At half-past nine the gas was parned out from below. Then, a feet slowly passed along the corridors on every law yes" floor. If a whisper were hered a little shock followed, and a voice self, Salence. Trive minutes after, the step came again. A report of all ashequi was made to Miss Arlington, and the process of locking, chaining and de-

Ten minutes after this we all lighted | man. our candles, produced books to read, candies to ext. onrels with which to play games. On the first night all this was a surprise to me. I was sworn to secreey, however, and informed that I must pay my share of the expense of candles, confectionery, and books from a circulating library, if I wished to enjoy the luxuries. As I was well provided with porket-money, it was able to make myself popular at once, and finding that I was, as they said, wawfully him," I sum harmed the most sensational secrets of the first-class dormitory. They had made conquests. Elma Lane and Daisy Dew had love letters. In their walks, although that prim Miss Grove always headed the procession, they had had flirtations. Daisy had a fashionable mother, who lived abroad, and did not want people to guess her old enough to have a can later of seventeent and Elma's father, who was a widower, was on an exploring expedition somewhere. They were not well looked after, and could do as they chose if they could keep it girls who had wealthy relatives. Daisy's dearest friend was the occupant of a veritable palace, where she often went. Elma's sister came to take her

De Laney St. Clair admired her: Roberto Leon, who was of an old Castilian family, adored Daisy.

home was surrounded by a park, and

To me, brought up by a careful mother, my library thus far limited to the stories of Miss Edgeworth and Miss Alcott, and kindred works, who had never heard love talked about, and felt myself yet a little girl, all this was new and enchanting, when one night a whistle was heard, and amidst great excitement in the dormitory. Elma letdown by means of a ball of twine a little basket, which she drew up filled with chocolate caramels and letters. My heart beat wildly. Lovers stere below there at the side wall. Oh, if Miss Arlington were to open her window

and pop her head out! I was quivering with fear vet delighted with the novelty of the aff of I had no idea how wrong it all was. I was too romantic. I fame sel all this a pure and beautiful medite tation of love, and when one it, it was annonneed that Elma and Dass were going to the theatre with Leon, and St. Clair, I only wond red how they could contrive it.

"Very casily," said Daisy. tea I shall ask to go to hed ear count of a headache, and may go with me. Miss Atsay. A headache agair dear dear! Lam so sorry! and w? also me on the forehead; and I shall come up here, and Elma will follow a with a large bottle lington's angula hands; and we will go down the servants' stairs when we are dressed, and cook will sit up to let us thie est in through the kitchen entrance. We all laughed, and the thing was

done as said. That night I heard Elma say to

"Did I seem to brag about sister's house, dear?" "No: St. Clair drew you out about it." said Daisy.

"I really feel ashamed when I think how much I said of her silver and diamonds," said Eima - It was vulgar!"

"Not a bit," said Daisy You did not do it like that. He was interested." $^{\circ}\mathrm{He}$ can't be mercenary, can be $^{\circ\circ}$ "It doesn't seem possible," said

Daisy. Roberto wanted me to tell ' him all about the Effinghams, and he knows I expect nothing from them. They take an interest, that is all.

Two days after this when we went down to breakfast, we found a telegram and they met with a warm reception. awaiting Elma. Her sister begged her shot and wounded, she herself engeed OM ica. They are believed to have good auctioneer and made many a and bound. They were such not and been concerned in the large collass of
