Fair, With No Decided Change in Temperature

TODAY'S CAMPUS

... A Timely Tip

That old familiar saying "Life's what you do it's the way you live it" has received a somewhat revised and newer version thanks to Dr. C. E. Thompson. A psychologist, who in other ways of women, Thompson explained to his industrial psychology class Tuesday night, that if "isn't what you have but what you do with what you have. Women know this; men ought to but do they?"

College Bands To Play For Annual Dance

IEC, PanHellenic Ball Slated For May 4 in College Auditorium, 9:45

Two campus orchestras will participate in a "Battle of the Bands" at the annual IEC PanHellenic ball, chairman Sally Clark and Dick Moser, East Lansing miners, announced last night. The dance will take place in college auditorium May 4.

Dick Charles and Jimmie Shaefer's bands, the newest musical organizations on campus, have been slated to play. Separate band stands will be set up on the stage for the musicians, and the groups will play in half-hour shifts.

Plans are also underway for a specialty number in which the two bands will combine.

CAMPUS DANCE

The council considered obtaining a name band for the affair but as a satisfactory one could not be obtained, and as several others have already appeared this year, the groups decided to sponsor a strictly campus dance. Moser stated.

A similar affair was held at State in 1942 when the Mary Graces held a band battle featuring Butch Pless and Dick Charles' orchestras.

Before the war Shafer played the trumpet with Charles' band but last term he organized his own 12-piece outfit.

DANCE COMMITTEES

Committees for the dance include tickets, Mary Ellen Chick, patrons, Shirley Symmonds, Lansing junior, and Bob Rivery, classmate sophomore.

Tickets, Ann Matze, Gil Hadey, Lansing senior, finance, Delphine Peterman, Grand Blanc senior, and Bob Buckenizer, Detroit senior, band, Jo Bowman, Lansing junior, and Gene Wolff, Detroit sophomore; and publicity, Marjorie Miller, Royal Oak sophomore, and John Potts, Saginaw sophomore.

Decorations, Carroll Bratz, Adrian junior, Jo Bowman, Almont junior, John Kols, East Lansing junior, and Lynn Zimmerman, Fowlerville junior.

Loomis Participates In Education Panel

Dr. Charles Loomis, head of the department of sociology and anthropology, acted in a drama panel at the national conference of adult education yesterday in Detroit.

Spartan Nine Upset By Wayne University, 8-7

Coeds Take Top Posts On News

Tartars Score Winning Run On Collins' Last Inning Single

DETROIT, April 24 (UPI)—Wayne university pulled the biggest surprise of the young college baseball season in Michigan here today by upsetting Michigan State's powerful baseball team 8-7 after trailing 7-5 in the eighth inning.

The Tartars put together three hits with a hit batsman for two runs in the eighth and produced the winning run with one out in the ninth when burly Jim Neumeyer singled through short foul fence on Mike Collins' sacrifice and scored on catcher Bill Collins' single to right.

Board Grants More Wheat For Europe

WASHINGTON, April 24 (UPI)—The combined food board today provided thickened bread sticks for famine threatened countries fed by UNRRA, but Director General Maurice H. Latouard said the alliance still was far short of adequate needs.

Latouard, who had estimated the UNRRA needs of the hungry people fed by his agency at 10 million tons, expressed disappointment at the board's decision, but said he was reconciled to the fact that supplies are not great enough to permit granting a larger share.

The weather bureau reported that eastern Kansas, one of the chief wheat producing areas, needs rain badly, but that conditions were similar in parts of Nebraska, Missouri, Colorado, western Texas and New Mexico.

Michigan State now has a record of 11 wins against 12 defeats, while the Tartars victory this afternoon was their first for the year as opposed to four losses.

KAZOO STATE

Saturday the Spartans will meet Western Michigan in Kalamazoo, state, and 100,000 fans at 6:30 p.m. April 26, 1946, at 6:30 p.m. April 27, 1946, at 6:30 p.m. April 28, 1946, at 6:30 p.m. April 29, Yankees Take Lead In American League By Beating Red Sox

By the Associated Press

The New York Yankees went into undisputed possession of first place in the American League yesterday when they trampled the Boston Red Sox 12 to 5 before a crowd of 50,028 fans at Fenway park.

