Ike Flies Home as Paris Talks of Crisis in Kremlin

Portugal Welcomes President

Triumphal Arch Grows U.S. Colors

WASHINGTON (AP)—Preparations were made to give President Eisenhower a gala welcome when he returns today from the Paris summit conference.

Flags were hung from lamp posts, extra police and honor guards were being rounded up, and even a triumphal arch wrapped in red, white and blue bunting was being erected a few blocks from the White House.

The entire Eisenhower Cabinet and Mrs. Eisenhower as well as Republican Congressional leaders were reported planning to turn out at Andrews Air Force Base when the President arrives in his air force jet transport at 3 p.m. EDT.

In order to swell the expected crowd of greeters, city authorities arranged to excuse 115,000 school children early from class-

LISBON, PORTUGAL (AP)—President Eisenhower flew in Thursday from the cold of a dead summit conference to a warm welcome from 250,000 Portuguese shouting "viva Eisenhower" and "we like Ike."

The wave of affection rolling over the president brought out the "famous Eisenhower smile" as he rode in an open car through the capital's streets in a downpour of brightly colored confetti.

PARIS (AP)—Western statesmen quit the scene of the fantastic summit parley Thursday virtually convinced that a crisis in the Kremlin forced Nikita Khrushchev to blow up the talks.

First assessment of their expert Soviet Premier's performance in Paris was dictated by a fight for political survival.

The governments led by Presidents Eisenhower and De Gaulle and Prime Minister Macmillan also seemed to share the view that Soviet leaders have not yet decided irrevocably whether to bury or keep alive the policy of relaxing east-west tensions.

As a result the western leaders have agreed on a policy of wait and see.

According to information from the highest authorities, this probably will mean that for their part the allies will do nothing to make an East-West accommodation impossible.

At the same time they intend to insure that their guard is raised, their defenses are ready and their plans up-dated to meet any emergency that might arise in Berlin or elsewhere.

Hold Rescue Saturday

A rescue test exercise will be held this Saturday at 301 Hickory Lane at 9:30 a.m.

Residence hall rescue teams, under the direction of the MSU safety services, will take part in a rescue problem involving fire fighting, an emergency call, several lowerings and first aid treatment of shock, arterial bleeding, burns, fractures and asphyxiation.

The problem is designed to take less than an hour to complete. Two problems can be run simultaneously.

This arrangement was planned to permit South Williams, Abbot, Snyder and East Shay teams to compete in one morning.

Time will also allow participation of one or two teams of safety chairmen and others whose halls do not yet have a team.

A ladder and a stretcher will be available for each team; organized teams should try to be prepared with rope, gloves, strips of cloth and other emergency gear.

Denial of Suffrage Cited by Hannah

Findings of Civil Rights Commission Described

By HOWARD HOLMES
About four percent of the population is denied suffrage privileges because of racial discrimination, Pres. John A. Hannah said Wednesday night.

Negroes are often denied the right to register for voting, the right to live in adequate housing or the right to an equal education, he said.

Speaking before a small audience on Civil Rights, Dr. Hannah, chairman of the Federal Civil Rights Commission, told of some recent findings of the Commission.

"At least 16 counties in the U.S. were found in which one-third or more of the population is non-white and was not permitted to register for voting," he said.

"Negroes are not alone involved," said Hannah. "Discrimination is also reflected upon the Puerto Ricans, the Spanish-Americans, the Oriental-Americans and American Indians."

The Commission was established in 1957 by Congress and President Eisenhower to investigate racial discrimination in housing, education and voting.

Its purpose is to report any incident where voting is deprived of certain citizens because of race, religion or national origin.

"The Commission does not limit its functions to franchise," said Hannah. "It also investigates education and housing problems."

"Lincoln reminds us," said Hannah, "that the authors of the Declaration of Independence, in saying that all men were created equal, did not mean to say that all were equal in color, size or intellect."

"But they did consider all men equal in their rights," he said.

Inter-relationships among voting, education and housing make it impossible for the problem to be solved by the improvement of any one factor alone, said Hannah.

"If the right to vote is secured, but there is no equal opportunity in education and housing, the value of that right will be discounted."

"If compulsory discrimination is ended in public education, but children continue to be brought up in slums and restricted areas of racial concentration, the conditions for good education and good citizenship will still not be obtained."

The acid test of American democracy, he said, is the right to vote, to live peacefully and to grant equal education to all.

Politics, Picnic For Young GOP's

"Politikin and picnikin" will go hand in hand for campus young Republicans that canvass precinct nine in East Lansing Saturday morning.

The purpose of the canvass is to determine political affiliation of the people residing within the precinct. All participants in the canvass are invited to an afternoon picnic at the home of Florence Windemer, chairman of the state central committee.

Students interested in participating in the canvass are asked to meet in the Union Grill at 9 a.m. Saturday.

You Can, Saturday

Want to Watch a Radio Show?

For people who have never watched a radio broadcast there will be a chance to do so Saturday in the Aud.

Students from television, radio, and film 272 will be broadcasting on closed circuit radio from 8 a.m. until 6 p.m. The project is called "WMSU Broadcast Day."

Students and the public are invited to tour and witness the actual live broadcasts any time during the day, according to Arnie Roberts, Philadelphia junior.

Instructors from TV, radio, journalism, advertising, and speech will be on hand to act as guides and describe the various procedures of broadcasting.

The program will be broadcast from the second floor of Fubohld Theater. Two syndicated shows and two control rooms, which are regular class facilities, are being used.

The programming is done like any normal radio station and is handled entirely by the students.

Jr. 500 Pushcarts To Race

The 13th annual running of the Lambda Chi Alpha Jr. 500 will be held on West Circle Drive Saturday at 1:30 p.m.

