The demand will be for the distribution of \$9,000. 000 pro rata among the states which were in the union in 1836. It will be remembered that in that year Congress directed that the inat in that year Congress directed that the surplus revenues then in the Treasury be distributed among the several states. The money was to be paid in allotments; three allotments were paid, but payment of the last, which amounts to 39,000,000, was postponed by Congressional act. Mr. Alexander in his brief cites these facts, and further that the original act never having been repealed, it is the plain duty of the Segretary pealed, it is the plain duty of the Secretary of the Treasury to pay the \$9,000,000 upon demand. He proposes to make that demand at an early date. He says no further, legislation is necessary to distribute the \$9,000,000.