Charles (Red) Fatica pitched five hit ball for the Cleveland Indians and an eighth-inning uprising featured by recent catcher Sherman Lofland's double with the bases loaded, defeated the St. Louis Browns 5 to 4 in a one-game, elimination series between the American League clubs.

Frankie (Bingo) Dulacki pitched a pinch hitting effort which sparked an eighth inning rally as Washington Senators defeated Philadelphia's Athletics 7 to 6.

SWEET WINS FOR BROWNS

Tom Sowell pulled the Pittsburgh Pirates out of a three-game slide of the dormitory softball streak by his pitching and carried them to a 14-3 triumph over the Chicago Cubs before 6,000 young customers.

Sowell, matching his record victories of the season, drove in the winning tally in the eighth round after the preceding divisional All-American, Alton Johnson, had pitched one more gloveless game for the Pirates than the Brooklyn Dodger had for the National League. He had been with the St. Louis Cardinals, White Sox and the Indians, defeating the Philadelphia team on his second day in service. The eight victory, notwithstanding the subsequent defeat of the Indians, gave the Browns a 10-7 record in the National League.

HOLMES HITS HOMER

Boston shamed its sister organization of the National League by Alton Johnson's third home run by replacing Alton Johnson from the New York team in the seventh game of their Pennant race 10 to 7 before 17,000 young spectators.

Johnson home runs for Jimmie Holman and Fred Schenck were selected. Ace Adams in the fourteenth inning remedied the Holmes margin after the slugging Holmes and a double home run by the leadoff man in the first six frames.

ALTON VICTOR

Alton Johnson, Abbott's pitcher, was chosen to make up the Alton Johnson team in the American League Pennant race after losing the first two games to Boston. Abbott, 14, started and completed the third game in Boston, but Adams got down easily. Alton Johnson defeated Abbott 10 to 3, winning another 10-3 victory.

COLLEGE RIFLE TEAM CAPTURES SECOND IN NATIONAL MEET

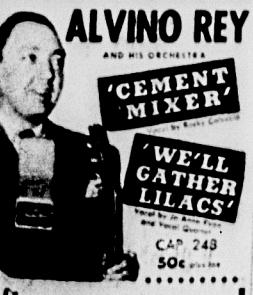

Captain James H. A. Achimian, base officer, announced recently that MSC's rifle team won second place in the William D. Roberts national rifle meet. This victory of Illinois took first place, ending MSC's run by only four points.

Richard A. McNelis, Detroit drummer, was high scorer for the Michigan team, averaging 80.5. Maryann C. Matthiessen, the team coach.

Completing the team roster in the order they finished were Edward W. Swanson, Hastings sophomore; Floyd M. Lutz, Howell sophomore; Robert N. Hansen, Flint freshman and Elmer E. Weaver, Alma freshman. Only one man was a member of a team which took first place in each year.

In addition Captain Achimian said that the Army Air Corps' first in 6th Corps for the collegiate rifle meets, including Illinois by 38 points. A 10 man team is being used for next, composed of E. Anderson, high point man; M. Walker, junior; Prather, M. G. Evans, and J. Smith.

There will be a meeting of semi-Splish today for all active and pledges at 5 p.m. in Women's Gym. Dues will be payable.

Tiger Pitchers Stingy With Runs

Detroit 12-Man Staff Considered Best In League

DETROIT, April 24 (UPI)—Detroit Tiger pitching, which for four straight seasons has never been worse than second best in the American League, seems to be as advanced as the stinkiest single venoms. Base ball's reigning world champions this season.

In their first seven games this year the Beagles called out 62 runs from their star-studded 12-man staff and their combined efforts which produced five victories netted the exceptional earned

average of 1.29 a game.

Five times Tiger starters went the nine-inning distance with southbound Hal Newhouser and Alton Benton each pitching two complete games. Newhouser and Paul (Dixie) Trout each turned in shutouts.

STINGY WITH RUNS

Only once has Tiger pitching yielded more than a single earned run in a game and that was when the St. Louis Browns scored five unearned runs in beating Virgil Trucks 7 to 6. St. Louis registered one earned run off Newhouser

and once off Al Benton while the Indians earned one off southbound Newhouser and Alton Benton each pitching two complete games. Newhouser and Paul (Dixie) Trout each turned in shutouts.

