Tax Bill Voted Down by House

Two Hour Debate Held Before Vote

52-48 Vote Comes In Special Session

The senate approved sales tax bill went down to defeat in the House Thursday night by a vote of 52-48. The vote climaxed a lively two-hour debate at a special night session.

Technically, the bill would have raised the state's tax but in practice it provided a 100 percent increase in the three-cent sales tax.

A Democratic floor leader—Joseph Kowalski (D-Detroit)—said this would clear the air for working out a bipartisan tax.

However, Sen. Carlton Morris (D-Kalamazoo) said he is ready to introduce other tax bills, including the 100 percent increase in the three-cent sales tax.

Sen. Morris said he will introduce the bill in the Michigan House. The Michigan House will vote on the bill in a special session.

Thursday night's vote generally followed party lines with Republicans voting for the bill and Democrats against it. Two Republicans, George Cranston of Ann Arbor and Louis Kramton of Lapeer, sided with the Democrats. Sallade is the sponsor of a graduated income tax bill which generally follows the line of Gov. Williams' income tax proposal.

Immediately after the vote, Williams announced a special joint session of the House and Senate for 10:30 a. m. this morning to discuss Michigan's tax emergency.

He said he believed before the new tax bill would open the way for a settlement that will free state payroll and end the tax crisis.

Seniors Invite Student Body To 'Last Fling'

The seniors are inviting everybody to join them as they hold their "Last Fling" at the Senior Ball in the Old Hotel ballroom, 8-11 tonight.

The ball, sponsored by Senior Council for the entire student body, opens a series of senior events climaxed by commencement ceremonies, June 7.

Tonight's intermission will include the naming of the Outstanding Senior of the Year and the announcement of the 50 Club membership.

Joe Flanagan, Senior Ball chairman, reminds students who may not have picked up their tickets yet that they are still available at the Union Desk for \$2.50 or they may be purchased at the door.

Dance music for the ball will be provided by Bob Eberhart and his orchestra. Proper attire for the evening will be "dressy."

Kentucky Police Find Stolen Car

A car stolen from Morrill Hall parking lot Tuesday night was found in Kentucky, police reported.

"My wife parked our '34 Ford in Morrill hall parking lot at 6:25 Tuesday evening, and went to class," said Robert Franklin, East Lansing junior. "When she came back at 10 the car was gone."

Thursday afternoon MSU police were notified that the car had been found in Lancaster, Kentucky, and that the driver, a ward of Lansing probate court, is being held.

BILL HAMPTON, president of Union Board, Sharon Jones and Reuling (l-r) seem to be enjoying themselves Thursday night at the Union Board open house for new class officers.

15th Annual Internat'l Festival Set

This year over 10,000 people will come to the International Festival, but last year only a small portion of students attended, reported Sanaullah Kirmani, president of the International club.

The International festival includes the United States as well as foreign students.

The festival is one of the biggest of its kind in the United States. It represents the effort of about 500 students, representing 64 different countries.

There will be two stage shows in the main auditorium, one at 8:30 p. m. and one at 9 p. m. The shows highlight music and dancing from different countries.

The Ukrainians will do a Cossack Russian sword dance. A special dance group composed of students from various universities representing Jamaica and the British West Indies will be on hand to do several popular calypso melodies.

Booths of the different countries are open from 9 a. m. to 11 p. m. in the basement of the auditorium. Arts and crafts will be on display. National costumes are worn throughout the day by all the participating students.

"The International Festival," said Kirmani, "is an excellent opportunity for everyone to become better acquainted with the customs and costumes of the various countries. We would like everyone to join in the festival and make it a success."

The program is under the joint sponsorship of the International Club, Student Government and the Dean of Students. Admission is free.

1,182 Students Sign S'News ROTC Petition

The State News has collected petitions bearing names of 1,182 students who favor changing compulsory ROTC to a voluntary basis.

The petitions, addressed to President John A. Hannah and the MSU Board of Trustees, will continue to circulate until Monday, and then will be prepared to submit to the State Board at their next meeting May 27.

A number of petitions are still circulating in living units. Students who have petitions are asked to return them to the State News office, either in person or via campus mail, by Monday at 9 p. m.

Similar petitions are circulating among faculty members. These will be submitted to the Board along with the student petitions.

Individual students have recently been circulating petitions which state, "We, the undersigned, favor retaining the compulsory ROTC program at MSU." At present, further plans for these are uncertain.

Phi Gams Lead In Blood Drive

Phi Gamma Delta fraternity was the first to reach the 100 percent mark in the 1959 ROTC blood drive, according to Thursday's publication.

The official count of Thursday's contributions was 302 pints, bringing the over-all total within about 500 pints of its goal.

