Annual Bluegrass
Applications began on July 7
Dr. Joseph Vargas, Michigan State University

TERSAN® 1991 controls brown patch and anthracnose better than the fungicide you are now using.

If you're not using TERSAN® 1991 fungicide you're not getting the best brown patch and anthracnose control. Test results, like these from Michigan State University on anthracnose and the University of Maryland on brown patch, prove nothing works better than Du Pont TERSAN 1991 fungicide against these two turf diseases.

Many new fungicides provide poor control of brown patch and anthracnose, especially under heavy disease pressure. Their extended spray intervals recommended for other turf diseases, such as dollar spot, are too long to provide adequate protection against brown patch and anthracnose.

TERSAN 1991 is well suited to handle the heaviest disease pressure. Its unique systemic activity withstands heavy rainfall and frequent watering for longer-lasting disease control. And TERSAN 1991 may be applied for anthracnose control either preventively or after the disease is already present.

Schedule TERSAN 1991 in your summer spray program. Apply it in tank mixtures or as supplemental applications from June through August, when brown patch and anthracnose threaten.

You'll get tee-to-green control that hits brown patch and anthracnose hard. Control that university tests

prove works even under heavy disease pressure...TERSAN 1991. Only from Du Pont.

If you take your mowing seriously... then seriously consider **DIXIE CHOPPER.**[™]

The fastest moving mower in America

**PROFESSIONAL QUALITY WITH OUTSTANDING
PERFORMANCE AND EFFICIENCY.**

If you're tired of mowers that spend more time in the repair shop than they do cutting grass, it's time you checked out Dixie Chopper.

Dixie Chopper Makes a full line of commercial mowers you can depend on — our written warranty makes sure of it! Plus, every Dixie Chopper offers these important benefits:

MOWS ACRES AN HOUR

Dixie Choppers mow at speeds up to 6.5 mph, so you can cover more ground in less time!

TRIMS AS IT MOWS

With true zero turning radius, Dixie Choppers maneuver tightly around trees, shrubs and corners, trimming as they mow in one pass.

ELIMINATES SCALPING

Scissor linkage gives Dixie Choppers side-to-side stability to prevent scalping on uneven ground.

**Vacuums wet leaves and grass.
Mulches as it mows.**

EASY TO OPERATE

Two simple steering controls operate mowers. Electric starter for easy on/off.

MORE COMFORT

Plush, high-back seat with arm rests for a more comfortable ride. Some models have adjustable lumbar control.

MORE POWER

Whether powered by an 18 hp Briggs & Stratton or a 24 hp Onan engine, Dixie Choppers have the power you need to get the job done.

Best yet, though Dixie Choppers offer many of the extras found on higher-priced mowers, they're priced very affordably. Call Your Dixie Chopper dealer, at the number below, to arrange for a free test ride today!

HAHN SPRAY-PRO 44, IT WORKS. AND WORKS... AND WORKS...

Greens or fairways... the Spray-Pro 44 with its big high flotation tires to protect your turf, converts in minutes to a Sprayer, Spreader, Aerifier or Utility Bed. Designed for easy on, easy off switching and year 'round service.

This "crew" should be working for you

the aerifier...

Hydraulically controlled from operator's position. Cultivates a full 42 inch width. Cleanly penetrates to 3 inches, depending on soil conditions. Optional Slicing Blades to open the soil with a minimum of turf disturbance.

the sprayer...

160 gal. poly tank, 3-section boom for 18-1/2 ft. coverage. Spray with 1, 2, or all 3 booms. Fingertip control of all spray system functions.

the spreader...

Precise rate settings for a uniform pattern. Top dress sand in 12 to 20 ft. swath, apply seed, fertilizer and lime 20 to 40 ft. Up to 500 lbs. per minute.

the utility truck bed...

Reinforced steel, 1500 lbs. capacity. Converts to dump bed with addition of Hydraulic Package.

FAST, WIDE COVERAGE

4-WHEEL STABILITY

Low center of gravity. For more stability and safety.

BIG HIGH FLOTATION TIRES

Reduce compaction. Drive on golf greens safely. About half the PSI of other utility trucks and sprayers.

Sold and Serviced by

LAWN EQUIPMENT CORPORATION
