## ALMA MATER

### I

M. S. U. we love thy shadows  
When twilight silence falls,  
Flushing deep and softly paling  
O'er ivy covered halls.  
Beneath the pines we'll gather  
To give our faith so true,  
Sing our love for Alma Mater  
And thy praises, M.S.U.

### II

When from these scenes we wander  
And twilight shadows fade,  
Our mem'ry still will linger  
Where light and shadows played.  
In the evening oft we'll gather  
And pledge our faith anew  
Sing our love for Alma Mater  
And thy praises, M.S.U.
