and squaws, armed with builte and i hatcher, sprang upon their prostrate posed. The emeliorations in their of as it did in life every eve meetallis forms, and after first cutting on the tongue of the dying animal the prize first to be secured proceeded to finish the work of death, beginning to remove the skip ere the breath had left the body. While the skinning was done carefully and skillfully, no system or method seemed to be used in the dismemberment of the coress, the sole idea being to get meat, bone and viscera in the smallest possible compass ready for removal to the Indian tepees. where the feasting would com-N. B.-Every woman, sickly or healthy, i mence, and no portion excepting the horns of the animal does the Indian reject for food. Apportioned by the agent to the different bands of Indians. the meat is divided up among his band by the chief and packed off to his tepee by his squaws, dogs and ponies. while he completently tooks on in silent dignity.

In the centre of a group of Chiefs, smoking, as they observed their toiling women, sat Chief Sitting-Bull, and as we approached we were greeted with the usual Indian salutation - "How" uttered in a deep guttural tone.

The sight and smell of blood seemed to have a most exhibitating effect upon them all, and the work was entered into with an evident savage delight. One old Indian, taking advantage of t the occasion, hailed his people in loud light-blue eye, light-brown hair that tones, giving them some information as the town crier of former years gave grows in the greatest profusion all

tidings of a lost child. Those who had no wagons such as are issued them by the Government packed their meat on the backs of their ponies or upon travois, the old Indian method of transportation, consisting of two pliant parallel poles strapped across the back of the pony like the shafts. of a wagon, trailling on the ground some ten or lifteen feet behind the animal, connected in their centre by a platform of wicker-work, upon which the burden is fastened. Even their dogs are thus loaded down, often dragging four or five times their own weight of meat. The work accomplishd by the small but tough Indian ponies is surprising. Often the pony come off with his colors theng. Worsting Henry Watterson.

In one of the boxes at Machuley's Theater the other night sat Henry Watterson and his wife and daughter. Mr. Watterson is a man of distinguished ability, and as the editor of The Courts cr-dournal is widely known beyond the " border of his state and section. Parse

ically he is not attractive, his begs are short and his body long and fat; he has over his head, and which, in front, falls over a massive forchead, which is the most attractive feature of the man. Mr. Watterson's success as an editor is I due to great natural ability, and to a style based on and growing out of a profound knowledge of English literature, acquired by years of careful study. and exhaustive reading. Mr. Watterson is also a very fine linguist, and so fine are his ear and touch in respect to music that he has been called a blonde edition of Blind Tom." He has no political opponents here worthy of his steel. In former days Mr. Kelly, then as now editor of The Louisville Commarcial, used to cross bandes with him occasionales, but only once did Kelly pened in this way: For some days Watterson and Kelly had been hammerterson intimated that if it were not for become dwarfed, Cor. New York his searcity of eyesight he would like to take a shot at Mr. Kelly, but that this was an insuperable obstacle, as he felt confident that he could not hit a barn-door, much less Mr. Kelly. Kelly reforted by saving that Mr. Watterson had on several occasions invited him to have a shot, but always hastened to add that he could not see, and that, although he might be placed most advantageously and furnished with a erack pistol, still be felt that he could

the produce of Le Grand."

enddie horse in the country, his brood-, ing would be quite an item on this subject. How is he bred?"

"His breeding is very rich and endur-ing. He is by Thorne's Young Joe, he by Joe Downing, son of Alexander's Edwin Forest; Young Joe's dam is by Valentine, a thoroughbred, and his sire's dam was got by Wagner, the great four miler. Lady Estes, the dam of Estes, was by Plicher, son of Sir William, by Gray Diamond; second dam Martha Clay, by imp, Lord; third dam Sallie, by Monarch; forth dam Wednesday, by Moreland's Highland-

"What are the different styles of ac-

"We have in Kentucky what is known as the gaited horse, who goes low to the ground, and all the gaits, but in the course of my annual visits to this city I found that the glory of the single footer is on the wane; the popular horse here is one who walks, trots, and canters in a graceful, stylish way.

"Estes represents the latter class, does he not?"

"Perfectly, or as near the type as any horse Lever saw or owned. The qualifications are to walk, trot, and canter naturally to begin with, and his aptitude in learning to respond to either rgin at either gait, together with strength of constitution, symmetry, soundness, and mouth, which requires careful handling to give delicacy and firmness of touch.'

"What is the average price of your horses landed here?

"Oh, the range is very wide, from \$850 all the way up to the top of the

"Who are your chief patrons?" "The upper ten thousand," as the saying is, and as it is my constant aim to provide every patron with a horse that! will surely become a lasting pet and favorite, my business and friendly circles are constantly growing and widening." -- Cincinnati News Journal.

> The man with a parched throat has a wide choice of beverages just now. Those extracts of beef known as hot beef tea and buttermilk are now sold by the glass and the "social glass" can now become a means of building up society Instead of demoralizing it. Hot water is also becoming a fashionable beverage, especially among those who are solemn ly mindful of an obligation to take care of their stomachs. What'll you have, is a question that takes time to answer now-a-days.—[Troy Times.
