Bucyrus, O., March 21, 1884. I have been suffering from female weakness for the past three

years. I have been using Zea-Phora and have found great relief. Miss I. L.

Mrs Cobett, 27 15th street, says that she used it with the greatest success. Hers is a case of long standing. She has faithfully tried other treatments, and pronounces Zoa-Phora superior to any other. It is with wiensure that she makes this statement, and has no objection to its public. use as a means of having others try it. I have sold it to other ladges, who have used it with most flattering results. All give high opinnone of it. It is a pleasure to sell an article of such positive merit. Yours respectfully, ROBERT FULTON. Pharmacist, 375 Baker St., Detroit.

Poincite, Wis., Dec. 24, 1881. Dr. Pengelly:-My daughter is an right now, and sends you many thanks. After doctoring four years with the best physicians we could procure, and being so reduced that she weighed only 76 lbs., and could sit up only a small part of the time, her cure by your medicine is almost a miracle. People of the process of the pr ple look at her with astonishment. She now weighs 121 lbs., and is strong and well.

Very respectfully, Mrs. B. F. BULL.

THE FULL NAMES of these witnesses. and of scores more, just as good, we will furnish privately to any lady who may wish to write to them.

Sometimes a woman fears that she has Female Weakness, when her trouble is of an entirely different nature. A careful study of our book, "Facts for Women," (which we send to ladies only, in sealed envelope, on receipt of 10 cents,) would either show her that she has no such complaint, or teach her what to do if she has.

The price of Zoa-Phora is, one bottle for \$1, or six bottles for \$5. Where druggists do not keep it, on an order for \$5 worth we will prepay the express. The dose is small. It is therefore inexpensive.

ADMONITION TO MOTHERS.

Do not let your daughters say, as so many have said to us again and again, almost in the same words: "If my mother had known and had taught me the facts contained in your book, instead of leaving me to learn them bitter experience, how much better it would have been for me.' "If my mother had known of Zoa-Phora, and had used it to correct my ailments when they first began, how much

By reason of its central position and close relation to all principal lines fast and West, at initial and terminal points, constitutes the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest.

The Bock Island System includes in its main line and branches, Chicago, Joliet, Ottawa, La Salie, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Wintersat, Atlantic, Knoxyille, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakote, and hundreds of intermediate cities, towns, villages and stations.

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted road-bed; smooth tracks of continuous steel rail; substantially built culverts and bridges; rolling stock as near perfection as human skill can make it; the safety appliances of patent buffers, platforms and sir-brakes; and that exacting discipline which governs the practical operation of all its trains. Other specialties of this route are Transfers at all connecting points in Union Depots and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and the Microuri River are composed of well rentilated, finely upholstered Day Coaches, Magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars, in which elaborately cooked meals are leisurely eaten, "good Digestion waiting on Appetite, and Health on both" Between Chicago and Kansas City and Atchison, are also run the Celebrated Reclifting Chair Cars THE GREAT_ROCK ISLAND, ROUTE

THE FAMOUS ALBERT LEA ROUTE

Over this route, Fast Express Trains are run to the watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most, desirable route to the rich wheat fields and pastoral lands of interior Dakota.

Still another DIRECT LINE, via Senece and Kankakee, has been opened between Newport News, Richmond.