The presence of the 1925 winner of the Indianapolis 500 mile race, Pete DePaola, lends an atmosphere of authenticity to the miniature imitation of the classic 500 mile race.

The Jr. 500 is run over a course that measures slightly over a mile. Five runners push the cart in relay fashion.

A special pace car is used to start each heat and relay the progress of each cart back to the starting point to keep the spectators informed as to how the race is progressing when the carts are out of sight.

A huge steel structure will again be constructed over this year's starting line at the Women's Gym to offer better positions for the announcer, cameramen, and loudspeaker.

Two sets of specially constructed stands allow the spectators and guests to view the race from the start and finish line.

Between the preliminary and final heats, spectators will be entertained by a humorous float parade. The humorous entries will be judged on their design, continuity, and effectiveness of presentation.

Competition for the seven large trophies is keen in each of the three divisions: men's speed, women's speed, and the mixed humorous division. Last year the men's speed division was won by West Shaw in 3:06, two seconds slower than the record, still held by Alpha Phi Alpha.

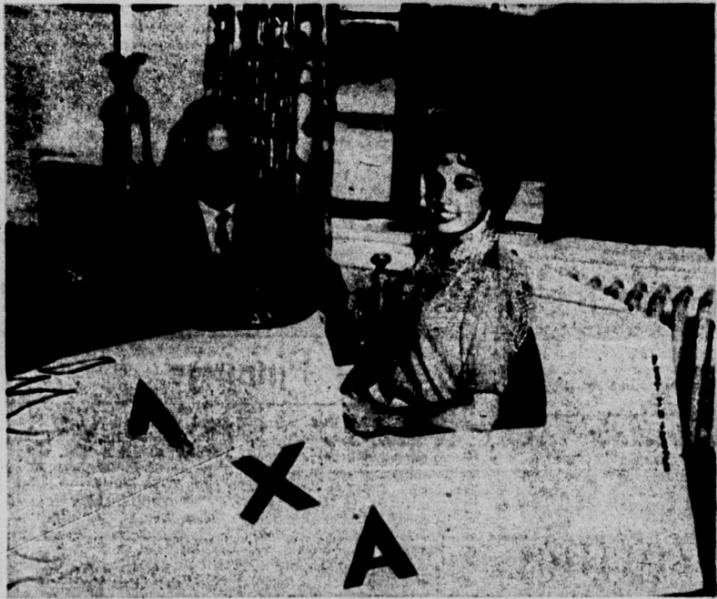

Alpha Phi won the women's division while Sigma Alpha Mu won the humorous trophy.

Preceding the race, Linda Brethren, 1960 Jr. 500 queen from Kappa Delta, and the four members of her court lead the parade of 50 convertibles to the starting line. They will be followed by queens representing every living unit entered and honored during. The parade will leave M.A.C. and Borcham at 12:30.

In '48 when the derby was started, Gov. G. Mennen Williams brought down the checkered starter's flag. This year, Duffy Daugerty will be the official starter.

In the past, newspapers such as the Chicago Tribune and the Detroit Free Press have covered the gala event on the spot. In 1952 Warner Brothers covered it in their newscasts. Many large Michigan dailies carry the affair annually.

Since the race was first initiated in 1948 on the MSU campus, other Lambda Chi Alpha chapters across the country have started similar events on campuses from California in the West Coast to Florida in the South, according to Ron Month, Jr., 500 chairman.

LINDA BRETHREN, Jr. 500 queen, shows a pushcart for this year's race to Pete DePaola, who in 1925 was the first driver to top 100 m.p.h. in the classic Indianapolis 500. State News Photo.

Big 10 Game Schedules Threatened at Meeting

The Big 10's proposed round-robin football scheduling was threatened Thursday when conference coaches and athletic directors made a recommendation to kill the controversial plan at Big 10 meetings at Kellogg Center.

The move was made after the 1965-66 football schedules were drawn up. On the schedules are seven conference games for each school and an allowance for 10 games a season.

The 1965-66 schedules are officially the first steps in the round-robin plan adopted in 1958. The other steps called for eight conference games by 1966 and nine conference games by 1968.

But the coaches-athletic directors recommendation freezes the 1965-66 scheduling and asks that it become policy.

Assistant Big 10 commissioner Bill Reed said that the recommendation had backing. But it was not unanimous.

The coaches and athletic directors also offered a resolution asking that by 1967 no non-conference games be played in November.

The Big 10's Rose Bowl participation question came up again in the Big 10 athletic officials body of faculty representatives, athletic directors and coaches.

Athletic directors recommended the allowing of competition in the Rose Bowl on an individual basis if the competing schools split the receipts among conference members.

If passed, the dividing of receipts would be carried on under the same pattern that existed under the old Rose Bowl pact. It consisted of 12 equal shares—two to the competing school, one to the conference office and one each to member schools.

The increased likelihood of Rose Bowl competition resulted from background movements that could bring Indiana back into the pro-bowl ranks.

Indiana was a pro-bowl school prior to last winter's meetings when it voted against the bowl. It believed that individual appearances would give the participating school all the receipts.

A change of heart by Indiana would break the 5-5 deadlock in favor of the Rose Bowl.

"If the recommendation for shares is passed," John Mee, Indiana's faculty representative said, "Indiana again will be for the Rose Bowl."

See BIG 10, Page 7

Inflation Hits Barbershops

Lansing area residents will start paying \$1.75 for haircuts Tuesday and youngsters will be tapped \$2 for "Butch" cuts.

The increases were announced Thursday by John Bryan, president of the Ingham County Barbers Assn., who said only the Lansing vicinity would be affected.

The present minimums are \$1.50 for haircuts and \$1.75 for "butches."

MSU Briefs

'Borrowed' Bikes?

