## STUDENT NOMINEES SWING INTO ELIMINATIONS WITH ELIGIBILITY SLATES CLEARED; SEVEN WARNED

Junior, Sophomore, and Freshman Classes Meet Thursday to Pare Down List of Candidates; High Level of Interest Is Evidenced in Polling.

ALL STUDENTS nominated for various campus positions last Thursday, March 5, were declared eligible by the registrar after the scholastic record of each individual had been closely checked. Seven of the students were considered near enough the border line to be warned.

The junior, sophomore and freshman classes will meet Thursday, March 12 for the purposing of eliminating all but twice the number individuals to hold each office. The two successful candidates for each office to survive the eliminations will be voted upon at the all-college elections to be held March 19. The three classes will choose representatives for the Student Council, Union Board, and Liberal Arts Board at their meetings; juniors at the Physics building, sophomores at Old Hall, and freshman in the Chemistry building.

Considerable interest was shown in all three classes at the nominating caucuses held last week and even greater excitement is anticipated at the eliminations Thursday. Several of the races are expected to be unusually close.

The nominees to undergo the eliminations are as follows:

Seven men were nominated in the senior class for Student Council representatives. One male will be eliminated next Thursday. Six names will be voted upon, the three highest to take office as representatives. Those named were Frank Conover, Jackson, Leonard Johnson, Detroit; Harold Tyndall, Ludington; Paul Younger, East Lansing; John Madenjian, Detroit; Don Warren, St. Joseph, and Ward Kelley, Lansing.

All but four men and two women will be eliminated from the following names, nominees for Union Board representatives: Dorothy Wickstrom, Western Springs, Ill.; Maxine Curtis, Anna, Beatrice O'Brien, Lansing; John R. Detroit; Henry Cross, Flint; Eva G. Hardy, Vernon; Mary Flumerfelt, Rochester; Charles Griffin, Shelby, and Daniel Hampton, Lansing.

In the sophomore class the following others were nominated for Student Council representatives, all but four of which will be eliminated Thursday: Linder, Minnie; Rex Steele, Milton; Dickmar, Wyandotte; Jane Mitchell, Detroit; and E. Miller,

"HAMLET" TO BE PRODUCED THUR.

Ben Greet, noted English Actor, Brings Veteran Troupe to Lansing.

Michigan State college play-lovers will be given an unusual treat Thursday night, March 12, when Sir Philip Ben Greet, the eminent English actor and producer, brings his troupe of veteran players to Lansing, presenting Shakespeare's "Hamlet," the most famous play ever written. The curtain will drop promptly at 8:15, in the auditorium of Lansing Eastern high school. Ben Greet and his players appeared last year in "Twelfth Night," at the Auditorium of Lansing Eastern high school.

The first quarto version of "Hamlet" has an interesting history. It was printed in 1603, a year before the second quarto edition appeared. It was not discovered in 1620. Only two copies of the original version were ever found. One is at present in the English museum, and the other in the possession of a rare book collector in California. The action is quicker in the first quarto than in the second, and it is a more satisfactory acting version, since the writing is direct and to the point. None of the actual drama, however, has been done anything of this kind.

An outstanding feature in the program of the Detroit alumni club is the sponsoring and publishing of a year book which will include a list and directory of the 300 M. S. C. alumni in the Detroit area. The first section of the 100 page book will be a miniature Wolverine, as it will include much of the material to be used in the college annual. One object of the edition is to help organize the Detroit alumni.

In publishing this book the Detroit group has set a precedent for the group of the college no other club has done anything of this kind.

At the invitation of Glenn O. Stewart, M. S. C. alumni secretary, a committee of several members of the faculty has been making numerous extensive trips during the past month visiting branch clubs of the Michigan state alumni association. February and March are the two months when all the alumni clubs plan to have their annual meeting, election of officer, and dinner dance. A speaker from the college is usually invited.

Large and active clubs met this year at Detroit, Pontiac, Chicago, Van Buren County, Milwaukee, Flint, Jackson, Toledo, Washington, D. C., Pittsburgh, Rochester, N. Y., Cleveland, Grand Rapids, and Los Angeles.

The alumni secretary has visited and spoken at all the meetings but the ones at Washington and Los Angeles. Faculty members who made trips of more than the time with him to address the clubs are Prof. R. B. Shaw, Dean Marie Due, Dean H. B. Dink, Dean Ward, Gillette, Dean R. C. Hunter, Coach Jamie Crowley, James B. Haselman, and E. L. Frimodt.

## Women's Building Formal Marks Highlight of Merry Week-end as Social Season Draws Near Close

**Phi Delta and Euromian Formals Saturday Night and Pi Kappa Phi Formal Are Mtn Fraternity Parties; Local S. A. E.'s Attend Detroit Meet in Honor of Rudy Vallee.**

WITH THE WOMEN'S building formal dance holding the spotlight of attraction this past weekend proved a highly diverting one of the glamorous season which has been characterized by a fleeting train of unusually brilliant social events, while Union Carnival dance and several fraternal formals and open houses added to the atmosphere of merriment.

With tapers of red and bowls of red and white, sweet peas decorating the tables, the dining room of the Women's building had a very festive air for the annual formal held by the girls at the fraternity who returned for the dance. Patrons to the affair were Prof. and Mrs. F. N. Field and Dr. and Mrs. J. B. Scott.