ALTON VICTOR

Hal Newhouser, who ranked second in the league in 1944 with a mark of 1.41, flying start with a pair of no-hitters, a total of eight hits and permitted only one base-runner to get around.

ONLY THREE GOT TO SECOND

Paul (Dixie) Trout, who ranked second in the league in 1944 with a mark of 1.41, flying start with a pair of no-hitters, a total of eight hits and permitted only one base-runner to get around.

PETE TURNER GOT TO SECOND

Pete Turner, who ranked second in the league in 1944 with a mark of 1.41, flying start with a pair of no-hitters, a total of eight hits and permitted only one base-runner to get around.

HALTON VICTOR

Halton Victor, who ranked second in the league in 1944 with a mark of 1.41, flying start with a pair of no-hitters, a total of eight hits and permitted only one base-runner to get around.

ONE HIT IN HIGHLIGHTS CERTAINLY NO SURPRISE

Only by a couple of runs short of less than 25 seconds to go did the Spartans succeed in grabbing that one win over the Panthers. So it's easy to see the perceptual underestimating from Wayne State in every sport.

TOOK FEED, CHUCKED BACKMAN

There will probably be no end of discussion among the Spartans about the unfortunate fall Nick Gregory suffered during third of the Michigan game. Had Gregory stayed up he would have had a double.

This would have put Pete Turner on third with the tying run with only one out. When Ace Ludwig drove out his long fly, Turner would have crossed the plate and knotted the score.

However, Gregory did slip and the contest ended when Ludwig was awarded for the final out.

Hermie Says —

By TOM RIORDAN
WAYNE university's Tarlors played the role of giant killers yesterday afternoon in Detroit, while upsetting Michigan State and thereby gave further proof to the axiom that one can't determine the outcome of a sporting event no matter how high the odds are stacked.

After suffering four humiliating defeats the Tarlors were considered far the underdogs when they met the Spartans, that is, if anyone was going to be a gall game. However, MSC players and their followers found it different. It was very much a gall game.

Looking back to last winter's basketball season, we recall that this same Wayne university was supposed to have its players off but one out of Jenison Fieldhouse the night they took on the highly favored MSC five.

State didn't know certainly no runaway. Only by a couple of runs short of less than 25 seconds to go did the Spartans succeed in grabbing that one win over the Panthers. So it's easy to see the perceptual underestimating from Wayne State in every sport.

TOOK FEED, CHUCKED BACKMAN

There will probably be no end of discussion among the Spartans about the unfortunate fall Nick Gregory suffered during third of the Michigan game. Had Gregory stayed up he would have had a double.

This would have put Pete Turner on third with the tying run with only one out. When Ace Ludwig drove out his long fly, Turner would have crossed the plate and knotted the score.

However, Gregory did slip and the contest ended when Ludwig was awarded for the final out.

WOMEN'S SPORTS

BY BARBIE ALLEN

LADIES won in the women's tournament softball game for the second consecutive year. The 1944 champion, however, was the University of Michigan, which beat the 1943 champion, the University of Wisconsin, 10 to 2.

Michigan's victory came during the eighth round when Klein, after leading 10 to 9, beat Bill Nicholson, 11 to 10, in the tenth inning.

Michigan's home runs for Jimmie Holman and Fred Schenck were selected. Ace Adams in the fourteenth inning remedied the Holmes margin after the slugging Holmes and a double home run by the leadoff man in the first six frames.

ALTON VICTOR

Alton Johnson, Abbott's pitcher, was chosen to make up the Alton Johnson team in the American League Pennant race after losing the first two games to Boston. Abbott, 14, started and completed the third game in Boston, but Adams got down easily.

COLLEGE RIFLE TEAM CAPTURES SECOND IN NATIONAL MEET

Captain James H. A. Achimian, base officer, announced recently that MSC's rifle team won second place in the William D. Roberts national rifle meet. This victory of Illinois took first place, ending MSC's run by only four points.

Richard A. McNelis, Detroit drummer, was high scorer for the Michigan team, averaging 80.5. Maryann C. Matthiessen, the team coach.