Complaints have been received by the department of public safety of bicycles being borrowed and ridden without the owner's permission. Department of public safety officials advise bicycle owners to keep their bicycles locked up to prevent unauthorized "joy riding."

Senior Petitions

Today is the last day for seniors to submit petitions for Senior Council. These may be obtained in either the Union Course or 317 Student Services.

Phi Delta Kappa

Canadian and Michigan members of Phi Delta Kappa, education honor society, will conduct a conference on national and international activities of the society at MSU Saturday.

Exam Deadline

Deadline to repeat final examinations in the Basic College is Tuesday.

Parade of Films

The Parade of Films, sponsored by the Audio-Visual center and teacher education department, will be shown today from 1 to 3 p.m. in 133 Education Bldg. The program was originally scheduled for May 5.

Les Gourmets Honor Members

Les Gourmets held its annual awards dinner Wednesday night in Kellogg.

Katherine Bruce, educational director of the National Restaurant Assn., presented awards to Carl Schneider, Downers Grove, Ill., sr., for most outstanding senior of the year and to Frank Laura, East Detroit Jr., for most outstanding freshman student, both in school of hotel, restaurant and institutional management.

Student to Speak At 4-H Meeting

Lauren Hager, Marlette Jr., will speak on "The Challenge Charged to Us" at 10:30 a.m. Sunday in Alumni Chapel as part of 4-H Sunday.

The 4-H Club picnic is scheduled for Saturday at Potter's Park. Students should meet at Room 1 Ag Hall at 11:30 for rides. Those going should notify Linda Herflecker, ED 7-0362.

DAN RIEDEL, AUSG president, accepts the contract for the new student health insurance from Dale Schultz, vice president in charge of sales, southwest division of Higham, Neilson, Whitridge and Reid. State News Photo.

Student Insurance Contract Changed

Wednesday night the All-University Student Government voted 22 to 10 with four abstaining, in favor of awarding the Student Health Insurance contract to the firm of Higham, Neilson, Whitridge, and Reid, who represent the North American Company of Chicago.

The insurance was reopened to competitive bidding about a month ago, with five companies submitting bids. After extensive research by the insurance committee of All-University Student Government, the five companies were reduced to two, those being Continental Casualty Company and Higham, Neilson, Whitridge, and Reid.

The bid of HNW&R was considerably lower and this fact, coupled with the fine reputation and experience in the field of student health insurance, warranted the acceptance of this firm's proposal.

The contract provides for year-round two-year coverage at the yearly rate of \$10.50 for the student, \$12 for the student with accidental death benefits, \$32 for student and spouse, and \$37 for student, spouse and children.

According to the contract, a student must go to Olin Memorial Health Center before seeing his family doctor in order to receive coverage. This clause applies only if the student is in the Lansing area at the time of the injury and is also disregarded in emergency cases.

North American also introduced a plan to select a student claim representative with the approval of AUSG who will give on-campus claim payments up to \$150. The student representative will have an office in the Student Services Bldg., AUSG offices.

The HNW&R agent said that the student will receive training from the insurance company in Chicago. All claims over \$150 will be paid from the Chicago office.

A complete brochure outlining the insurance program and the services of Olin Memorial Health Center will be mailed to all incoming students the latter part of August.

After some debate, Spartan Women's League received \$125 from Student Government for Spartan III-Wagon, a reception for new faculty Friday at Kellogg Center.

Several Congress members objected that this reception is being held spring term instead of last fall when the majority of new professors joined the faculty.

Dr. Murray Hewell of the speech department spoke briefly to congress on parliamentary procedure. He cited methods to speed up proceedings and to avoid quibbling over minor points.

Administrative vice president Bryce Piapp announced the cabinet appointments for congressional approval. Cabinet members are: elections commissioner, Harold Hodge, Haslett Jr.; treasurer, Bill Barker, Norwalk; chas., Jr., orientation director, Bill Aldredge, Port Huron Jr.; director of organizations, John Barkham, Los Altos, Calif.; sports director of academic benefits, Mary Hannah, E. Lansing Jr.; and executive secretary, Gil Cox, Harper Wood Jr.

Speaker Chuck Herbert announced the appointment of new congress members John Pelletier, Birmingham Jr., representing fraternities, and Claire Rupp, Grand Island, N.Y., soph. from W. Yakeley.

Greeks To Contest In Togas

First 'Olympics' Staged Tonight

By SUE PRICE
State News Editor-in-Chief

Toga-clad Greeks will be seen spinning hula-hoops, tossing water-filled balloons, eating in pie-eating contests and playing football with a greased "pigskin."

All the events are part of the first Greek olympics in Jenison fieldhouse tonight starting at 8.

The games will be opened by a torch-bearer leading a chariot in which Matt Surrill, announcer for the evening, will be seated.

Trophies for first place in each event and first, second and third in total accumulation of points will be awarded Saturday at Greek Feast.

A Gaeck "God" and "Goddess," Tom Hood and Ginny Tharall, will be crowned at the olympics.

Hood, a member of Farmhouse, is a divisional social science major from Paw Paw. He holds a 3.68 average and is a member of Phi Kappa Phi, Phi Eta Sigma, Green Helmet, Alpha Zeta and Phi Gamma Mu honoraries.

He has served as president of the ag extension club and has been chairman of numerous committees in his field.

Miss Thrall, member of Kappa Alpha Theta, is president of Mortar Board. She has maintained a 3.7 average, while also serving in several capacities in AUSG.

Saturday evening at 8 Greek feast festivities will get under way in Jenison. In addition to a four-course meal (no ambrosia and nectar, however) entertainment and dancing will be on the program.