Rudy Vallee, America's most popular crooner and a member of Sigma Alpha Epsilon presented an evening singing program at the Women's Day banquet at that fraternity Saturday at the Hotel Detroit. Sunday afternoon the members from the local chapters who attended the event were C. H. Callahan, 37; H. M. Strong, 37; M. L. Strong, 37; Charles Hartman, 34; William Mitchell, 34; and James VanFleet, 30.

Mr. and Mrs. Pendley Collins, Captain and Mrs. F. B. Chubb and Mr. R. B. Baldwin acted as patrons at the Lambda Chi Alpha open house held Saturday evening with the M. S. C. Alpha delegates playing for the dancing.

Edna M. Baylies, 32, and Mary Alter Kennedy, 34, were formally pledged Alpha Chi Omega Monday March 9 at a social.

Kappa Alpha Theta entertained L. T. Ward and L. B. Mayne Tuesday evening and has as a guest this weekend Miss Margaret Nevin, an alumnae.

The main ballyhoo at the Hotel Olds was the scene of the Phi Delta formal dinner dance Saturday evening with Prof. Van Duron and his band and Rapsody band playing for dancing between the courses and after the dinner. The tables were lighted by clever green shadow lamps arranged at the place of each guest as favors and the programs were of white celluloid bearing the fraternity crest in blue. Among the alumni present were Willson Dunn, St. Louis, James Sample, Ralph Boyer, Howard Jacobson and Carl Petersen. Included in the list of patrons and guests for the affair were Col. and Mrs. Jersey Rodney, Capt. and Mrs. S. Plantation Capt. and Mrs. C. B. Chase and Mrs. C. S. Dunn and Mrs. Barbara Lyons.

Alpha Gamma Delta entertained for the Misses Lois Arnold, Jessie Sippie and Mary Thorpe on Thursday. Miss Josephine Grimes, an alumnae, was back for the week-end and on Sunday they entertained Miss Dorothy Wickstrom and Miss Jean Woodward as dinner guests.

Miss Betty Van Winkle Howell was a week end guest of Miss Betty Palmer at the Phi Alpha house.

Spartan Woman's League gave a charming tea on Sunday afternoon March 8 at the home of Dean Eliza. The tea was conducted from 3 until 5 o'clock for all campus girls. The tea table was decorated with variegated flowers, a centerpiece, and green and white tapes. Miss Josephine Garvin joined Chapman Griswold, acted as general chairman for the affair.

Mr. E. M. McDowell, director of the Lansing Community Welfare association, will address the members of the Faculty club at their luncheon on Wednesday March 11. Mr. McDowell will speak on the present unemployment situation in Lansing.

**Four Co-ed Dancers Performed Friday for Lansing Club**

The Playboys followed the music of the physical education department in dancing at the Pi Kappa Phi formal party held Saturday evening in the Western room of the Hotel Olds. Small desk clocks made charming favors and programs of black and white were a harmonizing pattern. Among the sixty couples at the affair were Mary Ann Bart of the University of Michigan, Craft, Dutton, of Detroit, and D. Clifford, also of Detroit, alumnae.

Points to Total for Runner-up Honors.

MICHIGAN STATE'S storm-bound track team returned from South Bend Sunday morning with the first defeat of the Spartans' present indoor season, having bowed to a powerful Notre Dame squad by a margin of 23½ points in the annual Central Intercollegiate Conference meet Saturday afternoon at the Notre Dame field house. The mighty Irish tied one world's record, set a new American indoor mark, broke two gymnasium and four conference records to pile up a total of 40 points. Michigan State was second with 16½, Marquette third with 15½, and Michigan Normal fourth with 14½.

Clark Chamberlain won the only first place of the day for the Green and white when he clinched an even ten seconds off the C. I. C. two-mile mark taking the race in the remarkable time of 9:42.2. This time also eclipsed by six seconds the gymnasium record, set last week by Gene Howey of Notre Dame in a meet against Iowa State. Chamberlain topped the entire field with the exception of Howey of the Irish. Running a perfectly timed race for the major part of the distance, he swept away from the lead after the mile mark and finished with a fine last lap swing to the accompaniment of an enthusiastic ovation by the crowd. If he had been pushed to the limit all the way there is a possibility that he might have broken the American college record on the basis of his performance at New York City two weeks ago in the National A. A. U. meet when he finished third in the time of 9:47. The competition, however, was not forthcoming.

### Relay Team Scores

Bill McCormick, Notre Dame's star sprinter, equaled the world's record in the 60-yard dash, stepping the distance in 6.2 to nose out Bill O'Neill of the University of Detroit.

The Irish bushy-hurdler, Capt. John O'Brien, then broke by a tenth of a second the American indoor record of 7.6 in his event, in a starting race that saw three Michigan State men, Yarger, Liberty, and Bath place second, third and fourth, after Eugene Beatty, Michigan Normal's colored star, tripped over the third hurdle and went

A pipe Edgeworth. That is the smoking combination which has won the college man, Harvard, Cornell, Michigan, Stanford, Dartmouth—all agree with Illinois. Natural merit has made Edgeworth the favorite tobacco in America's leading colleges and universities.

College men everywhere respond to the appeal of pipes packed with cool, slow-burning Edgeworth. Be guided by their verdict: try Edgeworth yourself. Find it at your nearest tobacco shop. 15¢ the tin. Or, for generous free sample, address: Larus & Bro. Co., 105 S. 22d St., Richmond, Va.
