

AUSG Resolution Asks HPR Change

A resolution requesting that students be permitted to take their five undesigned HPR courses during five separate terms of their first three years was passed Wednesday in Student Congress.

Williams Supports Kennedy

Switch Gives Senator 51 Convention Votes

MACKINAC ISLAND (AP)—Michigan Gov. G. Mennen Williams threw his support for the Democratic Presidential nomination to Sen. John Kennedy Thursday.

In formally announcing he was climbing aboard the bandwagon of the Massachusetts Senator, Williams described Kennedy as the "best man in the country" to get the nomination at the party's national convention in Los Angeles next month.

Williams' endorsement, capturing an hour-long conference with the Senator on this fashionable resort island, added impetus to Kennedy's drive for the white house.

The six-term Governor captured Michigan's 51-vote delegation to the convention. By Associated Press polls taken before the Williams announcement showed this unofficial delegate standing:

Kennedy 33 1/2, Johnson 11 1/2, Stevenson 6 1/2, Humphrey 5 1/2, Stevenson 1 1/2, others 17 1/2, and uncommitted 32 1/2, for a total of 1,084 votes out of a convention total of 1521.

The first Washington reaction to Williams' declaration came from Rep. Charles Brown of Missouri, chairman of the Symington for President Committee. He said Williams' course had not been anticipated and did not change the Symington camp thesis that their man will ultimately be nominated.

Moving into the Kennedy camp, he released delegates from their pledge to support him as their favorite son candidate for President.

Top-ranking Michigan party leaders endorsed his decision. Williams, who is eyeing the Vice Presidential nomination, disclosed his decision at a news conference aboard a ferry boat returning across the Straits of Mackinac. Unintentionally, he said, the announcement was made an hour earlier by Sen. Philip Hart (D-Mich) in Washington.

"Although the action had been forecast, the result apparently added a major bloc of votes to Kennedy who will command on the first ballot at the convention. He has been gunning for an early nomination and Michigan had been one of the states which had been in the holdout block."

Kennedy, who learned of the decision on a three and one-half hour flying visit to Michigan, looked delighted over the Governor's backing.

"We are a good deal closer to the nomination this afternoon than we were this morning," he said.

The Governor's support, he said, will have great force in determining the decision the convention will make."

Williams' maneuver in no way commits the delegation to support the Massachusetts Senator. But the 102 delegates, seventh largest voting bloc at the convention, has been moving toward Kennedy's corner ever since he bested Sen. Hubert Humphrey (D-Minn) in the Wisconsin primary election.

Center Reveals Most Cars Make Improper Turns

Fifty-eight percent of the vehicles which make turns at Harrison and Shaw from 7:30 to 8:30 a.m. turn into the wrong lane, according to a recent survey made by the Highway Traffic Safety Center.

The figures were gathered for the peak periods of 7:30 to 8:30 a.m. and 4:30 to 5:30 p.m. on average week days.

According to the study, 1,000 vehicles made turning movements, 418 of which executed improper turns.

Seventy-one percent of the west bound vehicles from Shaw Lane making right or left turns made improper turn movements, 48 percent of the east bound vehicles turning on Harrison made similar improper turns.

Only nine percent of the north and south bound traffic turning on Harrison turned into the wrong lane.

Mr. 'K' Offers Nuclear Launching Ban

'Sounds of Music' In Gay Premiere

A near-capacity crowd of students, faculty, and the general public watched the premier of "Sounds of Music," 1960 Water Carnival, Thursday night.

Thirty-one floats, constructed by university living units, were towed down the Red Cedar River to the accompaniment of music by Bob Eberhart's band and the witty but sometimes serious dialogue of the three masters of ceremonies, Terry Braverman, Micki Worsfield, and Chuck Coffey.

Observers said that the "almost maudlin" sentimentality of former years was gone, replaced by an almost continual air of gaiety.

Three serious floats remained as a contrast to the others. Further performances are scheduled for tonight at 8:30 and Saturday at 9. The "midway" opens at 7 both nights.

Tickets will be available at the gate.

Seniors Of Week Honored

All Seniors of the Week were presented with awards last night at a banquet given by President John A. Hannah and Mrs. Hannah in the Green Room, Union.