Leading donors in each division are:

FRATERNITIES	1959
Phi Gamma Delta	100
Farmhouse	98
Sigma Phi Epsilon	97
Alpha Sigma Phi	84
Phi Kappa Phi	74
Delta Sigma Pi	48
Alpha Gamma Rho	47
Delta Tau Delta	47
Delta Upsilon	42
Sigma Chi	31
Sigma Alpha Mu	21

Gov. Talks to Honorary, Shows Legislature Debates

By SUZETTE RAMSEY
Gov. John Swainson's talk to the Michigan Legislature on Thursday night, as he took the floor at the Capitol Building, was a political science lesson for the Legislature to watch the debates on the money problem.

Throughout the past year, people became very cautious about spending habits, he said. He of the first states to feel the effects of this was Michigan because of its dependence on automobile industries. An estimated \$43 million was lost, Gov. G. Mennen Williams said.

Swainson. One was the immediate cash crisis. The other was changing fiscal structure to take care of the deficit and the expanded need.

Gov. Williams recommended to the legislature that they mortgage the veterans' trust fund. State law prohibits borrowing money beyond \$250,000.

The Senate passed a bill after asserting that the problem could be solved by an increase in use tax or increase in sales tax by one cent. The use tax bill is now before the House, with the condition that the trust fund can't be used before this is passed.

See BLOOD DRIVE, Page 3.

JOHN MULLIGAN, Deane Gearig, Hugh Curry, Dick Bauman auto race scheduled for Saturday at 9:45 a. m. This feature of Engineering Exposition will be held west of Kedzie.

Displays, Queen Highlight Weekend

Micro-Midget Autos to Contend In Ninth Annual Exposition

With the drop of the starter's checkered flag, eight chugging micro-midget race cars will screech off around a curved course Saturday morning at 9:45 a. m.

The ninth annual 50-lap race, sponsored by the Engineering Council, will start on Auditorium drive west of Kedzie, circle around behind the Chemical Engineering building and come back to the starting point.

Ed Daniels, Grand Lodge junior and council vice president, said, "This year's course is shorter but has more curves which will require more skill from the drivers and give more thrills to the spectators."

Powered by a two-horsepower lawnmower engine, the racers reach straightaway speeds of 25-40 mph.

Before race time the cars will be safely inspected by Dr. William J. Smith and Dr. James Otto of the mechanical and mechanical engineering departments. Rules require cars to have roll bars, fuel tanks and seat belts.

Cooperating organizations entering this year will be Tau Sigma Epsilon and the civil engineering department.

The mechanical, agricultural, electrical and chemical engineering departments and the Society of Automotive Engineers will enter cars run in previous years.

A variety of this year's Engineering Exposition will also include a variety of new displays, principally in electronics.

Olds Hall will be the center

of the displays to be exhibited from 10 p. m. Friday and 10 a. m. Saturday, according to John DeBelle, Gen. Rep. DeBelle, acting head of the Exposition. The Engineering Council is the sponsoring group.

Students Paid Payroll Today

Students on MSU payroll will be paid today as usual, according to Merrill Pierson, assistant treasurer.

In all, there are five payrolls to be met monthly. Student payrolls are paid every other week on alternate weeks with regular faculty payrolls.

Although MSU has recorded no word concerning additional appropriations, Pierson told the State News that the administration is living in hopes of having no payroll paydays.

In the unexpected event that appropriations are not made for next month's payroll, no priority listing as to payees has been contemplated, said Pierson, trusting a such situation would arise.

Students Receive Questionnaires

Students' attitude questionnaires are being distributed to all campus residents and by mail to 4,000 off-campus students by the Committee on the Future of the University.

Within 15 minutes, students can complete these questionnaires, accurately expressing specific opinions along with generalizations of MSU, according to Willard Warrington of evaluation services.

The questionnaire data will be analyzed for the committee to give them a more accurate perspective regarding student attitudes and opinions.

To Honor American Mothers

Spinster Started Mom's Day

By PAUL RIVAS

The honor that will be paid MSU mothers—and other American mothers—this weekend began 52 years ago in Philadelphia.

The idea originated with Anna Jarvis, a Philadelphia spinster, told a friend of her desire to have a special day dedicated to all mothers.

In less than a year Miss Jarvis had interested many individuals and organizations in observing the second Sunday in May as Mother's Day.

After Philadelphia became the first city to officially observe the day on May 10, 1908, Miss Jarvis began writing thousands of letters to influential men. State

after state began to adopt its observance.

On May 9, 1914, Pres. Woodrow Wilson officially designated the second Sunday in May as Mother's Day.

