OCTOBER, 1952

It is with deep regret your Secretary reports the death of Mrs. Arthur Cody, in her home, on Saturday, October 4, after a short illness. The funeral services were held on Monday, October 6, and were attended by many members of our club. It is needless to say the entire membership extends deepest sympathy to our President, Arthur Cody, in his great loss.

The 19th annual John Shanahan Memorial Tournament, which serves as the New England Pro-Greenkeeper Championship was held on Monday, Oct. 20th at the Brae Burn Country Club. It was won by Paul Yurick, and Bill Ash, amid a frosty environment.

John Thoren and Harold Rethman did not defend their 1951 laurels because Rethman is now in the Air Force. Charley Sheppard and Arthur Anderson, 1950 Champions, did not compete due to Arthur's ailing back.