Members of the 100th graduating class attending the affair were former winners of the awards featured weekly in the State News and Union Building.

Seniors of the Week were chosen for outstanding scholarship, service and campus leadership by a Senior Council committee headed by Sara Furr, DeKalb, Ill. senior.

Committee members handling details of the banquet were Don Stover, Bernin Springs, Sr.; Carl Pearce, Detroit, Sr.; Dick Stafford, Washington, D.C., Sr.; Rose Meyer, East Lansing, Sr.; and Corry Moll, Rochester, N.Y., Sr.

Guests at the 1960 dinner included Alumni Relations Director Starr Keesler and Mrs. Keesler.

U-M Phones 'Burned Out'

ANN ARBOR (AP)—A fire broke out Thursday in a large underground heating tunnel on the main campus of the University of Michigan, cutting off nearly all telephone service to the school.

Firemen said the stubborn blaze broke out when sparks from workmen's acetylene torch ignited defective insulation around the heating pipes in the tunnel under the intersection of North and East University Avenues.

A large telephone cable which also runs through the tunnel was nearly destroyed. A Michigan Bell Telephone Co. official said only four lines were still open to the university.

Four to Get Honorary Degrees

A former President, a diplomat, a historian and a farm leader-educator will receive honorary degrees at the 100th annual commencement exercises at 4 p.m. June 12, in Spartan Stadium.

Honorary Doctor of Laws degrees will be awarded to former President Harry S. Truman, the commencement speaker; Charles Bohlen, special assistant to the secretary of state for Soviet affairs; and Henry Commager, historian.

Clark L. Brody, farm leader who has been associated with Michigan State as a student, employee and board member for some 20 years, will be awarded the honorary Doctor of Agriculture degree.

Truman, the 33rd President of the United States, was born in Lamar, Mo., in 1884. He was elected to the U.S. Senate in 1904 and again in 1906. Elected as President Roosevelt's run-

MEMBERS OF TOWER GUARD, Mortar Board and AWS serenaded unsuspecting senior honor women Wednesday night. Presenting lanterns are Carolyn Nurd, Valeria Moulton, Nancy Kennedy, Barbara Kienbaum, and Margaret Brown. State News Photo by Jonathan Yu.

Lantern Night Tradition To Honor Fifty Women

Fifty outstanding senior women will be honored at Lantern Night Sunday as women from every class gather for the 30-year-old tradition.

The coeds will march around Circle Drive to meet in front of Cowles House. There the honor women will be named and lighted lanterns, symbolizing responsibility, will be handed from the capped and gowned seniors down to the freshmen.

Women to be tapped are selected on the basis of scholarship and participation in campus activities.

Mortar Board, Tower Guard and AWS sponsor the annual event.

Wednesday night lanterns were left at each living unit in honor of women living there who will be honored Sunday.

Rockefeller Opens Farm Belt Drive

NEW YORK (AP)—Gov. Nelson Rockefeller will plunge into a Senatorial contest in North Dakota today with a round of campaign activities that also will remind voters he is available for the GOP nomination for President.

The farm question is a major one in the contest between Davis and U. S. Rep. Quentin Burdick, the Democratic candidate. Results of the election will be closely examined for an indication of Republican strength in farm states.

He served with 11 governors and eight different superintendents of public instruction and has shared in commencement ceremonies for nearly 55 percent of all graduates from Michigan State.

Brody has been a prominent leader in Michigan agriculture since 1915 and under his leadership the Farm Bureau grew to a membership of some 57,000 farm families. He retired in 1952 as executive secretary of all Farm Bureau organizations and became executive vice president of the Michigan Farm Bureau.

Until last year he directed the organization's program of public relations and legislative activities at state and national levels.

Bohlen has served as an advisor to U. S. secretaries of state and Presidents at number of international conferences, including meetings in Moscow, Teher-

Plan Would Close Bases for Weapons

Russians Rewrite Disarmament Idea

MOSCOW (AP)—The Soviet Union proposed Thursday a ban on all means of launching nuclear weapons.

The proposal would cover launching from sea-going bases, planes, rockets and space satellites.

