State Board Name Change Cinch

Huff, Bjornseth Lead Voting for Ag Board

Democrats Lead Returns For Most Contested Posts

With 947 precincts in, the proposal to change the name of the State Board of Agriculture to the Michigan State University Board of Trustees seemed a cinch to gain approval.

In the battle for positions on the university governing board, Democratic candidates Earl Huff and Warren Bjornseth pulled ahead of Republican opponents Frank Merriman and incumbent Arthur Rouse with heavy Democratic voting in Wayne county.

At 1 a.m. this morning 1,531 precincts had reported. Huff and Bjornseth led the voting with 113,983 and 166,692 votes respectively while Republican candidates Merriman and Rouse trailed with 157,527 and 149,606 votes in that order.

In the voting on the name change proposal 71,782 votes in favor were tallied with 45,510 against after 947 precincts had reported.

Thirty-five thousand of the 45,000 votes against the name change were in outstate precincts.

Justice George Edwards quickly opened up a wide and increasing lead in his bid for a first, full eight year term on the state supreme court.

His running mate, Justice John Voelker, lagged along at Edwards' heels. Barring a startling reversal of the early lead, the two Democratic nominees appeared headed for comfortable victories.

Lynn Bartlett, Democratic state school chief, took the lead for re-election on the strength of early returns from heavily Democratic Detroit.

Before a count was received from 250 Detroit precincts, Bartlett had trailed his Republican challenger, Hugh Holloway.

Bartlett jumped ahead of Holloway 82,844 to 76,955 with 754 of the state's 3,182 precincts reporting, 504 of them from traditionally Republican outstate.

The boost Bartlett received from Motor City returns was shared by 11 other Democratic candidates in partisan balloting for statewide education offices. It was enough to put most of them slightly ahead of their Republican rivals.

After setting the pace earlier in a four-way contest for two University of Michigan regents posts, Mrs. Ann Timmons Burgess, Republican, dropped behind William McInally and Ellis Wunsen, Democrats.

Enrollment Totals From Last Year Down Slightly

At the close of regular registration for spring '59, resident credit enrollment stood at 17,323 while credit extension enrollment was 825 making a total of 18,148.

Offensive On Crime Successful

WASHINGTON (AP)—Federal prosecutors from around the nation were told Monday a year-old offensive against big-time crime has shown gratifying results. They were urged to keep up the good work.

Atty. Gen. William Rogers and FBI Director J. Edgar Hoover joined in saying this to 94 U. S. attorneys gathered for their annual conference with Justice Department officials.

Both Rogers and Hoover stressed the need for unceasing co-operation with state and local law enforcement agencies in the anti-crime drive that was kicked off in April 1958.

Despite gains in the past year, they said, the crime problem still is a big one. The underworld is taking about 22 billion dollars a year from decent citizens, Hoover told the prosecutors.

Rogers reported that, as a result of information pooling by police at all levels, a number of underworld leaders have been prosecuted successfully during the last 12 months.

The Attorney General made special mention of the conviction in New York last week of Vito Genovese on charges of heading an international narcotics ring. Fourteen henchmen were convicted with him.

In addition to prosecutions on direct criminal charges, some top hoodlums have been convicted of income tax evasion while others have been stripped of their U. S. citizenship or deported.

GOP Claims Johnson Hits Kennedy's Bid

WASHINGTON (AP)—The Republican National Committee said Monday that Senate Democratic leader Lyndon B. Johnson of Texas is supporting a move to deny his party's presidential nomination to Sen. John Kennedy (D-Mass.).

The committee said in a pamphlet that LBJ Johnson's initials, "now means Let's Block Jack" Kennedy.

"When Johnson opens up his own campaign drive for actual convention votes the feathers really will fly," the GOP pamphlet said.

The Republicans dubbed the Democrats in their pamphlet as "the party of repudiation." As one of a score of examples they listed a resolution passed by Texas young Democrats demanding that Johnson pay more attention to his party platform and to fellow Democrats.

They cited criticism of Johnson's leadership tactics by Sens. William Proxmire (D-Wis.) and Wayne Morse (D-Ore.) as signs of "irreparable splits which wrack the Democratic party," adding: "The politeness at each other by Democrats is a sign that the overt stage has been reached in some of the intra-party ambushes arranged by rival groups of Democrats seeking control of their party's 1960 convention."

