President Shaw

"A good name is rather to be chosen than great riches." If our conduct is always such as to protect and preserve our own good names as well as that of Michigan State College, then there will be no need of rules or regulations, and freedom of thought, expression and action may dominate our college life, bringing about true independence, happiness and success in our relationship to the institution and our fellow beings.

Robert S. Shaw

SECRETARY OF THE COLLEGE

The Secretary of the College is responsible for the execution of the budget under the direction of the State Board of Agriculture, and in general for all moneys expended by the College. He is custodian of all College property and buildings, and acts as Secretary for the State Board of Agriculture.

In connection with the office of the Secretary, there is an Accounting Department headed by the Comptroller. The duty of this division is to see that no departments are allowed to overrun their budget and to carefully check on expenditures that seem unwise.

The Secretary is in close contact with the student body as evidenced by his interest in its many activities.

Secretary H. H. Halladay

OFFICE OF TREASURER

Jacob Schepers

For twenty-two years, first as cashier, and since 1922 as treasurer, Jacob Schepers has served the College. He is charged with the collection of student fees and with the disbursement of all money received by the State Board. Checks drawn on class and publication funds must be countersigned by him. Financing of the boarding clubs and loans to students are transacted through his office.

OFFICE OF REGISTRAR

Miss Elida Yakeley has held the position of registrar since 1908, when that office was made a separate division. Figures for 1929 indicate a continued growth in registration, with 3,138 enrolled in undergraduate, graduate, and short courses. This is especially significant when one recalls that eleven years ago, in 1918, the total enrollment was 1,141.

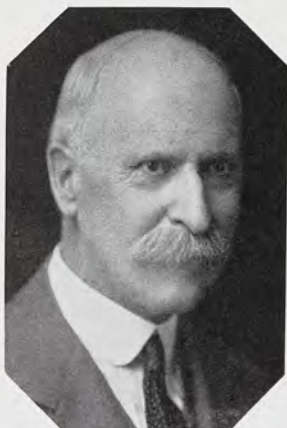

Miss Elida Yakeley

DEAN OF WOMEN

As dean of women, Elizabeth Conrad is concerned with the living conditions, health, social life, employment, and vocational guidance of that sex on the campus. She sponsors special talks for students, housemother's meetings, and personal and group interviews. All society parties must bear her approval. She is a member of the Women's Self Government Association.

Dean Elizabeth Conrad

Dr. Frank S. Kedzie

COLLEGE HISTORIAN

One time president of the College, dean of applied science, and professor of chemistry, Dr. Frank Kedzie has been intimately connected with the institution all his life. Now, as historian, he is in charge of all old records and equipment of the oldest agricultural college in the world.

MICHIGAN STATE LIBRARIAN

From a modest beginning in 1881, when a separate library and museum building was erected, the library has expanded to its present size of 60,000 volumes. A new building to house this important factor in education was completed in 1924. For thirty-eight years, Mrs. Linda E. Landon, as college librarian, has witnessed this development and done much toward making the library what it is today.

Mrs. Linda E. Landon

DIVISION OF LIBERAL ARTS

The departments comprising the Liberal Arts Division have been in existence for years. Although their work has recently been coordinated as a unit, the Liberal Arts Division has already begun to assert itself and to develop a consciousness. As time goes on, a greater call for service is made on the Division.

Dean E. H. Ryder

The development of a course in Public School Music during the past year has strengthened greatly the work in Arts. The course meets a demand for students adequately trained in music to serve in our public school system. Another contributing factor to the development of the work has been the addition of a course in Hotel Training. This curriculum has been arranged in response to a demand on the part of the hotel men of the state for personnel trained to meet the needs of an ever-increasing traveling public.

While endeavoring to care for these wants, the work in Business Administration and other arts has shown a healthy growth. All of these courses increase the cultural as well as the vocational aspects of the Arts work at this institution.

DIVISION OF AGRICULTURE

An increase, though slight, in the number of students in the Agricultural Division and a marked increase in Short Course attendance may be taken as indicative of public realization of the fact that Michigan agriculture offers bright prospects for those entering this field at the present time.

The apparently unavoidable conditions following the World War have best been met by increasing the diversification of Michigan's farm enterprises. The variety of courses offered by the Agricultural Division have been developed hand in hand with Michigan's agricultural needs. Dairy husbandry, animal husbandry, poultry husbandry, farm crops, soils, horticulture, landscape architecture, forestry, and agricultural engineering offer excellent opportunities at the present time and will require more trained men than now available to take care of the needs of the immediate future. The next ten years bid fair to be prosperous ones for those trained in scientific agriculture.

Dean J. F. Cox

DIVISION OF ENGINEERING

The conception of engineering as expressed by the leaders of the profession is as follows: "Engineering is the science of controlling the forces and utilizing the materials of nature for the benefit of man, and is the art of directing and organizing human activities in connection therewith."

Dean G. W. Bissell

Engineering as an art is old, so old in fact that it has probably never been traced to its beginning. As a science, however, it is young, and in its applications to our present civilization has become extremely diverse. The success of the engineer, however, as in the past will be due largely to his intensive training in language, science, mathematics, mechanics, the fundamentals of engineering science, and the practice of the art of engineering. This training is offered students in the engineering division and with the addition of certain fundamental courses in economics and business law, helps to fit him for the diversity of work which he will meet after leaving college.

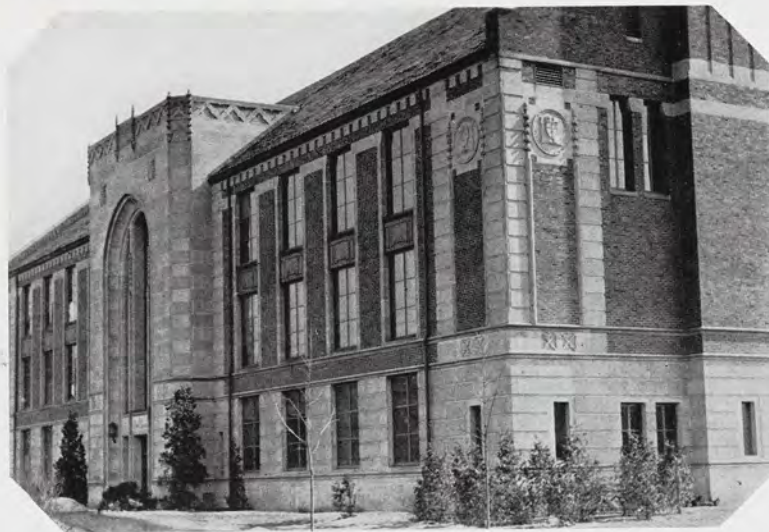

DIVISION OF HOME ECONOMICS

The ultimate purpose of this course is to train students in the application of principles of the sciences fundamental to living and utilization of all modern resources in the improvement of the home. Courses of instruction in home economics together with all the subjects correlated therewith are designed to emphasize the civic, moral and economic responsibility of the individual home to the community, and instruct in the right care of human life in the home.

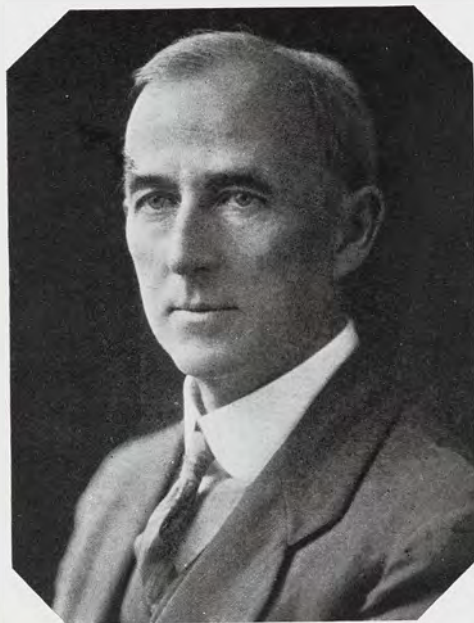

Eight lines of work are offered in the Home Economics Division: general, foods and nutrition, institution management, clothing, textiles, related arts, vocational, and a five year course in home economics and nursing. In each of these the work is practically the same for the first two years. The groups are offered to permit the student to specialize in the phase of home economics in which she is most interested. All groups prepare for teaching and a student in any one may obtain the state life certificate to teach by electing the courses in education specified by the State Department of Education.

Dean Jean Krueger

DIVISION OF APPLIED SCIENCE

Acting Dean E. A. Bessey

The Applied Science Division was established in 1921. Its purpose was to provide opportunity for a more intensive training in the fundamental sciences than was afforded in any of the divisions already in existence. Naturally, and rightly, the more technical courses of study such as agriculture, engineering, home economics and veterinary science required of their students much time in studying the technical phases of these subjects. The new course permits this time to be devoted to the deeper study of the science or sciences in which the student is interested. The sciences in which such specialization is possible are: Bacteriology, botany, chemistry, entomology, geology, physics, zoology and mathematics. Graduates of the Applied Science Division may look forward (1) to further work as graduate students, (2) to teaching in high schools and small colleges, (3) to certain classes of positions for which the technical scientific training has especially fitted them.

DIVISION OF VETERINARY MEDICINE AND BIOLOGY

The medical sciences are not neglected at Michigan State. In addition to the work offered in other divisions, the Veterinary Division gives a complete four year course in veterinary medicine leading to the degree of D. V. M. and a course leading to the B. S. degree in medical biology.

Graduates of the Veterinary course have made a marked success in practice, teaching, research, federal and state civil service, in the army, and in many other enterprises. The veterinary course is interesting and not only trains the student for a professional career, but it is a good liberal education.

The medical biology course is something new and is the only course of its kind offered by any college in America. It trains men and women for technical scientific positions in hospitals, board of health laboratories, commercial laboratories, and as technical assistants to physicians.