SEATO Strategy Stands Pat

WASHINGTON (AP)—Foreign Ministers of the eight Southeast Asia Treaty countries Thursday night proclaimed their "firm unity of purpose" to block any communist attack or subversion in their area.

Concluding a three-day strategy conference, they declared communism poses not only a potential military threat to free countries but "also an immediate and direct threat to their culture and ways of life."

A communique criticized Red China for continuing what was described as an "uncompromising attitude" toward the west.

The communique avoided, however, the strongly worded terms Secretary of State Christian Herter employed in denouncing the Peiping regime at Wednesday's meeting.

A conference spokesman said delegates decided each of the allies should be free to extend or oppose diplomatic recognition to the Red China regime. No effort was made, he said, to adopt a united stand on this or the question of admitting Red China to the United Nations.

Delegates took an indirect swipe at Soviet Premier Nikita Khrushchev for walking out on the summit conference in Paris.

Khrushchev's action, the communique said, wiped out hopes that at least some limited east-west agreement might be possible to ease the international climate.

"In their frank exchange of views on this subject, the council members gave particular attention to the intensification during the past year of communist subversion, insurgency and terrorism in several countries in the treaty area, as well as to the potential threat of armed aggression," the communique said.

The council availed itself of this timely opportunity to re-emphasize the firm unity of purpose of the member countries of SEATO and of their determination to maintain and develop both individually and collectively their capacity to meet all forms of communist threat to the peace and security of the treaty area."

At the closed door sessions, diplomats and their military advisers concluded that subversive moves rather than outright aggression by the Chinese Reds appeared more likely in the coming months.

"However, peaceful coexistence cannot be sufficiently lasting, peace can not be considered reliably guaranteed while the arms race continues, while states have at their disposal means of instant attack on other countries and gigantic stores of weapons, including nuclear weapons."

Ultrasonic Men Meet at Brown

MSU's research in ultrasonics will be described in six papers to be presented at the national meeting of the Acoustical Society of America at Brown University, Providence, R.I., June 8-10.

The papers are concerned with optional effects of ultrasonic waves in various media, such as water, xylene and plastic.

Participants include Dr. M. A. Breazeale, Dr. Walter Mayer and special graduate research assistants Laszlo Adler, B. D. Cook and L. E. Hargrove.

WHITE SANDS MISSILE RANGE N.M. (AP)—A Redstone missile Thursday was launched into the longest overland trajectory ever attempted in the United States.

The combat-ready weapon carried a "flying television station" designed to give battlefield commanders an aerial view of the target before, during and after impact of the warhead.

The Redstone impacted in the 40-mile by 40-mile temporary northern extension to White Sands Missile Range. This was the first use of the "safety zone" extension for a ballistic missile program.

Trampolines for Variety

Water Carny Heads Social Life

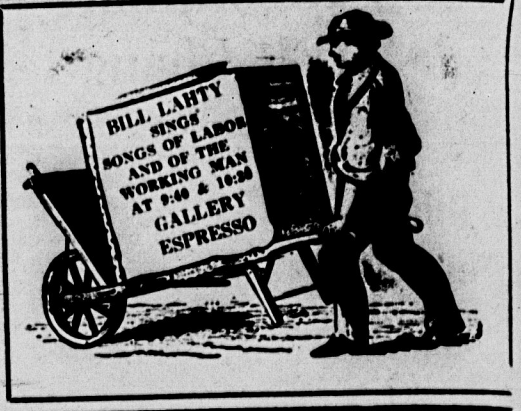

Although exams are almost here and many library dates are in store, term parties, bridge tournaments, and Water Carnival events provide unlimited entertainment for the closing weekend of spring term of 1960. After viewing their time-consuming efforts at Water Carnival, the men of Alpha Gamma Rho will return to the house for an informal get-together this evening. Refreshments and dancing will highlight the finale.

The brothers of Pi Kappa Phi will present their annual Rose Ball Saturday evening at Holiday Inn. Music will be furnished by the Modernaires. Rejoining over the event will be Marlene Hicks, Fennville freshman, the 1960 Rose Queen. Intermission will include the presentation of an engraved gavel to the Pi Kap's outgoing president, with special awards for scholarship improvement, outstanding senior and outstanding pledge.

