her services. "I am going to do washing," she said, TETTING A FUR LINED CLOAK, "just as other washerwomen do for The Crumps were, or considered them- here I am, ready to be hired six days in antry - . It's rare than 1 art meat. money. I shar't explain why. But:

the family was very proud of his ances- many employers and the village was tors. He was about the meanest man in rife with suspicion as to why and where money matters ever known. He had fore; but never girl prouder of herself spring? Buddhusm wriven his boys from home by his nighthan was l'amela when she laid down gardness; and now that his wife was upon the counter of a dry goods store the dead his daughter l'amela was all that money for the silk and fur of her covethe had left. She was a handsome, strong, ed cloak; hard carned money but all her; Thousands have been rained for life by well-made girl, with a good min l. al very own, not a cent of it coaxed out of drinking popular nostrums, the principal

House cleaning done in the best manner.

The cards were circulated through the

work, Pamela found a postal card await Miss Crump, Laundress—Please call at Mr. Bothwell's early to morrow.

G. BOTHWELL" Now Mr. Bothwell was the new miniser. He know nothing of the Crumps or of the village as yet. Pamela laughed a little as she determined to call and see what was desired At seven o'clock she rang the bell of the pastor's very small house and was answered by the gentleman himself.

He looked at Miss Crump for a moment and then requested her to walk into his

"May I ask what I can do for you, madam? inquired the gentleman, motion-"You wrote to me," said Pameia. "Miss

Crump, laundress." "Oh, dear me, yes," replied Mr. Bothwell, with wide open eyes—"I wrote to you. Thanks for your promptness. The fact of the matter is, my house-keeper-I thought her most estimable—is lying! terribly intoxicated on the kitchen floor, and has been for two days, and things

And Mr. Bothwell, running short of words spread his hands abroad in a pantomime descriptive of chaos.

"I understand," said Pamela, calmly. "Where is your kitchen?" Two hours afterwards the master was calmly writing in his study. The housekeeper had been dumped upon a bed in a small room on the lower floor to sleep off her intoxication, and potatoes were boiling and a chicken roasting for din-

Meanwhile, Mr Urump, having some mportant documents to inspect, had come home unexpectedly, and entering the house, had found it empty, and in the sitting-room came upon a sight which petrified him with horror.

A little portable desk, which his daughter had appropriated for her own, lying open on the table and in it the cards we have described, and her account booker He read the cards first:

MISS PAMELA CRUMP-Laundress. House cleaning done in the best manner. Then he ran his eye over the account

The archbishop of Canterbury perzation spread out from Dublin castle.

DAVITT RELEASED AND POISTER AND GLAD-London, May 5—In the house of com-mons yesterday Mr. Forster stated his telligent negro of Indianapolis, who has reasons for resigning the chief secretary-ship for Ireland. The principal of these was the release of the suspects, which he characterized as the payment of black-mail to lawbreakers. He claimed that the coercion act had broken up the land league or placed it under petticoats. He declared that if Parnell had not been declared that if Parnell had not been rubles. He admitted that his 13 colleagues in the tion.

been made with Parnell or any other of , their wages. O'Kelly. He also said that it had been paid the per sere for a tract of land in intimated to him that the land league, New York now valued at \$6,000,000, has "no rent" manifesto would be withdrawn, brought suit to recover the estate. ### Still ANOTHER INVENTION

To make housework a pleasure. It is a SUMMER COOK STOVE, and can be seen at

### C. J. STUART'S

Who always is ahead with anything that is practical, and this time he has it sure. The DANGLER VAPOR STOVE

As far ahead of the Oil Stove, as the common stove is of a fire place. The public are invited to call and see the wonder boil and bake, and especially do we invite those who are contemplating buying a summer stove, as it is the only stove that will do all that any stove can do, and at one-half the expense and without heating the room at all.

We have also added to our immense stock, a full line of FINE, TOOLS, for Carpenters' and Cabinet Makers' use, and we invite all to come in and examme whether they want to buy or not, as it is a pleasure for us to show such goods, and it is worth the time to look

at them, as some time they may want, and then they will know where to find them Our stock in general never was more complete in all departments, and especially in Wind Mill Supplies, we have the most complete stock in the county. We have all sizes of Pipe from 1/2 in. to 4 inches, and Fittings to match.

We are sole agents for many of our goods and they can't be found anywhere else in the city. We will name a few of them: First, the above Stove, J. W. Massury & Son's Paints, (the oldest and best paint makers in the United States) the Kelley Steel Barb Wire, the only wire that will measure 161 feet to the il. The Parker & Whiffle patent Door Knob, the only knob that can be used with a mortise lock on an inch door, and others too numerous to mention, but space will not admit of it. We shall be as we have been in the past, Head

quarters for Screen Doors as we have on hand now over 100 all ready to sell. Notwithstand raw material has advanced from 10 to 25 per cent. we are selling goods lower than over; especially Steel Goods, Shovels, Spades, Hoes, Forks and Releas are way DOWN; and while some dealers will try to convince you that all goods have advantage to look around before you buy "minimated for fine of Refrigerators and Ice Tongs now in stock.

We have left with us for sale, a very neat and chesp Ironing Board, made by one of our diffusion, and any one in want of such is invited to call and examine; and patronical house industry.
