the Sabbeth is respected fully as much, found dampossible to Ind, and marched ().

How to Economize Twine and Wire.

The great saving in twine or wire in making large bundles rather than small, may be seen in the fact that a band 2 feet long will hold four times as much grain as a band 1 foot long. A 3 foot band will hold 24 times as much grain as a 2 foot band and nine times as much as a 1 foot band. 4 2 t l

The prize drill began about noon and gards the happiness of domestic peace, plainly see that the McCornick was THE machine and I bought it and paid them their price, while I could have bought the others at lasted until 6 o'clock or after. Here again and sees the glaciers his fate before my own price. I have cut 90 acres with it with two horses. I worked on very rough ground and also on very soft ground, in fact so of woman's love. He answers to all, in the report that the binder is heavy on the horses' necks. I cut down tangled grain with my binder that I could not cut with a 'Higher yet.' The monks of St. Bern. Self Rake I think the reel on the McCormick far the best reel I ever saw on any machine. I do not regret having the trial, otherard are the representatives of religious wise I should have bought some other binder. Of course other agents did not like it because I did not buy their binder, but I could Respectfully, M. A. EATON.

A call for a Democratic State Convention to meet at Jackson, Aug. 23, is printed at the head of this column. The for assistance. combination of all the opposition to the dominant party -which has held power too long meets much favor with a large portion of Democrats. We would gladly see a union of all the opposition on this common basis not fusion but combination - without sacrificing Democratic ington has been induced by Representative principles: but we do not want to have Davis to approve the bill placing Chicago in the Democrats go into a scheme that will be only half carried out, and in the salary of Collector Spalding will thus be made end prove only to have played into the \$5,000 per annum. hands of the Republican party by dividing the Democrats.

the Greenback policy is to nominate a: ticket for the Democrats to eudorse-a Omaha, which are working under a pool, have will not be likely to place themselves in.

The Meeting of the Democratic State | July Central Committee.

Concerning the meeting of the Democratic State Central Committee at Lansing which called the State Convention. the Lansing Journal says:

A well-attended meeting of the Democratic State Central Committee and leading Democrats of the State was held in ; day evening. Resides members of the \$20,000 for the purchase of the Count Rocham-Committee, many Democrats of ability, heau papers. Mr. Hoar reported, as a substiwhose names are household words in tute, a bill to provide for the performance of Michigan, were present, among them, the duties of president in case of a vacanor Judge C.S. Stacy, of Adrian; Hon. H. H. in the presidency and vice presidency, putting Taley, of Constantine : Judge Wm Mitch, the succession upon the members of the cabi-Riley of Constantine ; Judge Wm. Mitchell, of Port Iluron : Col. Messmore and shipboard was passed, as was also a joint reso-Hon. James Blair, of Grand Rapids ; lution reappropriating \$373,000 to pay south-W. W. A long debate took "Lieut. Danenhower held an interview wird internal revenue shall be appointed for a term of four years, the measure being defeated by 81 to 100. The rules were suspended, and the pension appropriation of \$100,000,000 went through without division. Fruitless efforts were made to secure an appropriation of \$400, 600 for the extension of the mint at Philaleiphia, and for pensions for officers of the revenue marine service. A bill was passed levying an emigrant fax of 50 cents per head on vessels bringing foreigners to our shores. nt to be paid to the colle matter before the cabinet, which decided that toms. A joint resolution was passed accept ing an invitation to participate in the fishery exhibition in London.

JUNE 20.-- The house passed the senate bill authorizing a report on the amounts due the states and territories for suppressing Indian bostilities. Mr. Young introduced a bill providing that the tax on distilled spirits be reduced to 59 cents per gallon, and the tax on beer and ale be fixed at 30 cents per barrel, with a deduction of 7% per cent. on stamps Dr. Rush, of Chicago, secretary of the Na- sold to brewers. A bill was passed appropriattional Distillers' association, has prepared an ing \$100,000 for a public building at Erle. Pa.

A Greenback convention was called whisky tax. He argues that the amount of senate bill to fix a day for the meeting of spirits consumed as a beverage is not affected - electors of president and vice president and to several weeks ago to meet at (frand Rap- by the rate of taxation, but that high figures regulate the counting of votes, on which a ids Aug. 23, which would indicate that greatly lessen the use of alcohol in various spirited interchange of sentiment took place. The substitute was rejected and the senate

bill was recommitted. JUNE 21.-In the senate, Mr. Mahone called trat and Lake Shore roads, to commence in \$50,000 for a building at Abingdon. After some opposition by Messrs. Cockrell, Morrill, and Vest, Mr. Mahone's amendment was carried, and the bill passed. Mr. Morgan's resolution to investigate the cause of the labor strikes was referred to the committee on edu-

