# The 1928 WOLVERINE

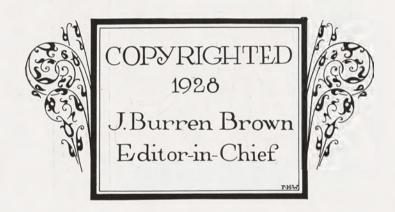

Published by the Students

of

Michigan State College

at

East Lansing

Because he is the staunch friend of all students we dedicate this 1928 Wolverine to Edward Hildreth Ryder

# DEDICATION

PAUL LARKEY '28
Active in student affairs
Treasurer of his senior class

IN MEMORIAM

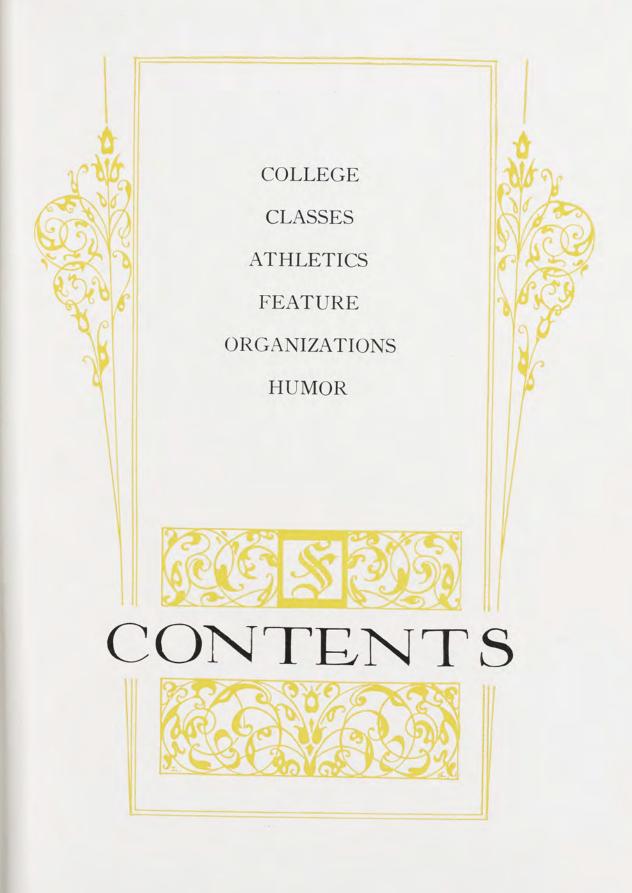

O PROF. Arnold G. Scheele, to Marion Woodworth, to Frank Willis, for their help with the art theme; and to Ted Smits '27 who supervised the athletic division of the book.

# DECEDIO WOLVERINE CROSSING

PRESIDENT KENYON L. BUTTERFIELD

### MECEDICATION OLVERINE CAROLINA

#### SECRETARY OF THE COLLEGE

The Secretary of the college has charge of the disposition of the college budget under the State Board of Agriculture. He has general supervision of college finances and property. He is in close contact with the students, the faculty and the people of the state.

H. H. Halladay, Secretary

#### TREASURER OF THE COLLEGE

J. A. Schepers, Treasurer

The office of the Treasurer of the college has been held by J. A. Schepers since 1922. The student fees are all handled through this office and the checks drawn by class officers and publication managers must be countersigned by the Treasurer. Through the office, also, go all loans to students from loan funds.

### DECEDIATION OLVERINE CASTONIA

Elida Yakeley, Registrar

#### DIVISION OF REGISTRATION

The amazing growth of enrollment at Michigan State is revealed by the following figures taken from the office of the registrar, covering successive ten-year periods:

1858	98	1898 404
1868	82	1908 985
1878		1918
1888		1928 3,015

In 1908 the office of the registrar was made a separate division and Miss Elida Yakeley, formerly secretary to President J. L. Snyder, was placed in charge.

MECEDIAN WOLVERINE GROSSIES

Dean John Phelan

#### **EDUCATION**

With the fostering of education and the encouragement and aid of all those who intend to spend their futures as apostles of the teaching profession as its purposed aim, the department of education, headed by John Phelan, Dean of the college, has proved a vital unit in the growth and worth of State College. Not only have the students in these courses perfected the mere mechanics of their chosen work, but they have been able to grasp the true significance of the profession in relation to the lives of those whom they intend to lead. As head of the division, Dean Phelan has always emphasized the value of ideals, of character, and of understanding.

### MECEDICAD WOLVERINE CASTRONIA

Dean R. S. Shaw

#### AGRICULTURE

The birth of this college seventyone years ago was due to the vision of men of the soil who visualized a time when higher education would become a requisite for the agriculturists of Michigan. That vision has constantly broadened throughout the intervening years, including education for nearly every phase of modern life. The stamp and the spirit of the famous "Aggies" have been carried over into the new name of the college, and it is a spirit that we may well be proud to uphold. Agriculture, the original basis for the institution, will always remain a dominating part.

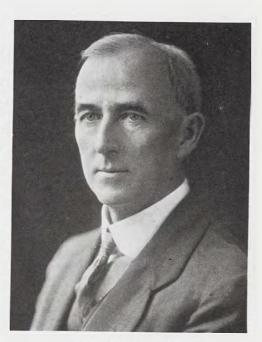

COLOROZONO ##1928 ## CMORSIONS

Page twenty-eight

### DECECTOWOLVERINE CASSIONS

#### APPLIED SCIENCE

Purposed to offer the student a fundamental training in science together with a supporting curriculum of mathematics and language with a view to the application of these subjects to practical industrial and social problems, the Applied Science division of the college has grown to include a large part of the student body. Acting Dean Bessey has displayed his characteristic energy and thoroughness in his administration throughout his short tenure over the department, and the increased laboratory and classroom facilities of the science division are attracting scholars from far and near.

Acting Dean E. A. Bessey

### MERCE CONTROL CONTROL

Dean G. W. Bissell

#### ENGINEERING

Engineering in all its different phases-Mechanical, civil, electrical, chemical, and agriculturalhas long been a prominent branch of the swiftly growing college curriculum. Michigan, with its tremendously varied fields of application, has been in need of her engineers; that they have served her well is shown by the results of their labors in turning her raw resources to the uses of her people. Besides wide opportunities at home, graduates from this division have a rapidly developing world before them which is bidding for their services.

COLOROXONO ##1928 ##CMORSMORS

DECEDIAD WOLVERINE CASTROLO

#### HOME ECONOMICS

Home makers of the state are the students in this division of the college. Experience has proven that the housewife has before her a task that calls for scientific study and a deep grasp of the principle of social life. Gradually the department has included a wide curriculum of courses dealing with science, the arts, biology, physiology, sociology, and economics, as well as a close acquaintance with the world of letters. Home economics has also aided many energetic young women to establish themselves in the industrial world.

Dean Jean Kreuger

LOLOLOLOLO S + 1028 + S CMORSZORSK

### DECEDIO WOLVERINE CASSIONA

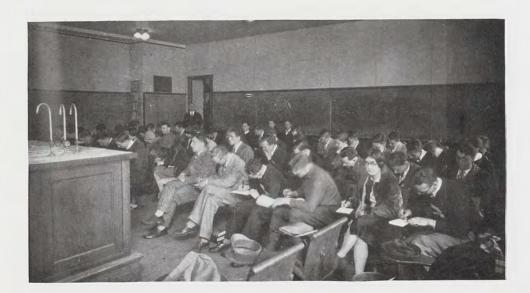

## LIBERAL ARTS AND BUSINESS ADMINISTRATION

Dean E. H. Ryder

This division endeavors to train young men and women for life by giving them much practice in definite and accurate thinking through subjects which have also a cultural value. It is assumed that those who complete the Liberal Arts course plan to earn a living afterward. We believe with David Starr Jordan that a fine type of alumnus is a "Gentleman," but that a finer type is a "Gentleman of work," hence in all subjects the vocational aspect is emphasized. This has proven to be an admirable preparation for life work.

The wide choice of electives in this division permits a student to choose a course that satisfies his peculiar demands, and yet the requirements of the course are such as to insure broad training.

LOLGER SON SEP 1928 PROVINGEN

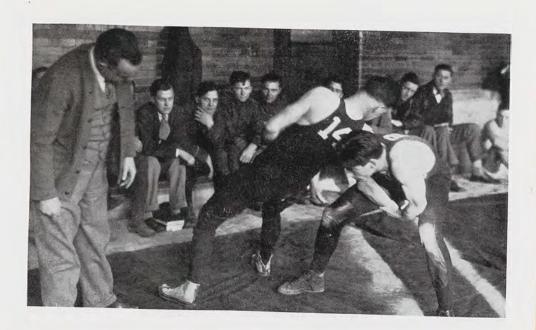

### DECEDIATION OF THE CHARLES OF THE CONTROL OF THE CO

## PHYSICAL EDUCATION

With a staff of sixteen trained instructors and coaches and equipment which includes one of the most modern gymnasiums in the middle west, the gymnasium annex and a new armory and field house, Michigan State College, is in an excellent position to give instruction in the newly organized division of physical education.

Director Ralph H. Young

acrorozonozo1928 +> crorozonon

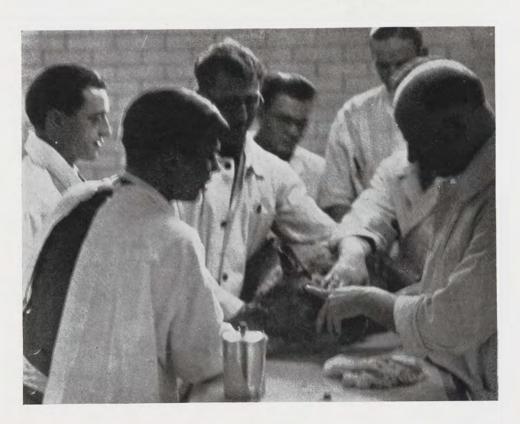

### NECESTADWOLVERINE CASTONIA

### VETERINARY MEDICINE AND BIOLOGY

A complete veterinary course is available in this division with special emphasis on the biological and economic angles of animal life. Men going out from this course are offered opportunities to take part in the direction and conservation of one of America's greatest industries—animal husbandry, not from an agricultural angle but from a scientific one. Medical biology is a digest of all the known sciences in relation to animal life, and prepares its followers to be trained technicians in offices, hospitals, and public health laboratories.

Dean Ward Giltner

COLOROZONO SA 1928 A SENO SONO SONO

Page thirty-four

### NECESCA WOLVERINE CASSION

Twenty-four years after the founding of the college a separate building was erected as a library and museum. In 1924 the new library was finished. From the old to the new and continuing in charge, is Mrs. Linda E. Landon, for thirty-seven years college librarian.