Dean Ward Giltner

MICHIGAN STATE INSTITUTE OF MUSIC

With the advent of Lewis Richards as director, the Music Department of the College underwent a complete reorganization in the fall of 1927. The object in

view, which has been attained with signal success, was to place this department on the highest artistic and educational level that has been reached by music departments in any of the foremost colleges or by conservatories of music today. A feature which has attracted wide attention is the placing, as heads of the various departments of the work, of professional artists actively before the public. It is felt that this unusual procedure will be of great benefit to students intending to enter a professional career as artists. Men of national and international name, continuing their public activities, are here at the head of these divisions, the director, Mr. Richards, at the head of piano; Louis Graveure, voice; Michael Press, violin; Philip Abbas, cello; Arthur Farwell, theory, and Leonard Falcone, band and brass instruments.

Professor Lewis Richards

PHYSICAL EDUCATION

The four year course in physical education for men was started in the winter term of 1927, while that for women was started in 1928. It leads to a degree as bachelor of science.

Students may take up to sixty hours of work in physical education. The remainder of the work is in education and other academic subjects so that the student will be prepared to teach upon his graduation. The courses have been planned to give instruction to students desiring to enter the field of physical education. It will prepare men to serve as directors of physical education and athletics in public schools and colleges and as coaches in football, basket ball, baseball, track and field athletics, wrestling, and swimming. In addition it prepares them for conducting classes in calisthenics, gymnasium games, and giving physical examinations. It prepares the women to serve as instructors and directors of physical education in public schools and colleges, supervisors of playgrounds, camp directors, and club leaders.

Director Ralph H. Young

THEME

A fantasy based on selections from the Arabian Nights Tales

ADMINISTRATION

For administration we have chosen an incident from the King of the Black Isles.

The Sultan, while on a journey, came upon a mysterious city and in exploring its deserted buildings came upon a handsome youth who was bewitched by his false queen. The Sultan succeeded in breaking the spell and destroying the evil queen, gave his own daughter to the young king in her place.

CLASSES

This incident is chosen from the old familiar tale of the "Genii of the Lamp." The monster demon slave to the owner of the lamp waits to serve Aladdin who has accidentally discovered its secret.

ATHLETICS

Here we have chosen the Magic Horse. The story of this Oriental charger which could fly through the air to any point with miraculous speed.

ORGANIZATION

Here we have Morgiana pouring the boiling oil on the hidden Thieves and saving her master Ali Baba of ancient Persia, who by way of appreciation for her faithfulness made her wife to his son.

FEATURES

For the feature section we have again gone to the final Story of the Magic Horse and taken the little passage. "They went down and sat by the lake and solaced themselves sweetly with love till it was evening."

CO-ED

For the Co-ed Division page we have chosen Scherazade the Teller of the Tales. The Sultan, disappointed in love, made a vow to take a new wife every evening and have her executed at dawn. In time the very clever and beautiful daughter of the Grand Vizier became his bride, and to protect her life she hit upon a novel plan to tell the Sultan a new story every night, leaving off at the most interesting part.

So well were these stories told that each dawn found her spared by the Sultan to finish the story. And so for a thousand and one nights this continued. The Sultan grew to love his beautiful and clever wife and in the end spared her completely and forgot his vow.

The 1928 football season was both one of joy and sorrow to Michigan State College football fans. During the season three games were won, four were lost, and one was tied.

At the end of the season something original in the annals of State gridiron history occurred when Vern Dickeson, Highland Park, and Fred Danziger, Detroit, were jointly elected to lead the 1929 team. Both are backfield men.

State's 1929 season started in the most auspicious fashion in history September 29, when Kalamazoo College was defeated here by the record smashing score of 103 to 0.

State's offense was at its best that day and it swept over the orange and black eleven with ease to a new all-time scoring record for Spartan teams. Every man on the State squad saw action, but still the heavy scoring continued unabated. Max Crall, substitute halfback, was the scoring star of the day with four touchdowns and five boots from placement after touchdowns. He contributed the longest run of the year when he dashed 85 yards to a touchdown.

The game marked the introduction of a number of sophomores to collegiate competition. Roger Grove, halfback; Harold Smead, center; Cecil Fogg, end; Reuben Dill, guard, and Carl Nordberg, back, were the new men to appear, and all showed to advantage.

ALBION 2; STATE 0

Just as quickly as hopes were raised so were they dashed to pieces when Albion College downed State 2 to 0, October 6. The plucky Methodists came over to East Lansing doped to lose by a huge score, but instead they played a stellar brand of ball to down the overconfident Spartans, 2 to 0. A safety in the second quarter proved the only score of the game, and it was sufficient enough margin for an Albion victory. Some consolation may be gained from the fact that the Methodists went through their 1928 schedule undefeated.

STATE 37; CHICAGO Y. M. C. A. COLLEGE 0

Coming back after the humiliating defeat at the hands of Albion, State downed a fighting band of Chicago "Y" College gridders 37 to 0, on October 13. The Spartans put their high powered attack in gear again, and at times the contest bore a semblance to the season's opening Kalamazoo rout. Overconfidence was not present in the Spartan front in this contest and every man played his best.

COLGATE 16; STATE 0

Flashing a brilliant offense and presenting a defense that could not be pierced, Colgate came to East Lansing, October 20, to defeat State 16 to 0 in the Home-

coming encounter. The Colgate line, led by Captain Bruce Dumont at a guard, was the deciding factor in the contest. Early in the contest Tommy Dowler, Colgate back, caught a punt on his own 35-yard line that resulted in a touchdown. The run was one of the most beautiful ever seen here. Smead, sophomore center, was the State star. Time after time he smashed Colgate plays that looked like touchdowns. The Spartan ends, Anderson and Captain Hornbeck, also played in big-time style.

STATE 6; MISSISSIPPI A. & M. 6

The ease with which a football game can slip out of the bag was shown in the stadium here November 3, when Mississippi A. & M. came through in the final period with a pass that tied the score at 6—all after State apparently had a vic-

tory in its grasp. The Spartans outgained their rivals considerably in this contest, but lacked the punch to score frequent touchdowns. In Pappenheimer, Jewish halfback, the southerners presented a backfield man that compared favorably with any ever seen on the local gridiron. State goes to Starkville, Miss., in 1929, to play out its part of a home and home agreement with A. & M.

U. OF DETROIT 39; STATE 0

State suffered its most disastrous defeat of the season November 10, when University of Detroit defeated the Spartans 39 to 0 in a game at the Dynamic

City. Detroit, claimants of the national title, were at their best against State, while the Spartans failed to perform in more than mediocre fashion. The Titan offense swept everything in its wake, and State was beaten before knowing the game was hardly under way. State is anxiously awaiting the 1929 invasion of the Titans in order to get another chance for revenge.

MICHIGAN 3; STATE 0

With all thoughts of the past behind them, State's warriors came back November 17 to hold Michigan to a 3 to 0 decision. A placekick in the second period won the game for Michigan. In the opening period State was within scoring range on three different occasions, but inexperience told, and a score did not

result. The work of State's ends, Anderson and Hornbeck, was the feature of this contest. A heavy rain all through the last half made footing treacherous, as well as ball handling, and frequent fumbles resulted. Fred Danziger, captain-elect, entered the contest in the second half and gained considerable ground by his heavy line plunging. This was the first time in a decade Michigan has failed to score on State, and the result of the contest was indeed gratifying to Spartan followers.

STATE 7; NORTH CAROLINA STATE 0

State closed its season in dramatic style here November 24, by scoring a last quarter win over North Carolina State, 7 to 0. The game was played in snow flurries, but was speedy in spite of the elements. The teams battled on even terms throughout the entire game until the last period, when Fred Danziger,

Seven Staters wound up their college careers with this contest. This list is made up of the following who will receive their diplomas in a few weeks: Captain Jack Hornbeck, John Anderson, Koester Christensen, Joe Crabill, Glen Hitchings, Harry Kurrle and William Moeller. Christensen must go down in history as one of the greatest gridders who ever stepped on the field in a State uniform. Shifted to a tackle this year, he played extremely well and his work was an inspiration to the other men on the team.

PROSPECTS FOR 1929

With twelve letter men returning hopes are high for a successful football season at State next fall. Feeling generally is that 1928 was a year of development, as the Kipke system is entirely different from any heretofore used here. All during 1928 there were flashes of play that indicated what may be expected in the future.

With the same coaching staff back on the job and a number of likely men coming up from the freshman ranks, the 1929 season should be an epochal one in State gridiron history.

THE 1929 SCHEDULE

September 28—Alma College at East Lansing.
 October 5—University of Michigan at Ann Arbor.
 October 12—Colgate at Hamilton, N. Y.
 October 19—Adrian College at East Lansing.
 October 26—North Carolina State at East Lansing.
 November 2—Case of Cleveland at East Lansing.
 November 9—Mississippi A. & M. at Starkville, Miss.
 November 16—U. of Detroit at East Lansing.

During the past season State scored 515 points in 16 games for an average of 32.2 points per game. State's foes were only able to run up 343 points during the season for an average of 21.1 per contest.

Art Haga, sophomore guard, led the Spartans in scoring, with Captain-elect Jimmy VanZylen second.

Featuring one of the fastest offenses in the entire country, the 1928-29 Michigan State College basketball team was rightfully regarded as the greatest in the history of the school.

During the season State won 11 games and lost only five. Two of these were lost by but a single point. The highlight of the season without question was the astounding and brilliant 31 to 24 win over Michigan at Ann Arbor, December 7, in the season opener for both schools. The true strength of the Spartans is best shown by the fact that Michigan carried through to a tie with Wisconsin for the coveted Big Ten title.