Many MSU students have been seen bouncing their blues away on these during the past week, where the jumping business is really jumping. These "bouncers" say the trampoline is an excellent defense mechanism against the anxiety and strain caused by the coming week.

Honor Society Names Members of Faculty

Seven MSU faculty members have been honored for their outstanding work in teaching and research by the MSU chapter of Phi Kappa Phi, national honor society.

Elected to the society were: Dr. Raleigh Barlowe, head of the department of resource development; Fr. William Form, professor of sociology and anthropology and associate director of the Labor and Industrial Relations Center; Dr. John Fuzak, professor of teacher education and faculty representative to the Western Conference; Dr. Georges Joyaux, professor of foreign languages and director of the National Defense Foreign Language Institute.

Dr. Charles Lassiter, head of the department of dairy; Dr. Joseph Meltes, professor of physiology and pharmacology, and Dr. Frank Pinner, director of the Bureau of Social and Political Research.

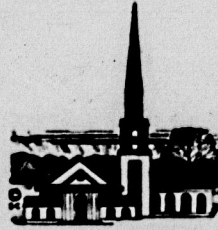

In addition to certificates of membership, each was awarded

a special citation at the society's annual banquet Wednesday evening.

Bat Titles to Minnesota and 'Perdue'

Michigan State's golf team won 20 of 22 dual meets since the 1959 dedication of MSU's Forest Akers Golf Course.

CHICAGO (AP)—Champion Minnesota captured the team batting title and Ohio State's Tom Perdue won the individual hitting crown in the recently ended Big 10 baseball campaign.

In the process of taking their third consecutive conference championship, Minnesota's Gophers batted at a .314 clip and belted the most home runs, 18.

Final statistics released Thursday credited the Buckeyes' Perdue with a 10-game average of .459, followed by Wayne Knapp of Minnesota with .441.

Last for 8 Seniors

Kobsmen End Year With 'Bronco' Clash

By JOHN SCHNEIDER
State News Associate Sports Editor

Eight Spartan seniors climax their collegiate baseball careers Saturday when MSU entertains Western Michigan at Old College Field in the season finale at 1:30.

The departing seniors are Capt. Dick Golden, shortstop; Don Pimmann, pitcher; Don Sackett, pitcher; Craig Van Sciever, pitcher; Jim Conlin, catcher; John Fleser, outfielder; John Hendee, outfielder, and Ron Marlatt, outfielder.

Scheduled to start on the mound for the Spartans is Mickey Sinks, a junior who will be seeking his eighth win in 11 decisions.

Golden has been the field leader for the Spartan earning the rating of No. 1 glove man on the squad. He had hitting difficulties early in the season, but he has improved recently to a .223 mark.

One of the most disappointed men on the team this season is Fleser, who was the leading hitter a year ago and a member of the all-Big 10 unit. He failed to hit his stride and has fallen to

a dismal .149 average. Sackett was one of the top two hurlers on the mounds corps along with Sinks. Sackett suffered control trouble during the latter half of the year destroying much of his effectiveness.

A sensation early this season for the Spartans was Hendee, who led the team in homers and RBIs. But he hit a slump after the spring training jaunt.

Marlatt moved up from a pinch hitting role a year ago to become one of the top Spartan outfielders.

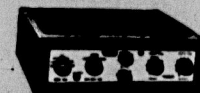

Pimmann saw limited pitching action this season, mainly being used in relief. His outstanding performance was a three-inning stint against Alma in which he allowed but one hit.

Conlin is highly rated for his defensive work behind the plate. He has batted .205 so far this season.

Van Sciever was a top hurler for the Spartans during his junior year. But he slipped during this final year. Last season he posted a 2.67 ERA and hurled 54 innings.

State goes into the final contest with a 16-13 won-lost record. While the Broncos, suffering their worst season in many years, has a 7-13 mark.

Spartans Tops in Big 10

IM Softball Semi-Finals Played Today

Michigan State can claim the unofficial Big 10 all-sports championship for 1959-60.

A compilation of conference team records in all 13 sports in which championships are decided gives State an edge over all other schools.

Using a rating system in which 10 points is awarded for a first place, nine for a second and so on down to one for a 10th place, State leads the pack with 84 1/2 points to 83 1/2 for Michigan and 82 1/2 for third place Minnesota.