In his official proclamation, Pres. Wilson directed government officials to display the U.S. flag on all government buildings as a public expression of love and reverence for the country's mothers.

Since 1912, in observance of the day, the governor of Texas each year has pardoned a number of prisoners.

A red carnation is the badge of the day for those whose mother is still living. Others wear a white flower.

WHO IS THIS undersea character that is about to descend into the pond behind the Natural Science Building? The only clue is the mysterious saying, "This one's a gasser."

Blood Drive Ends Today — Get Out to Beat That Quota!

THE BLOOD DRIVE, sponsored by the ROTC, ends tonight at 8 p.m. With 100 pints needed to reach the 1000-pint goal, it seems the drive will fall short of its quota.

In a university with 2000 enrollment, it seems strange that such a drive cannot gain the support of a tenth of the student body.

Everyone is familiar with the need for maintaining an adequate supply of whole blood in blood banks all over the country. Nearly everyone, we hope, is familiar with the process of donating blood.

There is no discrimination in blood donation. At 16 takes is a low minimum for your time, and a low extra step to the donation center set up in DeW Hall.

THERE ARE EXTRA benefits to be had from giving blood. The DeW Hall will be open for 1000 pints from 8 a.m. to 8 p.m. on Monday and Tuesday. The ROTC will be open for 1000 pints from 8 a.m. to 8 p.m. on Monday and Tuesday. The ROTC will be open for 1000 pints from 8 a.m. to 8 p.m. on Monday and Tuesday.

"Very Good, Sir—You Have Just Time To Change For The Wage Negotiating Conference"

Students Welcome Parents

PARENTS WEEKEND opens today at 8 a.m. with the Engineering Exposition and the Packing Exhibition as first events of the busy three-day schedule.

Over a year, the university has been preparing for parents to visit the campus and see for themselves the facilities available for the education of their sons and daughters.

For those who have never seen the campus, Parents Weekend offers an opportunity to become acquainted with the many buildings and departments that make up the university.

Letters to the Editor

Independent Thinking Vital to University

To the Editor:

It is a common belief that a university is a place where students learn to think for themselves. This is not only true, but it is also a responsibility of the university to encourage independent thinking in its students.

Independent thinking is the foundation of all progress. It is the ability to question, to analyze, and to synthesize information. It is the ability to see things from a different perspective and to challenge the status quo.

At a university, students are given the opportunity to explore new ideas and to develop their own opinions. This is a process that requires time, patience, and a willingness to be wrong.

It is the responsibility of the university to provide the environment and resources necessary for this process to take place. This includes access to books, libraries, and faculty members who are willing to engage in thoughtful discussion.

Independent thinking is not just a skill; it is a way of life. It is a way of looking at the world and of trying to understand it. It is a way of seeking truth and of striving for excellence.

I believe that a university should be a place where independent thinking is not only encouraged, but also celebrated. It is the heart and soul of the university, and it is the key to its success.

And So... On It Goes

To the Editor:

The independent thinking that is so vital to a university is often hindered by the pressures of conformity and the desire for approval. It is easy to go along with the crowd and to avoid controversy.

However, it is in the face of adversity that independent thinking is truly tested. It is when we are faced with difficult choices and when we are forced to stand up for our beliefs that we truly learn the value of independent thought.

It is the responsibility of the university to provide the support and encouragement necessary for students to stand up for their beliefs and to think for themselves. This is a process that requires time, patience, and a willingness to be wrong.

I believe that a university should be a place where independent thinking is not only encouraged, but also celebrated. It is the heart and soul of the university, and it is the key to its success.

Interpreting the News Neutralists May Object To Soviet Propaganda

By J. M. ROBERTS
Associated Press News Analyst

The Soviet Union, by the propaganda she directs at Japan and other countries, is saying almost every day that she considers India, Burma, Indonesia and other neutralists to be on her side in the cold war.

The Soviet ambassador to Tokyo has been making speeches against the United States and its allies, and he has been warning the neutralists to stay away from the American side.

The neutralists may not see the value of this propaganda. They may see it as a complex factor in the cold war, but they may not see it as a simple matter of propaganda.

The factors which have produced this propaganda are complex and not to be explained in a few words. However, there are three things that are important in this matter.

First, it is a propaganda campaign directed against the United States and its allies. It is a campaign to win the support of the neutralists and to isolate the United States.

Second, it is a campaign to win the support of the neutralists and to isolate the United States. It is a campaign to win the support of the neutralists and to isolate the United States.

Third, it is a campaign to win the support of the neutralists and to isolate the United States. It is a campaign to win the support of the neutralists and to isolate the United States.