Four regular members of the team, Captain-elect Jim VanZylen, Fred DenHerder, Art Haga and Roger Grove, remain as a nucleus for next year's five. Captain Carl Felt is the lone regular to graduate.

Following the Michigan victory the speedy Spartans swept through to easy victories over Hillsdale, Penn State and Cornell. Then the Spartans met a tartar in Ohio Wesleyan here, January 7. After leading 17

to 13 at half time, State slipped to lose in the final seconds 31 to 29.

Undaunted by this heartbreaking reverse State came back to swamp Marquette here to the tune of 29 to 19. The crushing 39 to 0 University of Detroit football defeat of last fall was avenged the following Friday, when the Titans were humiliated by a 27 to 13 score at Detroit. Detroit sport critics united in proclaiming State one of the greatest basketball teams in the land.

The joy of State fans was not for long though. The team went to Notre Dame January 23 only to be turned back 29 to 24 by the Irish quintet. An injury to Fred DenHerder early in the contest hurt State's chances materially.

In a slump as a result of the grueling Notre Dame contest, State was given a scare three days later by Kalamazoo College, but managed to win 30 to 22. The score was knotted at 12 all at half time.

Then the Spartans went on a road trip that proved decidedly disastrous. Colgate, the alma mater of

Hope College, a fixture on the State basket ball schedule, was literally crushed 51 to 18 in a game here February 8. Detroit came a week later for a return engagement only to go home completely humiliated by a stinging 40 to 15 defeat.

As a grand climax to the home season Notre Dame played here February 22 to a gymnasium full of howling fans that clung to the very rafters. After two extra periods Irish luck won out, and State had lost 28 to 27. Jim VanZylen, high scorer of the State team, was out most of the contest because of a leg injury, and his absence told heavily. The game was the most thrilling ever witnessed in East Lansing.

Lake Forest College closed the home season for State by losing a 49 to 16 decision. State's team was at top form against Lake Forest and scored at will. VanZylen was on the bench because of the injury that kept him out of the Notre Dame fray.

As a grand climax to a great season the Staters traveled to Milwaukee to defeat Marquette 26 to 15 on March 4. Milwaukee sports writers declared Art Haga, guard, the greatest seen against Marquette this year, not excluding Smith and Donovan, Notre Dame's all-American choices. Captain Carl Felt was also showered with praise because of his ability to get the tip-off from his taller Marquette rival, Andrews.

More remarkable than anything else in connection with the great State team was the wonderful spirit of the players. Ex-Captain Vern Dickeson and "Cappy" Russo, regulars a year ago, were relegated to the bench by sophomores during the season, but they worked harder than ever, and when the pinch arrived where they were needed, a better response could not have been asked for.

Several other men who did not receive letters failed to miss a single practice during the season.

Thus was State's basket ball season culminated. One fact was brought out clearly during the year and that is, that larger playing quarters must be provided if all of the fans are to be seated at the games. Several plans to provide extra space were advanced but fell through during 1928. Next year the needs of the athletic department for some new arrangement must be met; they can be denied no longer.

Success again smiled on the Michigan State College baseball team in 1928 although prospects were gloomy at the start of the season. Coach John Kobs in his customary fashion took a green outfit and moulded it into a formidable machine that included Michigan, Big Ten champions, in its list of victims.

Captain Forrest Rinehart headed a squad of ball players who individually did not stand out, but together were a nigh-on perfect machine.

As in 1927, State experienced little success on the southern training journey the last week of March. The Spartans started the southern jaunt off by defeating Cumberland University 5 to 3. Three games played against the Fort Benning officers were not so successful though, State only winning the last one, 9 to 7. during their college days, took the measure of State, 7 to 0. A heavy rainstorm prevented a second game against Marysville, and the Spartans moved northward to wind up the trip with a win over the Pressman's Technical School, 7 to 4.

Home again, in far better condition than when they left, the Spartans opened play before the students and fans of East Lansing by shutting out Adrian 12 to 0. Kalamazoo College fell to the Staters 10 to 4 in a free hitting contest that was second on the schedule. A contest scheduled for April 21 with the University of Chicago was rained out, much to the sorrow of fans here, who had hoped to see the Maroons in action.

The closest and best played home game of the season came next against Syracuse. Al Tolles,

Another rain prevented State from engaging Oberlin on a road trip. The following day Ohio State's sluggers caught the State pitching staff unawares and slammed out a 12 to 5 verdict.

Armour Tech came to East Lansing for its annual battle and was humbled to the tune of 5 to 2. The next game against West Virginia U. saw State at its worst. In a contest that was anything but good the Mountaineers won 21 to 1.

Better, as a result of getting this piece of bad baseball out of their system, the Spartans came back to defeat Bradley Tech 8 to 7 in a ten inning fray. A return game here with Oberlin was rained out, as was the annual home contest with Notre Dame.

Chicago Y. M. C. A. College provided the opposition in the next encounter, State winning 5 to 2. A trip to South Bend, and Notre Dame's great team whitewashed the Spartans to the tune of 8 to 0.

As a warm-up affair for the two big games with Michigan, State defeated Hope 11 to 0 here, June 6. June 15 found the Spartans over at Ann Arbor for the first game against Michigan's conference champs.

Pete Bullach, a twirler who had not worked a full game all season, took the hill, and it was only after ten innings that Michigan finally won, 7 to 6.

The following day sweet revenge came to State when Michigan was downed 9 to 4 in the final contest of the year here. Gerry Byrne, State's sophomore hurling ace, held Michigan

helpless and aided his own cause with a home run early in the fray. The homer came on one of the longest hit balls ever seen here.

As a result of State and Michigan splitting their two games for the last three years it was decided to arrange for three contests in the future. The first is to be played here early in May and the last two at Ann Arbor as a feature of Michigan's commencement.

PROSPECTS FOR 1929

With ten letter winners back for action and some capable sophomores coming up, Coach Kobs faced a much easier task in 1929 than in 1928. Captain Rinehart, Davis, Caruso and Hoisington were the men lost to State through graduation last spring. Practice was held in the armory all spring and a southern training trip was taken by the squad. Another victorious State baseball team is looked for.

Upon recommendation of Head Coach Ralph H. Young and Assistant Coaches Morton F. Mason and Miles W. STATE'S OLYMPIC REPRESENTATIVE

Fred Alderman, captain of the 1927 Spartan track team and the greatest sprinter ever developed at the college, was the representative of the college at the 1928 Olympic games at Amsterdam. Alderman ran on the 1,600 meter relay team which won one of the three victories America scored on the cinders, and incidentally set a new world's record of 3:14.2. Alderman in college achieved most of his fame in the 100 and 220-yard dashes, in which he holds the college record, and was national champion as well. He was, however, the I. C. A. A. A. champion at the quarter-mile, the event in which he represented his nation.

REVIEW OF SEASON

Michigan State's 1928 outdoor season began at the Ohio Relays, when the Spartans took a third in the mile team race between Wisconsin and Indiana. At the Penn Relays, however, the same four milers—Wylie, Clark, Brown and Willmarth—were second to North Carolina, while the mile relay team of Kroll, Lang, Salmon and Henson, scored a sensational victory in one of the special mile relays.

The real season began with a dual meet at East Lansing with Detroit City College, which State won, 85 to 46. Henson took the 100 and 220, while Clark pulled a surprise by beating Captain Wylie in the mile in 4:28. Willmarth nosed

out Brown in the two-mile, while Hackney took the half, McAtee the pole vault, Smith the shot-put, Tillotson the discus, and Hayden the javelin.

On the following Saturday came one of the best dual meets that has ever been staged at East Lansing when Notre Dame finally defeated Coach Ralph Young's team, 64 to 62. Captain Wylie won the mile, with Clark second, setting a new college record of 4:24.2, while Willmarth again took the two-mile from his teammate, Brown, also setting a new record of 9:42.7. Kenyon pulled a surprise by winning the low hurdles, and McAtee went 13 feet to take the pole vault. Tillotson again captured first in the discus, and Smith and Tillotson finished "one-two" in the shot-put. Hayden set a new college record in the javelin with a

heave of 182 feet, 1¼ inches. The meet was not decided until the last event, when Abbott of Notre Dame defeated Hackney of State by six inches in the half-mile to take the necessary points for victory. Elder, the great Irish sprinter, took the 100 and 220 from Henson, but not without a struggle.

In an exhibition race, Alderman, wearing the colors of the Illinois Athletic Club, defeated Otto, former Ypsi star, in the 250-yard dash, setting a world's mark of :24.7 that was not allowed because of the wind.

The track team of Coach Young and his assistants, "Mike" Casteel and "Mort" Mason, won their second successive state intercollegiate crown the following Saturday, piling up 53 16/21 points, far ahead of Ypsilanti, Western State,

Detroit City College, Albion, Kalamazoo, Hillsdale, and the remainder of the state colleges. Henson carried on State's sprinting tradition by taking both the 100 and 220-yard dashes, with Lang third in the 100. Wylie and Clark were second and third in the mile, behind Potter of Ypsilanti. Kroll was second in the 440, and Roossien and Hackney were second and third in a fast half-mile. Tillotson also took a second in the discus, and was third in the shot-put, which was won by Paul Smith. Brown won the two-mile from his teammate, Will-

marth, setting a new intercollegiate record of 9:45.2. McAtee tied for first in the pole vault, the State mile team was third in its event, and Hayden and McAtee finished second and third in the javelin.

In a special 175-yard race at the state meet, Alderman won in the record time of :17.3, displacing Charlie Paddock's mark of :17.4. Lewis of Detroit City College, who later made the Olympic team, was second, with Otto of the I. A. C., third, and Robb of the University of Michigan, and former sprint champion of Scotland, fourth.