THE FIVE FINALISTS vying for the Mr. MSU title wish each other good luck. One will be picked during Intermission of Spinster's Opn. April 12. The candidates are from left to right, Jim Blasen, Grand Rapids Junior; Marshall Fridmore, Drayton Plains Junior; Dick Newy, Oak Arbor Junior; Jerry Franz, Lakewood, Ohio, Junior; and Jim Cheney, Bay City sophomore. Missing from the picture is Bob Tufts Grand Rapids senior.

No Air Violations Red Charge Denied

WASHINGTON (AP)—The U.S. fired a double-barreled rejection of Soviet charges of air space violation Monday and said Moscow's hot Washington, is dimming chances of success at the coming Geneva talks on Germany.

State Department press officer Lincoln White denied as strongly as he could Moscow's accusation Sunday that the U. S. deliberately flouted Berlin's air corridor rules by a high altitude one flight March 27. The Russians said this was done to wreck prospects at the Geneva talks starting May 11.

The U. S. spokesman issued two American versions of airplane incidents in different parts of the sky.

In the first, he released a State Department note turning down a Russian complaint of March 5 that U. S. Air Force planes had violated Soviet airspace last November.

The U. S. note, dated March 25, repeated earlier protests that Soviet fighters had fired on an American plane over the Baltic Sea and had violated attacks on a U. S. plane over the sea of Japan.

It said the U. S. craft—which were not in international airspace more than 60 miles from the Soviet territory.

Secondly, he denounced as groundless Moscow's renewed claim Sunday that the March 27 flight into Soviet territory violated transport at the 10,000 feet air corridor rule. The Reds said flights must be below 10,000 feet.

White said, "U. S. has never recognized anything on the corridor, but its planes at heights detected by weather conditions aircraft efficiency."

J-Hop committees have announced that surplus J-Hop favor wooden money with valuable parts will be sold through Thursday.

No March Today! No Air Force Army ROTC parades have been scheduled for today, but advanced cadets and sergeants will meet at 10 a.m. in Anthony Hall.

Ike Hints Jobless Decrease Will Release Figures Today

WASHINGTON (AP)—President Eisenhower Monday promised a gratifying new report today on the nation's job situation, hinting a substantial cut in unemployment.

The report, due from the commerce and labor departments for March, would have to reflect a decline in February's 4,719,000 idle by 250,000 to 300,000 to amount to more than the usual spring decline.

A drop of more than two proportions was indicated—at least from the fanfare planned for unveiling the figures. For the first time, the statistics will be released at a news conference, Dr. Seymour Wolfheim of the Labor Department will conduct it.

Eisenhower's optimism was made known after he conferred at the White House with Secretary of Labor James Mitchell, Mitchell obviously agreed the President's advance word on today's figures.

Press Secretary James Hagerty, telling reporters about Mitchell's visit, said the President believes the figures for the month ending in mid-March will be gratifying and of great interest to all Americans.

"Asked whether the government report will show a cut in the number of idle workers, Hagerty said only the statistics are 'pretty good'."

This is the time of year when employment improves and unemployment declines because warmer weather permits more outdoor work in farming, construction, timbering and other industries hampered during the winter.

When the job report comes out today Eisenhower will be en route by airplane on his regular April golfing jaunt on to the Augusta, Ga., National Golf Club.

AN U. S. AIR FORCE investigating board cleared Lt. Col. Charles Platt Jr., of New York of any suggestion that he and his vacationing family were responsible for bumping six service men returning to the U. S. from Japan on emergency leave. The board placed the blame on an "administrative error."

German Paper Says Nikita's Health's Failing

BERLIN (AP)—German reports that Soviet Premier Khrushchev's health is not what it should be may have originated from a dizzy spell he suffered at a party in East Berlin last month.

The newspaper Blätterzeitung in Hamburg, West Germany, Saturday quoted unnamed Soviet diplomatic sources in Hamburg as saying Nikita's health is under a doctor's orders to slow down after having a fainting spell.

This may have started with a session at the Soviet embassy in East Berlin March 10 which cleared Khrushchev's eight-day visit to Communist East Germany.

The Soviet leader was at his homey best at the party. He joked and drank cognac toasts. But occasionally during the party he showed signs of fatigue. His eyelids were heavy and he seemed to shrink within himself.

For four days after his arrival in Leipzig for a trade fair he kept to a packed schedule, giving around the island making speeches. His face was pale with fatigue when he reached East Berlin March 7. But he kept up the pace.

The Blätterzeitung story said doctors had told Khrushchev to slow down because they were worried about his blood pressure and excessive weight. The newspaper said he had been advised to play golf, like President Eisenhower. But Russia has no golf courses.