Linda E. Landon, Librarian

Frank S. Kedzie, Historian

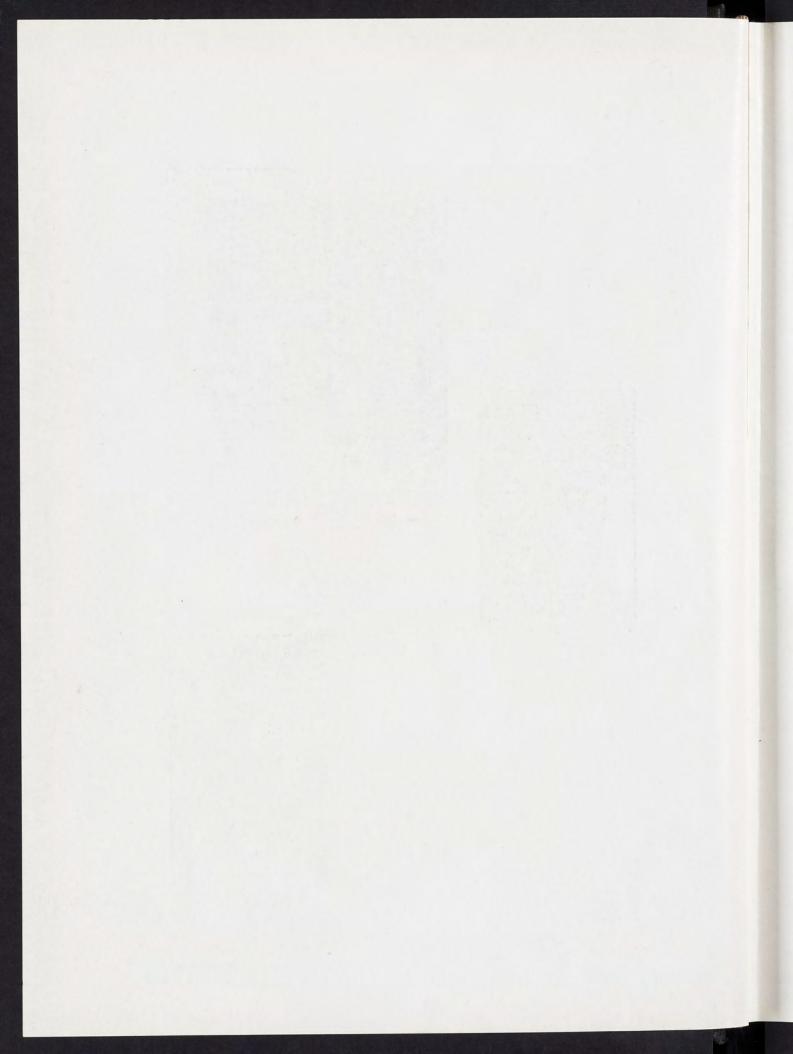

With the background of a life-time spent on our campus "Uncle" Frank S. Kedzie has taken charge of all historical matter in connection with the college.

The office of Clara Powell has charge of all society party dates and all parties are directly under this supervision. Mrs. Powell is Advisor of Women and as such a member of the Women's Self Government Association.

Traynor, Mason, Frimodig Van Alstyne, Kobs, Brown, Waffa Heppinstall, Burtt, Burhans, Director Young, Casteel

### STATE'S COACHES

Never before in college history has Michigan State had such a large and efficient coaching as guided the destinies of Spartan teams during the past year. At the head of the organization is Ralph H. Young, director of athletics, who has just completed his fifth year at the college in that capacity. He has also acted as football and track coach, and has built up a department of physical education that is now offering full-time courses leading to a degree. Because of the pressure of his many duties, he will relinquish his football work next year to Harry Kipke, another brilliant addition to the college staff. With Coach Kipke will come Edliff Slaughter and Edward Vandervoort as other additions to the staff.

For two years Benjamin Van Alstyne has been varsity basketball coach, and John Kobs has served as baseball coach for four years. W. Sterry Brown is the swimming coach, and he also works with L. D. Burhans with the physical education classes. Joseph Waffa has taken care of the fencers, and Ralph Leonard has directed the wrestlers, and built up teams in soccer and lacrosse. Miles Casteel is assistant football and track coach, and Morton F. Mason is cross country coach, and an assistant coach in track. L. L. Frimodig is assistant director of athletics, and Warren Burtt is secretary to Director Young. Jack Heppinstall is the veteran trainer of all college teams. Charles D. Ball is in charge of the tennis teams.

## MECERCATO WOLVERINE CASSING

Harry G. Kipke

Harry Kipke, one of the greatest football players of all time, will be a familiar figure on the campus from now on. His appointment by Director Ralph Young as head football coach has been hailed as a brilliant move in the expansion of the college athletically. He took charge of the football practice in the spring of 1928 to prepare himself for the fall campaign. Modest, quiet, and unassertive, he nevertheless radiates personality and has already inspired the confidence of every man with whom he has come in contact.

Casteel

### OUR ATHLETIC PROGRAM

With the appointment of Harry Kipke, All-American half-back of the University of Michigan, as head football coach at Michigan State, Director of Athletics Ralph Young has climaxed the building up an athletic program that should put Spartan teams at the pinnacle in the Middle Western athletic world. The great backfield star of the University assumed charge of football practice in the spring of 1928 to prepare for the fall campaign.

Assisting Kipke will be Miles Casteel, for the past three years an assistant coach in football and track, and two new-comers to East Lansing. They are Edliff Slaughter, another All-American choice of Walter Camp while at Michigan, and Edward Vandervoort, a team-mate of both Slaughter's and Kipke's. They will give State the largest varsity football staff in its history.

The past year has marked the building up of every sport at State. Teams of championship caliber flaunted the Green and White during the track and baseball seasons of 1927, the cross country season of 1927, and the track and basketball seasons of 1928. And in football, tennis, wrestling, hockey, and fencing the Spartans have had better than average squads.

Notable athletic victories of the past year include: A crushing defeat of Butler University in football; victories over Notre Dame and Michigan and the winning of the Central Intercollegiates in cross country; baseball victories over West Virginia, Michigan, and Notre Dame; the defeat of Notre Dame in track, and the winning of the Michigan A. A. U. championship in both 1927 and 1928, and the annexing of the State Intercollegiate and Central Intercollegiate titles in 1928; basketball victories over Marquette, Notre Dame, and Detroit; a wrestling victory over Chicago; and the defeat of the Michigan hockey team.

HOW THE COLLEGE ATHLETIC PLANT LOOKS FROM THE AIR

At the left is the stadium, in the upper center the armory, and at the right the gymnasium. At the extreme right of the picture is the varsity baseball diamond, and adjacent to the armory is the hockey rink.

### "JACK"

For more than a decade, Spartan athletes have come to look on Jack Heppinstall as something more than a trainer. He has become a real part of the institution. His careful handling of the stars of every team has done much to contribute to their success on court, gridiron, track, and diamond. The jovial Englishman has a staff of college students to assist him in the training room.

## NECESTA WOLVERINE CASTOSTA

Where State's home games are played

#### REVIEW OF SEASON

A season mixed with victory and defeat fell to the lot of the Spartans on the football field in 1928. Starting the season with considerable green material, Coaches Young, Traynor, and Casteel were handicapped by frequent injuries and by what at times seemed to be almost indifference on the part of the student body.

A tough nine-game schedule faced the ambitious squad called back for September practice. Out of those nine games, State scored four victories, and five times met defeat. The Spartans tallied III points to 128 for their opponents.

As might be expected of an inexperienced team, the play at times was bad and at times was brilliant. State probably showed to its best advantage against Butler University, Ohio University, and for part of the game against the Uni-

versity of Michigan.

An encouraging attempt was made during the season to introduce organized cheering sections to the college. The co-eds outshone the men in their support of the team in this respect.

Alumni of the college were brought close to their team through radio accounts of many of the home games broadcast over WKAR, with "Jimmie" Hasselman at the microphone. Perched in his little booth atop of the press box, "Jimmie" gave a vivid account of every play to radio and sports fans scattered over the west. His intimate knowledge of the game enabled him to interpret many subtleties that would be beyond the average spectator.

As has been the case for many years, the famous military band of the college was a feature of every home contest, and in addition thrilled spectators at the University of Indiana game, played at Bloomington, Ind., with its precise maneuvers and well-timed music.

#### KALAMAZOO, OHIO UNIVERSITY

The Spartans opened the football season at East Lansing with an indifferent 12 to 6 victory over Kalamazoo College that was followed a week later by a smashing 27 to 0 triumph over a much stronger Ohio University eleven. The improvement during that one week was a tribute to the State coaching staff.

State came close to being forced into a tie with Kalamazoo when Johnson, visiting tackle, scooped up a fumble and ran 85 yards for a touchdown. Going into the fourth quarter with the score tied at 6 to 6, college fans had almost given up hope when Deacon, junior half-back, was sent into the game. After a few brilliant plays he snatched a pass out of the air to score the deciding touchdown

In the Kalamazoo game, State made 24 first downs to only four for Kalamazoo,

indicating the power of the defense. In addition to Deacon's counter, Kurrle also scored for the Green and White.

State's offense shone to its fullest advantage at the very outset of the Ohio game. In less than three minutes after the kick-off, the Spartans scored a touchdown after a hard off-tackle attack. This was followed by two more in rapid succession, before the first period was even ended. The college team tallied again in the last half, but the remainder of the game lacked the thrills of the first new moments.

Captain Paul Smith, Schau, Dickeson, and Wilson led the attack, with Dickeson scoring two touchdowns, and Schau and Smith one apiece. Smith's unerring toe made three out of the four try for points. The contest was marked by the frequent passing of both teams. Ohio tried 40 heaves, 12 of which were completed.

### NECESCA DWOLVERINE CASCASO

State playing in Michigan's stadium

#### **MICHIGAN**

Early in October came the annual game with Michigan, and to the general delight of college fans, the Spartans gave their traditional sport rivals a slambang battle, although losing 21 to 0. Playing before a crowd of 37,000 in the great new stadium at Ann Arbor, State at times flashed a brand of defense that left nothing to be desired.

The whistle had scarcely blown to start the game when Michigan scored, but shortly thereafter State took a new lease on life, and contested every inch that the Wolverine backs gained. Ross at center played a great game, outshining every

pivot man sent against him. Ferrari, sophomore tackle, was a power on defense and spoiled numerous plays of the blue-shirted backs.

Michigan's two touchdowns after the opening one came directly as the result of misplays on the part of the Spartans, due, more than anything else, to greenness. The height of the State offense came in the fourth quarter when Christensen snared a pretty pass from Captain Smith to run to the 29-yard line, but an intercepted heave ended the parade.

Deacon turned in several nice gains for the Big Green team, and Captain Smith kicked and passed in his usual form. Christensen played a brilliant game at end both on offense and defense.

Several of Smith's kicks in the Michigan game went for 60 yards, and not once was he outpunted. The absence of Schau from the State line-up was sorely felt, the Spartans lacking a powerful enough back to crash the Michigan line.

C. Smith

H. Kurrle

### WOLVERINE CAST

A Spartan bringing his man down

#### CORNELL COLLEGE

A smart and smooth-running Cornell College team came out of Iowa on Oct. 15, the week following the Michigan game, to upset State's hopes, 19 to 13. Seizing advantage of a terrific wind in the first quarter, the Iowans scored twice before the Spartans seemed to realize that a football game was under way.

Coached by Dick Barker, former wrestling mentor at the University of Michigan, Cornell was almost a smaller edition of the Wolverines. In Wilson they boasted almost as good an end as Oosterbaan, although much less known. And in the backfield were four men that could pass, kick, smash the line, and run the ends.

State braced after its disastrous first quarter, and in the second half opened a belated offensive drive. Taking advantage of a short punt, Captain Smith, Deacon,

Ross

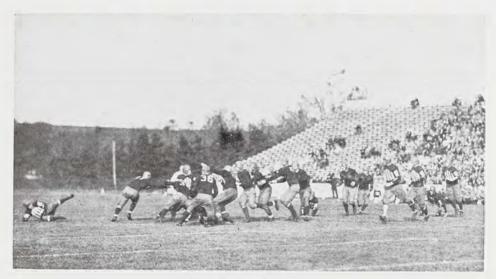

and McCosh smashed through the Cornell line for a touchdown that served to raise State's hopes, but Cornell again went down the field for counter just as the last period opened.