FOUR MEMBERS of the cast of Opera Workshop production pause for a break during rehearsal. These are four of the students who have no musical background and are making their operatic debut.

May 27 Opening Slated

Opera Productions Planned

The comic opera productions, May 27 and 28 are being rehearsed by students of the Opera Workshop. The workshop is composed of students who want to perform and to bring high quality productions to the campus. They accomplish this through originality and high standards by various means.

Ken Kneel, Mason junior, are busy creating colorful and elaborate twentieth century costumes. The stage design of the interior of an Italian villa will be designed by Mike DeLoe, Chicago artist, who will also fill the lobby of stage manager. Scott Phillips, Charlotte, sophomore, as lighting director, will add the glamour of the production which his lighting effects provide.

Members of the cast are: Thomas Hoyt, Middletown, Ohio, freshman; Jerry Flood, E. Lansing, senior; Allan Prescott, Texas, freshman; Henry Bernstein, Chicago, sophomore; Bruce Lombard, Newton, Kansas, Ph. D. graduate student.

The opera productions staff will feature experienced theater students who are willing and eager to apply their artistic and technical designs to opera.

Members of the cast are: Thomas Hoyt, Middletown, Ohio, freshman; Jerry Flood, E. Lansing, senior; Allan Prescott, Texas, freshman; Henry Bernstein, Chicago, sophomore; Bruce Lombard, Newton, Kansas, Ph. D. graduate student.

The opera productions staff will feature experienced theater students who are willing and eager to apply their artistic and technical designs to opera.

Men's Glee Club to Present Spring Concert

The Men's Glee Club under the direction of Edward H. ... will present their annual ... concert Tuesday night at ...

... of the year's repertoire. The program will include pieces that will feature performing artists by the group's leading soloists Hayes Brewster, Benjamin Bull and Robert Steiner. Also included in the spring performance will be "With A Voice of Singing" by Martha Shaw. It will include a violin obligato by Howard Lyon. ...

PROF. LEONARD FALCONE conducts the 95 piece concert band which will perform today at the North Central Music Educators conference in Chicago.

Only University Band Invited Concert Band Plays in Chicago

The Concert Band will present a featured concert today at the North Central Music Educators conference in Chicago. Only university band invited to play at the conference, the 95-piece MSU group will perform five selections in an hour-long concert beginning at 1:30 p.m. at the Conrad Hilton hotel. The band is being sponsored on the Chicago trip by Oldsmobile Division of General Motors Corp. Conductor Leonard Falcone will direct his student musicians in the following selections: "The Roman Carnival Overture" by Berlioz, the first movement of Weber's "Second Concerto for Clarinet" with Larry Maxey, soloist, excerpts from Verdi's "Mansoni Requiem," Scene and Air from "Luisa di Montfort" by Michael Bergson, Carol Burt, tenor saxophone soloist, and "La Fiesta Mexicana," a composition of Dr. H. Owen Reed, professor of music. The highly regarded band recently completed a tour of Northern Michigan.

Greek Days Ushered in With 'Sing'

Music will usher in Greek Week 1959 Sunday afternoon at 12 of the national sororities present choral arrangements of Sorority Sing. The annual "Sing" will be presented in the Auditorium at 2:30 p.m. The program includes a variety of classical recordings, hits from musical productions, folk songs and popular tunes. Trophies will be awarded to the house presenting the best arrangement. Dr. William Sweetland, head of the department of humanities, will be master of ceremonies. During intermission the Fine Arts Council will present musical selections. Scholarship trophies for Pan-Hellenic Council and an outstanding Junior award will be given. Nancy Turner, Alpha Delta Epsilon, is chairman of Sing. Members of the executive committee are Sue Clark, Alpha Phi, publicity; Linda Clark, Phi Mu, program; Judy Kaufman, Alpha Epsilon Phi, secretary. Carol Landie, Alpha Delta Epsilon, is chairman of the judges and entertainment. Sam Leonardson, Kappa Alpha Theta, and Marge Oliver, Zeta Tau Alpha, trophies. Janet Russell, Alpha Phi, staging. Jeanette Benson, Zeta Tau Alpha, coordination and pictures.

