Being in need of a wagon, he bought wheels and axles and built a box buggy complete and painted it. He went to the barn one winter day and built a cow stable, sawing the lumber with his feet, and, with the hammer in one foot and holding the nail with the other, he nailed the boards on as well as most men could with their hands. He dug a well twelve feet deep on a farm in this town and stoned it himself. He could mow away hay by holding the fork under his chin and letting it rest ngainst his shoulder. Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and scre, it is an evidence that the system has become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy.

Scrofula, which produced a painful inflammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. After using this medicine a short time I was completely Cured

My eyes are now in a splendid condition, and I am as well and strong as ever .-Mrs. William Gage, Concord, N. H.

For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I commenced using Ayer's Sarsaparilla. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers. — C. E. Upton, Nashua, N. H.

From childhood, and until within a few months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial a suits. Ayer's Sarsaparilla, and consider it a great blood purifier. - Mrs. C. Phillips, Glover, Vt.

I suffered for a year with inflammation in my left eye. Three ulcers forme on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sersaparilla, and,

By Taking three bottles of this medicine, have been entirely cured. My sight has been restored, and there is no sign of inflammation, sore, or uleer in my eye, -- Kendal T. Bowen, Sugar Tree Ridge, Ohio.

My daughter, ten years old, was afflicted with Scrofulous Sore Eyes. During the last two years she never saw light of any kind. Physicians of the highest standing exerted their skill, but with no permanent success. On the recommendation of a friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored, and she can now look steadily at a brilliant light without pain. Her cure is complete. — W. E. Sutherland, Evangelist, Shelby City, Ky.

Ayer's Hair Vigor keeps the hair soft and pliant, imparts to it the lustre and freshness of youth, causes it to grow luxuriantly, eradicates Dandruff, cures all scalp diseases, and is the most cleanly of all hair preparations.

AYER'S Hair Vigor has given me perfect satisfaction. I was nearly bald for six years, during which time I used many hair preparations, but without success. Indeed, what little hair I had, was growing thinner, until I tried Ayer's Hair Vigor. I used two bottles of the Vigor, and my head is now well covered with a new growth of hair. - Judson B. Chapel, Peabody, Mass.

HAIR that has become weak, gray, and faded, may have new life and color restored to it by the use of Ayer's Hair Vigor. ** My hair was thin, faded, and dry, and fell out in large quantities. Ayer's Hair Vigor stopped the falling, and restored my hair to its original color. As a dressing for the hair, this preparation has no equal = Mary N. Hammond, Stillwoter, Minn.

VIGOR, youth, and beauty, in the appearance of the hair, may be preserved for an indefinite period by the use of Ayer's Hair Vigor. **A disease of the scalp caused my hair to become harsh and dry, and to fall out freely. Nothing I tried seemed to do any good until I commenced using Ayer's Hair Vigor. Three bottles of this preparation restored my hair to a healthy condition, and it is now soft and pliant. My scalp is cured, and it is also free from dandruff. - Mrs. E. R. Foss, Milwaukee, Wis.