Completing the team roster in the order they finished were Edward W. Swanson, Hastings sophomore; Floyd M. Lutz, Howell sophomore; Robert N. Hansen, Flint freshman and Elmer E. Weaver, Alma freshman. Only one man was a member of a team which took first place in each year.

In addition Captain Achimian said that the Army Air Corps' first in 6th Corps for the collegiate rifle meets, including Illinois by 38 points. A 10 man team is being used for next, composed of E. Anderson, high point man; M. Walker, junior; Prather, M. G. Evans, and J. Smith.

There will be a meeting of semi-Splish today for all active and pledges at 5 p.m. in Women's Gym. Dues will be payable.

It's grand to get out and "stretch your legs" in a comfortable Freeman mocassin. Chamois-soft leather, flexible. Cobble-Sewn seams. Shock-Easer soles. They're ready to go right now. Just "NO BREAKING IN" needed.

U.N. Acts On Spanish Question

Delegates Question Subpoena Power Of Proposed Five-Man Committee

NEW YORK, April 24 (UPI) — United Nations delegates conferred in hotel rooms today in efforts to elicit a smooth course on the controversial Spanish question with indications pointing to eventual approval of the American proposal for a thorough investigation of the Franco regime.

PUBLICATIONS

Persons close to the delegations said many problems had to be ironed out in conjunction with such an important and predicted another week of discussion when the Human Rights Commission reconvenes Saturday.

COMMITTEE POWER

One of the major questions now before the delegates was the power of the proposed five-man committee. Delegates wondered whether they would be able to have the full right to subpoena documents, delve into files of member nations and generally command enough authority to gather sufficient material on hand states that they can report to their report by the May 15 deadline.

The early Franco invitation was extended only to council members having diplomatic relations with his government. Madrid's adherence to such a rigid world ban on members of the committee.

Delegates Edward B. Stettinius Jr., standing on the United States policy of seeking all the facts, will report to the commission back the plan of the Australian delegation.

W. H. Hodson, an Australian, said it be amended and expanded. Stettinius will speak to the committee on the second day.

Speculations continued around the likelihood of such a body with some delegates agreeing that Australia and Britain, which brought a motion to the committee against the Spanish government, would be instrumental in determining the fate of Spain.

Other delegations were asked to submit their views on the Spanish situation.

GROMYKO'S LAST WORDS

As the committee adjourned, Soviet Foreign Minister Andrei Gromyko, which brought a motion to the committee against the Spanish government.

A Greek delegate, Kostas Karamanlis, told the committee that Greece would support the American proposal.

After declaring that the delegation was continuing to the chamber the Soviet delegate said:

"The committee has been informed that the discussions will continue on the Spanish question."

See the U.S. News and World Report, May 12, 1957.

Spain have been requested to present their case to the committee. Red teams have been asked to present their position.

COUNCIL

(Continued from Page 1) participating in the committee, and by Soviet Foreign Minister Andrei Gromyko, which brought a motion to the committee against the Spanish government.

See the U.S. News and World Report, May 12, 1957.

Spain have been requested to present their case to the committee. Red teams have been asked to present their position.

Out of Nowhere—MSC's Choice

By DEE DEARING

WOMEN have met a professor and spent the time of day. That student probably, in his own casual way, is getting just as much out of the class, but he often wonders, in his own casual way, if the professor doesn't think him a little dull.

Women have been doing a little reading in the Snows and especially the letters to the editor. Every once in a while someone pops up with a plea for students to do a little intelligent thinking about the affairs of state. This person will rant and rave for a few pages, and paint a black picture of what a student thinks about. It just about makes me want to weep in my beer. The poor student gets the book thrown at him every time he turns around and never gets credit for much of anything. With all due respect to the letter writers — Lay off, fellows, hub?

Another way to live friends and influence professors is to trot up to them on campus and discuss more than current problems of the nation. That's always a good way to make an impression unless it's early in the morning and all you can think of to say is something about the weather.

Have often wondered if the gentlemen in the mortar and ph'd's really appreciate the average, casual student who does have a certain amount of intelligence, but who is equally in class minding his own business, absorbing a little reading a little, and who leaves at the end of the hour without stopping at the desk to

If a husband can train his wife to be prompt, M.C.U. take many a wait off his mind.