Dedication Saturday At Kresge Art Center

Kresge Art Center staff room will be the scene of the formal dedication honoring donors of the \$1,000,000 building, Saturday. President John A. Hannah will present an expression of appreciation to Sebastian Kresge, Stanley Kresge and members of the Kresge Foundation, in the presence of several invited educators and distinguished guests. The dedication will begin at 10:30 with an invocation delivered by Dr. W. W. Whitehouse, president of Albion College. Stanley Kresge, president of the Kresge Foundation, will then make the presentation of the building. Kresge will be given an album, a photographic account of the functions of the building during the first several months of its use by Milton Mueller, dean of Science and Arts. Following the ceremony will be a reception in the lounge and a tour of the building, including the exhibition in the Center's main gallery. The exhibition, titled "College Collections," includes loans from permanent collections of 20 or more colleges and universities. In relation to the exhibit, Prof. Lane Faison, head of the art department at Williams College, Williamstown, Mass., and director of the Lawrence Art Museum will discuss the "College Art Museum." The public is invited to attend the free lecture at 2:30 Saturday afternoon in Fairchild Theater. The "College Collections" exhibition will remain on display at the Art Center gallery through May 24. It may be seen from 8 a.m. to 8 p.m. Monday through Friday, Saturday and Sunday afternoons 1 to 6 p.m. and Tuesday evenings 6 to 9 p.m.

Packagers Give Display

The first Packaging Exposition and open house will be held Friday and Saturday in the packaging department's headquarters in A2. The exposition will include displays on the chemical and physical properties of packaging materials. Industries in the Lansing area have donated equipment to be displayed. These include electronic cushion testing equipment, glass and a high speed filling and closing devices for meat tubes. The exhibition is sponsored by the Packaging Society with an admission charge.

Model UN Holds First Orientation

Members of the Model United Nations met for an orientation meeting Thursday night in the Union. The procedures were explained to those attending. Committees were appointed for organizing and coordinating the first regular meeting. Model UN is to meet regularly in the Kiva throughout the year. Foreign students will represent their own countries and an American student will be assigned to each delegation. Sixteen foreign countries will be represented. Important international news will be speakers at the sessions. Current problems will be discussed. The Model UN is sponsored by Junior Council in cooperation with the International Club.

WMSB to Cover Commencement

Graduation exercises will begin an hour earlier than in the past in order that WMSB, the University television station, may cover the event. WMSB will televise the commencement for an hour, enabling the home audience to see the procession of graduating seniors into the stadium and some of the speakers. Proceedings will start 3 p.m. Sunday, June 7, and are scheduled to be held in Spartan stadium. Approximately 3,000 students are expected to graduate.

Undefeated Golfers Host Indiana, Detroit

Four Sophs Lead Spartans Against Strong Hoosier Foe

Placing its undefeated record on the line, Michigan State's golf squad faces what will probably be its toughest regular season opponent Saturday at Forest Akers golf course.

Indiana, which has its six best golfers back from last year's second place team in the Big 10, journeyed here along with the University of Detroit for a 36-hole invitational match. The Spartans last home appearance of the season.

The Hoosiers are fresh from a title victory last week at Purdue over the defending Big 10 champion, Boilermakers. Ohio State and Western Illinois, two weeks ago, Indiana led to Purdue and the State while humbling Michigan at Ohio State.

C. A. Smith and Tad Schmidt will be in the number three and four positions. Both are averaging about 75 strokes per round. Schmidt carded a 115, one over par, Monday.

Jack Reynolds will shoot in the number two position Saturday. In his last four rounds, he averaged 74.5 strokes per round.

Coach Bill Joyce's Detroit links squad won only two of 15 matches last year. Joyce has been building his squad around sophomore John Mendenhall, who was averaging less than 60 strokes per round early this year.

Bob Adams has been averaging under 75 strokes per round, while Paul Froehmann is shooting about 77. Bill Samuels, Tom Sarowski and Ron Tracy round out the Titan team.

Tune Up for Old Timers Grid Practice Tilt

By JIM WALLINGTON

Spartan gridgers will tune-up for next week's Old Timers contest with a full-scale scrimmage conducted under regulation game rules Saturday at 2 p.m. in Spartan Stadium.

The game will be divided into quarters and the time and score will be kept on the stadium clock.

Moved to bolster the Whites were first stringer Paul Roschert, second stringer Dick Oxendine, Oscar Hahn, Larry Hietel and Don Koppach.

Other White performers include Ron Hatcher, Ed Ryan, John Sharp, Tom Wintch and Henrie Young.

Most of the first team remains with the Greens. Quarterback Tommy Wilson, halfbacks Bob Berich and Herb Akberley and fullback Blanche Martin remain intact. Fred Albanas, Dave Northeron, Palmer Pele, Don Wright, Mickey Walker and John Wilks will work the first string Green line.

Carl Charon, Gary Hallman, Park Baker, Don Marx and Jim Chastain are among Green substitutes.

Only two players remain on the greatly diminished injury list. Art Brantstatter, a sophomore end candidate, injured his shoulder two weeks ago and will not be returned to action this spring. He was on the first team when the injury occurred.

Jim Chastain, who sidelined with a shoulder injury, is expected to return to the back line this week.