Gables, Paul's To Stay Open

Professor Thomas Wins Seat on E.L. City Council

A proposal to annex the Wardcliff-East Brookfield area of Meridian township, including the Coral Gables and Paul Rever's was defeated Monday by residents of the area in spite of heavy voting in favor of annexation in East Lansing precincts.

The proposal was turned down 450 to 233 by residents of the Meridian township area. Although East Lansing voted 2,537 to 1,097 for annexation, approval of the people in the area to be annexed is required to carry the proposal.

In Lansing township, the annexation proposals were split. Final tallies showed that the township favored annexation for the Pinecrest and Abbotside areas, 209 to 196 out of 635 registered voters.

But the importance of a single vote brought defeat to the Pinecrest Golf Course and Scott and One district proposal. A total of 1,097 votes in that district went to the polls.

The East Lansing voting concerning Lansing township, however, was a different story. The Pinecrest and Abbotside areas received 2,587 affirmative votes in East Lansing, with 1,097 negative, and the Fremont Golf Club district was passed, 2,641 to 84.

As it stands, only the Pinecrest-Abbotside areas will be annexed.

In the battle for seats on the East Lansing City Council, one MSU professor was successful while two others were defeated.

Gordon Thomas, associate professor of speech at MSU, received 1,641 votes to lead the Council balloting. Others who were successful include Mrs. Russell Darling with 1,615 votes and Evelyn Tridoblock with 1,621.

Douglas Durham, professor of social science, and Charles Pfefferfeld, professor of mechanical engineering, were the two defeated MSU faculty members.

The other unsuccessful Council candidate was incumbent councilman John Lazell.

British Loosen Colonial Grip

LONDON (AP)—Britain agreed Monday to give the 40,000 people of the oil-rich state of Brunei a bigger hand in running their government, thus loosening the British hold over yet another colony.

A final communique on two weeks of talks with the Sultan of Brunei said they had ended in complete agreement. He had come to London seeking approval for measures to advance the country toward independence in the Commonwealth.

Constitutional changes within the British protectorate on Borneo's northwest coast will be enacted in six months, the communique said.

TV Contract or No TV Contract

Patterson-London Title Bout Moved From Vegas to Indy

INDIANAPOLIS (AP) — Floyd Patterson's manager said Monday Patterson would defend his heavyweight championship against Brian London here May 1 instead of at Las Vegas, Nev., regardless of the outcome of a television contract.

Cus D'Amato said the television dispute was between the National Broadcasting Co. and Cecil Rhodes Jr., Cranford, N.J., industrialist-promoter, but added:

"Regardless of what happens, the fight will be held in Indianapolis."

Rhodes said the title bout was moved from Las Vegas to Indianapolis to escape rumors of gamblers' backing.

"There wasn't—legally or illegally," Rhodes added. "But I don't want that kind of implication."

In Las Vegas, however, they set a different tune. Said Tom Underhill, president of the chamber of commerce:

"If the truth be known, Las Vegas did not solicit this fight in the first place, and it is now being moved to Indianapolis because Las Vegas resort operators have refused to give the financial support requested by the fight promoter."

Hotel owners said they were asked to put up a financial guarantee and become part of the promotion, but they declined.

Jack Doyle, secretary of the Nevada Athletic Commission, said he was "baffled and surprised" by the switch.

Doyle said Rhodes "told me the fight was all set last Thursday and promised to be out here soon to work out final details."

Rhodes said he expects NBC and Gillette Co., sponsors, to agree to switch in the telecast.

However, Tom Gallery, sports director of NBC, in New York said he had a signed contract for a Patterson-London title fight in Las Vegas and had not agreed to any move to Indianapolis.

"We have nothing against Indianapolis," Gallery said. "But a contract is a contract. We have a contract signed by Cus D'Amato, Patterson and Cecil Rhodes calling for a fight in Las Vegas May 1."

Cup Shot Hangs in Balance Bruised Bruins Face Leafs In Seventh Game of Series

BOSTON (AP)—A trip to Montreal for a shot at hockey's coveted Stanley Cup hangs in the balance tonight when the taped and tired Boston Bruins and Toronto Maple Leafs square off at the Garden.

What started as a best-of-seven competition comes down to a one hour, shoot-the-works engagement to decide which club moves into the finals of the National Hockey League playoffs.

Both teams rested Monday as the players bore the marks of rib-larring body checks after six games of a series which the athletes admit is as rough as they ever have encountered.

