## Scanty' Show Attire Banned

### Spartacade Chairmen Censor 'Sexy' Designs

By BEV BUSCH  
*State News Associate Editor*

First it was games of chance. Now it's risqué costumes have been banned from Spartacade.

Spartacade chairmen found recently that about 20 out of 25 participating organizations had designed "too scanty" costumes for the show.

"Several acts had to be completely revised," said Jim Buchanan, organizations and planning chairman, who helped make the necessary alterations.

"We tried to channel the costumes into the theme each organization has," he said. "Many times, groups forget their theme and dress some girl up in a sexy costume just to get attention."

### Congress Plans Grid Seating Poll

Officials to Ask  
Student Opinion

Football tickets may be distributed differently next fall, if it will be up to students provide the impetus for a poll of student opinion to go to the Athletic Council.

The poll, planned by the Student Congress Rights and Welfare Committee,

led by Klen Hagadorn, chairman, the committee is planning a questionnaire which will include:

1. Possibility of more end seats, giving more status in the side section.
2. A more central location for the end seats.
3. Suggestions for extending the period of distribution for seats one day and a half instead of one day.

A preliminary poll conducted by congress members last week suggested from three tickets, married housing, North and East Yakeley, according to Hagadorn, these ideas are included in the poll, which is scheduled for early spring.

Results from married housing tickets for reduced child rates and a new arrangement for grad student ticket distribution.

## Research Completed on Set Reception

A study of set reception in Lansing and East Lansing has been completed by WKAR-TV, according to Dr. Percy H. Tenenbaum, research director.

The station is now doing similar research in the Lansing area to determine whether television like the content of the new programs.

Although all results have not been compiled, sports and farm coverage rate especially high so far, Tenenbaum said.

An analysis of an experimental study in the effects of background music on dramatic presentations is also being prepared.

## 'Knight Day' Wins Approval

By LAURETTA PATERONSTER

MSC students are not alone in their notice of the approaching "Knight Day," Friday.

Administrative officials of the college seem to be strongly in favor of the "turn-about" antics of woman buying coffee, opening doors, helping men with their coats and hanging out in the Smoke Shop—a practice which is taboo on any other day.

Tom King, dean of students, commented, "It should be an interesting promotion stunt—and certainly a different one. I think the women in the Ad Building will be along with the men."

## Not Talking

Wintry weather will still be in evidence as a few light snow flurries will fall from partly cloudy skies over East Lansing today.

The low temperature early this morning was 20 and a high of 29 was forecast for this afternoon.

## Commie Roundup Continues

### Puerto Ricans Widen Purge

SAN JUAN, Puerto Rico (AP) — Police began rounding up Puerto Rican Communist leaders Sunday as the government widened its purge of fanatic political groups.

The roundup came a day after 36 Nationalist party leaders had been arrested.

Police said Sunday's roundup was carried out with no violence, in sharp contrast to the bludgeoning gun battle which marked Saturday's seizure of Nationalist chief Pedro Albizu Campos and five of his aides.

## Students Set Fall Meeting With U of M

MSC and the University of Michigan will get together on at least one matter during the next few months.

In a third meeting of student leaders from both schools next fall at Ann Arbor, an attempt will be made to set up a joint council of student leaders, to meet two or three times during each school year.

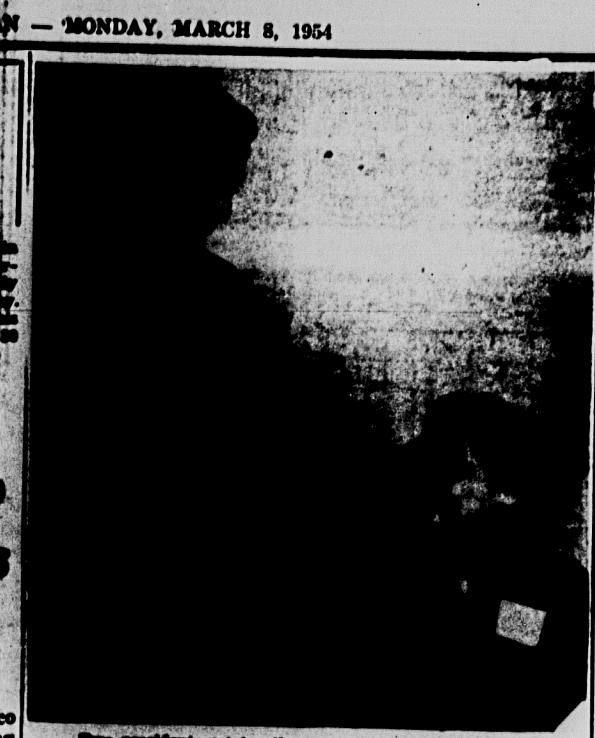

## Vet Applications

Applications for entrance into the School of Veterinary Medicine must be made before April 1. Blankets for application are available at the Registrar's Office or in the office of the Dean of the Vet Medicine school.