The Spartans made an impressive showing at the Eastern Intercollegiates at Cambridge, Mass., when they tied for eighth place with Princeton, with ten

points. Henson was fourth in the 220, Wylie was third in the mile, behind Luttman of Harvard and Cox of Penn State, with Clark of Michigan State, fourth. Lauren Brown took third in a close two-mile, being nosed out by Reid of Harvard, and Hagen of Columbia.

State was barely nosed out of the Central Intercollegiate title at Milwaukee, scoring 53 points to 56 for Marquette. Notre Dame was third with 41, while Grinnell had 13, Lombard 7, Carroll 3, and Loyola of Chicago 1. State made an impressive showing in the distances, Captain Wylie setting a new C. I. C. record of 4:22.2 in the mile, with Clark second in 4:24. Brown won the two-mile in 9:37.5, also a C. I. C. record, displacing Willmarth's college record set earlier in the season. Willmarth was third in this race. In the half-mile, Hackney secured revenge on Abbott of Notre Dame by winning the race in 2:00. McAtee took the pole vault crown with another leap of 13 feet, while Smith won the shot-put with 42 feet 2 inches, and Tillotson took the discus with 129 feet 4½ inches. Carney of Marquette defeated Hayden of State in the javelin to win the meet. Henson scored well in the sprints, and Kroll looked good in the 440.

At the national intercollegiates, Henson showed surprising form by taking third place in the 220 against the cream of the nation's sprinters, while McAtee tied for fourth place in the pole vault.

Two Michigan State athletes secured national ranking in the American Honor Roll for their work during the 1928 season. Wylie was placed fifth in the mile with a best time of 4:22.2, while Brown's mark of 9:37.5 secured for him fourth place on the list of the nation's greatest two-milers.

MINOR SPORTS

VARSITY CROSS-COUNTRY

Brown

Roberts

Michigan State in 1928 boasted one of the greatest cross-country teams in the nation, and undoubtedly the best in the history of the college. For the second consecutive year the Spartans went through their schedule undefeated, trouncing the University of Notre Dame 27 to 28, the University of Michigan 23 to 32, and the University of Marquette 17 to 42. In addition the Spartans won their third consecutive Central Intercollegiate cross-country title, making a low score of 29 to 36 for Butler University and 69 for Ypsilanti Normal. Marquette failed to finish a full team and did not count in the scoring.

In the C. I. C. meet the entire State squad finished ahead of the first Ypsilanti Normal runner, and Ypsilanti in turn had again won the Michigan Intercollegiate championship.

State's great team was led by the pride of the Spartan distance runners, Captain Lauren Brown. Brown scored easy victories in all three of the dual meets, and met his only defeat in the C. I. C. conference at the hands of Sivak of Butler, a former Illinois Athletic Club runner and a veteran performer.

Ted Willmarth, who was elected captain for 1929, was another consistent performer and he was close to Brown in every race. Prospects for 1929 are unusual in that of the list of letter winners, Coach Mason will lose only Roberts, while the freshman class was productive of some very good cross-country material.

In recognition of the unusual performances of the cross-country team, major letters and gold championship track shoes were awarded for the second consecutive year in this so-called minor sport. The men to win the coveted awards were Captain Lauren Brown, Captain-elect Ted Willmarth, Elmer Roossien, Floyd Roberts and Leonard Dowd. John Reid was given a minor letter.

Manager Bredahl, Bentley, Swan, Farleman, Kane, Jennings, Coach Ball

VARSITY TENNIS

Winning five out of its seven intercollegiate meets, the Spartan tennis team proved successful in 1928. Victories were gained over Notre Dame and Marquette.

Besides dual meets, there were state meets in which State showed strength. At the State Invitational Meet at Hillsdale, May 17, the Spartans tied for second place with Hillsdale College.

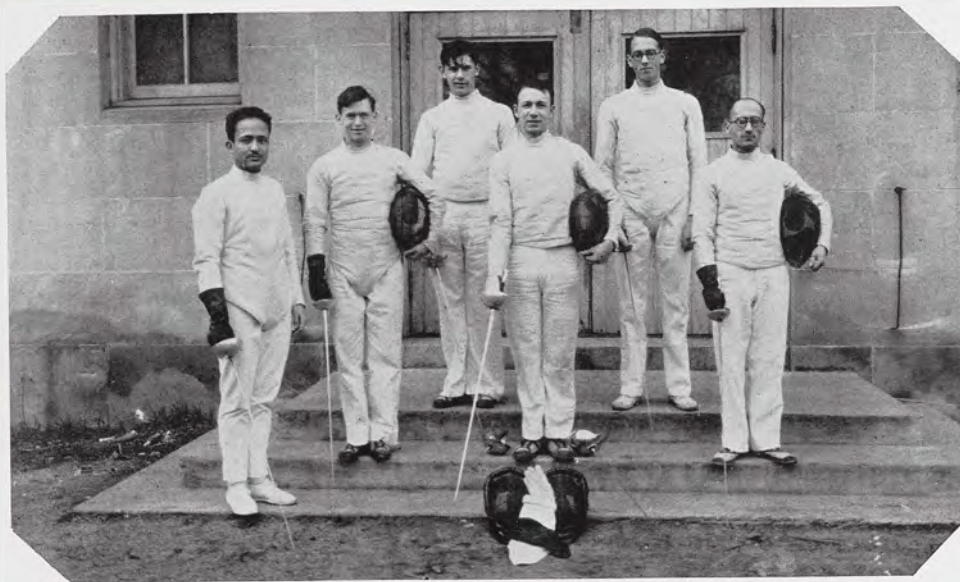

State placed second at the Tenth Annual State Intercollegiate with ten points. Western State ran up eleven points to take the cup. Kane and Farleman were runners-up in the doubles.

The entire team was well balanced, with Kane and Swan doing well in the singles, and Farleman and Kane teamed in the doubles.

Coach C. D. Ball awarded minor sports letters to Captain M. G. Farleman, East Lansing; R. M. Bentley, Owosso; D. E. Swan, Detroit; P. L. Kane, Owosso; and G. W. Jennings, Highland Park. Service awards were given W. W. Ayrault, Detroit; and C. M. Shigley, Lansing.

VARSDITY FENCING

Fencing attracted considerable interest at Michigan State in 1929, with a number of dual and open meets being held. The team was rather inexperienced at the start of the season, but made an enviable record.

The team won three matches and lost three during the regular season. Three Big Ten opponents downed State--Michigan, Ohio State, and Wisconsin being victors over State; Ohio winning by one point.

At the end of the season minor awards were given Captain George Bauer, Hastings; W. B. Kershaw, Wyandotte; K. A. Von Voightlander, Jackson; and L. B. Haigh, Lansing. A service award was given Gordon Evans, Detroit.

VARSITY SWIMMING

Michigan State entered the field of swimming again in 1929, after a year's layoff because of a defective filtering system in the pool. The team was hampered considerably by a change in the coaching staff in mid-season. Frank Hoercher acted as State coach during most of the season.

State won three meets in 1929 and lost three. New records were hung up in almost every event.

At the close of the season major awards were given Horace Craig, backstroker of Detroit, and Paul Freeland, free style swimmer of Omena. Both men were outstanding in 1929.

The regular swimming awards went to Captain A. G. Ellinger, Detroit; John Rasikas, Grand Rapids; Edward Cook, Muskegon; C. G. Scheid, Kalamazoo; R. C. Schaubel, Grand Rapids; Arthur Smith, Detroit; and John Tate, Detroit. Service awards were given E. H. Bjornseth, Oak Ridge, Ill., and E. H. Moore, Rochester, N. Y.

VARSITY HOCKEY

Hockey labored under its usual handicaps at State again in 1929, but in spite of this the Spartans made a fair record on the ice. During the season the Spartan puck chasers won three games, lost three, and tied one. A scheduled contest with Minnesota was canceled on account of soft ice.

At the end of the season Coach John Kobs awarded minor sports letters to the following: Donald Clark, Buffalo, N. Y.; John Hawkins, Hudson; Elwood Harris, Flint; Arthur Harper, Sault Ste. Marie; Donald Jones, Lansing; Willard Kennedy, Sault Ste. Marie; and J. Parks Pinson, Birmingham.

Service awards were granted Koester Christensen, Escanaba; Marvin Horne, Dearborn; Clark Lindberg, Gladstone; James MacKinnon, Detroit; Stuart Olson, Calumet; Peter Stimac, Coppery City; and Bernard Schimmall, Detroit.

VARSVITY WRESTLING

Handicapped by a change in the coaching staff, the 1929 Michigan State College wrestling team did not make such an enviable record as in other seasons.

During the season State lost three meets and won one. Western Reserve University fell to the Spartans in the final meet of the season by a 27 to 3 count. Michigan, Chicago and Ohio University defeated the Staters during the course of the season.