> cation and labor, to report within a week. The bill to extend the charters of national banks was taken up. The pending amendment for the issue of silver certificates was adopted. A proposition was carried that the issue of gold certificates be suspended whenever the available treasury stock of that metal falls below \$100,000,000. It was agreed that no national bank shall belong to a clearing-house in which silver certificates are not received in settlement of balances. Mr. Beck offered a provision requiring national banks to receive and pay out silver dollars and certificates on the same terms as gold, but it was voted down. A clause was adopted punishing the unlawful certification of checks by a fine of \$5,000 or imprisonment for five years. It was agreed that a vote on the bill and amendments shall betaken at 5 o'clock Thursday, Mr. Allison gave notice that he would offer the Hennepin canal bill as an amendment to the river and harbor biil.

JUNE 22.-The house went into committee on the bill to reduce internal revenue taxation. Mr. White gave notice of an amondment to repeal the internal revenue system so far as it affected tobacco. Mr. Morrison charged that the chairman of the committee of ways and means was striving to empty the treasury without relieving the burdens of the people. Messrs, Page, Aiken, and Reagan announced that they would yote against the bill. and the committee rose. A communication from navy officers was read, asking that the age for retirement be not changed.

JUNE 23. - The house, went into committee of the whole on the bill to reduce internal taxation. Mr Kasson expressed the hope that the government would not become permanent-

Judge Temple, of the California su-perior court, has made perpetual the injunction obtained by the farmers in the Sacramento valley against the hydraulic mining companies.

An evening journal at Washington printed a letter from Boston, giving rections and told her at what time she would have to be at the station, with the assurance that she would go through all Arthur and Charles II. Reed.

"Now you must be sure and go through all the way," said the sagent, "and not get off." panies to terms, each offering to pay a head tax of 50 cents.

Robert Wason, chief of police of Milwaukee, has issued an order to close all gambling-houses, the keepers and inmates to be arrested and dealt with ac-

Gen. Torbel's Way.

Torbet, of cavalry fame, who was lost at sea last year with the ill-fated Vera Cruz, was a good fighter and a hard worker. While having a kindly heart for the trooper who was always ready "I'll not stir a peg, so I won't. I'll for "boots and saddles." he hated a shirk engage to wash, iron and plain cook for | and had his own way of meeting the complaints urged by shirkers to get rid of duty. Just before breaking camp in Thanking our patrons for past fav- month, so I won't," and she went out of the spring of 1865 the General attended a sick call to see the state of health in

his command. One after another the " Means Seabury & Johnson, Manufacturboys came in for prescriptions, and by a line The

HE LOWEST TREES

Der Over 4,000 Wood Twine Binders were made and sold in 1880, and over 10.000 in 1881, and over 15.000 are being made for 1882. The Walter A. Wood Twine Binder is an entirely distinct and different type of machine from all others. No other manufacturer has the right to make For sale by

ARTHUR MCHARDY, Owosso,

THE FOLLOWING JETTER EXPLAINS ITSELF VEBNON, June 3d, 1882

MR. ARTHUR MCHARDY, Owesse, Mich. DEAR SIE -- The Walter A. Wood Twine Binder I bought of you in 1880 gives complete satisfaction. I have done all my harvesting with it for the past two seasons, besides mitting some for my neighbors, H. M. OLNEY. We have also recommends from Isaac Robratacher, M. G. Phonis, Jno. Northwood, Wm. Shickle, R. F. Place, and others,

New Buckeye Light Mowers and Table Rakes, a Triumph Reapers, the lightest and easiest Osburn & Sons' Double Store handled Reaper in the market, raises both ends of platform from seat, at same time with perfect ease.

> MILBURN WAGONS, Hollow Iron Axle and Wood Axle, both the strongest and lightest running wagons sold. Tiger Rake and Thomas Rake. They dump from both wheels. Don't bordeceived by a one wheel dump rake; investigate before you buy.

WIND MILLS-We can sell you the best wheels, and put you up a better job andas cheap as any one in the trade. Don't fail to see us. We are selling the Mills. Seven of them were delivered on May 20th, and more orders were unfilled.

BUCKEYE DRILLS and HARVESTERS take the lead. We sell them. Plows, Carriages, Platform Wagons, and all

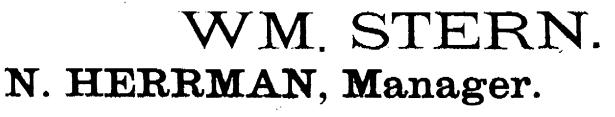

small farm tools are carried in stock and sold by us at Low-EST PRICES. Call and see us.

May 30, 1882. WILLIAMS & HARTSHORN, Owosso.