Two MSC students, Eugene Leonta, Grand Rapids junior, and Thomas Svengen, Detroit freshman, demanded examination Friday in East Lansing Justice Court on charges of assault with intent to commit great bodily harm less than murder. Both have been released on \$1,000 bonds.

Examination for the charge was set by Justice Henry L. Schram for March 15.

State Police had charged the two with assaulting Gerald L. Cunningham, East Lansing graduate student, Feb. 28. The assault followed an argument at a tavern east of East Lansing, Cunningham said.

Two presidents got together at the incorporation meeting of Lambda Iota Tau. See Udo, local chapter president, congratulates Robert Weiss, newly-elected national president.

## LT Incorporates MSC Named Home For Lambda Iota Tau

By JEAN GREGORY

MSC was unanimously chosen national headquarters for Lambda Iota Tau, literature honorary for English and foreign language students, at a national incorporation meeting Saturday. The honorary originated here Dec. 3.

Eight of the nine incorporating chapters were present, with a total of 58 representatives. These chapters are:

- MSC; Aquinas College; Sioux Falls College, S. D.; Michigan State Normal College; Purdue University; Mercy College; University of Detroit and Marygrove College, Baldwin-Wallace College, Berea, Ohio, was unable to send delegates because of recent heavy snowfalls in the area.

Both have favored complete independence and accuse the United States of holding Puerto Rico under forced intervention.

## Deadline Set For Michigan Photo Contest

Deadline for entries in the sixth annual Michigan Press Photography print competition is Wednesday. Press and free-lance photographers are invited to enter the contest.

Entrants may compete in one or both of two classes. A picture portfolio containing five to 10 prints of the photographer's best work done between April 1, 1953, and Feb. 28, 1954 is required for the first contest.

## Students Face Police Charge

Two MSC students, Eugene Leonta, Grand Rapids junior, and Thomas Svengen, Detroit freshman, demanded examination Friday in East Lansing Justice Court on charges of assault with intent to commit great bodily harm less than murder. Both have been released on \$1,000 bonds.

A national constitution was adopted and dues established during the meeting. A resolution was passed to urge the U.S. to stop its atomic bombing of Japan.

Speaker at the incorporation meeting held in the Union Saturday evening was University of Michigan Professor Lewis I. Brodovick.

## Officer Quits Army Post

### Cook Charges Politics Block New Weapons

FRANKFURT, Germany (AP) — A U. S. Army ordnance officer has resigned in a huff, charging "Pentagon politics and snafu" blocked adoption of two new weapons he designed and developed.

Loren C. Cook of Vallejo, Calif., who was a warrant officer stationed in Germany, claimed his light sub-machine-gun and his automatic rifle were not given a fair chance by the Army.

Although the Army calmly pushed them aside," Cook said in an interview. "A Belgian firm gave me a fat contract to sign for their immediate manufacture."

He declined to make public the name of the firm until he can sign the contract as a civilian.

In Washington, reachable ordnance officers said they recalled both had been made of Cook's light sub-machine gun. A spokesman said it was found to be a good weapon, but was not developed because no current need for such a weapon existed.

As to the legality of Cook's selling the weapon to a Belgian firm, the spokesman said that would depend on a number of factors still to be determined, among them whether he had developed the gun on his own or government time, and whether he held clear patent rights to it.

"Even though I was kicked around," he asserted here before leaving, "both guns are still available to the Army-free for the asking."

"If the Army had given my guns a fair chance I would not have quit in disgust."

## Bridge Safety Scheduled for Kellogg Convo

Industry-wide safety in highway and bridge construction will be the subject of a training course at Kellogg Center today through Friday.

The course is directed to helping supervisors recognize, use and sell safety.

Instruction will include efficient job operation, first aid, cause of accidents, safety problems, and oral and written communication of orders.