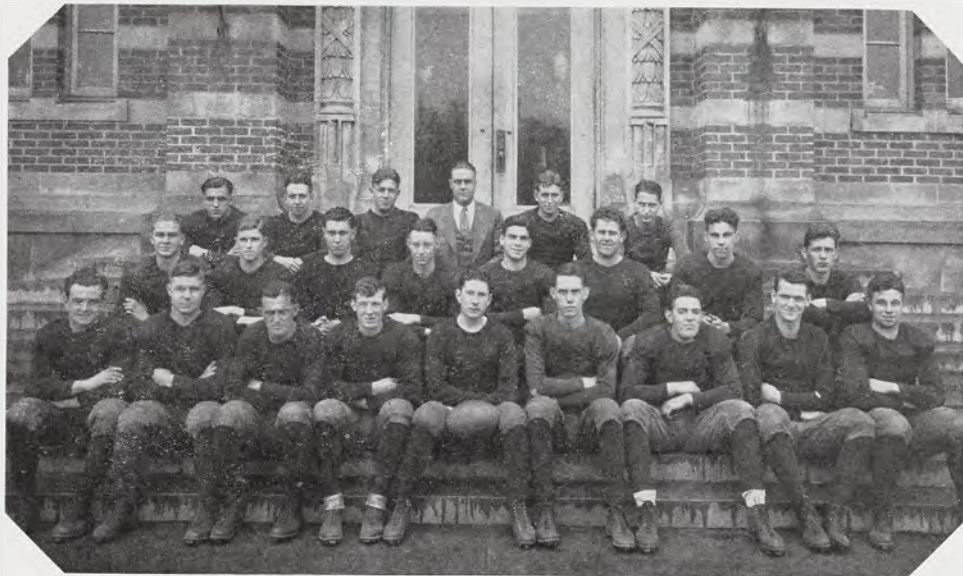

State achieved its greatest success in the Michigan A. A. U. meet at Flint after the close of the regular season, winning three titles. Joslin won the heavy-weight crown, Captain Harry Kurrle the 160-pound title, and Wagner of the freshmen, was the victor in the 126-pound class.

At the close of the season Coach Glenn Ricks awarded Captain Harry Kurrle of Owosso, a major sweater for his excellent work during the season. Kurrle was defeated but once in 1929.

Minor sports awards went to A. F. Wilbur, Detroit; H. J. Thamer, Marquette; M. G. Marshall, East Lansing; R. S. Tompkins, Detroit; M. T. Schultz, East Lansing; R. W. Peterson, Detroit; and M. L. Joslin, Grand Rapids.

FRESHMAN FOOTBALL

For the first time in a number of years, a rather small squad of freshman football aspirants reported at Michigan State last fall.

Whatever the squad lacked in size it made up in spirit, and Coaches Kobs and Van Alstyne were able to mould a fighting team that broke even in the two games played during the season.

At the end of the season numerals were awarded to the following men: Captain Edward Killoran, E. J. Beasley, O. E. Coe, Floyd Driscoll, W. E. Dole, J. L. Douglas, L. W. Exo, J. P. Fase, M. C. Gross, M. B. Hosler, A. M. Jones, George Handy, C. J. Oplach, H. C. Olson, Anthony Ptasnick, Jack Paul, Herman Robinson, A. H. Schrems, Steven Sluka, Cecil Turner, D. L. Warren, and K. S. Young.

FRESHMAN BASKETBALL

Losing but two games, the Michigan State College freshman basket ball team in 1929 was equally as strong as any in the history of the school. The team went through a stiff schedule, winning from Alma freshmen, Grand Rapids Junior twice, and from Port Huron Junior College. The two defeats were suffered at the hands of the powerful Western State Teachers College yearlings.

Carlton Colvin, a member of the State basket ball squad one year ago, coached the team, and introduced the VanAlstyne style of play to the yearlings.

Freshman numerals were awarded to the following: George Averill, Cadillac; Randall Boeskool, Grand Rapids; Maurice Chase, Niles; Harold Cuthbertson, Flint; Henry DeHaan, Grand Rapids; Harold Green, Detroit; Dee Pinneo, Grand Rapids; and John Vanderplow, Muskegon.

Service sweaters were awarded Ryerson Bredin, Muskegon Heights; Clifford Carlson, Negaunee; and Edward J. Killoran, Lansing.

FRESHMAN TRACK

The 1928 freshman track team, under the direction of Head Coach Ralph Young and Assistant Coaches Morton Mason and Miles Casteel, developed its usual quota of varsity material. Two dual meets were held, the Spartan yearlings defeating both Alma College and Central State Teachers by one-sided scores. Robert O'Connor was elected captain of the squad.

Outstanding freshmen performers were Durst in the sprints, Captain O'Connor and Dowd in the distances, Nordberg and Roger Grove in the pole vault, Dill in the weights, and Russell and Voelker in the hurdles.

Freshman numerals were awarded to the following men: Dudley Arnold, Howard Ballbach, Gerald Breen, Grady Calvert, Stuart Carr, Donald Clark, Howard Clark, Reuben Dill, Leonard Dowd, Clyde Durst, Harvey Dunning, Loring Fullerton, Stanley Frisbie, Roger Grove, Louis Handler, Carl Nordberg, Robert O'Connor, Donald Payne, Kenneth Plank, Donald Price, Floyd Reichle, John Reid, Guilford Rothfuss, Robert Russell, Edgar Ryon, Arthur Voelker, Sanford Ware, Ralph Waterman, Ronald Wilson, and Kenneth Yarger.

FRESHMAN BASEBALL

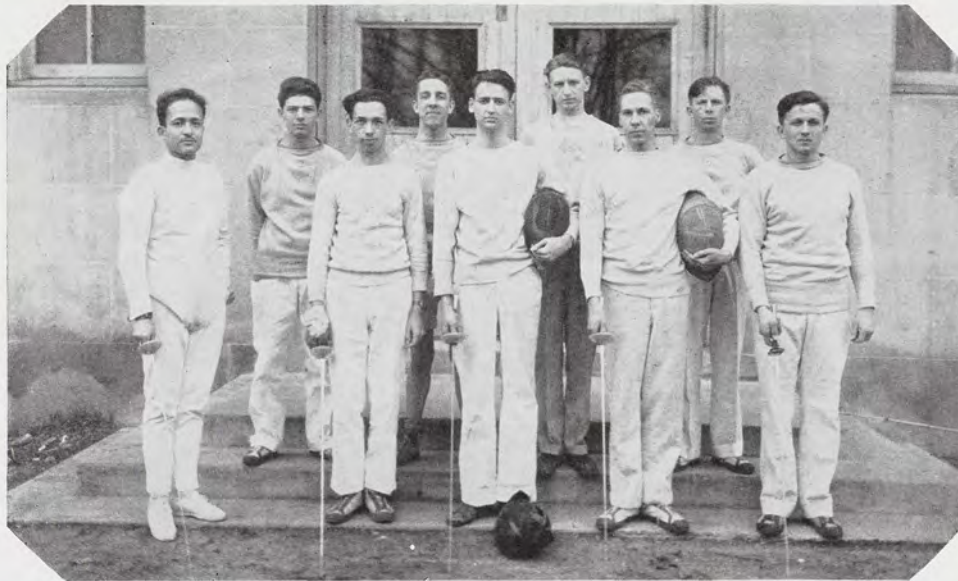

Coach L. L. Frimodig turned out an exceptional freshman baseball in 1928. The team went through a seven-game schedule without a single defeat.

Some likely varsity material is included in the list of numeral winners.

At the end of the season numerals were given to the following: Captain John Gaffner, Escanaba; Dwight Brown, Constantine; K. M. Byrne, Lowell; Stanley Cornwell, Grand Rapids; C. H. Callahan, Detroit; E. H. Gibbs, Perkins; Gordon Hoy, Beaver Falls, Pa.; Harris Kahl, South Lyon; W. O. Knisel, Blissfield; John Langdon, Detroit; S. M. Ledyard, Sturgis; Gerald Maskrey, Detroit; Dan Prendergast, Owosso; Don Ridler, Detroit; W. H. Rinker, Asbury Park; E. Wayne Scott, Fort Wayne, Ind.; L. J. Turpper, Lewiston; J. V. VanDam, Grand Rapids; R. C. Warner, Detroit; and S. F. Maire, Grosse Pointe Park.

FRESHMAN FENCING

State was represented by an excellent freshman fencing team in 1929. Although no meets were scheduled the team practised regularly under the direction of Coach Joseph Waffa, and gave the varsity some lively practise.

Several of the freshman foilsmen are looked to as varsity timber for next year.

At the close of the year numerals were given Captain B. R. Gibbon, Wyandotte; Burt Glasgow, Pontiac; W. W. Atwell, Coldwater; P. J. Fassett, East Lansing; and A. B. Henderson, East Lansing.

Manager Horn, R. Jones, Hendee, C. Jones, Coach Mason
Swanson, Steimle, Stephens, Kalbfleisch, Hodgson

FRESHMAN CROSS-COUNTRY

Michigan State's 1928 freshman cross-country team appeared productive of some good varsity material. The squad was directed by Morton F. Mason, the varsity coach.

Steimle, a former Western State Teachers runner, was the winner of the novice run at the start of the season, held over the short course, but in the all-fresh championship run on the full varsity course, Jones was the winner.

Freshman numerals were given to the following men: R. D. Hendee, L. R. Jones, H. A. Stephens, E. L. Hodgson, H. R. Kalbfleisch, A. L. Jones and E. H. Steimle.

FRESHMAN SWIMMING

Although handicapped by a meagerness of material, Freshman Coach Russell Daubert turned out rather an outstanding yearling team in 1929.

At the end of the season numerals were given Captain J. A. Hake, Grand Rapids; D. E. DeVries, East Lansing; H. G. Higley, Benton Harbor; C. G. Jensen, Lansing; A. M. Jones, Grand Rapids; G. B. Rahn, Detroit; A. K. Ungren, Coldwater; and N. D. Vaughan, Oscoda.

During the season the team set a number of new freshman marks.

