If anybody knows anything about it, the men who run the industry should, but it still

Meaning the proposed "gasless Sundays," and general restrictions upon the use of petroleums which experts have advised. They say that by fall the United States,

They say that and perhaps the whole western hemisphere, will be feeling the pinch of an acute petroleum shortage.

Somewhere there has been a slip-up. This is the United States which has a supply of crude oil equal to that of most of the world combined. This is the country where restrictions, laws, and armed guards have been used to keep production of oil at a steady used to keep production of oil at a steady used to keep production of oil at a steady used to keep ground to the proposed draft-property of the proposed draft-property in the proposed draft-property of the proposed draft-property in the property in the proposed draft-property in the proposed draft-property in the proposed draft-property in the property in the property

used to keep production of oil at a steady low level.

And this is the nation which has been sending shiploads of high test aviation gasoline to Japan for years, despite the fact that we were supposed to be frowning on her aggression against China.

But now the demand is to stop use of petroleum. After years of high-powered advertising and promotion for use of oil furnaces, now comes word that they should be changed back to burn coal.

If the action is necessary and not the result of bungling and mismanagement, there can be no complaint when aid if a ban is placed on use of automobiles on Sundays.

Not only would the law save oil for Britain.

And this is the nation which has been sending shiploads of high test aviation gasoline. Palmer, Kappa Kappa Gamma an expert on Syrian defenses.

Yes ALBES MAY CLASH

Weygand, commander of the French North African forces and an expert on Syrian defenses.

Ex-ALLIES MAY CLASH

Military authorities see the possibility of a clash between the former allies on the border of French-mandated Syria and Iraq recently cocupied by the British amy One report, passed by the Wichy censor, says that several plan Chi Omega . Marjorie Jehle, Detroit, was piedged to Alpha Chi Omega . The AGR's are planning a radio party for Saturday and Troinsia.

British officials said yesterday that five proposition of the proposition of character, and an expert on Syrian defenses.

Ex-ALLIES MAY CLASH

Net Champ Field To Four Players

would be no all-college play offs. The D. Z. V.'s jumped to a five run lead in the first frame when Chet Aubuchon singled, Champ Pawbay-awaked and Mike Mileusnich hammered out a double, on and first sacker Elwin Farwell Max Hindman then poled out a then connected with a special sacker sac to send a man in.

Abbot 16 bunched their two hits for two runs in the last half of the fourth. After drawing walks, Jim Reuter and Al Johnson scored

today. Olson has won steadily over other yearling aspirants with straightforward play that relies on steadiness for points.

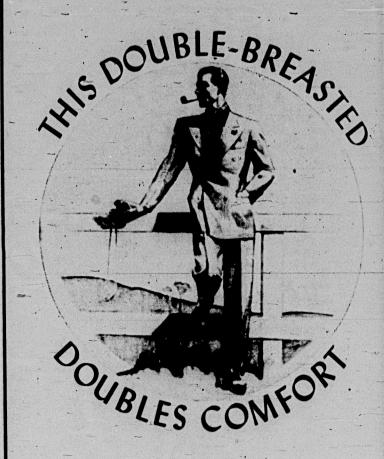

Roger Cessna of Lansings, by virtue of his win over John Stearing, 6-2, 6-2, will play his usual partner Hoover. The winner of this match will play the victor of the Olson-Cline bout for the freshman championship. freshman championship.

Yearlings Narrow | Dr. Zeeb Gilman, oldest living celebrated his 100th in graduate of Dartmouth college, 13.