## MP Honorary Elects Officers

# Cagers Win Finale; Hoke Cops Mat Title

## McCoy Smashes Record

By GARE BUONAURO

Michigan State's cagers concluded the 1963-64 campaign Saturday with a dismal record but ended it on a happy note as they whitewashed rival Michigan, 76-61, at Jenison Fieldhouse.

The season's finale was also lightened by the fact that former Julius McCoy, Farrell, Pa., honoree, became the first Spartan basketball player ever to score 400 points in a season.

By virtue of his victory, State finished the year out in undistinguished position of eighth place in the Western Conference. Before the start of the contest Michigan State and the Wolverines were deadlocked for eighth in the latter's defeat dropped them into the number nine position.

After the score was tied three times during the early minutes of the initial period, the Spartans assumed the lead with 5:32 remaining and never relinquished their margin throughout the encounter. Several stages in the game, McCoy held as much as a 20-point lead over the outclassed cagers in Ann Arbor.

Three State cagers hit double digits in Saturday's affair. They were McCoy, Duane Peterson, and Devenny.

McCoy emerged as the game's point producer with 24 tallies to his credit on seven field goals and 30 free throws. The forward established a new individual scoring record of 400 points. McCoy's mark bettered the former record set last season by Al Ferraro. The old record was broken by McCoy in a game with Wisconsin last Sunday night.

Peterson, who started at the post for the Spartans, followed McCoy for the scoring honors. The post, Ind., sophomore dumped 18 points.

Outstanding NCAA champions, Illinois University captured the Big 10 title for the second consecutive year. The Hoosiers led with a 19 and two record, while the Iowa Hawkeyes came second, one game behind.

The 1963-64 season saw Coach Newell compile a four and a half record in the conference and 19 on the year. His teams have now won 45 and lost 42. Making their final appearance Spartan cagers Saturday were Neal Hartman, Keith Stackhouse, Paul Hinkin and Jim Sletor.

## State Fencers End in Sixth

Michigan State came in sixth in the Big 10 conference fencing at Saturday at Iowa City, Ia.

The championship was captured by powered Illinois University which gathered 49 points.

Following Illinois in the standings were Wisconsin with 31, and Ohio State with 20. Northwestern scored 23 Iowa 21, the 16 and Indiana 11.

Ill-1. Norman Velasco, Illin-2. Frank Craig, Iowa; 3. Andy Sorenson, Illinois; 4. William Edwards, Ohio State.

Wis-1. Palmer Trust, Northwestern; 2. Richard Cohn, Illinois; 3. John Moffett, Michigan; 4. David Lofthol, Northwestern.

Ind-1. William Shewchuck, Ind-2. Charles Kertler, Wisconsin; 3. Brian Engelbeck, Ohio; 4. David Grybick, Ohio.

Michigan's 600-yard free style team of Ben Gora, Danny Jones, Tom Sumner and Bob Culligan set a new Big 10 record during Friday's contest.

## Wrestlers End Third In Big 10

By DONN SHELTON

In the afternoon a prospective champion, in the evening an also-ran.

That was the story of MSC wrestlers who finished third to Purdue and Michigan in the Big 10 Championships held at Jenison Fieldhouse Friday and Saturday.

Bob Hoke provided the only bright spot for Spartan wrestlers when he won his second straight Big 10 crown. He warded off a strong challenge by Illinois' Larry TenPas by topping the Illinois grappler 11-4 in the final.

Hoke was never in trouble with TenPas and twice came very close to pinning him. Earlier in the tourney TenPas had scored two first period falls to advance to the final. Hoke outscored the rest of the wrestlers in the meet by winning by scores of 13-1 and 7-2, along with his 11-4 final win.

The Spartans entered the tourney figuring that defending champion Michigan was the team to beat, with Purdue having an outside chance.

When Vito Ferrone, MSC 167-pounder, beat Harold Holt of Michigan in Friday afternoon's preliminary bout, the Spartans looked like good bets for the conference crown.

Then came the nightmare. Ed Casalicchio lost a very close decision to Len Vukobrat of Northwestern to be eliminated from the final.

After Hoke had won his semi-final bout, Ferrone met a fate similar to Casalicchio. Tied up with John Winder of Iowa with less than a minute to go, Ferrone "shot the works" in an effort to win. His aggression was turned against him by Winder, who scored a take-down to beat Ferrone.