FRESHMAN TENNIS

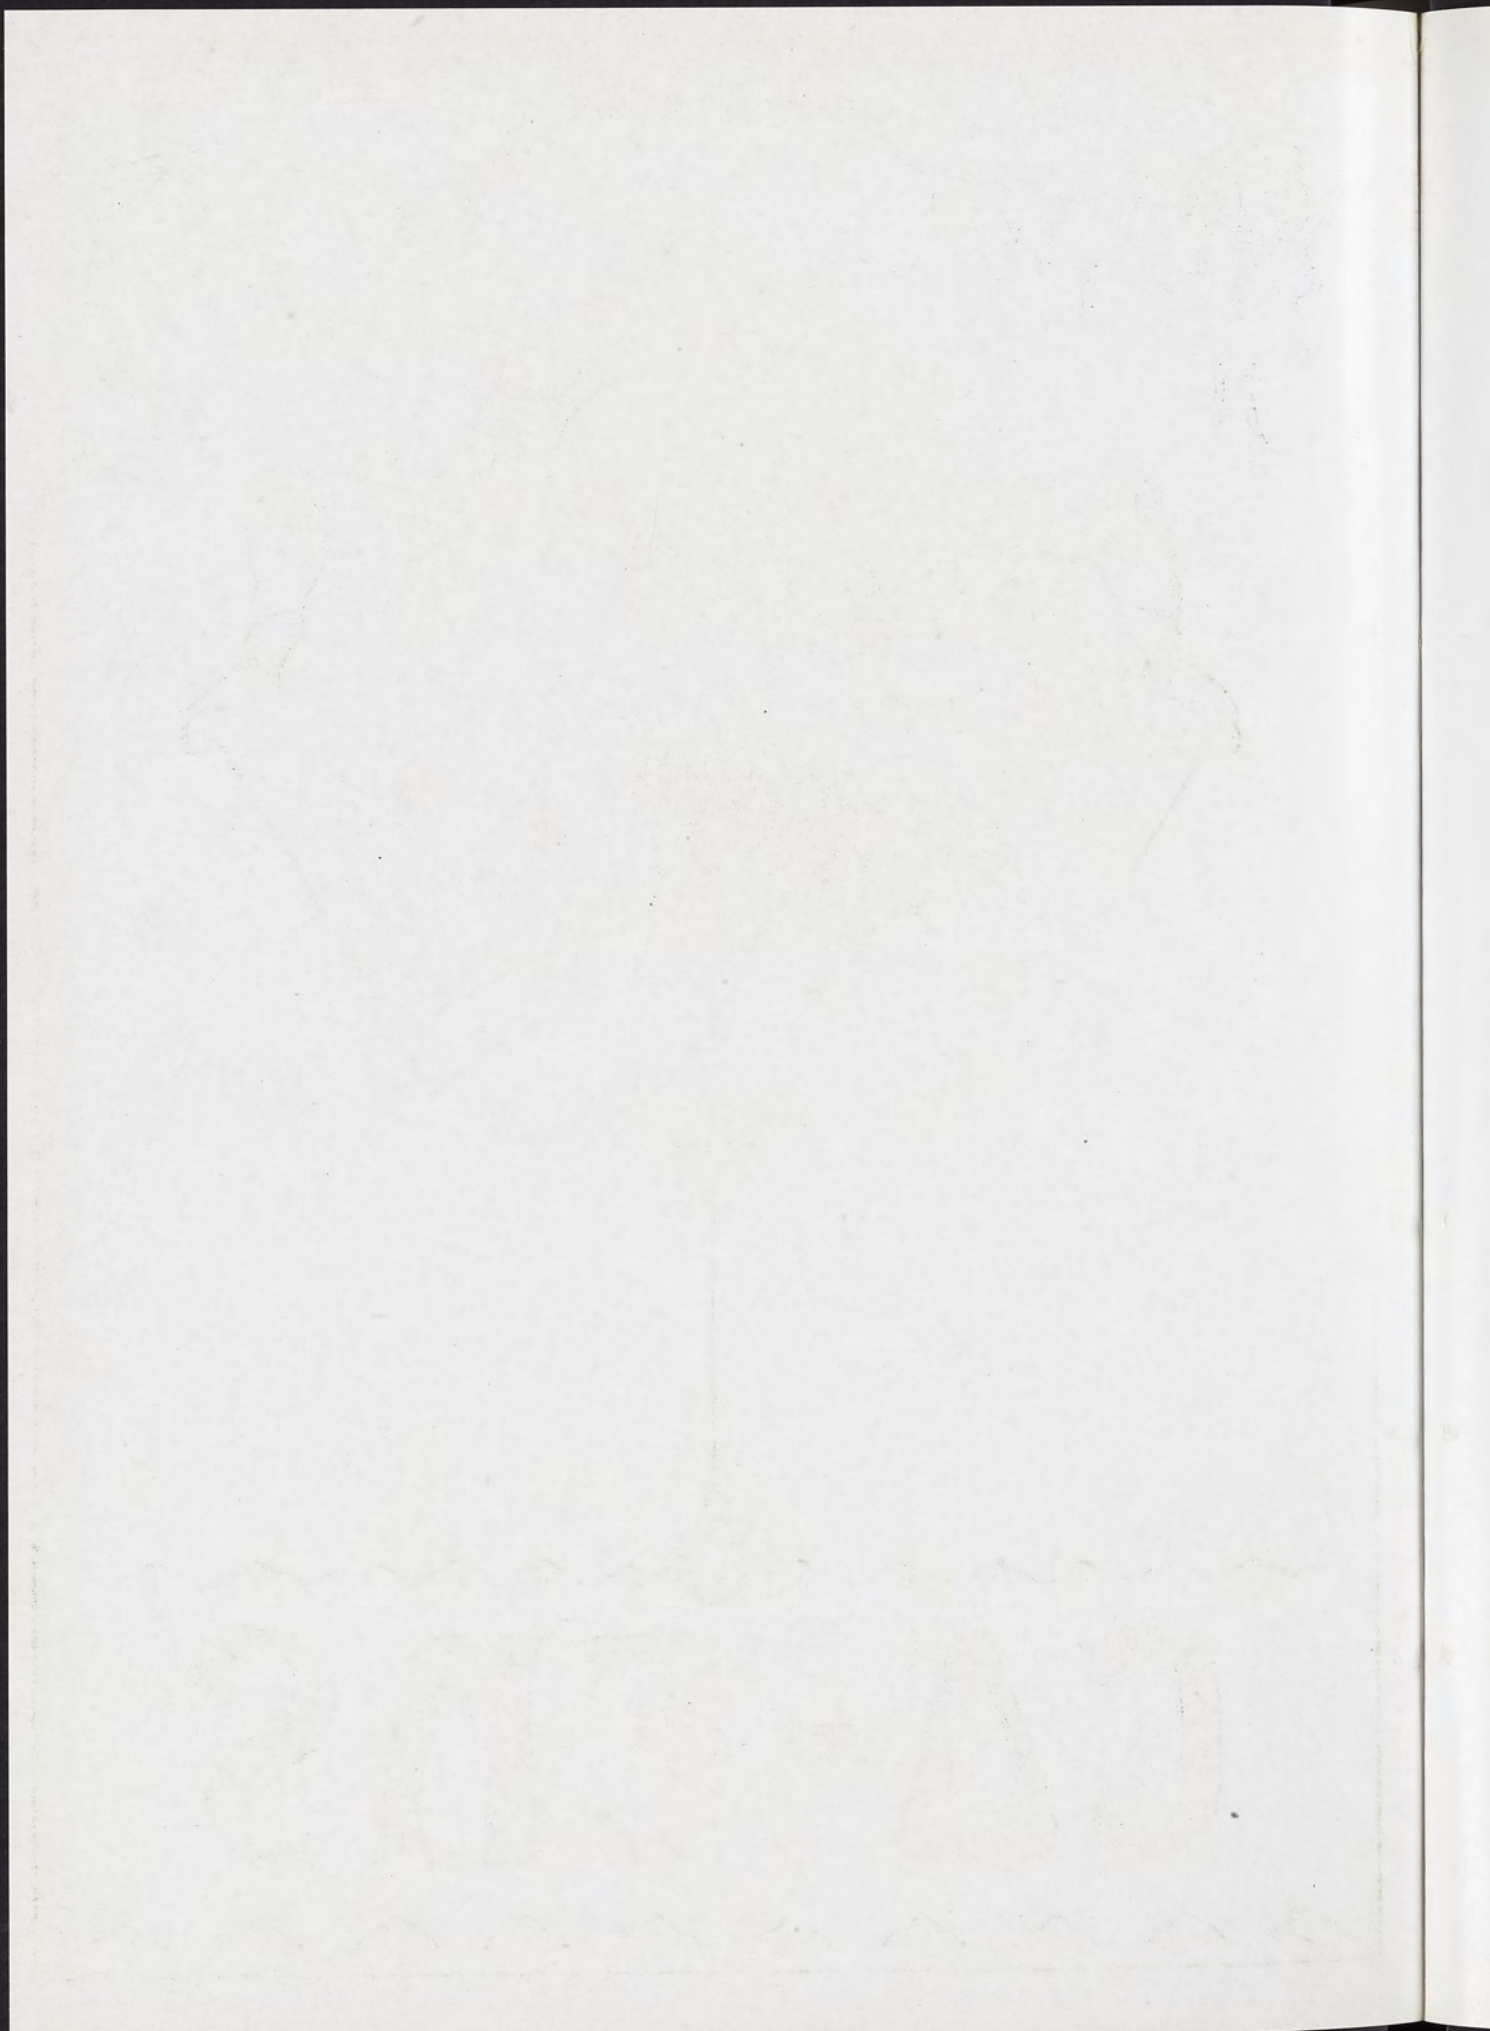

A powerful freshman tennis team represented Michigan State College on the courts in 1928. Two matches were played, and State was victorious in both, defeating Battle Creek College 5 to 2, and the City College of Detroit Freshmen, 6 to 1.

At the close of the season numerals were awarded to the following: Willis Pennington, W. P. Mott, Lyle Shader, O. K. Kling, F. H. Sherer, B. A. Dole, and G. H. Finley.

BLUE KEY

National Honorary Service Fraternity
Founded at the University of Florida in 1924
Established at M. S. C.