But the injury has not hurt his status as the most potent offensive player.

JIM CHASTAIN, who sidelined with a shoulder injury, is expected to return to the back line this week.

Weather, Wildcats Help Spartans Win

Drobac's Netters Win 7-2; Take 5 Out of 6 in Singles

Both the weather and the visiting team cooled off for MSU's tennis team Thursday.

After having lost to a hot Notre Dame team in Wednesday's heat, the Spartans netters found the cooler weather more to their liking as they dumped Big 10 opponent Northwestern, 7-2.

The meet was the third of six straight home contests for State and gave them a 4-2 record for the regular season.

While they could manage only one singles victory on Wednesday, the Spartans picked up five of the singles encounters on this occasion. This was coupled with two out of three doubles decisions for the final margin of victory.

In about as events played a match as possible, Bill Hotchkiss lost to Vandy Christie of Northwestern in the No. 1 singles, 3-6, 6-4, 6-3. This was MSU's only singles defeat.

At the same time, State's other five singles players were wrapping up victories.

Doug Smith engaged in another close match before finally subsiding Gary Messick of the Wildcats, 6-4, 4-6, 6-3. Capt. Foster Hoffman did likewise in beating Steve Hibben, 6-4, 6-5, 6-4.

Roger Plagenhoef didn't have much trouble in winning from Shin Torii, 6-2, 6-2; Bob Sassaak defeated Gary Hiller, 6-4, 6-1 in the No. 5 spot, and Ron Messick stayed undefeated in the singles division with a 6-0, 6-1 victory over Steve Bard.

The doubles teams didn't perform as well as expected, but still managed to come up with two victories.

One Spartan doubles team was handed an automatic win by default. Messick of Northwestern incurred an injury in his earlier match with Smith and couldn't complete in the doubles.

The Hoffman-Sassaak duo won the only actual doubles match. They bested the Hibben-Torii team, 7-5, 4-6, 6-2.

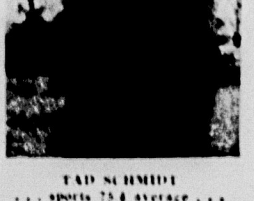

The Messick-Plagenhoef combination didn't fare so well as they lost to Hibben-Bard, 6-2, 6-3.

Coach Stan Drobac expressed concern over the doubles team's performance, stating that there will be extra drills in that area this afternoon in preparation for the Purdue meet on Saturday.

The Purdue fray will be one of the few home meets this year that are scheduled on the weekend. The affair will begin at 2:30 Saturday on the local courts.

The Boilermakers finished dead last in the Big 10 last season and are not regarded as very much improved this year. When the two teams met last year, it was in a triangular meet with the University of Chicago and Northwestern. The Spartans and Purdue tied for second place with 22 points each.

WHO SAID IT FIRST?
A column of incidental intelligence by Jockey brand

'GENTLEMAN AND SCHOLAR'
High praise, indeed, for any man. But did you know that the description comes from Robert Burns—who said it first about a dog? Here's the quote: "He looked, indeed, pure from color. Showed him the gentleman and scholar."
You'll find the original in Burns' "The Twa Dogs."

'THE BURNING AFTER'
This has the ring of a first mentioned by George Ade in "The Sultan of Sulu." Here's the way he put it: "But, 4-2-1-3-2-2. The water-edges in the 'burn' for me. It's no time for me and laughter. The cool, pre-dawn of the morning after."

'HAR BITE DOG'
That's everybody's definition of a dog, and we're all indebted to John F. Bogan, an editor of the old New York Sun, 1873-1901, who first said: "When a dog bites a man, that's not news, because it happens so often. But if a man bites a dog, that's news."

Jockey Underwear

What's the about depression's also true about style. Somebody always get there first. Take Jockey brand underwear. Jockey brand is made only by Cooper's. Cooper's owned Jockey underwear—and he does own complete with Jockey brand for quality, comfort and fit for underwear that lasts better because it fits better, and it's Jockey brand—the original comfort-reliant underwear. You'll find it at better stores everywhere. Recognize it by the Jockey trade mark.

Baseballers Set 3 Home Games With Conference Competitors

Wildcats, Wisconsin are Foes

Radatz to Start in Today's Game

The three-game home and road baseball series the men begin today could break them in Big competition this season. Spartans are still in the hunt for the Western Conference title with a 3-3 record.

For the weekend will be to place Wisconsin and Northwestern. Coach Dick Radatz will face the Badgers in the single game at College Field this afternoon at 3:30. Radatz boasts a record this season with two wins in conference competition.