Undismayed, the Spartans came back to score again, this time with Deacon and Max Crall, substitute end, leading the attack. But with the score at 19 to 13 State could not muster enough strength to tally again, and 🥞 the game ended.

Grimes

OWOLVERINE OF

Smearing up a line play

#### DETROIT

After two weeks of rest, State went into its homecoming game with the University of Detroit at East Lansing before a crowd of more than 10,000, and with ideal weather conditions. But the fast and elusive Titans upset all hopes of victory by turning back the Spartans, 24 to 7.

Despite the rather one-sided score, the game was well fought throughout and

was marked by the usual colorful ceremonies of homecoming.

Detroit sprung a surprise at the very start of the game when Captain Connell dashed off tackle for 50 yards and a touchdown. Dazed, the Spartans watched the Titans score again, and it was not until the second period that the State eleven seemed to realize that it, too, could play football.

Hitchings

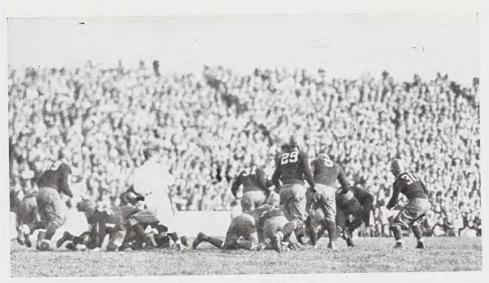

An almost inspired Green eleven braced and played a great game during the second and third periods, time and again pushing the oval to within a few yards of the Detroit goal, only to be turned back. Apparently fatigued by their drive, the State players weakened in the last period and allowed Detroit to score twice again. But Ken Drew brought at least one ray of hope to college students when he took a long pass from Captain Smith and twisted his way through the Detroit defense to save State from a shutout.

Crabill

Page one hundred twenty-five

OLVERINE (3)

A line smash-always a favorite

#### INDIANA

State's fourth successive defeat came at the hands of Indiana, 33 to 7, on the first Saturday in November. The Spartans journeyed to Bloomington to play the Big Ten school and came home thoroughly chastened. A fast-charging line and backs that ripped through State's defense accounted for the score.

As in the previous three games, State got off to a bad start by allowing Indiana to score soon after the opening whistle had blown. After a brief display of strength, an intercepted pass paved the way for the first Indiana touchdown.

The Hoosiers tallied again in the second period, and again in the third. Then State decided to take the situation into hand, and with Ernie Deacon carrying the ball on play after play, the Spartans smashed down the field for a touchdown.

The Hoosiers scored twice again in the final quarter.

Kanitz

Deacon and Captain Smith played good games for State, but the powerful Hoosier backs were too much for Coach Young's

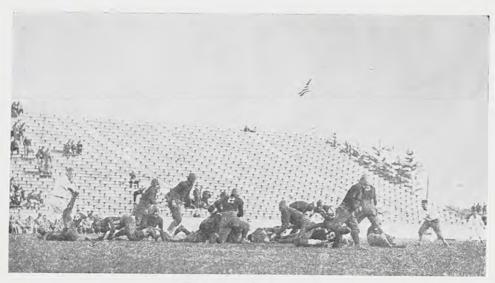

team.

The ability of the Hoosier line to rip through State's was in no little way responsible for the defeat. But although outplayed, State's forward wall never gave up trying, and at least during the triumphant march down the field showed to splendid advantage.

Schau

### WOLVERINE CASS

Where every inch is contested

#### ALBION

Battering away until the Albion line was helpless, State came from behind to defeat a plucky Methodist team in the Armistice Day game at East Lansing, 20 to 6. The victory ended a losing streak that had extended to four games.

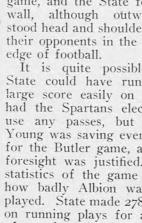

As had been the case in the previous four games, the opponents scored first, and with the count reading 6 to o in favor of Albion at the end of the half, the State stands were none too cheerful. But the superior off-tackle lunges and end-runs of the Spartans told heavily in the last two periods, and State scored three touchdowns and came close to counting on two more.

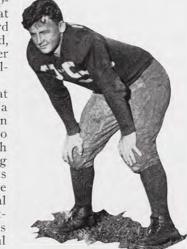

Using only the simplest of plays, the Spartans nevertheless were able to gain almost at will after the Young machine got under way. The game was marked

by the return to uniform of Henry Schau, big fullback, and the spectacular end-runs of Vern Dickeson. Schau was unstoppable through the Albion line, and Dickeson was

always good for a gain. Captain Smith also played a great game, and the State forward wall, although outweighed, stood head and shoulders over their opponents in the knowl-

It is quite possible that State could have run up a large score easily on Albion had the Spartans elected to use any passes, but Coach Young was saving everything for the Butler game, and his foresight was justified. The statistics of the game reveal how badly Albion was outplayed. State made 278 yards on running plays for a total of 24 first downs.

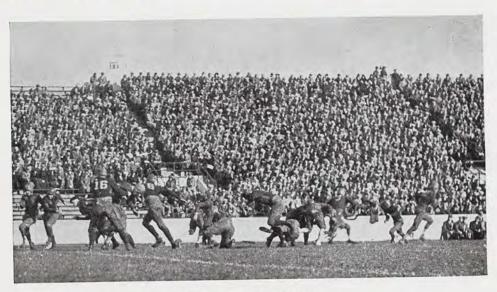

Drew

NECESTAD WOLVERINE CASTRIAN

Some action near the sidelines

#### BUTLER

State's team closed the home season in a burst of glory by trouncing a strong Butler University eleven, 25 to o. Butler, champions of Indiana and coached by "Potsy" Clark, former Spartan mentor, came to East Lansing as favorite, but and Christensen each scored one.

State's scoring drive was well distributed, the Spartans gaining a touchdown in every quarter. Schau punched across the line for two counters, while Dickeson and Christensen each scored one.

The game marked the last home appearance of five State veterans—Captain Paul

Smith, stellar half-back; Grimes, guard; Ross, center; Drew, half-back and end; and McCosh, half-back.

State's one post-season game, played in the middle of December at Raleigh, N. C.; with North Carolina State, proved disastrous to the Spartans, who were dragged through the mud to the tune of 10 to 0.

McDowell, lanky North Carolina half-back, was the undoing of the State eleven. State's chances that came during the game were lost through fumbles that proved disastrous. The constant downpour of rain made good football impossible, and the Spartans were forced to accept the bad end of every break of the day.

### OLVERINE (DES)

Coaches Casteel, Young and Traynor in conference

#### SPRING FOOTBALL

Coach Harry Kipke, with two of the assistants who are to aid him during the coming fall—"Mike" Casteel and "Ed" Vandervoort—took charge of the spring football practices at State in order to accustom himself to the material, and to acquaint the men with the style of play they can expect during the next gridiron campaign.

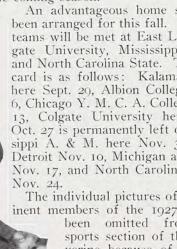

Fifty men reported regularly to the State coach. Practices were confined to rehearsing the fundamentals of the game, and to studying some of the more rudimentary plays that Coach Kipke will use next fall. At the end of the four weeks of practice the squad was divided into two teams, and a spirited game was staged on Old College Field.

Coach Kipke was pleased with the attitude of the men but not overly optimistic of the prospects for the coming season.

An advantageous home schedule has been arranged for this fall. Three major teams will be met at East Lansing—Colgate University, Mississippi A. & M., and North Carolina State. The complete card is as follows: Kalamazoo College here Sept. 29, Albion College here Oct. 6, Chicago Y. M. C. A. College here Oct. 13, Colgate University here Oct. 20, Oct. 27 is permanently left open, Mississippi A. & M. here Nov. 3, Detroit at Detroit Nov. 10, Michigan at Ann Arbor Nov. 17, and North Carolina State here Nov. 24.

The individual pictures of three prominent members of the 1927 squad have

been omitted from the sports section of the Wolverine because of lack of space. They are Weeks, Ferrari, and Needham, all outstanding linemen.

### GRID STARS OF OLD

Several times during the football season, gridiron stars of yesteryear came back to East Lansing at the invitation of Coach Young to mix with the Spartan athletes of today as they prepared for major games. Previous to the Michigan game, Hugh Blacklock, one of the greatest tackles of all time, was on the campus, and for several days before the homecoming contest with Detroit University, Herbert Straight, Leon Exelby, and Ralph Henning, all stars of a decade or so ago, aided in rounding the team into shape.

### MERCE CAROWOLVERINE CAROLINE

"Van" showing Schau some tricks of the game

#### SUMMARY OF SEASON

Michigan State came to the fore with a vengeance in basketball during the 1928 season under the direction of Coach Ben Van Alstyne. Eleven games were won against four defeats, the best record hung up at East Lansing since the days of Frimodig. Achieving national prominence by defeating the powerful Notre Dame quintet, 26 to 16, before a frantic home crowd, the Spartans also gratified

their followers by twice turning back the University of Detroit in overtime contests.

At the very outset of the season Captain Kenny Drew, a fighting guard, was declared ineligible. This left Coach Van Alstyne with only one veteran defensive man—Colvin. Three sophomores were developed, however, and performed in a manner that would do credit to seasoned players. They were Schau, Russo, and McGillicuddy. Schau bore the brunt of the defense most of the time. Since opponents could average but 23.6 points against State during the season, the strength of State's guards is well illustrated.

State's offense, on the other hand, went out and made baskets galore, on several occasions running up scores of over 50. The average for the year was 31.5 points. Dickeson, elected as captain to succeed Drew, led the attack, scoring 100 points during the season.

### MECEDIA WOLVERINE CASTRIAN

Dickeson, Hood and Felt in practice

Coach Van Alstyne started the basketball season under several handicaps. Several of his outstanding players, notably Schau, Captain Drew, and Dickeson, were still out for football, accounting in no small way for the 43-23 defeat at the hands of Michigan. Then Captain Drew was declared ineligible, a further blow to the squad. With Colvin he was the only veteran guard.

State brushed aside Adrian 30 to 25 to open the season, before the Michigan tussle, and then came back with the start of the new year to defeat Ohio Northern, 43 to 23, with a revamped lineup. Real scoring power was exhibited in the defeat of Hillsdale, 58 to 24, when State's sharpshooters seemed able to score at will.

Detroit proved a hard tussle at East Lansing, the traditional rivals of the Spar-

tans forcing the contest into an over-time before State emerged victorious, 27 to 23. A few days later a powerful Coe College team from Iowa fell before the accurate passing of the Spartans, 35 to 25. Two hard fought games were lost on a brief mid-western trip, Loyola downing the Spartans after two over-times, 23 to 21, and Marquette, another old rival, winning 21 to 18 at Milwaukee.

Undaunted State journeyed to South Bend and came within an ace of doing something no other five has accomplished in five years—defeating Notre Dame on its own court. Three times the Spartans led and three times Notre Dame came from behind to tie the score—once as the game ended, and once in each of the first two over-times. Finally the Irish won out, 29 to 25, but not until State's plucky five, playing virtually without a substitution during the entire contest, had been worn out by the terrific pace.

## THE CASOWOLVERINE CASO TO A SECOND

Where State's home games were played

Following the heart-breaking defeat at the hands of Notre Dame, the Spartans took a new lease on life and concluded the season with six consecutive victories, the outstanding one being the 26 to 16 drubbing handed Notre Dame at East Lansing.

This game, too, will go down in annals as a brilliant example of basketball. State's guarding was perfect, the Irish never having a close-up shot at the basket during the entire contest. Schau stood out with his great defensive play. With the score tied late in the contest, State staged a rally that netted ten points while the Irish were held scoreless.