The Bruins' ailing list included defenseman Fern Flaman, Bob Armstrong (groin) and Jim Morrison (swollen) and Doug Mohns (strained ligaments) plus forward Toppazzini (badly bruised).

All but Mohns will be according to the club's managers.

As for Toronto, coach Paul Ingham has given the green to forward Larry Regan who has been sidelined by a fractured hand. The cast has been so that he can maneuver as

Visitors Bring 3 Olympic Prospects

Michigan State wrestlers pause in their preparations for the National AAU tournament to host a tour of Japanese Olympic wrestlers in the IM Sports arena at 8 Wednesday night.

Admission price for the exhibition is \$1 for adults and 50¢ for students. Visitors, who will also be in the NAAU, bring a number of potential Olympic champions to face a strengthened Spartan team.

Shiro Hotta, the Japanese national champion, could win a title in 1960. Among others is Jyo Umzawa, who is 18 years old and still in school. The youngster won the 114½-pound

Other Olympic prospects are Harumasa Shibata, 160-pound Kenji Kosuge, and college students in

Michigan has added several former Spartan wrestlers to its roster to cope with the visiting visitors. Former Spartan wrestlers drafted include Bob Gunner, Jim Sinadinos, Ken Mallow and John Baum. Mallow and Sinadinos are former AA champions.

Wrestlers from this year's team to grapple Wednesday are Jerry Gmazel, Jerry Jackard, Big 10 champion Jim Ferson. Missing will be other former champs Tim Woodin, Norm Young.

Soccer Team Seeks New Players

Soccer Coach Gene Kenney issued a call Monday for anyone interested in playing soccer.

Kenney, who has guided the varsity booters through 22 games without defeat in three years, and a No. 2 national rating in 1958, said he will be at the Soccer Field next to the Secret Practice Field behind Spartan Stadium between 3:30 and 6 p.m. this week.

All aspiring soccer players should contact him there, he said.

Hoffman Selected as Captain Of 1959 Spartan Net Squad

Ernie Hoffman was elected captain of the 1959 Spartan tennis team Monday afternoon to climax three years of service on the MSU net squad.

Hoffman, with the best record of any squad member on the southern tour just completed, (1-1), is optimistic about the chances for a good showing by this year's team.

"This team is the best I've ever played on at MSU," he said. "They're all hustlers with tremendous team spirit. We should be able to improve on our sixth place Big 10 finishes in the last two years without too much trouble."

The Monroe senior has been

with the Spartans for three years, having won the squad as the No. 6 player last year. He advanced to the No. 3 singles spot in the 1958 season, as well as the No. 1 doubles position.

The doubles team of Hoffman and Steve Sassek, which has compiled a 3-1 mark in previous play this spring.

The winner of 1958, saw Hoffman represent Toledo, Ohio, on the Junior Davis Cup Team. In his sophomore year he reached the semifinals of the Big 10 championship while in his junior year he won the play-off crown in the Big 10 finals. Besides playing tennis, Hoffman has managed to compile a 31 average in his major history.

Fencers Spear Top Grades

The fencing team is issuing a challenge.

The swordsmen, who seem to have sharper wits than swords this year, can boast five team members who made a three-point winter term and also have a three-point all-university average.

This means that 35 percent of the varsity members have reached the magic three-point circle. Coach Charles Schmitter speculates that this is one of the highest percentages in varsity teams.

Track Managers

Several student managers are needed for the track team, according to manager Dave Coombs. Coombs requested interested men to contact him at ED 2-3373.

Captain Steve Arnet, Wanda-dette senior, Chuck Lawless, Feendale sophomore, Chuck Schmitter, Jr., Mason sophomore, Al McCallum, Ravenna sophomore, and Larry Backus, Queens sophomore, each came up with a three-point or better.

Don Johnson, Muskegon sophomore, just missed joining the select group.

Schmitter was high all-around man on the squad. He came up with a 3.7 in classes and an outstanding 26-6 record on the strip, plus a third place medal.

in epic at the Big 10 championships, and an eighth place spot in one of the NCAA finals.

Among the three-pointers are three lettermen who will be returning next season. They are Arnet, sabre, Lawless and Schmitter foil.

Arnet had a 14-19 record for the regular season, but collected a fourth place medal at the Big 10 championships and went on to finish 15th in the NCAA. Lawless compiled a 15-15 record and was one of the work horses of the team, competing in all but one meet.