The other schools scored as follows:

Illinois, 72; Iowa 70 1/2; Ohio State, 64 1/2; Indiana, 56 1/2; Northwestern, 45 1/2; Wisconsin, 40 1/2; and Purdue, 40.

State won but one championship—cross country—to four for Michigan, three for Illinois and two for Minnesota. But the Spartans showed superior balance with first division finishes in 11 of the 13 sports.

Included were seconds in football and golf, thirds in in-

door track, gymnastics, wrestling, ice hockey and tennis, fourths in swimming and outdoor track, and a tie for fourth in fencing.

The only second division finishes, surprisingly enough, were a pair of eights places in sports in which State usually is strong—basketball and baseball.

The 1959-60 school year rounds out the first decade of Spartan participation in Big 10 athletics. State has led the pack in the all-sports standings twice, tied for first one time and never finished below third.

A more refined measure of comparative performance in all sports may be obtained by dividing the number of sports in which a school participates into the total number of points accumulated on the 10, 9, 8, etc., basis.

This will result in a "quality point" average and will eliminate in large measure any disadvantage to schools not participating in all sports in which

Big 10 championships are contested.

On this basis, Michigan State also is tops with a 7.27 "quality point" rating. Michigan is second with a 6.96 and Minnesota third with 6.87. In fact, the first eight teams in the point total tabulation finish in the same order in the "quality point" listing.

Today's Schedules

AMERICAN LEAGUE
Baltimore (Pappas 3-4) at Washington (Woodshick 1-0) night
Detroit (Lary 1-4) at Cleveland (Cramer 2-1) night
Kansas City (Bailey 6-2) at Chicago (Wynn 2-3) night
Boston (Casale 3-3) at New York (Turley 1-1) night

The four teams surviving Thursday's IM softball quarter-final games go into semi-final tests today at 5:20—at the IM fields.

Bailey 3 battles Uncle Toms and Army plays LCA.

The two winners meet Monday for the IM softball title.

An upset, carried by Bill Marrs' no-hitter, over AGR put Bailey 3 into the semi's. The score was 4-3.

Despite allowing no safeties, Marrs walked 11 men.

The Bailey team wrapped up the win with three runs in the third inning.

In the only lopsided win of the day, LCA trounced Bryan 2, 26-4.

Lambda Chi produced 20 hits and helped by Bryan's 10 errors.

Bryan garnered only three hits.

Two outfield errors gave Army a 2-1 victory over Butterfield 6, despite a one-hitter by Ron Whipple of Butterfield.

Army pitcher John Vanwardon threw a two-hitter and struck out 13 to pick up the win.

Whipple hit a triple.

Another well-batted game was one, a two-hitter by Hal Leight, gave Uncle Tom's a 3-2 triumph over Emmons 3.

Roger Junas gave up five hits in a losing cause.

A homer by Bob Mieske in the third inning gave Emmons a 2-0 lead. But the Independent team scored single runs in the next three innings to win.

IMPORTANT REQUEST!
"Because of the unique conception of the story and the fact that for the first time in motion picture history, three stars give six characterizations, it is essential that you see 'Crack in the Mirror' from the very beginning. We do not offer this advice arrogantly or with the slightest capriciousness or as a theatrical gimmick, but rather as a guide to your complete enjoyment of this motion picture!"

MSU Briefs

Campus UN Election

Campus UN will elect officers at tonight's session at 8 in the gym. Officers next year will work to sponsor the national convention slated to be held at MSU.

"Breeze" Available

Ag Council's newspaper, "The Beaumont Breeze," will be available on campus Monday.

Graduation Tickets

Graduating students may get an additional Commencement ticket today by presenting their ID card at the Alumni Records Office, 233 Student Services. Tickets will be needed only if bad weather makes it necessary to hold Commencement in Jenison, rather than Spartan Stadium.

Taboda to Research

Dr. Oscar Taboda, natural science instructor at MSU, will do research this summer at the School of Tropical Medicine, University of Liverpool, England.

Union Board Plans Treat

Freshmen will have one week of bliss next fall when they will overrule upperclassmen, according to Joe Drolett, Lansing soph., of Union Board.