Wildcats will be in town today for a twin bill starting on the mound for the game will be righthanders Sackett and Mickey Sinks. Lineup changes have been made by the MSU coaches. Luptow, leading hitter, is coming from a leg injury sustained in last Friday's game at Ohio State, but will take dual spot in center field. The field may see several players as Coach John tries to get some batting into the lineup. John will, ex-third sacker Parham or ex-catcher John may all see some action.

Who has been one of the mainstays of the pitching staff will probably see action at left position, first base. Saturday is the day that the Spartans commemorate the anniversary of college baseball. It was just a century ago that Amherst challenged Williams in the first college game. After seven years later the Spartans played in their first event, a baseball game. John Fuzak of the College Education will conduct ceremonies at home plate between Fuzak, an ex-college pitcher himself, will give a brief history of college ball before the game. Wildcat Coach Fred Johnson, former big-league pitcher, will be in the dugout. Kobs, the 34-year MSU coaching veteran.

Up Home Runs

NEW YORK (AP) — Major league home run production is 15 percent this season with Cincinnati Reds with 31 and Washington Senators with 25 recording the large increases.

A FORFEIT WIN over Delta Sigma Pi in the IM softball league didn't dampen the athletic urge of Delta Tau Delta team members, who took the occasion and free field to practice for next week's game. Taking his cuts at the plate is Harry Boesch.

West Shaw 7 Drops 10 Kappa Sigs' Big Inning Wins IM Softball Contest

Kappa Sigma staged a big 10-run second inning to slaughter Alpha Kappa Psi, 10-0, in IM softball Thursday. The game was a three inning affair, called because of darkness.

The hitters started strong with a two hit, four run first inning. Kappa Sigs' Bill Dorman walked, scored, and allowed only two hits during the second and third frames.

In the first, Kappa Sig. romped home four hits and four walks to get five runs. Doll did not get with a Texas league hit and scored second later when Ted Parker smashed a triple to left centerfield.

After three walks, Homer Green got an infield single that took a lead long through shortstop and Bill Dorman hit a home run into right field to bring around the fifth tally.

In the 10 run second, Chuck Porter Shirley led the hit parade with a long home run. Others who notched base hits were Doll, Parker, Dorman and Mac Hurst.

Jim Jensen and Fred Gill, who was two-for-two, both hit home runs for AK Psi. Don Drummond got the other hit as a liner into right field.

On another diamond, Bill Pauline was pitching and hitting West Shaw 7 to a 4-7 victory over West Shaw 10.

Bosox Fall To Tigers; Lary Wins

DETROIT (AP) — Frank Lary scattered eight Boston hits for his third straight victory Thursday as the Detroit Tigers took the deciding game of a three-game series, 3-1.

The only run off the veteran right hander was unearned. The Detroit infield pulled Lary out of three mid jams in the first four innings with double plays.

Boston pitcher Ike Delock helped the Tigers to a decisive sixth-inning rally by failing to field a sacrifice bunt that loaded the bases with no one out. One run scored when Al Kaline hit one in front of right fielder Jackie Jensen.

Kaline was not credited with a base hit since Charlie Maxwell, holding up to see if Jensen would catch the ball, was thrown out easily at second base.

The insurance run came home as Larry Doby grounded out. In the fourth inning, Maxwell singled with one out, advanced to second when Delock threw the ball past catcher Sammy White and scored on Doby's single to center.

This was Detroit's fourth victory in five starts since Jimmie Dykes took over as manager.

On Road Seeking Win No. 2 Trackmen Face Penn State

AMT's trackmen will attempt to win their second dual meet in a row Saturday as they take on a powerful Penn State squad at University Park, Pa.

Last Saturday, the Spartans defeated Wisconsin, 229-200, coming from behind to win the meet. Out of the 14 events, on the road, State was able to rack up eight first places and the winners are the men's Coach Fred Hutchins will be depending upon against the Nittany Lions.

The most outstanding performance against the Badgers was turned in by miler Bob Lake as he set new records for a dual meet and the field (4:17.1). Lake will face a tough opponent in the Lions' Ed Moran, sixth in the NCAA outdoor mile last year.

One of the dual winners last week was Jason Harnes who took the 120-yard high hurdles

(13.1) and led for high jump honors (6-1). In the broad jump Harnes placed second to George Ward (27-4).

The other dual winner was Mike Kleshansky, who set meet records in the 220 low hurdles (2:28) and the pole vault (13').

Capt. Forbly Kennedy won the 100-mile event (9:31:21) and also placed second to Lake in the mile.

Volleyball Team Ousted at Iowa

DES MOINES, Iowa (AP) — Kansas ousted Michigan State from the National Volleyball Championships here Wednesday night, 15-7, 15-14.

