VOL. XXVII. No. 33

EAST LANSING, MICHIGAN

JUNE 9, 1922

EXCALIBUR, M. A. C. HONORARY general activity fraternity, initiated three men into membership last Monday evening. The initiates were A. L. Brown, '22; F. W. Henshaw, '23, and O. W. Rowland, '23. Election to Excalibur is considered one of the highest honors which can be given upperclass students of the college.

THE ARTILLERY UNIT of the college military forces won high honors in the competitive field day held last Friday at the close of the general inspection, taking the lead by virtue of victory in the final event of the day. The guidon, signifying first award in the annual event, has been held during the past year by the cavalry unit, winners of the field day in 1921.

MISS EUDORA SAVAGE, dean of women for the past two years, left the campus last week. Miss Savage will be on leave of absence until the end of the college year, at which time she will re-enter normal school work.

MORE THAN 500 HIGH SCHOOL ATHLETES, by far the largest entry ever recorded for the event, took part in the competition at the Sixteenth Annual Interscholastic Track and Field Day, held on college field last Saturday. Fifty-six different high schools were represented in the three classes. Detroit Northern, with a total of 21 points, won first honors in the class A group. Allegan was high in class B, and Plainwell pulled down the greatest number of points in class C. Several meet records were broken and the competition was keen in every event. While the large crowd taxed the rooming accommodations of the college community to the limit, every visiting athlete was taken care of well. The entire meet went off smoothly and on time.

MAJOR MACK GARR, in charge of cavalry work in the college cadet corps since the spring of 1921, will leave his present post at the end of the college year to take charge of the cavalry division at Camp Custer. Major Garr won the esteem of every one with whom he came in contact during his work at the college. Under his direction the M. A. C. cavalry unit became so proficient that it has been spoken of by inspecting officers as the best Land Grant college unit in this section.

HIGH AWARD IN THE EUNOMIAN-HOLCAD Prize literary contest for the current year has been won by F. W. Henshaw, of the class of 1923. Mr. Henshaw was granted first honors on a poem entitled "Cities." The same author also won the second general prize with a short story, and in addition the first special poetry prize. The winning poem will be published in next week's Record.

DON BREMER, '25, special motorcycle traffic officer for the City of East Lansing during his spare hours, was seriously injured last Sunday when his machine crashed into the front of a Ford car. Bremer was following a speeding car, in an effort to make the arrest, when the Ford turned off Grand River Avenue toward the entrance to the farm lane. Unable to check his speed or turn out, Bremer was forced to meet the car head on. He was thrown through the wind shield and quite seriously injured, although hospital authorities report that he is resting easily and improving rapidly.

THE VARSITY BASEBALL TEAM won from Kalamazoo College by a 5-2 score last Wednesday in the final home game of the season. The visitors scored twice in the first inning, but were held safely after that by Kuhn, who was pitching for the varsity. The game was rather slow, the team showing the effects of its long lay-off since the last game. Four games away from home complete the season's schedule.

THE ANNUAL COMMENCEMENT PAGEANT, to be known this year as a Festival of Games and Dances, promises to be unusually effective. More than 200 students will take part in the various divisions, representing dances and games from old Roman times down to the present day. A King and a Queen of the Pageant have been elected from the senior class, but the identity of the winners will not be divulged until just before the first presentation. The pageant will be shown on the campus at 6:30 p. m., on Tuesday and Wednesday evenings of commencement week.

H. S. ATKINS, '23, of Chicago, Ill., was recently elected captain of the varsity track team for next year. Fifteen men won varsity monograms for their work during the past season, the most successful in the history of track work at M. A. C. While DeGay Ernst, individual star of the last three years, will be lost to the team by graduation this June, along with Brendel, Houston, Adolph, Carver and Schwei, enough good men will be left to insure another strong team in 1923.

LEWIS P. WALDO, INSTRUCTOR in the college English department during the past year, has been awarded a special scholarship by the French government, entitling him to a year's graduate study in France. Mr. Waldo, who will leave for Europe the last of the month, will be accompanied during most of his travels by L. B. Mayne, also an instructor in the English department. Both men expect to resume work at M. A. C. after their year abroad.

Expect Biggest Commencement Crowd

With commencement little more than a week off, and plans for the various class reunions and the general program nearing completion, all signs point to the largest crowd of returning alumni who ever wandered back to the old campus in June-time.

The combination of commencement and presidential inauguration promises the most interesting Commencement Week in history, and alumni everywhere seem to be planning to make this one of their home-coming years.

Class secretaries have been busy with plans for the special reunions; details of banquets, etc., are being worked out carefully; the official commencement program is complete and interesting—in short the stage is set for a real commencement. No features of former years are being omitted, and many new attractions are being planned.

Milwaukee Association Holds Annual Picnic

The Milwaukee Alumni Association gathered on May 26 for their annual meeting, which took the form of a picnic at Lake Park. The following account of the affair was sent in by J. Van Kerckhove, newly elected secretary:

"The men enjoyed themselves by playing ball, the women as usual by visiting and preparing the lunch. However, this is a secret; the main reason for playing ball was to work up an appetite fitting for the occasion, and take it from me, the women certainly did furnish some eats.

"Between bites Mr. A. L. Pond was elected President, and J. Van Kerckhove Secretary for the coming year.

