This in itself is a significant stend, and taken together with our large manufacturing industries, which gives steady and remonerative employment to several hundred skilled artisans, places Owosso at the head of many larger cities as a business center. This fact is amply verified by the large number of handsome, well-kept and well-stocked places of business. Every branch of mercantile traffic is ably represented, and Owosso business men have always been noted as enterprising, liberal and generous dealers.