Another victory that pleased the home fans was the 52 to 20 triumph over the same Albion team that a year before had invaded East Lansing and nosed

out Coach Van Alstyne's five. A 17-13 victory over the University of Detroit at Detroit, in another over-time contest, established the true worth of the squad.

Hope College was vanquished 36 to 21, and Kalamazoo fell 36 to 24 before the Spartans. The season was terminated with a 30 to 25 victory over Marquette that was sweet revenge for the defeat earlier in the season.

The season was the most successful in basketball annals for the past decade, and won for State an enviable reputation throughout the middle west. An ambitious schedule has been arranged for the coming season, and there is some possibility that a larger playing court will be found for the Spartans.

Kroll, Alderman, Grim, Henson and Lang, and some of their trophies

#### RELAYS

Michigan State's 1927 track team, unquestionably the best in college history, won national renown for the Spartans, was undefeated in dual meets, and annexed the Michigan Intercollegiate and Central Intercollegiate crowns, in addition to cutting a wide swathe at the National Intercollegiates, I. C. A. A. A. meet, and at four major relay carnivals.

The performance of the undefeated half-mile relay team, named as All-American by the experts, was outstanding. Captain Alderman, Grim, Lang, and Henson made up the fleet combination. They dashed to victory at the Rice,

The fleet Spartan sprinters gathered more than 30 gold and silver wrist watches during the season, in addition to a plentiful supply of medals and trophies.

With Alderman running in the anchor position the Spartans were unbeatable. Given an even break the State captain could always open up a good lead, and time and again he would come from behind to win with his brilliant finish. With his graduation State lost one of the greatest sprinters of all time, and an athlete who made college history.

### WOLVERINE (1985)

Grim and Kroll fighting it out in the quarter-mile

#### DETROIT

State opened the dual meet track season with an easy victory over Detroit City College, 88 2-3 to 44 1-3. The outstanding performance was the time of :09.6 turned in by Alderman in the hundred-yard dash. The mark tied the national intercollegiate record. It was made against a slight breeze.

Wylie won both the mile and two-mile, and Alderman, with the aid of Henson,

Grim, Lang, and Kroll, piled up points in the dashes. State also scored well in

the distances and field events.

#### NOTRE DAME

For the first time in a score of years, Michigan State defeated Notre Dame in a dual track meet. The score was 68 to 58. The feat was accomplished in a steady downpour of rain at South Bend, Ind.

Captain Alderman won the 100 and 220-vard dashes, and the broad jump. He set a new Notre Dame record in the 220 of 21-flat, acccomplished despite a soft track.

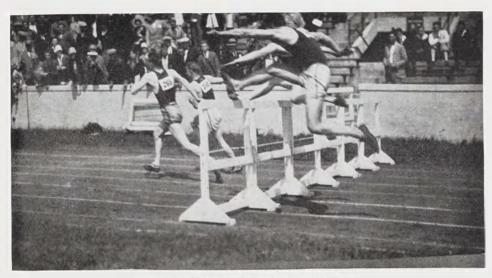

Wylie's brilliant defeat of Judge of Notre Dame in the mile also stood out. Judge was the (1926 national intercollegiate champion. Wylie nosed him out by less than a foot in 4:29, after racing the entire last lap neck and neck.

Grim took second to Alderman in both the 100 and 220, and won a brilliant victory in the quartermile. Tillotson and Paul Smith added points in the weight events, and the performance of virtually every man on the squad was well above average.

# OLVERINE CROSS

Passink tying for first in C. I. C. high hurdles

### STATE INTERCOLLEGIATES

Coach Young achieved a goal towards which he had been aiming ever since his arrival at East Lansing when he won the State Intercollegiates by piling up 53½ points, nearly twice the score of the nearest opponent.

Alderman, Grim, and Henson finished one, two, three in both the 100 and 220-yard dashes, Alderman's winning time being :09.6 and :20.5 respectively. Grim set a new State record in the quarter with a mark of :48.9, with Kroll and Alderman a foot behind. Wylie lost a heart-breaking race to Potter of Ypsi in the mile, but Brown, State Freshman, won the two-mile with ease. McAtee tied for first in the pole vault, and Paul Smith accounted for points in the weights.

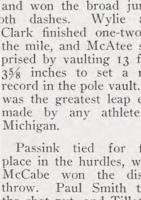

#### CENTRAL INTERCOLLEGIATES

Despite the fact that Grim could not run because of an injured foot, State won the Central Intercollegiates, scoring 73½ points. Alderman took both the 100 and 220-yard dashes, and won the broad jump, with Henson placing in both dashes. Wylie and

Kroll

Clark finished one-two in the mile, and McAtee surprised by vaulting 13 feet, 35% inches to set a new record in the pole vault. It was the greatest leap ever made by any athlete in

Passink tied for first place in the hurdles, while McCabe won the discus throw. Paul Smith took the shot put, and Tillotson and Barratt also scored in the field events.

# ODVERINE

Alderman (center) winning National Intercollegiate 100-yard dash, with Grim (extreme right)

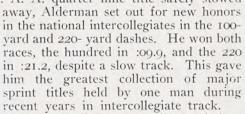

### I. C. A. A. A. A.

Captain Alderman added to his laurels at Philadelphia by surprising the entire track world with a brilliant victory in the quarter-mile run. He had been doped to race it out with Borah of Southern California for honors in the sprints, but instead he chose the longer race and led the pack home to victory.

His time of :48.3 ranked him as one of the greatest quarter-milers in America, despite the fact it was his first intercollegiate appearance at the distance. He defeated, among others, Ross of Yale, and Cooke of Syracuse, the intercollegiate champion. Grim and Henson qualified in the sprints but were eliminated in the semi-final races. McAtee cleared 12 feet and 6 inches but could not place in the pole vault. Wylie was sixth in a fast mile.

#### NATIONAL INTERCOLLEGIATES

With the I. C. A. A. A. A. quarter mile title safely stowed

Although Grim seemed an obvious fourth place in the century, he was overlooked by judges. He finished fifth in the 220.

Had Alderman not been hampered with a bad leg muscle at Chicago in the national intercollegiates, many believe he would have come close to or bettered the world's record in the 220-yard dash.

# MERCE CANOLVERINE CASSISTA

McAtee going "over the top"

#### INDOOR SEASON, 1928

Despite the loss of Grim and Alderman, Coaches Young, Mason and Casteel developed a much stronger track team than had been expected. The Spartans started the season on right foot by retaining their title in the Michigan A. A. U. championships, piling up 40 points to 25 for Ypsilanti Normal. Thirteen teams were entered in the meet. Brown, a sophomore, captured the A. A. U. two-mile title, and McAtee surprised by setting a new indoor pole vault record of 13 feet and ½ inch, one of the greatest vaults ever made off a board floor in the history of track.

State cut a wide swath at its own relay carnival, capturing several of the special relays, but losing a heart breaking two-mile race to the University of Michigan when one of the Spartan distance runners dropped the baton.

At the Illinois Relays an inexperienced Spartan four-mile relay team composed of Captain Wylie, Roossien, Brown, and Willmarth surprised by pushing the University of Illinois to a new Carnival record, the Spartans them-

Carnival record, the Spartans themselves running eight seconds under the previous mark.

State was nosed out of the Central Intercollegiate indoor championship at South Bend when Notre Dame scored 27 I-3 points to 22 I-3 for the Spartans. Marquette was third with 19 I-3 points while a dozen or more teams trailed behind the leaders.

Only two State men captured individual championships, Kroll winning the quarter-mile, and McAtee tying for first in the pole vault.

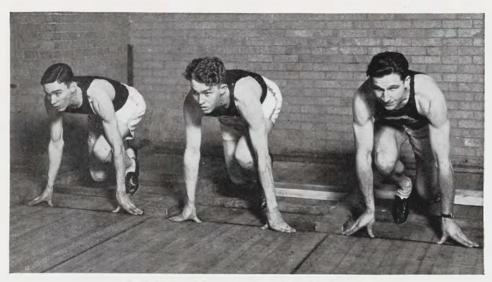

Willmarth

Roossien

NECESCA WOLVERINE CASSING

Kroll, Lang and Henson ready to dash off their marks

### OHIO WESLEYAN, MARQUETTE

State split even in dual meets indoors, defeating Ohio Wesleyan, the champions of Ohio, 70 I-6 to 38 5-6, and losing,  $56\frac{1}{2}$  to  $52\frac{1}{2}$  to Marquette University in a well contested meet at Milwaukee.

In downing Wesleyan, State surprised even the squad's closest followers with team balance. The Spartans took all three sprints, and virtually slammed the distance races. McAtee won the pole vault, Tillotson took the shot put and broke a college record, and the Spartans nearly held their own in other events in which they were admittedly weak.

### 1927 BASEBALL SEASON

Coach John Kobs' 1927 baseball team has rightly been called one of the greatest in college history. The outstanding victories were over traditional rivals—Michigan and Notre Dame—and the performances in every game were a delight to the campus fans.

Captain Don Fleser headed a hard-hitting squad, that was able to field well, run the bases, and play "heads-up" baseball. Given the able pitching of "Lefty" Tolles, the captain-elect, the Spartans were well nigh unbeatable.

Strangely enough, State started the season with a disastrous southern trip. But the experience gained in Dixie served the Spartans in good stead during

It was an alert, bronzed team that returned from the South, ready to battle any and all. In view of the fact that during the remainder of the season only two games were lost, the justification for the journey seemed ample. State easily had the jump on most northern teams, and started its regular season by playing a smooth brand of ball.

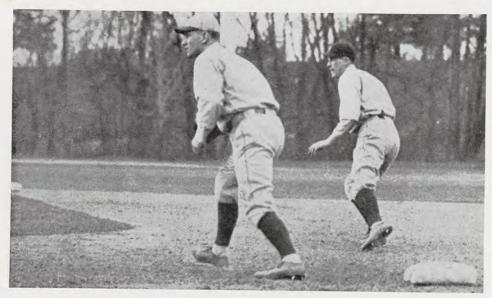

Rinehart

Eggert

# MECEDIA WOLVERINE CROSSING

Eggert taking a lead off first

Three small state colleges were trounced just to start the regular season off right, Albion succumbing 17 to 0, Adrian 13 to 2, and Olivet 16 to 0. Then Michigan took a little wind out of the Spartan's sails by winning 6 to 4 at Ann Arbor in an interesting contest.

But Michigan had not seen the Spartans at their best, as a subsequent game demonstrated. Following the Michigan encounter State returned to East Lansing where "Bob" Bremer, veteran pitcher, turned in the best game of his college career to humble the powerful West Virginia University nine, 9 to 3. Despite a disposition towards wildness, Bremer was invincible that day, and aided by splendid fielding and hard hitting the Spartans emerged on the long side of the count in the second major contest of the season.

Hope College's Fighting Dutchmen nearly caught State off its guard, but the Spartans squeezed through with a 7 to 5 victory.

Few State fans saw what was one of the outstanding games of the season, when the Spartans went to South Bend and turned back Notre Dame, 4 to 1, on one of those rare occasions when the Irish are beaten in their own stamping-grounds.

Albert Tolles was on the mound for State, and the little left-hander had the Irish eating out of his glove. State's four runs proved an ample margin of victory.

Following the Notre Dame contest the Spartans returned to East Lansing and subdued Bradley Tech, 9 to 5, in a listless game that was to be expected after the gruelling test at South Bend.

# MERCE CANOLVERINE CANOLINE

A glimpse of the crowd at the Michigan game

St. Viators College of Illinois brought one of the best teams to East Lansing of the entire season, but lost, 5 to 1, with Tolles again turning the trick. The game, however, meant little to the State fans who were looking ahead a few days to the encounter with Notre Dame.