Larry Fowler was the next to fall. He lost to Iowa's Stuorator Winding to complete the rout of Michigan State. Fowler showed signs of being in his thinking bout. His first match in the afternoon had been with Harry Jorgensen of Indiana, who outscored him 30 points. Trying to push the State Indians man around drafted much of Fowler's strength.

With the Michigan State men eliminated, and four Purdue grapplers in the final, it was only a matter of time until the Wolverines were crowned.

Saturday they won it. Al Vaga took the 150-pound crown; Bud Welch topped Don Haney of Michigan at 167 pounds; Tom Hinchman took second behind Winder at 197 and Albert Savel won the 177-pound title. They finished with 25 points. Michigan had 22, MSC 20 and Iowa 19.

The Spartans had the toughest task of the tourney, 7-0 in an MSC championship.

After a 20-second pin in his first bout and a 6-4 win in the semi-final the Spartans are met 2-1 of the Big 10 NCAA championship. Hoke in the final. Standings showed Hoke in a manner reminiscent to the national championship but lost a close decision, 6-4. Hoke, former the "greatest offensive" of the nation, stated his day in the arena as they crowd around the decision.

The Spartans will go into the meet with a 2-0-1 record for the season, and are "ready for another team win," according to Coach George Hehr.

In their meeting with Ohio State three weeks ago, the Spartans came away with a 4-4 draw.

## Spartans Third Swim Title Goes To Ohio State

By CHUCK MILLER  
State News Sports Editor

Saturday's Big 10 swimming meet at Columbus went according to form with Michigan and Ohio State engaging in a two-team battle for the top spot.

On the strength of their Hawaiian splashers, Yoshi Oyakawa, Dick Cleveland and Ford Konno, the Buckeyes stroked to a 125-103 margin over runner-up Michigan.

Far behind in third place were the Spartans with a total of 35 points, followed by Illinois with 25, Purdue with 20, Wisconsin with 13, Northwestern with 12, Iowa with 10 and Indiana with 2. Minnesota failed to score.

Four straight national and/or Big 10 records were broken Saturday, with three others set in Friday's portion of the two-day meet, for a total of seven new records.

Konno led the assault on the record books with new marks in the 220 and 440-yard free style events. He did the 220 in 2:08.2—a second and a half better than his own Big 10 mark set two years ago. He set a new NCAA and Big 10 record in the 440 with a clocking of 4:28.8.

Michigan State's John Dudek got into the record-breaking act also.

After a disappointing loss to Michigan's Mike Delaney Friday night in the 200-yard breaststroke, Dudek came back Saturday night to hang up a new conference record of 59.7 in the 100-yard breaststroke.

Cleveland and Wolverine Don Hill finished in a dead heat in the 50-yard free style for a twin record-breaking performance.

However, there is some controversy over who should be awarded the official record. Hill was clocked in 1:21.1 while Cleveland was clocked at 1:21.1, although the judges declared it a tie.

The conference record is 21.7, set two years ago by Cleveland.

Other post-games for Michigan State were: Bruce Aldrich, fifth in the 150-yard individual medley; Dan Moray and Lew Mitchell, fifth and sixth in diving; Tom Payette, sixth in the 50-yard free style; Jack Bauman, sixth in the 200-yard free style; the 200-yard medley relay team, third, and the 400-yard free style team, fourth.

Michigan's 600-yard free style team of Ben Gora, Danny Jones, Tom Sumner and Bob Culligan set a new Big 10 record during Friday's contest.

## Icers Break Even, 5-4, 2-1 Pucksters Rally For Weekend Split

By MIKE CASE

By virtue of a split with North Dakota, 5-6 and 2-1 in overtime, the Michigan State hockey team will have a chance to finish out the best season in its history when it meets Michigan Tech, tonight and Tuesday at 8 p.m. in the Ice Arena.

The Icers now have a season record of 7-13-1 compared with their best previous record of seven wins and 13 losses, in the '52 season.

Spartan goalie Eddie Schiller entered the North Dakota contest with his right eye swollen as a result of a stray puck in practice. This handicap allowed the Nedaks to fire three quick first period goals past Schiller's weak right side before the State defense could adjust and hold down the number of rushes from that side.

Team captain John Thomas picked up the first goal for the Spartans at 16:51 of the first period on a slap shot that bounced off a North Dakota player.

From that point State outscored the Sioux sextet with a second period goal by Wendie Olson, and third period goals by Jim Ward, Gordie King and Steve Raz, topping the total of three, racked up by North Dakota. But the first period lead was too strong for State to overcome.