See GREEK, Page 3

Lion in Rug Takes Nip

EDINBURGH, Scotland (AP)—A middle-aged Frenchwoman complained in court Thursday she was ambushed and severely injured by a lion skin rug.

It was lurking, said Mrs. Roland Neff, on the floor of the Golden Lion Hotel.

While staying there one day in July 1957, she walked into the manager's office and tripped heading over the rug's projecting lion head.

In the fall Mrs. Neff suffered a fractured shoulder which doctors said would never be the same again, she contended in demanding 1,750 pounds (\$5,000) damages from the hotel owners.

The defense denied liability and blamed Mrs. Neff for not looking where she was going.

At Board Meeting Staff Changes Told

Nineteen appointments, 15 leaves, four promotions and transfers, eight miscellaneous changes and 21 resignations and terminations at Michigan State University were approved Wednesday by the Board of Trustees.

New appointments were as follows: David Herman Boyne, assistant professor of agricultural economics, Jan. 1, 1961; Dennis V. Armstrong, dairy farm manager, June 1; William R. Overlease, instructor of natural science, Sept. 1; Glen Gordon, instructor of social science, Sept. 1; Vivian Stevenson, specialist, education, Sept. 1; Louis F. Vanderlinde, instructor, education, Sept. 1; Myrtle Van Horn, assistant professor of foods and nutrition, Nov. 1.

Thelma Dunn, instructor of home management and child development, Sept. 1; Sergey N. Andrez, instructor of foreign languages, Sept. 1; Kenneth H. Wurtz, assistant professor of psychology, Sept. 1; Edward J. Hicknell, instructor of veterinary pathology, July 1; William Lawrence Frank, assistant professor of physiology and pharmacology, Sept. 1; Ronald A. Whelan, associate professor (research) of veterinary pathology, July 1.

Resignations and terminations: Sei-Hyung Yon, research assistant, agricultural chemistry, April 30; William A. Cromarty, assistant professor of agricultural economics, June 30; George E. Carter, instructor (research) of farm crops, April 30; James A. Cook, assistant professor of horticulture, July 31; Eleanor Morrissey, assistant instructor of humanities, August 31; George C. Williams, assistant professor of natural science, August 31; Robert C. Hanson, assistant professor of social science, August 31; D. Loren Carmichael, associate professor of business services and education, June 31; Marjorie Hunsinger, assistant professor of business services, August 31; Mary Holtman, instructor, National Project in Agricultural Communications, February 29 and A. Nicholas Vardar, associate professor of television, radio and film, June 30.

John P. DeCero, assistant professor, foundations of education, August 31; Alan Soffin, instructor, foundations of education, June 30; Eugene Guarnio, instructor of teacher education, August 31; Horace G. Stafford, assistant director of the Junior Engineer Technical Society, September 1; Rita J. Adrosko, instructor, textiles, clothing and related arts, August 31; Richard L. Kiebling, assistant professor of botany and plant pathology, July 31; William V. Lumb, associate professor of surgery and medicine, September 30; Bruce H. Howard, manager of television station WMSR, June 30 and Douglas C. Kelley, assistant professor and coordinator, continuing education and international programs, July 31.

Other leaves: Ervin E. Van Der Jaet, associate professor of natural science, May 10, 1960 to June 30, 1960, health; Roland Z. Wheaton, instructor of agricultural engineering, Sept. 1, 1960 to Aug. 31, 1961, fellowship to work on doctorate at California; Charles Hirschfeld, professor of humanities, Sept. 1, 1960 to Aug. 31, 1961, Fulbright award to lecture at Johns Hopkins University; Alfred Novak, professor of natural science, Sept. 1, 1960 to Aug. 31, 1961, sabbatical leave from Michigan State University; W. Paul Strassmann, associate professor of economics, Sept. 1, 1960 to Aug. 31, 1961, research in Mexico; Stanley E. Hecker, associate professor of education, July 1, 1960 to June 30, 1961, work with the Michigan Educational Association; and Evelyn Mansfield, associate professor, textiles, clothing and related arts, Sept. 1, 1960 to Aug. 31, 1961.

Promotions and transfers: Mary Lou Rosen, from instructor to assistant professor of textiles, clothing and related arts, July 1.

Greek Week

(Continued from Page 1) Bud Spangler will be master of ceremonies. Entertainment will include a skit entitled "Three Little Bears," enacted by Alpha Epsilon Phi; singing by the "Kings"; Linda Bunker on the piano, who will accompany Sheila Slinnon while she sings "Come Rain or Come Shine," and the Bachelors, a jazz quartet, from Theta Chi.

Also, "Four Roses and a Fifth," a quartet of ADPI's; a Latin American trio; Norm Duffy on the honky-tonk piano; Nancy Rhubring singing, and Sandy Avery, aerobic dancer. Sunday evening at 8 the 21st annual Inter-Fraternity Sing will be held at the Broadwell. Songs will range from Broadway tunes to patriotic renditions.

Judges for IFC Sing will be Leonard Falcone, director of the MSU concert band; William Steiner, director of choral music at East Lansing high school; and W. R. McIntire, director of music at Lansing Eastern. During intermission the fraternity scholarship trophy will be presented by George Hilbard, fraternity advisor. New members of Green Helmet, sophomore men's honorary, will be tapped. The women of Alpha Gamma Delta will sing their winning Sorority Sing number, "Do, Re, Mi."

In case of rain the sing will be held in the Aud at 3 p.m. Announcement of a change will be made at Greek Feast and Junior 500.

Wildlife Club Plans Field Trip
The annual field day of the Fisheries and Wildlife Club will be held at Rose Lake Recreation Area Sunday.

A representative of the Fred Bear Archery Company will demonstrate archery technique at 1 p.m. Other activities include trap shooting, horseshoes, badminton and a picnic supper. For transportation call Gary Schmieke, ED 2-5555 or Keith Bayna, ED 2-8635.