The tradition tilt with the Irish at East Lansing failed to live up to expectations, but was a very good exhibition of college baseball. The Irish avenged themselves on their defeat at South Bend by handing State a stinging 5 to 0 setback.

After Notre Dame came Armour Tech, but the Chicagoans were no match for State, and fell by the wayside, 7 to 3. The Michigan game, next on the schedule, was the high light of the season. The campus turned out en masse for the game,

# NEW TOWN WOLVERINE CASTONION

### GRADUATION LOSSES

Coach Kobs faced a difficult task in building a team for the 1928 season because of the loss of such dependable men as Captain Fleser, Rowley, Zimmerman, Baynes, Bremer, Barratt and Witter, but despite this he set about the job willingly, staging practices in the big armory during the winter and taking the team south for a training trip when spring came. Another season of victories indicated that his work was not in vain.

Minor Sports

## DECEDIAD WOLVERINE CASTRONIA

Class in State gymnasium

Intra-mural sports and gymnastic classes have always played a prominent part in the sports program at Michigan State. Director Young has stressed a a policy of "athletics for all" that has given every man in the college a chance to develop his body. Soccer, and lacrosse have been added to the athletic program and students are also given a chance to participate in all the more popular American sports. Coaches Burhans, Brown, and Leonard have been prominent in developing the physical education program.

#### CROSS COUNTRY

Michigan State's 1927 cross country team was without question the greatest in the history of the college. Michigan, Notre Dame, and Marquette were pushed aside without difficulty, and the Central Intercollegiates were won with ease. Many track experts asserted that only Illinois and Wisconsin in the entire west had runners comparable to the Spartans.

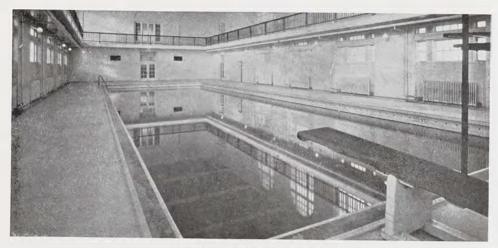

In Loren Brown, State had a great distance star. The little Spartan, captainelect for the 1928 season, met defeat but once, and then at the hands of Pfleiger of Marquette in the first dual meet of the season. He obtained ample revenge when he led Pfleiger to the tape in the Central Intercollegiates by several hundred yards. Brown set a new course record of 25:45.7 for the difficult five mile run, a full minute under the old mark. In addition he bettered the Western Conference record at Ann Arbor by thirty seconds in leading his team to victory over Michigan.

### **SWIMMING**

State was forced to abandon intercollegiate swimming during the winter of 1928 because Michigan health authorities ruled that only a limited number of men could use the big college pool each day. Despite this handicap, Coach Sterry Brown worked diligently with a small squad preparing it for coming seasons.

As a reward to the men for their work, service sweaters were awarded to the following members of the varsity squad: Captain Alvin Ellinger, Grand Rapids; Charles Mitchell, Grand Rapids; Edward Bredlow, Detroit; Paul Freeland, Omena; Paul Hickie, Lansing; Allen Kidder, Clare; and Richard Kincaid, Grant.

Two freshmen were awarded their numerals—Edward Brewster, Lansing; and John Tate, Detroit.

### **FENCING**

Under the guidance of Coach Joseph Waffa, fencing has been developed to a high plane at State. During the past season, for the first time, the Spartans have been represented by a varsity team in intercollegiate contests. Not a little attention was drawn to the sport by the fact that one of the stars of the squad was Miss Audrey Glenn, who was able to outpoint most of her opponents, and hold her own with the best in the Big Ten.

Minor letters were awarded the following on the varsity squad: Captain Lloyd Campbell, Lansing; Edwin Gruettner, Wauwatosa, Wis.; Russell Darling, Owosso; John I. Olson, Shelby; and Miss Audrey Glenn, West Branch.

The following freshman were given their numerals for their work in fencing: Captain Bonner Waterman, Birmingham; Lewis Haigh, Lansing; William Kershaw, Wyandotte; Karl Von Voightlander, Jackson; Keith Byrne, Lowell; George Bauer, Hastings; and Gordon Evans, Battle Creek.

## NECESTA WOLVERINE CASTRIAN

### HOCKEY

Hockey was conducted on an informal basis at State during the past winter under the direction of Coach John Kobs. Interest in the sport was keen and large crowds watched the Spartans play on the new rink near the armory. Outstanding from a campus viewpoint was a brilliant 2-1 victory scored over the varsity team of the University of Michigan.

In future years Coach Kobs hopes to put the sport on a firmer basis and meet outstanding intercollegiate teams of the west with a varsity team. State's chief handicap is the uncertain Michigan weather, which often reduces the rink to water even during the middle of the winter. An enclosed rink would solve the problem for the State athletes, and it is possible that in the future such a building will be included in the expansion program of the athletic department.

Freshman numerals were awarded to the following members of the State hockey squad for the 1928 season: Donald Clark, Lansing; Marvin Horne, Dearborn; Donald Jones, Lansing; Russell Janz, Lansing; Gerald Maskrey, Detroit; James MacKinnon, Detroit; William Plaunt, Sault Ste. Marie; and Bernard Schimmel, Detroit.

# MECECACIWOLVERINE CASSION

Coach Leonard and His Soccer Squad

### SOCCER AND LACROSSE

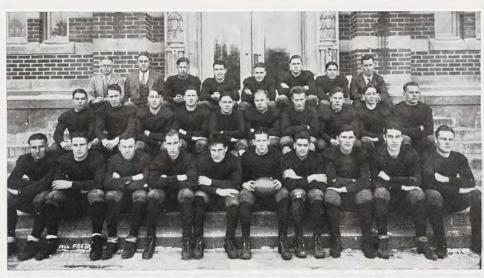

Introduction of both soccer and lacrosse, two popular eastern sports, by Coach Leonard was effected at State during the past seasons. Large squads of inexperienced men reported to the State mentor and considerable progress was made in developing teams.

Since only one or two schools in the Western Conference support either soccer or lacrosse teams, intercollegiate competition was virtually out of the question, but despite this the men worked hard and it is possible that after the two sports have taken a firmer hold on the middle west that State will be represented by varsity teams. No awards were made in either sports since no outside competition was met.

DECEDIO WOLVERINE CASSION

Helen D. Grimes Head of the Women's Department of Physical Education

The department of Physical Education for Women has developed rapidly since 1919, at which time the present building was first occupied. That same year sports made their initial appearance—swimming and rifle marksmanship being introduced. Since that time the enthusiasm and demand has grown steadily until the 1928 season opens with eighteen different sports sponsored by the Women's Athletic Association and seven sports sponsored by the Sororities.

The growth of the department has included a minor course in Physical Education, which has developed into a major. The first plan for a minor course was formed in 1922, put into operation the fall of 1923, and the major course is to be introduced the fall of 1928.

The major course will include, besides the Physical Education subjects, courses in Dietetics, Nutrition, and Dietotherapy, also music and art.

With the introduction of the major course the thoughts and plans of the department are turned toward a Woman's Gymnasium.

## FEATURE

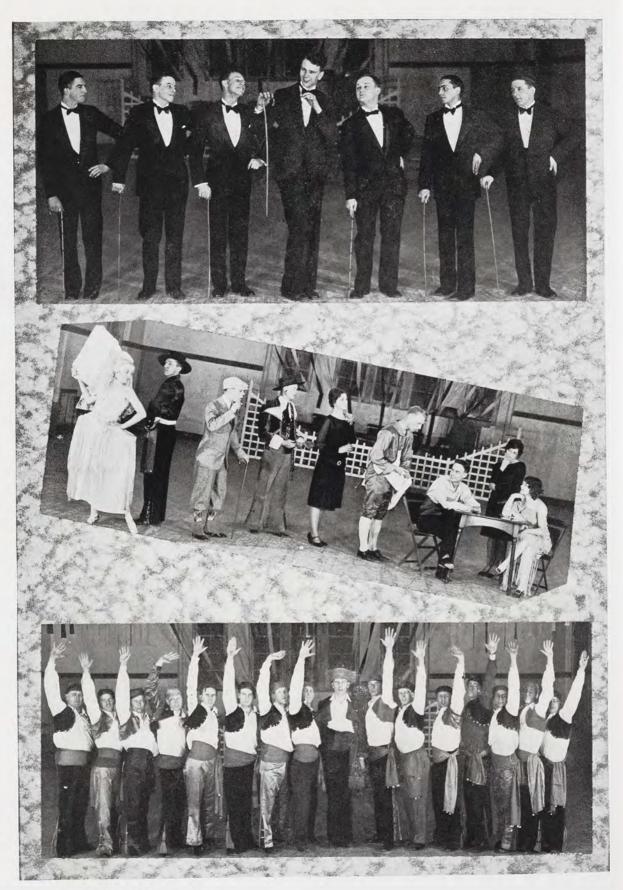

The passion of some for a stalk behind the footlights and the appetite of others for a condiment to please the eyes and ears were both satisfied in the production of Spanish Moon, all college review.

### SPHINX

Local Honorary Campus Women's Fraternity Founded at M. S. C. in 1916

The Spinx Society is an honorary campus society whose members are chosen primarily for their service to the college; scholarship, leadership, and character are considered also. General campus problems may be brought before them to be discussed. Each spring the Spinx sponsor the all campus "Lantern Night" in honor of the Seniors of the year.

## MICHIGAN STATE NEWS

John Kelly, Editor

Wayne Barkwell, Business Manager

The Michigan State News, student newspaper of Michigan State College, is entirely published and edited by students elected to the executive positions of the staff at the annual all-college elections. Appearing twice weekly, its circulation includes every student of the college, majority of the faculty, and a large number of outside subscribers. The editorial policy followed by the staff attempts to give the readers clear and accurate discussion on current college problems, while in the news columns the staff tries to present in a complete and unbiased manner all events occuring on the Campus. During the past few years the News has undergone an unusual increase in size, doubling its extent both in size and times published. Placing the subscription on the list of compulsory fees of the college has established it in a firm financial position and greatly augmented its desirability as a medium of reaching the student body.

## MICHIGAN AGRICULTURIST

The Michigan Agriculturist is published in the interests of conserving Michigan's farms and forests, encouraging better living conditions in the farm home and aiding boys and girls on Michigan farms in club work, and helping them to enter Michigan State, the oldest agricultural college in the world. The "Agriculturist" points out to students that agriculture does not need more farmers but better farmers. It brings the whole "Ag" student body closer together and keeps them in touch with the alumni and the alumni in touch with their Alma Mater.

## THE M. S. C. RECORD

A publication issued monthly for the alumni and former students of the Michigan State College, by the M. S. C. Association

## THE M. S. C. ASSOCIATION

Since the first alumni organization meeting back in 1869, and especially since its reorganization in 1913, the M. S. C. Association has enjoyed a continuous growth. Uniting the alumni and former students and serving the Michigan State College has been its primary purpose. The field work carried on through the branch clubs maintains contacts once established with the College and spans the gap between student days and alumnidom.

The association is responsible for the erection of the Union Memorial Building and is interested in its completion. Officers of the association for the current year are:

Arthur C. MacKinnon, '95, Bay City, President G. Vern Branch, '12, Detroit, Vice-President R. Bruce McPherson, '90, Howell, Treasurer Robert J. McCarthy, '14, East Lansing, Secretary Glen O. Stewart, '17, Lansing, Alumni Field Secretary

### STUDENT COUNCIL

The Student Council is the governing body of the Michigan State College student body, its board of directors. Composed of representatives from each of the classes, class presidents, and representatives of the Interfraternity Council, Varsity Club, and the Michigan State News, the organization acts as intermediary in all student-faculty affairs, has charge of all-college events, and executes the functions of student government.