Blue Key is an honorary campus fraternity founded on ideals of service to the college. Its membership includes members of the senior class who have achieved prominence and influence on the campus. During the spring term of 1929, the fraternity was reorganized as a junior honorary society with its membership to include juniors who have distinguished themselves during their first two years on the campus. In this form the fraternity will exist hereafter as the only junior honorary of Michigan State.

WOLVERINE STAFF

MICHIGAN STATE NEWS

The Michigan State News is the official student newspaper of Michigan State College. Appearing twice weekly, it reaches every member of the student body besides a large number of faculty members and outside subscribers. Executives of the paper, the managing editor and business manager, are selected at the annual all-college elections. The editorial policy of the paper purposes to give the students clear and accurate discussion of current college problems in the editorial columns, while in the news columns the staff aims to present in a complete and unbiased manner all events taking place on the campus.

MICHIGAN AGRICULTURIST

The Michigan Agriculturist is published in the interest of conserving Michigan's farms and forests, encouraging better living conditions in the farm home and aiding boys and girls on Michigan farms in club work, and helping them to enter Michigan State, the oldest agricultural college in the world. The "Agriculturist" points out to students that agriculture does not need more farmers but better farmers. It brings the whole "Ag" student body closer together and keeps them in touch with the alumni and the alumni in touch with their Alma Mater.

THE MICHIGAN STATE COLLEGE RECORD

A publication issued monthly for the alumni and former students of the Michigan State College, by the M. S. C. Association.

THE M. S. C. ASSOCIATION

The history of alumni organization at Michigan State College begins with the graduation of the first class. The M. S. C. Association has always had for its primary purpose the uniting of former students and alumni for service to the college. Separate alumni clubs over the country meet from time to time, maintaining contacts once established with the college, thus ever helping to keep the institution alive.

Giving the campus a Union Building has been the outstanding accomplishment of the association during the past few years. Officers of the association for the current year are:

Arthur C. MacKinnon, '95, Bay City, *President*
G. Vern Branch, '12, Detroit, *Vice-President*
Glen O. Stewart, '17, Lansing, *Secretary*
R. Bruce McPherson, '90, Howell, *Treasurer*

INDEPENDENT REPRESENTATIVE FORUM

1920

WKAR

A little different phase of activity than is usually noted is represented in the technical operation of the college broadcasting station, WKAR.

A small group of students are annually engaged in the operation of WKAR. While this group is not large at any one time, there has been quite a representation of this activity during the last four years that the station has been in operation. Over this course of time there have been eleven men in the station personnel, six of them have graduated, two are seniors, and out of these eight, four are members of honorary fraternal organizations. The experiences of these men would make an interesting story. It would range from radio operating on far seas to our inland lakes, and from amateur interest to designing for modern commercial manufacturers.

The year of 1928-1929 has been a very successful one, with a membership of nearly one hundred.

The club sponsored a home-made pumpkin pie sale which was very enthusiastically supported.

The local club is combining with all college and high school clubs in the state to support a scholarship for a Home Economics student in a foreign land.

Undoubtedly the most interesting speaker the club has entertained this year was Miss Leta Bane, Associate Professor of Home Economics at the University of Wisconsin, who was past president of the National Home Economics Association.

Miss Minnie Irons, student club leader, and Lucile Bunge, represented the club at the national convention at Des Moines, Iowa, during the last of June, 1928.

In addition to the fact that various Varsity Teams took part in a very active season of debating, it will be well to mention a few of their outstanding achievements.

The men's team, composed of Knoblauch and Carroll, were able to win a decision over the team from Michigan State Normal College, which placed second in the "Province of the Lakes" convention. They lost their debate with Heidelberg University, which placed first at the same convention, by a two to one decision.

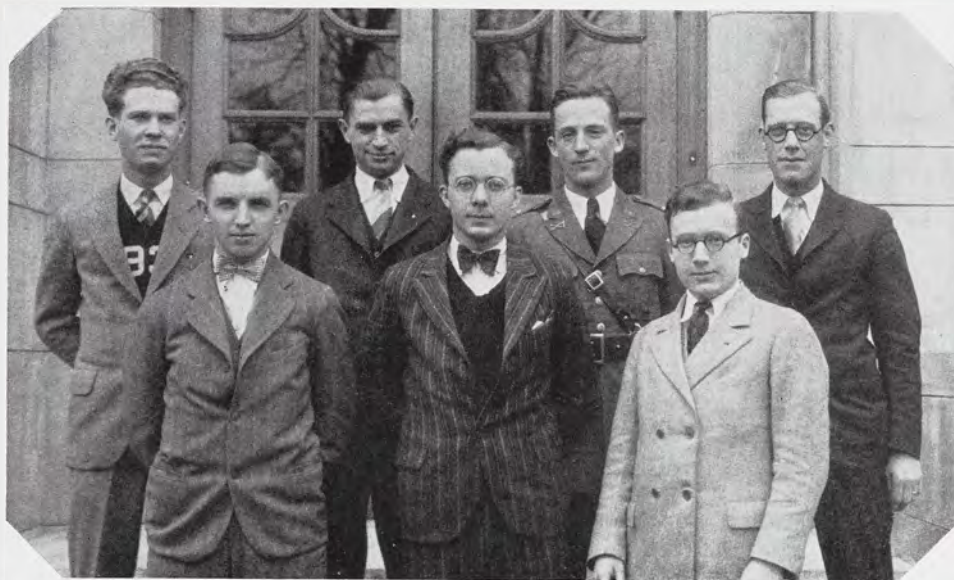

It is with considerable pride that we view our Varsity Co-ed Team, which was able to come through the entire convention without a defeat against their record. This enviable ability as debaters gave the "Province of the Lakes" championship to our Co-ed Team, composed of Janney and Bachelor.

LIEUTENANT COLONEL T. L. SHERBURNE
Commandant

THOMAS L. SHERBURNE

LIEUTENANT COLONEL, CAVALRY (DOL)

Colonel Sherburne was born in Louisiana in 1877. He attended the public schools of that state and entered Louisiana State University where he was a senior at the outbreak of the Spanish-American War.

He left college to join the 1st Louisiana Infantry as a Second Lieutenant. He served throughout the Spanish-American War, going to Cuba, and attaining the rank of First Lieutenant. At the end of the war, Colonel Sherburne returned to his college, where he was graduated in 1899.

On July 5, 1899, he was appointed a Second Lieutenant, 33rd U. S. Infantry. He was then sent with his regiment to the Philippine Islands, where he remained in active service during the entire Philippine Insurrection.

In 1901 he was appointed to the Artillery Corps, where he served for one year, when he was transferred to the Cavalry. In 1902 he served a tour in Alaska. Two more tours in the Philippine Islands were given Colonel Sherburne, these starting in 1905 and 1910. In 1915 he was sent to Panama.

In 1916 he entered Mexico with the 5th Cavalry as Commanding Officer of Troop E of that regiment, a part of the punitive expedition.

In February, 1918, he went to France as a Major in the Signal Corps. He served as Signal Officer of the 2nd and 4th Divisions. In France his service was as follows. Aisne-Marne Defensive, Aisne-Marne Offensive, Champagne-Marne Offensive, Saint Mihiels, the Argonne, First and Second Army Defensive Sector and the Army of Occupation in Germany.

Upon his return to the United States he was an instructor at the Cavalry School and entered the Field Officers' Class, from which he was graduated in 1921. In the fall of 1921 he entered the Command and General Staff School at Fort Leavenworth, Kansas, from which he was graduated in 1922.

In 1922 Colonel Sherburne came to Michigan State College. Here he took over the R. O. T. C. and started the work of raising the standard to the place where it was soon recognized as one of the best units in the country. Largely through his personal efforts he secured from the legislature an appropriation for the Demonstration Hall, which will remain an everlasting monument to his energy and splendid personality. Not only did Colonel Sherburne give to the Military Department of the College a new standard of efficiency but he has endeared himself to the hearts of the students of each class through his years as commandant here. The people of East Lansing and Lansing, as well as the staff of the college, have come to love him.

It is with deep regret that we see him leave us this year, after seven years of faithful service given to Michigan State College. The entire student body wishes him joy and success as he departs to take up his work at the Army War College at Washington, D. C.

U. S. A. OFFICERS STAFF (DOL)

The Instructional Staff of the R. O. T. C. at Michigan State College is at present composed of nine officers. They are detailed to this unit for a period of four years, but may, if they so desire, make application for an extension of leave. Six of these officers are remaining at State for at least another year, while three are leaving to take up duties elsewhere.

The present staff consists of Lieutenant-Colonel T. L. Sherburne, Cavalry, who is leaving State after seven years of service; Major Thomas-Stahle, C. A. C., who is finishing his second year here and who will remain; Captain Hardie, C. A. C., who is at present finishing his fourth year with this unit but who has been granted an extension of leave; Captain Flagg, C. A. C., who is now completing his second year; Captain Larson, Cavalry, who is remaining after four years' service on the campus; Captain Chase, Cavalry, who is rounding out his third year; Captain John, Infantry, who, after five years here, is leaving for Honolulu after the closing of the spring term; Captain Hinwood, Infantry, who is also going to Honolulu to complete his foreign service; and First Lieutenant Rockafellow, who is now completing his second year with this unit.

CAPTAIN ROSS E. LARSON, Cavalry

Home is in St. Paul, Minn. Attended St. Thomas College and the St. Paul College of Law, from which he was graduated in 1914. Practiced law in St. Paul until 1917, when he entered the Regular Army as a second lieutenant of cavalry. Promoted to first lieutenant in 1919 and captain in 1920. Graduated from the Troop Officers' Course at the Cavalry School, Fort Riley, Kansas, in 1925. Reported for duty with the Cavalry Unit at Michigan State College in June, 1925.