Hughes and Brian Castle. They covered the distance with a time of 3:26.4.

Elements of New York City's Bowery will be present Saturday evening at the Theta Chi 'Bowery Ball'. The house is undergoing unusual "un-decorating" for the occasion.

Senior Ball, Too!

Gay Term Parties Highlight Weekend

By CONRAD ZEKI

Beautiful days, warm evenings and a multitude of parties and dances... what more can we ask for a spring term weekend? There is "something different doing" for all both this evening and Saturday.

The Senior Ball, almost always sponsored by the senior class, will be held at the Kappa Alpha Theta house... The Kappa Alpha Theta house will hold their formal spring term dinner dance in the Big 10 Room of Kellogg Center Saturday evening.

The Crescent Ball, annual Delta Delta Delta dinner dance party, will be held tonight at Walnut Hills Country Club. The formal term party will feature flower arrangements in the various colors of silver, blue and gold.

The Theta Chi house will undergo an internal upheaval as various rooms will be changed into different elements of the bowery... New York's infamous metropolitan, bona-fide...

On Campus Spring's Here

By SUE PRICE
State News Society Editor

The month of spring has returned to MSU and the campus provides an exciting setting for everything but studying. The leaves are back on the trees, the grass is green, and the sun is beginning to show its rays.

For those who were confused last Saturday when they saw kites flying above the Kappa Alpha Theta house it was a pre-initiation activity for pledges. The idea is traditional and the pledge whose kite soars highest is said to be destined to become the best future officer in the chapter.

The Phi Mu's received honor at their annual District Convention earlier this month when the chapter won the district scholarship trophy. The traveling trophy is given to the chapter having the highest cumulative point average over a two-year period.

Sunday afternoon Alpha Phi's will have their annual Mother's Day luncheon for the mothers of chapter members. Last week-end the Phi's initiated 18 new members.

Congratulations are due West London's chorus for their fine performance at Inter-R Sing. Their renditions of "I'll Weave a Song for You" and "Praise the Lord" won the dorm a second leg on a traveling trophy.

Zeta Beta Tau will hold their formal spring term dinner dance in the Big 10 Room of Kellogg Center Saturday evening. Red rose corsages and white boutonnières will be the centerpiece for the tables. Dancing will be to the music of the Playboys.

The Theta Chi house will undergo an internal upheaval as various rooms will be changed into different elements of the bowery... New York's infamous metropolitan, bona-fide...

A table sale at Kellogg Center... The Theta Chi's are in decorating rather than redecorating this weekend for their "Bowery Ball".

The Fellowship of Religious Liberals will meet Sunday in 25 Union at 7 p.m. Dr. Richard Adams of the sociology and anthropology department will speak on "Anthropology and Religion".

Faith Groups Set Activities

The Fellowship of Religious Liberals will meet Sunday in 25 Union at 7 p.m. Dr. Richard Adams of the sociology and anthropology department will speak on "Anthropology and Religion".

Canterbury Club will hold a prayer service at All Saints' Episcopal Church Sunday at 6 A. A study of the Lord's Supper and its place in church life will follow in a discussion, "Do This in Remembrance of Me," led by the Rev. John Porter.

In honor of Parent's Week, Catholic Student Center will hold a Mass and Dad Open House today. Saturday a Parent-Student Dinner Dance will highlight the day's activities.

Fraternity Schedules Installation Ceremonies to Become National

FINISHING TOUCHES ARE ADDED TO THE Phi Gamma Delta house for Saturday's ceremonies by Bob Holden, Okemos; Clare Darlington, Deckerville; Dave Dougherty, Jackson; Don Creyts, Lansing; Dennis Whittington, Flint; and Art Dowd, Birmingham.

'Fiji' Gets Charter As National Group

Koston Lambeta master, 80th chapter of Phi Gamma Delta, will be formally installed at MSU Saturday afternoon. The charter will be presented to George Bailey, national treasurer of the fraternity.

Members of Delta Colony will be initiated in ceremonies at Kellogg Center. Representatives from Phi Gamma Delta chapters of the University of Michigan, Western Reserve University, University of Chicago, Ohio Wesleyan and Northwestern University will officiate.

College officials, national officers and representatives from other campus fraternities will be the guests of Phi Gamma Delta at a luncheon at Kellogg Center Saturday.

Officers of the new chapter who will be installed are: Thomas Burgoon, Flatrock, junior president; Dennis Whittington, Flint, sophomore, treasurer; William Barker, Norwalk, Conn., sophomore, recording secretary; David Dougherty, Jackson, sophomore, secretary.

Phi Gamma Delta, popularly known as "Fiji," is the 13th oldest Greek-letter society in America.