## WOMEN'S SELF GOVERNMENT ASSOCIATION

The Women's Self Government Association endeavors to further the spirit of unity among the women, to regulate all matters pertaining to student life, and to increase their sense of responsibility in developing and maintaining high standards among college women.

The membership of W. S. G. A. includes the vice-president of the Freshman class, one Sophomore representative, two Junior representatives, who serve also during their senior year, and two representatives elected by the Senior class. There are several ex-officio members representing various campus organizations.

## CAMPUS GIRLS ASSEMBLY

Campus Girls' Assembly meets every Sunday noon in the People's Church, and is open to every co-ed on the campus. The cabinet is composed of one girl from each dormitory, sorority house, and East Lansing. The cabinet arranges the programs which this year have included various professors of the college who have given either traveling accounts, book reviews, or short philosophical discussions.

"Candida"

### THETA ALPHA PHI

Theta Alpha Phi is probably the most active honorary fraternity on the campus. It is financially responsible to the college for all plays produced and as a result receives the official backing of the college. A sum of money, appropriated by the college helps to buy properties and to serve as a drawing fund. The plays have been of the best, written by prominent authors and so produced as to be financial and dramatic successes.

During the year, the organization, under the direction of Professor King, has produced Bernard Shaw's "Candida," George Kelly's "The Show Off," and "R. U. R.," by Karel Capek, translated from the Czech for American production.

## DECECTOWOLVERINE CASTONIA

Lieutenant Colonel Sherburne

LOLOLOLOZONO ##1928 ## CVORSZOLON

# MERCEO AND WOLVERINE CESTERIST

### COLONEL SHERBURNE

Colonel Sherburne came to Michigan State College six years ago and has established an enviable record equal to that which he made in the service of the United States. The fact that the United States Government has this year granted him another year at Michigan State College is a very satisfying condition. 1924 saw the constant efforts of Col. Sherburne rewarded, when the United States Dept. of War granted the "Distinguished College Rating" to the Michigan State R. O. T. C. In 1925 the crack cadet unit was given the same honor. In 1927 the distinguished service was again given, making Michigan State College one of the very few colleges to ever receive four consecutive honors of this nature. This rating has since been discontinued by the War Dept. so the annual inspection held May 18 and 19, 1928, carried with it no such reward. It is through the efforts of Col. Sherburne that we now have on our campus the magnificent new field house known as "Demonstration Hall."

Col. Sherburne has as enviable a military record in the service of the United States as he has at Michigan State College. During his college days at Louisiana State University he was Cadet officer in the R. O. T. C. He left the southern university in 1898 at the declaration of the Spanish-American War to become a second lieutenant in the First Louisiana Infantry. Following this in 1899 he became a second lieutenant in the regular army. Prior to receiving this commission he had been cited for bravery after serving in twenty-one skirmishes during the Philippine Insurrection during which time he was wounded in action. He was commissioned First Lieut. in the regular army in 1911, after he had served in both Alaska and Panama. He became a Captain in 1916 after following the Punitive Expedition into Mexico in 1914. The coming of the World War in 1917 brought him the rank of Major, and took him to France. While in France, Col. Sherburne was again wounded and cited for gallantry. In 1918 he was commissioned to his present status of Lieut.-Col. Later he served in the American Army of Occupation in Germany and came to Michigan State College in the vear of 1922.

MERCE CAN WOLVERINE CASSISTA

### **DEMONSTRATION HALL**

The long looked for modern armory is now a reality, as is pictured above. The beautiful building is appropriately named "Demonstration Hall," and stands as a monument of achievement to Colonel Sherburne, whose efforts made it possible.

The building has interior dimensions of two hundred fifteen feet by one hundred feet, which is five feet longer than Madison Square Garden of New York. The seating capacity of the balconies alone is approximately forty-one hundred, and when the building is used for special purposes, can be made to accommodate about ninety-five hundred people by arranging seats in the riding hall. The building is equipped with a large gymnasium which affords an excellent place in which to hold large social functions.

Special rooms for each of the various forms of military science are a feature of the building. A rifle range that is a remarkable piece of work, and equipped with modern devices for the handling of targets, makes the study of marksmanship interesting. A large open area with no floor covering is used for riding purposes and for polo games. Headquarters for the officers are also in the building.

Dorothy Robinson Corps Sponsor

Col. Macier

Lieut. Col. Olin

## R. O. T. C.

The Michigan State College R. O. T. C. unit have won the remarkable distinction of having "Distinguished Rating" conferred upon them for four consecutive years, 1924, 1925, 1926, and 1927. A fifth entry upon the books of the unit would surely have followed had the War Dept. continued to confer this honor. Three fields of training are given—the infantry, artillery, and cavalry.

The parades of the entire unit held weekly during Spring Term are a feature that attract many to the Michigan State College Campus. The Michigan State College Band is a sight to behold as it marches proudly on the field. It has been named by many as being one of the best R. O. T. C. Bands in existence.

Cadet Colonel George Macier, '28, headed the Michigan State R. O. T. C. for the past year, while Clyde Olin, '28, was elected Cadet Lieut. Col. The Co-ed sponsor of the corps, in its entirety, was Miss Dorothy Robinson, '28.

## MECERCAROWOLVERINE GROSSIA

Major Stahle

Margaret Longnecker

Major Ray

## ARTILLERY UNIT

The artillery unit of the Michigan State College R. O. T. C. concerns itself primarily with infantry work as well as with practical service in various types of heavy artillery and anti-aircraft tactics. Special rooms in the new Demonstration Hall make the studying of artillery much more interesting. Major C. Thomas Stahle was the regular officer in charge of this branch.

Miss Margaret Longnecker, '28, was chosen as artillery sponsor by the members of the corps. The Cadet Majors of the unit are Harlan C. Ray and Ralph E. Dailey. The summer camp for the Artillery is held at the historic Fort Monroe in Virginia.

NEW CONTROL OF THE CAST OF THE

Captain Larsen

Elna Bowen

Major Bean

### CAVALRY UNIT

During the Spring term the Cavalary unit of the R. O. T. C. was at its best, and showed a decided feature of military precision with its well-drilled riding cadets. Mounted instruction was a routine part of the program of the riding cadets, and the riding hall made drill possible at all times. Capt. R. E. Larsen, of the U. S. Cavalry, was the ranking officer of the unit, while Cadet Major Arnold Bean was elected by this unit as Cadet officer. The co-ed sponsor of the Cavalry was Miss Elna Bowen, '28. The summer camp for cavalrymen was held at Fort Sheridan, Illinois, during the summer months.

MECERCARO WOLVERINE GROWNS

Captain Johns

Mary Marshall

Major Estes

## INFANTRY UNIT

In addition to close and extended order drill, the Infantry unit was given instruction in the use of auxiliary weapons during the out-of-door period of the past year. The rifle range in Demonstration Hall afforded every possibility for training in marksmanship and the handling of the rifle. The Infantry Unit's preparation for annual Spring inspection was one of the military features of the corps, and included a miniature sham bittle. The summer camp for advanced students was held at Fort Sheridan, Illinois.

Capt. Ernest Johns, U. S. Infantry, was the regular officer in charge of the unit, while Cadet Ward M. Estes was elected Cadet Major of the unit. The co-ed sponsor of the corps was Miss Mary Marshall, '28.

### BAND UNIT

The Military Band has always been the pride of the Military Division and of the Student Body. This year, as in past years, the band has performed in a manner that sends a thrill of pride through every heart, from the football games in the fall to the military reviews of the spring term. Under the direction of L. B. Falcone the band has given concerts both at home and away. Mr. Falcone is undoubtedly one of the best band directors in the country and was an official at the National Band Tournament.

John Gould was outstanding this year as the Drum-Major.

The co-ed sponsor for the year was Mary Rohn.

### M. S. C. SHORT COURSE

Twenty different groups have come to the College Campus during the past year to receive the training made available by the various College divisions and Departments through the Short Courses. The courses offered were as follows: Two Year Sixteen Weeks Course in General Agriculture, Eight Weeks General Agricultural Course, Horticultural Course, Poultry Course, Dairy Production Course, Dairy Manufacturing Course, Farm Mechanics and Truck and Tractor Courses, Home Economics Course, Ice Cream Course, Bee-keepers Course, Veterinarians Short Course, Amateur Horticultural Course, Market Gardeners Course, Fruit Growers Course, Commercial Floricultural Course, Four Weeks Dairy Course, Mid-Summer Poultry School, State Farm Superintendents, and State Herdsmen's Course.

The Inter-class Basketball and Indoor Baseball Tournaments were won by the second year class in General Agriculture and the Dairy Production Class respectively. The Judging Contests held at the conclusion of the winter term were won by the following:

First Judging all Classes of Livestock—Stanley Proctor, Ann Arbor. Second Judging all Classes of Livestock—Russell Jordan, Eaton Rapids. First Judging Swine—Sheldon Markle, Eaton Rapids. First Judging Horses—Gerald Fenner, Plainwell. First Judging Dairy Cattle—Russell Jordan. First Judging Beef Cattle, Gales Bates, Climax.

First Judging Sheep-Forrest Brown, Ironton.

First Judging Butter-Solomon Chase, Mt. Pleasant.

First Judging Fruit—Maynard Beck, St. Johns.

First Judging Poultry-Claude Mosher, Pittsford.

First Tractor Repair Work—Boyd Stetler, Olivet.

## DECEDIO WOLVERINE CASSESSE

#### RADIO STATION WKAR

A phase of student activity not generally known is that Station WKAR is entirely manned by students and graduates of Michigan State. Keith Himebaugh, L. A., '28, announcer for the past two years; Forrest Phippeny, '26, E. E., Radio Engineer; Dale Ball, '29, E. E.; George Rollins, '29, E. E.; Robert Martin, '28, E. E.; Jay Parkhurst, '29, C. E.; Ralph Clark, '30, E. E., operators, compose the program and technical staff. The radio experience of the operators extends over a period of five to fifteen years. As a result of this extensive and varied radio experience, they have built a station which is one of the strongest and best equipped college broadcasting stations in the United States. Four of the men hold commercial radio operators' licenses, which are valid in any ship or shore radio station in the world. The station has been developed by these men from a low powered station in 1922 to one of national importance in college broadcasting circles.

Humorous publications are published by colleges because a college is the biggest joke in the world.

Page three hundred sixty-four

## MEGEOZOWOLVERINE GROZDISZ

Did you ever have this happen to you after standing in line for just perfect ages?

Sept. 19—Well little diary, here we are. They say college makes for a better understanding and goodness knows I'll need a better one if I have to stand up for so long very often. I'm Dog-tired in the true sense of the word. They surely are making dear old M. S. C. harder to get into. It was all I could do to find the right office.

We stand in line for registration, For payment, and classification; The system is bum But still we all come, We're in love with our coeducation.

Sept. 22—First all-college mixer. Some of the freshman farmer boys sure showed their aggie culture. A red hot party; temperature 88 F. Fight returns at the Union. Tunney got knocked down for the count of nine. That must have been an awful blow to him. After the fight the Union reported several broken chairs.

"Woulds't dance with a poor boy, fair lady?"
"Sorry, but I can't be bothered with poor boys."

Coed—"I hope you'll all become better acquainted with that Winding Cedar real soon."