Poltoratzky Elected Proxy

Dr. Nikolai Poltoratzky, asst. prof. of foreign languages, has recently been elected president of the Michigan chapter of the American Ass'n of Teachers of Slavic and East European Languages. The organizational meeting of the chapter was held at Wayne State University.

The meeting was attended by representatives of MSU, U of M, Wayne State University, and teachers of Russian in the high schools of the Detroit area. According to the spring issue of The American Slavic and East European Journal, Russian is taught in 13 universities and colleges in Michigan.

To Award AVMA Wives PHT Scrolls

The Women's Auxiliary to the student chapter of the American Veterinary Medical Association will hold their annual senior tea Monday at 8 p.m. at the Peoples Church.

Dr. Willis Armistead, dean of the school of veterinary medicine, will present 33 "Pushing Hubby Through" degrees.

Groups Attend Meeting

Delta Sigma Phi and Alpha Kappa Psi, business fraternities, attended the annual stockholders meeting of the Ford Motor Company at the Masonic Temple in Detroit Thursday.

Benson, faculty advisor to Delta Sigma Phi, about 30 members of the two fraternities attended. The fraternities attended at the invitation of Ford "to further knowledge of the complicated world of business."

Letter by Council Lists Activities

.. newsletter, containing information of the activities of the Frosh-Soph Council, past and future, was distributed to members of the freshmen and sophomore class yesterday. The newsletter contained a biographical sketch of the newly-elected sophomore officers; a brief summary of the projects sponsored by the Council in the past and scheduled for the future; plans for Frosh-Soph Days; and a note from the president of the Council.

JETS to Receive Awards

As an outcome of the engineering exposition held here last weekend, two young men are candidates for a new award to be presented for the first time by the JETS, the Junior Engineering Technical Society. The JETS is a society dedicated to stimulate interest in engineering in the minds of high school youths. Ronald Roeser, Saginaw, and Greg Touchman, Cedarville, Ohio, both high school students, are the candidates for the new title of National Junior Engineer for 1960. Roeser's entry in the exposition was the Tele-Addler, a computer circuit with a telephone dial input mechanism. Touchman transported two tons of equipment here to set up his project, the Production and Properties of Liquid Air. The winning candidate will be picked by the executive committee of the JETS Board of directors at their meeting June 3 at Kellogg Center," said Fallon.

NEW DUAL FILTER

Tareyton

HERE'S HOW THE DUAL FILTER DOES IT:

1. It combines a unique inner filter of ACTIVATED CHARCOAL... definitely proved to make the smoke of a cigarette mild and smooth...
2. with a pure white outer filter. Together they select and balance the flavor elements in the smoke. Tareyton's flavor-balance gives you the best taste of the best tobacco.

Kobsmen Travel for Final Big 10 Tilts; Must Sweep All 3 for 1st Division Spot

MSU's baseball team bids for a first division spot in the Big 10 this weekend in the final three games of the conference season. The Spartans must win these games to finish in the top five. Minnesota has all but wrapped up the title going into the final week of conference competition. But the battle for second place is still being waged.

State plays a single game at Wisconsin today and meets Northwestern in a doubleheader on Saturday at Evanston.

The Spartans, in sixth place with a 4-5 record, are a game out of second place in the Conference at the present time. Michigan is currently in the no. two spot with a 6-3 mark.

MSU will again be forced to rely on its strong pitching as it has all season. Expected to see duty are the three pitchers who turned in complete games last weekend in the three game Big 10 set. The top man for the Spartans is Mickey Sinks, Detroit junior, who has a 6-2 mark this season and had a 1.64 mark before the Notre Dame game.

Don Sackett, who has shown wild streaks during the season, the second hurler for State. He has a 2-3 mark and an ERA of under 2.50. Wes Kiewicki will probably start his second Big

10 game. He won the first on a two-hit shutout against Indiana last week.

Wisconsin is currently second in the collar of the Big 10 with a 1-3 mark. Northwestern had its title hopes dashed last Saturday with a double loss suffered at the hands of Man-

itosa, and is in third place with a 3-3 record.

Northwestern will probably send Tom Metcalf and Bob Miller against State Saturday. Miller has a 5-2 record, while Metcalf lost his first game in six decisions in an extra inning loss to the Gophers last week.

Going into the final week of the Conference season, the Spartans have no leaders in the statistical department. As a team, State is eighth in batting with a .203 average and third in fielding with a .958 percentage.

The top hitter in the Big 10 for MSU is Pat Sartorius who is 15th in the conference with a .353 mark. Bill Schudlich is the only other Spartan over .300, and he is in 17th position at .333.

Leading the Big 10 in hitting is Minnesota who has been connecting at an awesome .315 rate. The Gophers are tied with Michigan for the most homers, with each having 11 to its credit.

Schudlich and Bob Monezka continue to be the only Spartans to hit over the 300 mark.

DICK GOLDEN connects for one of MSU's four hits against Notre Dame Wednesday at Old College Field. The Spartans lost the game, 8-1 as the Irish tied the season series at one apiece. Last week State stopped Notre Dame, 5-3, at South Bend. Golden picked up his hit in the first inning of the game. State News Photo by Jonathan Yu.

Big 10 Tennis Delayed By 'Wet' Weather

EVANSTON, Ill. (P)—After only seven matches were played, opening competition in the Big 10 tennis tournament Thursday was postponed by rain until today.

In event of continued rain, the three-day meet will be moved indoors at the University of Chicago Fieldhouse. Play at Northwestern University's courts had to be called shortly after noon.

