A *Scott's Lawn* IS ALWAYS THE ENVY OF THE NEIGHBORHOOD

Mr. Edward A. Wolff of New York City is the proud owner of a Scott lawn. He writes: "Have used many kinds of seed but have never had anything like yours. One week after I had sown it the entire yard was covered with new blades of grass. Some of my neighbors looked over the fence and said they had never seen anything like it before."

In Western Springs, Illinois, Mr. Louis J. Link is just as enthusiastic. His letter reads: "I am certainly well pleased with the results I have obtained from your seed. It is free from any weeds whatsoever and has made a beautiful green lawn. My neighbors all admire it."