By presenting his admission slip, each new freshman will be given three tickets during orientation week.

The tickets will entitle each freshman to one free line of bowling in the Union, a free half-hour for playing billiards, and a free drink in the grill.

Other plans announced by the Union Board for fall term include tours of the Union, an open house with organ music as a background, a get-together dance, a jazz combo in the grill and the annual Collegiate Kick-off dance.

EYE HI-LITES

by Dr. Joseph B. Gutstein

Questions about eye problems will be answered by Dr. J. B. Gutstein in this column every Monday.

Dr. J. B. Gutstein, Optometrist

QUESTION:

Do I dare wear my lenses for football?

ANSWER:

Yes! By all means! Most men who want them for athletics want them for sports involving bodily contact, including football.

QUESTION:

What happens if a patient is struck in the eye while wearing contact lens?

ANSWER:

In the great majority of cases, the contact lens has either done no damage to the eye or has even acted as a mechanical protector.

If you desire more information about contact lenses, clip this advertisement and mail:

NOW YOU CAN OPEN YOUR VERY OWN CHARGE ACCOUNT!

Designed especially for and available only to high school and college students.

YOUR HONOR IS YOUR CREDIT

Because we have great faith in the responsibility and good judgement of young Americans we have devised a special way of permitting high school and college students to charge purchases to their own accounts!

Here's how it works... on his or her own signature, a TEEN ACCOUNT may charge purchases up to \$15 payable at \$1 a week for 15 weeks. As payments are made and balance declines, further charges may be made at any time as long as the balance does not exceed \$15.

To parents: Our TEEN ACCOUNTS are really called HONOR TEEN ACCOUNTS. Parents are not responsible in any way. Teens get their credit strictly on their honor.

This early credit experience will really help teens to a better understanding of money and money management and at the same time encourage thrift and self sufficiency.

1 Hour Free Parking With Any Purchase

Music Honors Listed

The music department held its annual Honors Convocation Thursday. Ten students were honored with awards and citations while five others received citations for special achievement.

Charles Greenwell, East Lansing sr., received the Lewis Richards Memorial Award (\$25). The Junior Faculty Award (\$25) was won by Olive Padgett, East Lansing sr. She also received the Delta Omicron senior honor

pin. The Faculty Senior Award (\$25) went to Joseph Baber, Richmond, Va. Jr.

Presser Foundation Scholarship Awards went to Dennis North, Holt soph., \$150; Marcia Borden, Maplewood, N.J. jr., \$100; George Dentel, Lansing sr., \$100. Barbara Linn, Lansing jr., received the Special Music Education Award (\$25). Janice Winkler, Grosse Pointe

graduate student, won the American Guild of Musical Artists' annual award. Marcia Mitchell, Grand Rapids jr., received the Delta Omicron Zeta Alpha Chapter annual award (\$25).

Special citations for service to the music department went to James Nordien, South Haven soph.; Emily Derr, East Lansing sr.; Nadine Price, East Lansing jr.; Jean Hull, Lansing sr., and Susan Reece, Midland sr.

ROADSIDE FARM MARKET

Will be open now for the season. We are located 2 miles east of East Lansing on U.S. 16 at Okemos Road. Retailing fresh fruits and vegetables at lowest possible prices. We have appreciated your patronage in the past and also will in the future.

Thank You

Just What You've Needed for Your Books!

Erecta-Shelf

Design it yourself... To Fit Your Space and Needs

So easy... So economical!

Countless Units can be designed with these 4 PANEL SIZES

You don't have to be an engineering major to design and assemble your own bookcases, room-dividers, or TV and Hi-Fi units with Erecta-Shelf. It's fun... simple... practical and inexpensive!

By combining just 4 panel sizes in satin black or gleaming brass wrought iron, there's no limit to the number of arrangements you can design to fit your space and needs. Note that straight panels can be used horizontally or vertically... and horizontal panels may be attached at any desired height on the vertical panels.

EASY TO ADD TO OR TAKE APART

Anytime you wish to make your unit taller, longer or deeper simply add more Erecta-Shelf panels... or change the arrangement completely. It's a cinch to disassemble for moving too. Plan your unit (we'll help you if you wish) and come in for your Erecta-Shelf panels and free detailed brochure.