Both matches played in the No. 1 singles division were closely battled. Gerry Dubie, ace of defending champion Michigan, had to rally to defeat John Stoy of Iowa. Dubie was down set point until he rallied for a 6-2, 5-7, 7-5 triumph.

Bill Johnson, Purdue's No. 1 singles entry, was hard pressed in defeating Al Fraser of Wisconsin, 6-2, 3-6, 6-4.

Spartan Sailors Enter Olympic Team Competition

Two members of MSU's sailing club will take part in the strict elimination for the Olympic sailing team this weekend at the University of Wisconsin.

Jerry Walker and Dave Davies will sail to qualify for advancement to Marblehead, N.Y., where further eliminations will be held.

The Spartan club placed fifth in the Midwest Collegiate Sailing competition last weekend at Grease Pie.

MSU's Davies was the meet's No. 3 point skipper with 71 points sailing the B division.

IM's Skish Tourney Set For Outdoor Pool

The IM skish tournament is scheduled for Saturday morning at 10 in the Outdoor Pool for both men and women students. Skish competition is casting and spinning with a rod and reel.

Entrants should report to the pool. Another attempt at the individual tennis semi-final will be made today at 6:30 when Musel plays Gilmore.

The IM baseball throw contest begins Monday and continues for two weeks in front of the IM building. Times for competition are 11 a.m. to 1 p.m. and 3 p.m. to 5 p.m. daily.

Carey, Cerv Switched

Yankees Trade Again - With Athletics

CHICAGO (P)—The New York Yankees and Kansas City Athletics did it again Tuesday when the Yankees traded third baseman Andy Carey to the A's for outfielder Bob Cerv, a former teammate.

It was the 16th deal between the two clubs, involving a total of 61 players, since the Philadelphia American League Franchise was shifted to Kansas City in 1955.

The Yankees acquired a power hitter to fill their left field needs although he is batting only .260. In return they gave the A's a front line third baseman who missed most of last season because of illness and was beaten out of the job by Gil McDougald in spring training. No cash was involved.

Cerv, a 34-year-old long ball hitter, normally plays left field.

That has been a trouble spot for the Yankees ever since they traded away Gene Woodling. Cerv, the muscular former Nebraska football player, had a tremendous year with the A's in 1958 when, playing with a wired up jaw after an accident, he drove in 104 runs, hit 38 homers and batted .305. His average dropped to .285 last year but he hit 29 homers and knocked in 87 runs. This season he is hitting .260 with six homers and 12 RBI. He hit three home runs last Sunday in a doubleheader with Detroit.

Carey, 28, played only 41 games last year before he was placed on the disabled list, suffering from mononucleosis. He batted .257. McDougald took over the third base job at St. Petersburg this spring, leaving the slick fielding Carey on the bench. He had been in only three times with one 1960 hit for a .300 average.

"We went five places looking for pitchers but we couldn't make a deal," said Stengel. "So we made this one. This gives me another handy man. Cerv can play anywhere in the outfield and Carey played only third base. I might decide to let (Yogi) Berra do some catching again."

State, U of M, Illini Vie For Big 10 Track Crown

By L. P. ZAMZOK

One of the finest fields of Big 10 trackmen ever assembled appear capable of a mass shattering of league records in the 69th annual conference outdoor championships at Ralph Young Field Friday and Saturday.

As many as seven of the 14 marks listed in the record book could fall, says Spartan coach and meet director Fran Dittreich, and all Ralph Young Fields marks except the shot put are in jeopardy.

MSU fields a strong team this weekend, but does not appear capable of sweeping the meet from the perennial powers, Michigan and Illinois.

Spartans to watch this weekend are Zach Ford in the sprints; Willie Atterberry, 220-yard dash and 440-yard run; Bob Lake, mile; Bill Reynolds and Gerry Young, two-mile; Sonny Akpata, broad jump; Mike Kleinhans, pole vault; Mike Gerhard, high jump; Brian Castle and Jim Carr, 880-yard run, and the mile relay foursome of Castle, Lake, Carr, and Atterberry.

A rundown of events and outstanding performances will give some indication of how the meet will go this weekend. Here is a partial list of Big 10 stars, their schools, and their best times this spring:

100-YARD DASH—Tom Robinson, Michigan, 9.6; Al Phillips, Indiana, 9.8; Dave Mills, Purdue, 9.9. Both Ford of MSU and Eddie Miles of Indiana have suffered from muscle injuries this spring, but remain as outside chances.

220-YARD DASH—Michigan sprinter Robinson may break Jesse Owens' 21.1 for the 220 around a curve. The Wolverine junior has done 20.9 this spring. Purdue's Mills, with a 21.7, is Robinson's only apparent threat.

440-YARD RUN—Top prospects are Jerry Golem, Northwestern, 47.2; Atterberry, MSU, 47.4; Mills, Purdue, 47.7; George Kerr, Illinois, 48.0. Both Golem and Atterberry have been unofficially timed at 46.5 or under for their leg of mile relay races.

880-YARD RUN—Illini middle-distance star Kerr should break his own record of 1:50.1. His competitors will be Tony Seth, Michigan, 1:53.9; Jim Bowers, Illinois, 1:53.9; Castle, MSU, 1:54.

MILE-RUN—Spartan Captain Lake will be out to destroy his mark of 4:08.5. Challengers are Jim Tucker, Iowa, 4:12.8; Ergas Lepa, Michigan, 4:13.9; Bowers, Illinois, 4:16.5.

TWO-MILE RUN—Ken Brown of Illinois will be after former Minnesota star Len Edelen's mark of 9:32. Reynolds and Young of MSU have been clocked in 9:18 and 9:20 respectively. Brown's best time this season is 9:23.1.