CAPTAIN C. R. CHASE, Cavalry

Herbert M. Place, *Cadet Colonel*

R. O. T. C.

The Reserve Officers' Training Corps is organized under the National Defense Act of 1920, and has for its purpose the qualifying of selected students at civil educational institutions as officers of the Organized Reserve. Students successfully completing both basic and advanced courses are offered commissions in the Officers' Reserve Corps, acceptance of which is optional.

Two years of basic training are required of all male students at M. S. C. who are physically fit. The M. S. C. department is organized into Cavalry, Coast Artillery, and Infantry units, the total enrollment being about 1,100.

Each year a cadet colonel, one or more lieutenant colonels, and the unit majors are selected by the corps officers. The selection is made on the basis of scholarship as displayed in military department work, appearance and leadership, and all-around executive ability.

It is customary for the three units to alternate in furnishing a cadet colonel, the lieutenant colonels coming from the branches not furnishing the colonel.

APPOINTMENTS

Staff officers were selected as follows:

Cadet Colonel	-	-	-	-	Herbert M. Place, C. A. C., R. O. T. C.
Cadet Lieutenant Colonel and Executive	-	-	-	-	T. J. Ramsdell, Cavalry, R. O. T. C.
Cadet Lieutenant Colonel	-	-	-	-	T. R. Stevens, Infantry, R. O. T. C.

T. J. Ramsdell

T. R. Stevens

Miss Lucile F. Bunge, *Honorary Colonel*

HONORARY STAFF OFFICERS

Each year it is customary for the entire Michigan State Cadet Corps to elect an honorary cadet colonel as sponsor for the corps, and an honorary major for each of the three units.

The honor of being one of these sponsors is the highest which can be conferred upon any co-ed by the R. O. T. C.

Candidates for these positions are selected by the Officers' Club and the Honorary Colonel is voted upon by the entire corps, while the Honorary Majors are selected by the various units.

The results of the balloting were as follows:

Honorary Cadet Colonel	- - - -	Lucile F. Bunge
Honorary Lieutenant Colonel, C. A. C.	- -	Virginia Kaiser
Honorary Lieutenant Colonel, Cavalry	- -	Kathryn H. Grettenberger
Honorary Lieutenant Colonel, Infantry	- -	Geraldine M. Crandell

CAVALRY UNIT

Upon the Cavalry rests the responsibility of all scouting and reconnaissance work. Although it is especially adapted to these missions, due to its extreme mobility, it is no less adapted to the other phases of modern warfare, for the equipment of Cavalry not only includes individual rifles, pistols, and sabers, but machine guns, machine rifles, and armored car troops as well.

The Cavalry course at State consists of a general training course during the first two years, while the elective course embraces advanced equitation, a machine gun course, map reading and sketching, military history and policy, and Cavalry tactics.

Two night rides were held during the spring term, Junior and Senior, while a Cavalry demonstration was given May 8, the latter consisted of jumping, both singly and in groups, and some bareback work. In addition to these activities, the Cavalry acts as mounted escort to all notables visiting the campus.

The present enrollment in this unit is, Seniors, 28; Juniors, 37; Underclassmen, 300.

Staff officers selected were:

Cadet Major	-	-	-	-	-	-	-	-	-	Glenn E. Hitchings
Cadet Major	-	-	-	-	-	-	-	-	-	Melvin D. Losey

R. H. Pryor

J. S. Hartman

COAST ARTILLERY UNIT

The Artillery is organized to aid in the support of the Infantry in its various movements and maneuvers.

Cadets in this unit are limited to those taking Engineering in college. The present enrollment is: Seniors, 43; Juniors, 31; Underclassmen, 276.

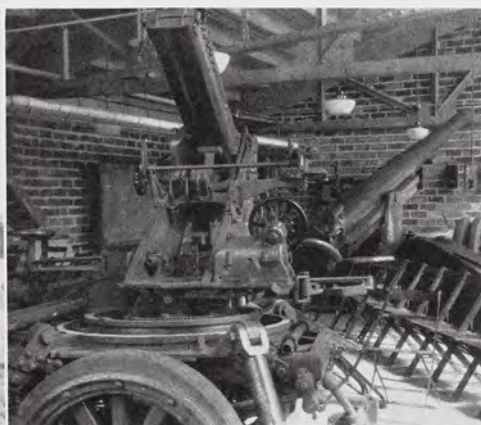

The basic course covers general artillery drill and instruction in the use of the artillery weapons. The advanced course consists of field engineering and tactics, Military Law, Military History, and Firing Problems. Instruction covers practically all the weapons used in the coast artillery from the .22 calibre rifle to the 16-inch railroad howitzer.

The unit is equipped with two anti-aircraft machine guns; one 75 mm. anti-aircraft gun mounted on a truck; one 155 mm. field gun drawn by a ten-ton tractor, and all necessary range finding apparatus.

On May 8 the Artillery gave its annual demonstration. A squadron of pursuit planes from Selfridge Field was present and simulated targets on which the anti-aircraft guns were used. This was followed by a demonstration of aerial maneuvers by the Selfridge squadron.

Staff officers were:

Cadet Major	-	-	-	-	-	-	-	-	John S. Hartman
Cadet Major	-	-	-	-	-	-	-	-	Ralph H. Pryor

C. A. Passink

INFANTRY UNIT

The Infantry is the backbone of the army, often referred to as "Queen of Battles," and the success or failure of a maneuver depends upon the discipline, training, and equipment of the troops.

The work is both practical and theoretical, and while basic infantry training consists of rifle practice and drill, the advanced work offers courses in sanitation, infantry weapons, military tactics, leadership, map reading, military history and policy, and the advanced military sciences.

All rifle teams are under the instruction of this department, and a great interest is shown in the work.

The annual Infantry demonstration was given May 15, the day Governor Green reviewed the troops. The demonstration showed a platoon in attack, the taking up of the battle formation as in regular warfare, with the conditions simulated as near as possible through the use of pyrotechnics, smoke, rifles, machine guns, automatic rifles, 3-inch trench mortars, and the 37 mm. gun.

Enrollment in this unit numbers 23 Seniors, 15 Juniors, and about 300 Underclassmen. Staff officer selected:

Cadet Major - - - - - Clarence A. Passink

M. S. C. MILITARY BAND

The band, now consisting of some seventy pieces, is an integral part of the college. During the fall term its activities center around the football games. This year in place of the customary M. S. C. formation, one large letter "S" was formed. The innovation was generously applauded by the spectators and the perfect manner in which the band marched in and out of the letter was highly praised.

During the winter term, the band turned its attention to concert work, for it is no longer only a marching organization, but a fine concert band as well. It was honored by being asked to play for the State Convention in Lansing, the Knights Templar Conclave at Benton Harbor, the Potato Show at Greenville, the Horse Show at East Lansing, and the commencement exercises at the college.

At the spring parades it plays a leading role and its performances are eminently successful.

Leonard V. Falcone, Director, was born in Italy and started his musical career at the age of nine. He studied band instruments and band technique and conducting under famous masters in Italy and has since directed bands and orchestras both in this country and abroad. Mr. Falcone is an accomplished player on several instruments. Arriving in this country in 1915, Mr. Falcone later entered the University School of Music at Ann Arbor, Michigan, from which institution he graduated, receiving an artist's diploma in violin. Mr. Falcone is considered one of the best band directors in America today.

Miss Margaret Stephens, Lansing, was elected sponsor for the organization.

John Gould, drum major, deserves great praise for his expert handling of the band both at football games and parades. Very few college drum majors can be compared to Gould for excellency in wielding the baton.

*Everywhere in America Thousands
of Satisfied Owners Proclaim These*

Two Successful Cars Unmatched for Value

Equally sensational in appearance, luxury, comfort and performance, the Viking Eight and the Oldsmobile Six have brought new standards of value to automobile buyers throughout America.

Satisfied owners everywhere enthusiastically acclaim these two cars. The Viking, the 90-degree V-Type eight at medium price, has been developed on time-tried fundamentals of design and brought to a high stage of development by new engineering advancements. The Oldsmobile Six, the fine car of low price, has been thoroughly established as a great success by millions of miles of driving.

Both are products of General Motors, built by Oldsmobile; and both are unmatched for value in their price fields.

The Viking offers new qualities of performance . . . new tailored smartness . . . new luxury and comfort to the medium price field. Its beauty of line is the most recent expression of Fisher Body artistry.

The Viking engine delivers full 81 horsepower with exceptional smoothness throughout the entire speed range. Its response to the throttle is remarkable. Its top

speed is more than ample for any emergency. And it provides a mighty power reserve for steep hills, long grades and hard pulling.

The Oldsmobile Six now offers greater value than ever before. Now, more than ever, it achieves Oldsmobile's ambition to build a car for the American family that, at moderate price, gratifies their finer tastes as well as satisfies their every need.

New style . . . new smartness . . . new refinements feature Oldsmobile's beautiful bodies by Fisher. Interiors are spacious with plenty of head and leg room. Seats are wide and deep cushioned. Upholsteries and appointments are more luxurious than ever. And Oldsmobile's big, high-compression engine now delivers 62 horsepower — combining remarkable speed, power and acceleration with sterling dependability and long life.

Two great names . . . two great cars. Drive them and judge them by your own standards of appearance, performance and value. Compare them, point for point, with other cars in their respective price fields. Learn why thousands are proclaiming them unmatched for value.

WOOD · WIRE · STEEL

JUST AS pedigreed animals reflect good breeding, pedigreed wheels reflect fine manufacture.

So with Motor Wheel—every type carries an air of distinction which marks it a thoroughbred. Due to *complete interchangeability*, should people change their minds, they may have either wood, wire or steel, whichever they prefer. It is this flexibility of selection with inflexible adherence to quality which has placed Motor Wheel well in the lead and kept it there.