WE'RE GROWING WITH THE UNIVERSITY, WITH A PLANNED PROGRAM FOR INTELLECTUAL AND ACADEMIC LEADERSHIP, SOCIOLOGICAL AND SOCIAL DEVELOPMENT--AND WE STILL HAVE TIME FOR LOTS OF PARTIES! WE'VE BEEN DOING WHAT THE ADMINISTRATION ASKED FRATERNITIES TO DO AT THE PAN-HEL IFC CONVOCATION!

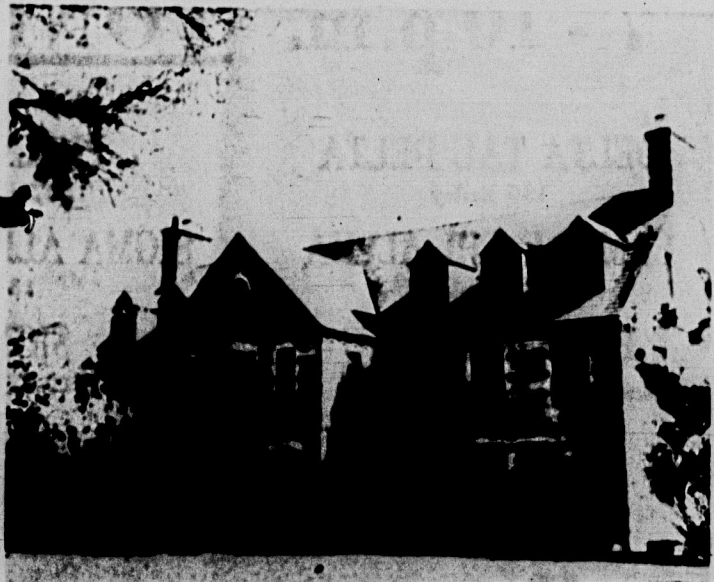

- These are only a few of the advantages we have to offer:
- Program for Intellectual and Academic Development**
 - A. GUEST SPEAKERS FREQUENTLY: Question and Answer period following talk: Business Executives, Outstanding Professors, "Interesting People."
 - B. ACADEMIC COERCION: Proctored study tables at Brody Group, Sh. Hall, and Chapter House. Our pledges get their grades. We don't forget that this is what you're in school for!
 - Program to Teach Sociological Responsibility:**

Combination project with a leading agency to help St. Vincent's Orphan. Planned program each Saturday includes Bi-Monthly swimming instruction, field trips, movies, etc.
 - Old Established Fraternity:**

Founded before the turn of the century. Ten chapters in the state of Michigan (Greatest number of Chapters in Michigan of any National Fraternity). Our present house was built in 1934 as a fraternity house (not a converted home). We have a terraced lawn overlooking the Red Cedar. Canoe dock, bar-b-q for lawn parties, paved parking for terrace dances.
 - And We Always Have the Best Parties on Campus:**

A new party each weekend. Costume parties, dances, bowling parties, etc. (Along with the usual desserts, exchange dinners, etc.)
 - It Costs Less Than You Think:**

These advantages can be yours for less than \$5.00 a week above and beyond what you're paying in the dorm. COLLEGE IS BOOKS AND CLASSROOMS. BUT THERE ARE OTHER ADVANTAGES, TOO. DON'T MISS OUT ON THESE!

USSR Opens More Routes

MOSCOW (AP) — Diplomatic sources said Monday the Soviet Union is reopening more of the travel routes it closed to foreigners last week.

Two Americans and one Briton are heading for the northern part of Archangel today and one or two other members of the U.S. embassy staff may go to Archangel Wednesday after delayed approval of their applications.

Other American embassy personnel have been granted permission to visit Tashkent in Soviet Asia, another of the areas closed for a time.

Draft Tests Scheduled

Qualification tests for selective service will be held April 30. Applications must be mailed by midnight Thursday. Blanks may be obtained at any draft board or at 267 or 265 Student Services.

Clarinet Recital Set Tonight at Music Aud

Fred Ormand, clarinetist, will play a recital of major clarinet and minor flute requirements tonight in the Music Aud at 8:15 p.m. He will be assisted by Lawson Jones, music department pianist, and Laurence Taylor, violinist and graduate student in composition.

A pupil of Keith Stein, Ormand received his Bachelor of Music degree from U of M in 1958 and is working on his Master of Music degree in woodwinds.

The program will open with "Concerto Rondo, K. 382" by Mozart, which will be followed by "Sonata, Op. 120, No. 2" by Brahms.

The remainder of the concert consists of Contemporary compositions including the French suite, "Histoires," by Ibert.

The final composition will be "Contrasts" for violin, clarinet and piano.