120-YARD HIGH HURDLES—Minnesota's sensational junior Dave Odgaard challenges the record of 14.0. Bob McRae of Michigan and Russ Pederson will follow him closely. Odgaard has already sped through the course in 13.9 this spring.

220-YARD LOW HURDLES—Del Coleman, Illinois, 23.4; McRae, Michigan, 24.0, and Dick Cephas, Michigan, 24.6 are top contenders in this event.

BROAD JUMP—Michigan's Les Bird is favored in this event; he has jumped 24' 10" this season. Right behind him are Coleman, Illinois, 23' 11"; Paul Foreman, Illinois, 23' 10 1/2"; and Akpata, MSU, 23' 8".

SHOT PUT—Outstanding contender in the weight tossing event is the Illini's strongman Bill Brown. Brown tosses the shot close to 55'. Ray Locke of Michigan has thrown the 16 pound ball 51' 2".

POLE VAULT—Purdue's Mike Johnson, last year's runner-up to Michigan's graduated Egles Landstrom in the Big 10 indoor championships, has vaulted 14' 6 3/4" this season. State's Kleinhans has been steadily improving breaking three records last week with a vault of 14' 4", and will provide more than sufficient competition for the Boilermaker timber topper.

DISCUS—George Mirka, Ohio State, 158' 5"; Ed Schmidt, Illinois, 155' 3 1/4"; and Larry Schmalenberger, OSU, 155' 2" will lock in the ancient Greek event.

HIGH JUMP—Reggie Sheppard, Indiana springer, would be an undisputed pick in this event, but has aggravated a high school injury and his is a big question mark. Sheppard has leaped 6' 8". There are a slew of good men in this event with Howard Nourse of Ohio State, Gerhard, MSU and Armand LeCrone, all around 6' 6" performers, leading the pack.

MILE RELAY—Perhaps the most exciting race of the meet, Illinois has come 3/10 of a second off the existing record set by Indiana of 3:11.7 and is the top pick. MSU, anchored by Atterberry and Northwestern's anchored by Golem will also vie for the title in the mile relay.

Cloudy weather with scattered showers is forecast for this weekend. A soggy track seems to be the only obstacle in the way of what could be one of the greatest days in the history of Big 10 track.

Rowing Crew Pulls With Purdue, Culver

The MSU Rowing team will journey this weekend to take on Culver Military Academy and Purdue University.

Coach Jim Tyler's oarsmen will pull against Culver in the mile today.

Saturday will find the team at Purdue working in the Olympic distance of 2,000 meters.

The team will be without their bowman and captain, Min Savich, Detroit senior. He will remain behind while he recovers from a touch of the flu.

Tyler said he would name an alternate prior to the meet at Culver today.

DAVE FARR, Michigan State's 5-9 basketball guard, holds the Wisconsin high school Bagley Conference scoring record for a single season with 416 points.

Summer Field Studies
Sponsored by WISCONSIN DEPARTMENT OF AGRICULTURE
at BLACK HILLS STATE STATION
Dodgeville, Wis., S.D.
Residence June 29-July 21
July 21-Aug. 19

Fully Accredited Course ...
Subjects include biology, zoology, botany, ornithology, forestry and geology. Courses are taught in the field, with emphasis on seeing and handling material.

Curriculum features "World About Us"—a course designed for elementary and secondary teachers.

Superior Faculty ...
Each instructor has spent a number of years in the Black Hills area. Station is well equipped with scientific instruments. Laboratory available for detailed study of field material.

Costs Are Moderate ...
Well-equipped living facilities. Excellent food, well-planned menus.

Planned Field Trips ...
Students see all parts of Black Hills area. Overnight trips taken each week. You'll enjoy the friendly, Christian atmosphere.

Purdue Favored in Big 10 Golf

By JIM WALLINGTON
State News Sports Editor

Approximately 60 golfers representing Big 10 schools tee-off this morning for the first round of the two-day conference golf meet at MSU's Forest Akers golf course.

Purdue's golf team, with two Americans, has been tabbed as favorites to repeat as champions. The Ballermakers will be seeking their third straight title, with Gene Francis as their captain. The other one is Gene Francis.

The traditional Western Conference golf power, Purdue has

possessed the championship trophy four of the past five years and have won shares in the Big 10 individual championship in 10 of the past 12 years.

Konsek's chief threat will come from Ohio State's Jack Nicklaus, the national amateur champion. He has defeated Konsek previously this year.

The Spartans should give Purdue the most trouble for the team title, even though the Ballermakers defeated them earlier in the season, 22-14.

MSU had a 9-1 season record to Purdue's 13-2-2.

Ohio State and Wisconsin also figure in the conference battle.

Another threat for individual honors comes from Illinois which brings sophomore Mike Tolliver to the conference meet. Tolliver has a best round of 70.

The Illini as a team don't constitute a real threat. Indiana's sixsome has been slumping of late and doesn't expect to repeat last year's lofty third place finish.

The Hoosiers have lost three of their last five matches and placed third to Notre Dame and Purdue Saturday in the Big State Meet in Indiana.

Their top man is Ron Royer who is averaging 74.7, which is better than MSU's top man.

Tim Baldwin sports the best Spartan average with 75.4, a little better than Tad Schmidt's 75.7. C. A. Smith and Ty Caplin have 76.2, and Jack Reynolds 77.3.

Sophomore Don Cochran, 77.1, defeated Buddy Badger in a play-off for the number six position on the crew.

Conference scoring counts the first five finishers. Spartan victories have come over Big 10 opponents Northwestern, 26½-9½; Wisconsin, 27-15; Illinois, 26½-9½; Michigan, 29½-12½; and Iowa, 22-14.

In non-conference competition MSU has dealt defeats to Notre Dame, 18½-17½; Hillsdale, 15-

3; Detroit, 16½-4½; and Western Michigan, 18½-5½.