Sept. 23—First Spartan Welcome. A number of Frosh insisted on wearing their pots during the singing of Alma Mater. They probably thought it would add a crowning glory to it. Tiney Marsh was supposed to try out the microphone but somebody hung it too high.

Our team, win or lose, they'll be criticized, but our team.

Sept. 24—We won but the weather was so hot I just couldn't warm up to it.

### \* \* \* SPARTAN SPIRIT

The wind just howled
And the heavens scowled,
And there wasn't a sign of the sun.
And I froze my feet
On the cold concrete
But what do I care, we won!

That jubiliant feeling when the boy friend makes the first score of the season.

## MERCECATOWOLVERINE CASTRONA

Just the old, old game of Button, Button.

Sept. 28—Hully gee! I sure am livin' cheap this week. The girls found out I have a fur coat and a bank account, and I've been eatin' free meals ever since. Just rushed to death in the true sense of the word

YEH TEAM!

It's a known fact that football players from coed colleges always tackle high.

Coeds are like money; keep 'em busy or they lose interest.

'29—Pretty wet weather, eh boys?
'31—Yeh, but it'll be better when they finish the new weather bureau.

Sept. 29—Oh gee, oh gosh; it's rained for three days straight. Just now I saw a man go by with a load of wood and I asks my roomy where she thinks he's goin' with the lumber. "Oh", says she, "I guess he's gonna build an ark".

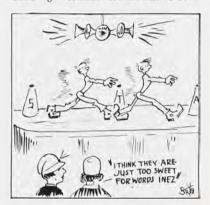

\* \* \* \*

Sign in Cafe—Use less sugar and stir like hell, we don't mind the racket.

"An'", says Howard Rathers, "every man who has red corpuscles runnin' up an' down his spinal column will be there supportin' the team. And that may not be good physiology but it's darn good oratory."

Oct. 6—Everbody showed lots o' pep with the exception of a few fellows who left early with their girl friends to study campustry.

YAY '31 WITH APPLESAUCE!

October days, chill winds, fur coats, banners, band music, loud yells, panting men, crimson sunsets, frozen feet, the disappointment of defeat, the glory of triumph, the greatest of all sports:

FOOTBALL!

Oct. 8—We lost, but we made some fur fly from the Wolverines. When our band marched down the field and Johnny Gould threw his baton over the cross-bar it thrilled me so I actually swallowed my gum.

State may have lost the game but we won some hearts down in Ann Arbor town that week-end.

ACKOROSCA 1928 +> CMORSKORSA

## DWOLVERINE CASS

Oct. 15-Oh what a mob o' freshmen. Why, if all of those boys were laid down end to end they'd reach from here to—well, you'd probably get tired before you got them all laid down.

Frosh-(before the rush) I don't want

any of that paint on my face.

Johnny Anderson—You'd better, it's gonna be rough in there and paint is a great preservative you know.

'29-What's your impression of col-

31-Rather hazey.

'Tis nothing lady, we do things like that every day. \* \* \*

Phi Delt-Remarkable isn't it, what a

drink will do for a man. Hespie—Yes, but isn't it still more remarkable what a man will do for a drink.

Oct. 18-Of course a fraternity man must have a dictionary. He uses it to set the other end of the ironing board on when he presses his trousers.

Pledge—"Are they very strict at college?" Soph—"Strict? Well, when a man dies in lecture they prop him up in his seat till the end of the hour."

Oh, I missed it! Yes, but you shouldn't let it upset you so dearie!

Oct. 20—The hockey girls would make good members for the Shin-busters Union. It's a good thing the field is near the hospital.

"Hurrah!" said the little girl as the five o'clock whistle blew, "games over."

Jo-"Say, girlie, are you very fast?" Flo-"Listen, half pint, I've had three track men after me for over a month."

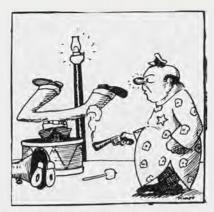

Oct. 29—Homecoming, and once again the old grads gather back round the M. S. C. school house.

Driver (in wee small hours): "This cab won't hold any more, there's six of you in there already."

Voice from inside: "Thash a' right, driver. I jesh put the light out to make room for one more."

The greatest pessimist we know is the man who looks both ways on a one way street.

## NEWSONOWOLVERINE CHOPSING

Nov. 15—The Band Initiates better practice on "Nearer My God to Thee" if the East Lansing Cops don't get over their trigger-itch. They had a bang-up time last night.

Maybe it was a good thing to see if these band men who are getting credit for Military would know what to do under fire.

"There", said the big hardy college man after his little coed had finally consented to kiss him goodnight, "Tha's the ol' Partin' Spirit!"

The Soph says, "Maybe the frosh did have to haul wood, but gosh, didn't we have to miss classes to see that they did it?"

Nov. 18—The Swartz Creek Band, the football coach,
A hatchet stained with blood,
An' buns an' beef an' everything,
An' the cider got stuck in the mud.

"'Sall right, 'sall right", said McElroy an' his buddies, "We'll take care of the cider." And they did.

Private—"If you could enter the service what branch would you take up?"

Pete—"I'd go into the aviation branch."

Private—"Why go into that?"

Pete—"When I got tired, I could drop out."

Nov. 20—What we want to know is, who got the commission for selling those leather putts to the boys this year?

'31—"Can you chew gum in ranks?"
'30—"Sure, but you dasent spit."

Captain John thinks many of the boys should do well on night maneuvering.

LET US GIVE THANKS

Nov. 24—The cows and chickens look
mighty good after nine weeks of books and
professors. Gee, I'm thankful I'm not a
prof. And I guess they're thankful they're
not a dumb student like me. So I guess
everybody's thankful and I'm thankful for
that.

'Tis hard to part with those we love When our hearts are full of hope: But 'tis harder still to find the towel When our eyes are full of soap.

## WOLVERINE GEORGE

Nov. 28-Toques seem to have been made to order for those afflicted with flapping ears.

Pat—"What is your chief worry? Pug—"Money." Pat—"I didn't know you had any."

Pug-"I haven't."

Speaking of dumb frosh, we recently heard of a Sophomore who went out for cross-country for exercise.

Mary—"In this professor I have at last found my mental equal."

Lucille—"Well, I wouldn't admit it,

dearie."

The cadet who took home the honorary colonel receives his honorable discharge.

Dec. 2—Several young cadets decided to take advanced military after the ceremony tonight.

Coed—"But, mother, I couldn't come when you called me. I was with George." Fond parent—"Yes daughter, I realize the position you were in."

Every man has his wims and his wimmens.

Helen—"Have you anything up in your room in the shape of pickles?" Charlotte—"Yes, I've got some nice

bananas."

Dec. 8—Some sorority girls we know are far ahead of Lindberg, he was in a fog only thirteen hours.

Alpha Phi-(as she slaps his face) "Well of all the nerve, don't you ever try to kiss me again!"

Lambda Chi-(meekly) "All right, if that's the way you feel about it get off my lap."

Sweet coed—"Daddy darling, is there really any Santa Claus?"
Father—"Well, just who do you think is putting you through college?"

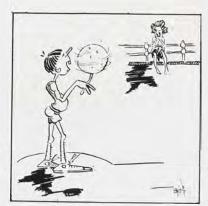

Dec. 16—"Goodbye forever," sang the freshman as he left the campus after flunking his last blue book.

Santa Claus is a constant fellow, he's still going around with the same old bag.

And now we're off for a two weeks vacation while we leave the campus in the watchful care of Fred Hicks.

CLORGED 1028 42 CLOR

Sorority sister—"Have you figured out the end we have in view in these initia-

Pledge-"Well, I have a feeling..."

Jan. 3—Basketball started with the first day of the term. The coeds all sat around the edge and showed the new chiffon hose that Santa brought them for Christmas.

Enthusiastic cheer leader, jumping out in front of coed section—"Are you with me, girls?"

Masculine voice from rear-"H-1 no!"

Jan. 10-Initiations make us appreciate the days when we were spanked and put to bed. Now we're spanked and told to stay up all night.

Delphic House—this week: "Peaches" Rhinehart in "The Band Master."

Jan., Friday the 13th-With such a date 'tis little wonder that no man felt inclined to crash the Coed Prom.

Alpha Gamma Rho-offers a little song and dance act led by Malone, entitled "After this gay life is over we'll settle down on the farm."

Jan. 20—Long term themes, and once again the library is overcrowded with freshmen hiding behind huge volumes in search of information on the subject, "If short course men studied electricity, would they major in short circuits?"

The Sigma Kappa's have worked up a little educational production for the benefit of the other societies, on "How to Study".

Eclectic—See Pat Grimes in "The Union prever". "A thrilling drama".—Eczema.

Toodle—"Didn't you find Mabel rather dumb tonight?"

Loo-"Dumb? Say, if that girl said what she thought she'd be speechless.

She-"I can't find what I want." He—"Well, if you are looking for sympathy, here's a dictionary."

## DEACTOR WOLVERINE CASSIONS

Jan. 27—Many a cadet officer may think he has won his spurs, but that doesn't say he knows how to wear them. Witness several holes in holeproof hose after the Military Brawl.

Phi Kappa Tau—The house on Delta Street presents Slats Macier in the rollicking comedy "Pardon Me, Mrs. Butterfield". Slats will take the double role of Cadet Colonel and Janitor. Ward Estes will play with him as the big major.

Jan. 28—The freshman boys look just too cute dashing across the campus in their B. V. D.'s for dancing class in the old armory.

The Kappa Delts can still hold their own in a popularity contest in spite of the fact that they now have a hamburger shop in the front yard.

Sweet young thing, beseechingly—"Please take off those spurs."

Rowdy—"I'm going to marry a pretty girl and a good cook."

Dow—"You can't, that's bigamy."

Why must these girls put us fellows in such embarrassing positions?

Little Roscoe was hired during farmers' week to keep an eye on the calves.

Jan. 30—The Alpha Gamma Delts had an all-fired hot time last night. Margaret Longnecker reports that along with the nine fur coats the girls also lost their picture of Captain Paul.

Lambda Chi Alpha—Jimmy McCosh and Red Colvin, the two big Varsity boys, in a little song and dance number, "We didn't set the Alpha Gamma Delta house on fire."

Feb. 2—Farmer's Week as usual helped us to get caught up in several classes. The greased pig contest held great attraction for the Varsity boys, while the more aesthetically inclined found pleasure in the exhibit set up before the old artillery garage entitled, "The Man Behind the Plow".

Farmer—"Do you have to see a doctor in this town before you can get booze?" Student—"No, afterwards".

## WOLVERINE (IN)

Feb. 3—We heard of one little freshman who expected an A out of Spanish because she made a chorus in Spanish Moon. Probably when she received her marks, just as George Babbington Brookfield, she sat down very hard and sighed, "My bubble has burst". We especially enjoyed the "O Toreadora chorus" in the bar-room scene.

Hesperian-Present in their big new house on the hill—Wayne Barkwell in the comedy "Little Collegiate", and Karl Davies in his own production, "Wanted a Chorus Girl".

Alpha Chi Omega—Notice that Omega, boys and girls. Yes, the Alpha Chi's crashed through again and now just like Uneeda Biscuits and Ford Cars, have become nationally known.

Feb. 6-We have some real ice at last, and now all those who are brave enough or dumb enough to wend their way across the windy Plains of Sherburne may have an opportunity to skate on the new rink,

Dumdick—"But just one lil' kiss from you would put me in Heaven."
Hotstuff—"Yes, but as I said before, I'm not competing with the Peoples Church."

Coed-"Why didn't that fellow return your hello?"

Ed-"Oh, he's a fraternity brother and never returns anything."