"During the course of the evening we found out that just recently the wife of one of our members, Mr. Homer Fay, had died.

"Among those present were the following: Mr. and Mrs. A. L. Pond, Mr. and Mrs. W. L. Davidson and boy, Mr. and Mrs. Frank Campbell, Mrs. R. G. Chamberlain, Mr. and Mrs. Geo. Wells, with their two daughters; Mrs. W. Merkel, two daughters and son; Mr. and Mrs. J. Van Kerckhove, Mr. A. Parr, Mr. A. R. Carlson, Mr. John O'Callahan."

'07 Plans Fifteenth

The class of '07 will hold its fifteenth reunion this year. The class supper will be served at the college at 5:30 p. m. on Wednesday, June 21. '07 ALL OUT.

We want your family. That means the children too. Come on. You're about 37 years young, but it's a sure thing you'll never be any younger. Let's see you on the 21st.

Make my place your headquarters—254 West Grand River Avenue, East Lansing (1-2 block down from the new Bank Block).

Buck Ewing Rounds Up '92

East Lansing, Mich.,
June 8, 1922.

Dear Class Mates of '92:

As you all have heard more than once by now, '92 is to hold her thirtieth reunion on the old college campus this month. Many members of the class are planning to make the pilgrimage back to East Lansing for the gathering, and indications are that '92-ers will have a real, old-time class meeting when the call is sounded.

June 18 to 21 are the commencement days this year. A complete program has been published in the Record, and all of you will get a revised and final program direct from the college President's office, along with an invitation to come back for the commencement exercises.

Remember that President David Friday's inaugural is to be combined with commencement this year. The result will be the biggest, most interesting commencement week in the old college's history. You can't afford to miss it, and '92 can't afford to miss you at the class reunion table.

The classes of '90, '91, and '93 will also be holding regular reunions this year. The stage couldn't be set any more perfectly for members of our class to meet again the old friends of undergraduate days and live over the times we had together on the campus thirty years ago. All the classes who were in college our sophomore year will be back. Think of the opportunities this offers,—and they will not come again for a long, long time. (Think of those who never will come again.)

While I have not received positive replies from enough members of the class to give a definite estimate on the number who will return, many have written of their interest in the reunion and have promised to make every effort to be with us. We are certain of a splendid representation of '92-ers, with a goodly proportion of the members of the class on hand.

If every one will send in word at once, telling to the best of his knowledge whether or not he can be back, the matter of planning luncheons or other special gatherings for the class will be simplified greatly. We *must* have some check on the number who will be with us.

It has been suggested that we have a luncheon Tuesday evening, June 20, after the presentation of the Pageant. Please send word that you'll be here then—it will be no time to think of sleeping.

It looks, from the splendid letters which have come in, that many of the old gang will be back (including both graduates and those who did not finish). All the rest will be with us in spirit, at least.

Make your plans right now to be with us during the Commencement Week, and don't fail to let us know soon that you can come.

Yours for a "large time,"

G. Elmer (Buck) Ewing.

1912 Reunion

East Lansing, Michigan.

June 5, 1922.

Dear Classmate:

The class of 1912 will be ten years old this month. All the members, either graduates or former students, are requested to be present at a birthday dinner to be given June 21, at Club D in Old Wells Hall. There will be informal reunions, your real wife may meet your "wife" of college days (and compare notes). Original class yells may be aired, very few speeches, if any, many reminiscences, and possibly something to eat, though doubtful.

The college often makes the statement that M. A. C. cannot live on its past. If you have done anything for its future, pack it (he or she) in the auto and bring it along. We may have a big parade presenting to the college the freshman class of 1940.

Lock Old Father Time in the cellar and

come on back. We assure you a worth-while time and a chance to renew acquaintances of college days.

Verne Branch says we are to wear white with red trimmings. Those were the class colors be it remembered. The committee will have "12" numerals to pin on your hat or blouse, so all that you need to furnish is the "dressing"—and the "stuffing." You have the "stuffing" and you can borrow the "dressing."

The local alumni have appointed themselves a committee to see the thing through. Earl Hotchin is chairman, Clint Ballard, banquet; Verne Branch, costume; Mrs. Gunson, reception, and the writer, scribe. Pete Bancroft is booked as toastmaster for the occasion. His story about the bull fight is worth coming all the way from New York to hear.

You are expected.

The Committee,
Ralph Goodell, Scribe.

NECROLOGY

MRS. CHAS. F. WHEELER

Mrs. Katharine T. Wheeler, widow of Dr. Charles F. Wheeler, '91, died last February, at the age of 73. The following notes from the pen of F. S. Kedzie, '77, tell of the Wheelers' intimate connection with the college:

"The above notice will be read with regret by the older members of the M. A. C. family.

"Mrs. Wheeler was the widow of the late Dr. Chas. Wheeler who graduated from the college with the class of 1891 and who was for many years a member of the Botanical faculty.

"Professor Wheeler died in Washington in 1902, while serving as botanist to the Department of Agriculture.

"The Wheelers' father, mother and two daughters, resided in Howard Terrace from 1890 to 1902. During this period three of the four members of the family graduated from the college, Charles F., 1891, Lillian 1893, Clara Fay 1899.

Smith received his B. S. from the Colorado Agricultural College in 1919 and was a graduate student at M. A. C. last year. He is a graduate student this year at Michigan and is specializing in science.
