BINDER TWINE.

If the farmers who use Binder Twine will call and see Mr P. J. Bryan, Manager for the Buckeye Machine Co., in Owosso, they will learn something decidedly to their advantage.

"Trusts" and "Combinations" in Binder Twine exist only in the fertile imagination of dealers who want to sell you a low grade twine at a high price.

The only kind of a "trust" we believe in is trust the farmer to know a good thing when he sees it. Come and see us and learn our prices, and you will be convinced that the Buckeye Machine Company is all right on the "Trust" question.
