Perfection in Operation.

We take pleasure in presenting in the above cut one of the most popular designs, the THREE BURNER, HOME COMFORT, VAPOR STOVE. It is marvelous improved over all others, and probably unequaled by anything in the market for extent of Top Surface and general operation. The specialties and prominent features of these Stoves are convenience, comparatively no heat, except what is utilized. Safety and Durability, Perfection in case of Operation, can be started in less than two minutes; a gallon of water will boil in twelve minutes. Cooking for large families can be done at a less expense, also Washing, Ironing and Baking than in any other Stoves or Ranges. The was a contractive contraction of the work of the work of the state ing a perfect little daisy, and the latest thirry out. No household is complete without one of these Stoves. They
