GOOSEGRASS OR CRABGRASS?

CONTROL BOTH WITH RONSTAR®

HERBICIDE

It's hard to tell the difference between goosegrass and late-germinating crabgrass.

But if you treat your turf with Chipco® RONSTAR® G herbicide, it makes no difference.

RONSTAR gives excellent control of both, season-long... and it's convenient to use, because there's no leaching problem, no root pruning, and no problems with ornamental plantings.

So, for the best control of grassy weeds, use RONSTAR. Rhône-Poulenc Inc., Agrochemical Division, Monmouth Junction, NJ 08852.

RONSTAR®
SPREAD THE WORD.
Please read label carefully, and use only as directed.

TOROWORKMASTER

HEAVY DUTY INDUSTRIAL-QUALITY HYDROSTATIC DRIVE gives infinite speed control, instant forward/reverse, high torque to rear wheels for drawbar pull that surpasses competition. It's a closed, self-lubricating drive system as in our Sand Pro and Groundsmaster 72: No gears to change, no clutch to slip.

UP-FRONT SEATING FOR TWO, with passenger safety grip handle, means safe, comfortable seating for operator and passenger.

EASY ACCESS TO ALL COMPONENTS saves maintenance time. You don't have to empty the box to get at the battery. All frequently serviced parts are easy to get at.

STANDARD BOX SIZE carries existing engine-driven top dressers, sprayers, mowers and other maintenance equipment.

AUTOMOTIVE CONTROLS AND MORE LEG ROOM FOR OPERATOR helps reduce learning time, give greater security and comfort than competitive machines.

LOWER CENTER OF GRAVITY — long wheel base; low box bed-height gives greater safety and stability, reduces lifting.

SPRING SUSPENSION, SHOCK ABSORBERS ON ALL WHEELS, provides comfortable ride. Easily carries 1000 lb. payload.

OVERSIZE 23 X 8.50 X 12 REAR TIRES give the WORKMASTER a soft footprint, excellent traction, for greater hill climbing ability and sidehill stability.

(313) 373-8800

When the fairway is everybody's backyard, you need

TORO

SPRINKLER SYSTEMS

TORO automatic sprinkler systems are the #1 choice of the country's top golf courses.

More and more developers are discovering these important reasons why:

VERSATILITY Whether you're doing golf course condos, equestrian trails or a camp ground, TORO's got the sprinkler heads for the job. From tiny ground bubblers to 235' giants. And a variety of controllers to make the system completely automatic.

BUILT-IN QUALITY TORO heads are built of CYCOLAC® the tough engineering plastic, with gear assemblies of Du-

Pont Delrin. They're self-contained for easy maintenance and oil-sealed for long life. And they feature TORO innovations like valve-in-head and repeat cycle watering for better accuracy, less waste.

AESTHETICS No more ugly, noisy impact sprinklers. TORO heads pop down below ground surface when not in use, discouraging vandalism and expensive accidents. And TORO's gear-driven heads are night-time silent.

EASY INSTALLATION A TORO system can be installed quickly, with minimum turf disruption, less piping and impressive in-ground savings. TORO sprinkler systems, together with the full line of quality TORO mowers, provide complete care for both lawn and large turf areas.

SERVICE TORO's nationwide network of distributors and installer/contractors is readily available whenever, wherever you need service, a system design, installation arrangements...or more information.

The Ideal Golfer

Doesn't play early, nor after five,
 Always walks, never drives.
 Hits them cleanly off the tee,
 No divot mark, for all to see.
 Carefully disposes of paper wraps,
 Rakes the footprints out of th traps.
 Doesn't play fast, not too slow,
 Stands aside and lets us mow.
 Always speaks, with a friendly grin,
 Plays the game, not just to win.
 His wife stays home while he makes the
 loop,
 She doesn't belong to the ladies' group.
 He doesn't golf till the first of May,
 And stops right after Labor Day.

Eats at the Club, and buys a few drinks,
 Helps carry his share of the cost of the
 links.
 Plays once a week, usually Sunday,
 Sometimes a Saturday, never a Monday.
 Plays the game square, U.S.G.A.,
 Doesn't care what the local rules say.
 Fixes the ball marks on the greens,
 Never on his putter leans.
 Sees no need for spikey shoes,
 That mar the greens, and leave a bruise.
 I've written these words, with no trace of
 a sneer
 But where is this golfer? - he doesn't play
 here.

HAHN SPRAY-PRO 44, IT WORKS. AND WORKS... AND WORKS...

Greens or fairways ... the Spray-Pro 44 with its big high flotation tires to protect your turf, converts in minutes to a Sprayer, Spreader, Aerifier or Utility Bed. Designed for easy on, easy off switching and year 'round service.

This "crew" should be working for you

the aerifier ...

Hydraulically controlled from operator's position. Cultivates a full 42 inch width. Cleanly penetrates to 3 inches, depending on soil conditions. Optional Slicing Blades to open the soil with a minimum of turf disturbance.

the sprayer ...

160 gal. poly tank, 3-section boom for 18-1/2 ft. coverage. Spray with 1, 2, or all 3 booms. Fingertip control of all spray system functions.

the spreader ...

Precise rate settings for a uniform pattern. Top dress sand in 12 to 20 ft. swath, apply seed, fertilizer and lime 20 to 40 ft. Up to 500 lbs. per minute.

the utility truck bed ...

Reinforced steel, 1500 lbs. capacity. Converts to dump bed with addition of Hydraulic Package.

Sold and Serviced by