Cards Sign Simmons

ST. LOUIS (AP)—The St. Louis Cardinals signed left-hander Curt Simmons, one of the Phillies' famous whiz kids of 1950, as a free agent.

The Phillies handed him his outright release May 12, signaling the end of a sometimes brilliant career at Philadelphia.

The Phillies signed Simmons for a \$65,000 bonus out of Whitehall high school in Egypt, Pa., in 1947. He was 18 at the time.

The tough luck southpaw appeared in only four games this season, lasting a total of four innings during which he gave up 13 hits and 8 runs for an earned run average of 18.00.

Kaline, Howe Race Horses

DETROIT (AP)—The Detroit News said Thursday that Tiger outfielder Al Kaline and Gordie Howe, star of the Red Wings hockey team, own and are racing a string of race horses.

Bill DeWitt, Tiger president, expressed surprise at the report and said he planned to talk with Kaline about it. He said, "I don't believe baseball and racing mix."

There was no immediate comment from Kaline, Howe or the Red Wings.

Netmen Top Ohio State, 8-1

The tennis team snapped its three-game losing streak Wednesday afternoon, as it romped past Ohio State 8-1, at Evanston, Ill.

The victory raised the netmen's season record to 17-3, and 7-1 in the Big 10.

The only Spartan to lose was Mel Saperstein, the team's No. 7 man saw action at the No. 2 spot, when Coach Stan Drobac gave Capt. Bill Hotchkiss a well deserved rest.

Both teams were rained out today, in the opening round of the Big 10 Tennis Championship Meet, being held at Evanston, Ill., this weekend.

Big 10

(Continued from Page 1)

It is believed that none of the other schools have changed their votes on the bowl question.

The Spartan swimming team received good news Thursday when the Big 10 approved additional eligibility for Billy Stewart, MSU free-style swimmer.

Stewart, who won two NCAA and two Big 10 titles, was ruled ineligible after he swam for his native country, South Africa, in the 1956 Olympics.

Faculty representatives wrestled with a report on overhauling conference eligibility requirements which would raise academic eligibility standards.

Elements of a report said that one failure would void an athlete from competing. Instead athletes would have to maintain a certain point average.

Under the present rules high point average athletes have been declared ineligible because of a failure. Meanwhile low point average athletes have avoided failure and have remained eligible.

The new plan would mean that a student with a "C" average would remain eligible for athletics if he maintained his average despite having a failure.

Under the proposals, sophomores would have to maintain a 1.8, juniors 1.9 and seniors 2.0, the requirement for graduation at MSU.

Big 10

(Continued from Page 1)

When most other business action is out of the way in today's and Saturday's meetings, Commissioner Tug Wilson is expected to make a report on his investigation into the alleged recruiting violation by Indiana, which caused the NCAA to put the Hoosiers on a four-year probation just last month.

Stewart, who won two NCAA and two Big 10 titles, was ruled ineligible after he swam for his native country, South Africa, in the 1956 Olympics.

PAT McCARTY LOOKS AT LIFE

We have not by a long shot reached perfection. Perhaps it is about time that we, as a nation, stopped to analyze our concept of perfection. Toward what goal are we moving and what are our chances of ever attaining it?

While this country was being settled, the people were clustered in closely-knit little groups along the Atlantic seaboard. There was no doubt in their minds as to what their purpose was: they were building a nation.

Since that time America has grown both geographically and politically. A distinct American culture has been established and we are being forced to defend it.

AN INTRODUCTORY course in U.S. history will teach us that twentieth century America is the product of the industrial revolution and the free enterprise tradition. Our technical progress in the last hundred years has been fast and furious. Now, it seems, we have everything we could ask for. But where do we go from here? What do we do with the power that is making neurotics of us all?

Our generation has seen Americans grow more casual in their apparel, more of living and, alas, in their attitude toward government.

Once we have committed ourselves to promoting our ideals while maintaining peace there is no turning back. While our basic goals must remain constant, our methods must of necessity change from day to day.

IN FORMULATING A NATIONAL PURPOSE, we must be careful to respect the rights of other countries lest we alienate them. The freedom of Americans is very much influenced by their cooperation with other nations both today and in the future.

How well the United States is prepared to meet the challenge will be brought into clearer focus in the forthcoming issues of Life.

Khrushchev Walks Out of Summit Meeting Russians Won't Parley for Six Months. Mr. K Calls Ike a Thief.

These are the headlines which we have been faced with. The action on the international scene has put the United States, indeed the whole world, on edge. Will there be a Third World War?

At this time, when the future of our nation seems so unpredictable, we are becoming more cognizant of what it means to be Americans. We are all searching for answers to questions which heretofore were ignored.

LIFE THIS WEEK BEGINS an extremely well-timed series on The National Purpose. Eight distinguished men from all fields of endeavor will present their ideas in four succeeding issues. To begin the series, LIFE gives the background for the articles which will follow. If the diversity of feeling on campus can be used as any indication, the debate should be a good one.

The questions that come immediately to my mind are: "Do we now have a national purpose? Is there any one point on which the majority of Americans are in agreement?"

In grade school we learned to respect and revere our forefathers and the great documents upon which this nation was built. We still tend to cling to our old concept of democracy. Our idea of patriotism is based on history and is seldom changed by what we see going on in the present.

Americans seem convinced that democracy will win out in the long run but aren't too certain how or why. Our destiny may be great but many of us have only the foggiest notion of what that destiny is.

OUR COUNTRY WAS and still is the shining example of democracy for this hemisphere and Europe as well. Other countries use our doctrines today as a basis for revolt against tyranny. Where men seek to govern themselves the principles which we have traditionally supported are foremost in their minds.