Feb. 10-We've been having some pretty fast parties lately. Several girls reported that it's been just neck and neck with that it's beening.

Hermian House offers this week only-Doc Brown and Leon Green in a little vocal number: "We hung so many of Dad Scheele's pictures that three of our freshmen drowned".

Feb. 24—We understand that in a special drill the other day John Brisbin was nearly run in for parking his platoon by a fire hydrant.

Breathes there a man with soul so dead Who never to himself hath said, When the first streaks of dawn he'd see, "Oh for a date with an Alpha Phi".

Kappa Delt-"I'd rather be in love with an army officer than to be a sailor's sweet-

Ditto—"Me too. I don't like salt with my mush."

## MERCE CAROWOLVERINE CAROLINE

March 2—The J-Hop, where men parted with that money they'd been saving on their meals and laundry for months ahead, and where if a girl was really clever she could get so close to a man that when he tried to kiss her she couldn't get away.

The Themians offer as their bid to fame, Flossie, Elna, Mary Ella, Dot, and so on far, far into the night. We wonder if they got so good by running through the back yard of the People's Church.

At the Phi Delta House—Ward Ross in "The Center of Attraction", and Parker and Farleman supported by a chorus of curly headed lads in "That School-girl Complexion".

March 15—The other day we heard of a fraternity who sent one of their freshmen out with some small change to get several of the cheapest coat-hangers he could find. Several minutes later the yearling returned with a bag of nails.

"My ol' man's a body engineer at Fords."
"Yeh? My ol' man's a doctor too."

Prof.—"Do you think Wordsworth was right when he said, "Heaven lies about us in our infancy?"

Stude—"Sure, but he forgot to add that everybody lies about us in our maturity."

March 19—Around exam time some profs remind us of the grocery clerk who hangs up a sign in his store, "Don't ask for credit. I hate to say no".

Prof.—"Now do we start at the beginning or end of chapter four?"
Lit—"Oh, you guess first."

Olympic—Offers one of the best productions of the year starring John Kelly as the little Jewish newsboy in the downtown section of East Lansing; "Wuxtry, Wuxtry, Last Edition."

Where the interurban wends its way to the northward stands the Ero Alphian abode, half hidden with a maze of vines without, filled with sweet coeds within, a fit study for Lucille herself to do in oil.

March 21—I heard a robin this mornin', I'm feelin' happy today. The first day of Spring Whoopee! Bring on the blue books.

SPRIG HAB GUB!

## WOLVERINE OF THE

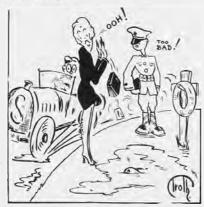

'31 Lover-"Speak those words that will mean heaven to me'

Loved-"Go shoot yourself".

April 2-Spring term. Third and last chance. It's a wonder we didn't have to come back on April 1st, just for spite. The campus looks real Springy with its fresh green pots.

When the AeTheons get out their balls and bats and start playing ball in the alley it's as sure a sign of Spring as the return of the robin.

Spring, and our fair campus begins to resemble a modern Venice. One young fellow suggested that hip boots would look well with the new style dresses, anyway.

April 6-Now that they have torn up the sidewalks, put fresh mud on the roads, and have placed the buildings farther apart, they might make it more difficult to get to class by putting revolving doors on the

Many an Ali Baba in the guise of a student has run up the front steps of the house across from the Eunomians and next door to the Delphics, pushed the doorbell, and softly whispered "Open Sesame".

April 13—Now that the weather has warmed up, the ice has thawed out of the radiators of the campus chariots and they are beginning to wheeze their way around again. We must say some of them are beautiful paint jobs.

The boys at the Trimoira house on the corner have gathered together to render a little ditty entitled, "The Price of Paint". No, girls, that funny looking red thing isn't a baby carriage.

Freddie—"So you gave up trying to teach your girl to drive the car".

Bob—"Yeh. When I told her to release her clutch she let go of the steering wheel".

April 20-Many fraternity boys say they have cut so many classes that their conscience bothers them to the extent that they can't sleep soundly any more after eight o'clock.

Delta Sig House—Starring Paul Smith in "The Triple Threat—Wine, Woman, and Song". Autographed photos of the star will be given at the door for the first performance only.

COLOR CONSER 1028 A SEVICE

## WOLVERINE ASSE

April 26-What could be more exciting on a hot Spring afternoon than to be in the crowd when one of the boys smacks a home run, and jumping up and down in your enthusiasm, have one foot go through the bleachers?

Phylean—The first showing of "Colorado Bound", one of a series of comedies from William's famous cartoons in which Art Carls will take the part of "Curley". Next week Carls will appear in "The Student Prince".

Tolles—"Let's go to the fair". Rhinehart—"What fair?" Tolles—"I dunno, but the paper says fair today".

May 4-Now comes the time of year when on most any corner you can find a freshman composing poetry. One poor fellow had his girl on his mind so much he was all set to drown himself in the river, but then he changed his mind.

Boring young man—"You know I'm funny like that—always throw myself into anything I undertake".

Coed, sweetly—"How splendid. Why don't you dig a well?"

Pomp and splendor marks the Spring Parade.

May 15-Founders Day celebration and we are excused from classes to watch the little cadets play war. College wouldn't seem like the same old place without parades.

Ulyssian—Having swept the dirt out of the Old Lambda Chi house offer for your approval in "College Convocations", W. F. Newell featuring the Hallelu-Yah chorus.

The Phi Chi Alpha's offer a little skit entitled "We're a growing organization and we're three years old to date". Give 'em time and maybe they'll date more.

Theta—"What can I do to keep from topping all my drives?"
Hespie—"Turn the ball upside down".

Kappa Alpha Theta—Just an awfully sweet bunch of girls. They live in the house with the ladder up the front side. We might suggest that the girls start a roof garden and train a vine up the rungs, but merche the Thate's have already found. but maybe the Theta's have already found a better use for that ladder.

## WOLVERINE COST

First trackster—"If a girl ever kissed me I believe I'd die".

Second also-ran—"I believe I'd be ready then myself".

May 18—On looking over the list of entries for tomorrow's State Intercollegiate meet we conclude that several of our boy friends who have been telling us of their track ability "Do not choose to run".

Sigma Alpha Epsilon-We heard a rumor that these boys were laying a snare for Charley Paddock, so that their Freddie would have one less competitor between him and the Olympic games.

Sorority sister—"So glad to see you—just finished my beauty sleep".
Young gallant—"I must be a little early—

don't you want to rest some more?"

May 19-One love-lorn youth complains that his girl may be a sorority girl but she's dog-gone independent.

Many a perfectly level-headed youth has Many a perfectly level-headed youth has lost his case of homesickness when some sweet young thing from the "Chi O" House has got him in a secluded corner and softly crooned "My Chi Omega Sweetheart".

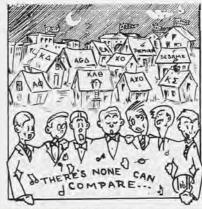

Hub-"I had an awful time writing that

book report."

Bub—"Did you try readin' the book first?"

May 20-After all, a little bit of study now and then is a necessary part of college life, and is sometimes practiced by the

U. Lits—Present Clyde Olin in the biggest role of the year, "College Traditions," from the book "B. M. O. C.'s every frosh should know"

COLLEGE BOYS MAY BE CRAZY BUT THEY HAVE THEIR FACULTIES!

May 24—A warm Thursday evening. A faint breeze drifts through the branches of faint breeze drifts through the branches of the trees with a gentle hush. From up above a misty moon casts weird shadows on a world of romance. A group of col-lege boys gather together to sing sweet melodies of love. High up in a window on the top floor of the Woman's building a little girl turns to her roommate and sobs, "Oh, Mabul, ain't it just too grand?"

%&NØ\$\$1028≠\$@V@

## WOLVERINE CAST

May 30—"Business is falling off", remarked the riding school teacher. "Oh no! Picking up", said the stretcher bearers as they dashed on the field.

The boys in the Euromian house have worked up a bit of musical comedy led by Neller and Wargowsky centering about the theme, "If all the public drinking houses were at the bottom of the sea, a lot of people would be drowned".

Alpha Phi-When for two successive years the same sorority claims the R. O. T. C. corps sponsor and the infantry sponsor, "such popularity must be deserved,"

Mary-"My grandfather lived to be ninety and never used glasses".

Lou—"Well, lots of people prefer to drink from a bottle".

June 1-June at last and the Red Cedar becomes infested with canoes. One little freshman, who doesn't seem to have gained much from his year of college, thought Pineeatum was a restaurant.

Fresh-"Hey, what's all the rush?" Frosh-"I just remembered I got to study".

The Pi Kappa Phi's lead a peaceful life. At present Harlowe Brigham is stage managing a little production entitled, "If we ever get through college, we want a wife with a steady job."

He—"I guess I'm just a little pebble in your life". She—"Well, I wish you were a little

boulder".

June 8—I just got in from the most divine party with the most heavenly boy. Oh, it was just too glorious. In one of the intermissions we went out in the garden (he said he needed the air) and he slipped his arm about my slender waist (it really is slender too) and I sort of melted away (the way I've learned to do) so he could kiss me. "Jill", he sighed, "My little passion flower, your kisses are intoxicating". So we stayed out there alone in the moonlight and when it came time to go home, he was so drunk he could hardly drive the

## MERCECATOWOLVERINE CASTRONIA

There is always a big turn-out for the Water Carnival.

June—Soft amber lights flooded the limpid waters of the river. Down its gentle stream in all the splendor of the ancient days of yore floated barges all bedecked as for a gala holiday. A dusky slave stripped to the waist stands rigid with arms folded on the prow of one fair ship. Never a move he made; his muscles all held rigid till with an awful oath he up and smacked the 'skeeter that was boring through his chest.

It isn't what the man says that counts, it's his girl's reply.

June—In the forest of Arden, when the wind sighs in the trees, and the moon shines down from above, we went to see the senior play. "But the seniors aren't the only ones who know how to play in the forest of Arden under those conditions", whispers Margy. "And we don't need footlights either".

Young Romeo—"Every time I see a star fall I'm going to kiss you".

Sweet Thing, after ten minutes—"Aren't you counting fire-flies?"

The period between birth and a college career should be called "From one crib to another".

June 13—Another appropriate date for final exams. More cases of blues are developed from blue books than from any other source, but it isn't the color of the cover that brings on the indigo taint, it's the big open spaces inside.

Senior—"I'm going to the library to study for the last time".

Junior—"Study what?"
Senior—"Study anatomy".

And now as we near the close of this section we wish to thank all those freshmen who have been a continual source of information and ideas and all those dear coeds who have been a constant inspiration to us in our work.

June 15—One by one the seniors in their caps and gowns went up for their diplomas, and as each received it in his own possession he sighed, "Fooled 'em again."

Alumnus—"If I should kiss you would you call the house mother?"

Alumna—"Not unless you wanted to kiss her too".

MERCEOZOWOLVERINE CASSIONA

THE story of a fine motor car in the making, as portrayed to you in a tour through the Oldsmobile factories, is one at which you will marvel and never forget.

You will see machinery uncanny in its performance; intricate machines that form steel with split-hair accuracy; gigantic presses which transform metal into desired forms by a single 265-ton blow.

You will see these machines transform

raw materials into finished parts and these parts built into complete Oldsmobiles, running under their own power.

You will see how quantity production methods, fine craftsmanship, and rigid inspection are combined in building the car which engineers and critics pronounce "two years ahead".

You are cordially invited to visit us.

Factory tours 9:30 A.M. and 2:00 P.M.

No afternoon trip on Saturday.