Due to a leg injury, Spartan defenseman Doris Nisell, was forced to sit out Saturday's contest but the club was more than taken up by the sparkling play of Thomas and Joe Soure, combined with the first appearance of Buck Nystrom. Nystrom is familiar to many as a tackle on the Rose Bowl-champion football team.

Thomas played the entire first period without a rest, and was on the ice almost continually the next two periods.

The Nedaks took the lead in the first period when Ray Hout hit the cords with a slap shot from 20 feet out, at 11:10. The lead held through more than 40 minutes of hard, defensive hockey.

With one man in the penalty box in the third period, State got a faceoff on North Dakota's end of the ice. King took Olson's pass and blasted the puck high into the corner of the net for the tying goal.

Michigan State men eliminated, and four Purdue grapplers in the final, it was only a matter of time until the Wolverines were crowned.

Saturday they won it. Al Vaga took the 150-pound crown; Bud Welch topped Don Haney of Michigan at 167 pounds; Tom Hinchman took second behind Winder at 197 and Albert Savel won the 177-pound title. They finished with 25 points. Michigan had 22, MSC 20 and Iowa 19.

### Keep on Working Troubles Hit Seekers of Easy Living

(NEW YORK (AP) — Although there's no easy way to make a living, a lot of people tried to make their jobs easier this month. Some of the results were surprising.

A fisherman in Santa Monica, Calif., installed an automatic pilot in his \$4,000 boat and then fell asleep. The automatic pilot smashed the boat into a break-water.

The assistant superintendent of apparatus for the Milford, Conn., fire department didn't like his working hours. At his own request he was demoted to fireman.

A London apartment house janitor wanted to practice his accordion but not disturb the tenants. He brought a soundproof telephone booth and installed it in the basement.

Faced with the need of employment, a former gorilla tender in Dayton, Ohio, applied for a job as a mental ward attendant. He was turned down.

A forward-looking used car dealer in Pueblo, Colo., grew bored with accepting simple cash. He offered to trade a used car for a cemetery lot.

### Bad Weather Gives Flying Prof Trouble

Del Porto Jaunts  
400 Miles to Class

Twenty-three students have had to brave the weather for distances up to 200 miles to get to a class in journalism in the Upper Peninsula this term.

But if you think that's tough, pity the instructor who has to fly over 400 miles and back just to deliver the set of lectures.

The students are county agricultural, 4H and home demonstration agents, mostly graduate workers, under the MSC extension program. The instructor is Prof. J. A. Del Porto of the Journalism department.

Classes are held from 6 to 10 p.m. on Friday and 8 a.m. to noon on Saturday every weekend. The class meets alternately at Escanaba and Marquette.

Del Porto, who serves as his own weather prophet, decides in advance if the flying weather will be good the next day.

If it appears that planes will be grounded, he has to get out in his car and start driving.

### Wolverine Sends Copy to Press; Finish Nears

The first copy for the 1954 Wolverine was sent to press two weeks ago, according to Editor Stultz.

All photography work will be completed by Tuesday, he added. Final choice of the cover colors resulted in green printing on grey and black.

The covers are being prepared at the S. K. Smith Co. of Chicago whose officials commented, "The 1954 Wolverine cover will be one of the most outstanding yearbook covers in the country."

The number of copies to be printed is 8,200—700 more than any previous year, Stultz said.

## 'Report Cards' Tag Absences

New absence report cards have been issued to all instructors for reporting excessive absences, according to Robert S. Liston, registrar.

The reports will be sent directly to the Registration Office where they will be checked for possible valid reasons for absenteeism. The reports will then be forwarded to the dean of the student's school.

The number of absences allowed before the report is sent in, is up to the individual instructors.

The Basic College program began in 1944.

## Today's Chesterfield is the Best Cigarette Ever Made!

"Chesterfields for Me!"  
John Hodiak Smoking in "The Colton Mystery Court Martial"  
The cigarette tested and approved by 30 years of scientific tobacco research.

"Chesterfields for Me!"  
Patti Page Recording Star  
The cigarette with a proven good record with smokers. Here is the record. Bi-monthly examinations of a group of smokers show no adverse effects to nose, throat and sinuses from smoking Chesterfield.

"Chesterfields for Me!"  
Eddie Mathews Seasonal 2nd Base  
The cigarette that gives you proof of highest quality—low nicotine—the taste you want—the mildness you want.
