SPARTAN FROSH ENGAGE U. OF D. YEARLING TEAM

Contest Will Take Place at 9 O'Clock Saturday A. M.

EXPECT CLOSE CONTEST

Coach Kobs Not Yet Decided on Opening Lineup for Freshmen.

Michigan State's 1931 freshman football team will engage the University of Detroit's yearling team tomorrow at 9 o'clock in the stadium. Coach Kobs' preferences are a matter of opinion to the eleven that is expected to be the strongest in years. Superclass freshmen have been working since the start of the season and have been toughened by numerous scrimmages. Kobs announced today that the line-up was uncertain. It will be known, however, that he will work several different combinations of players during the game. State players who probably see action in the game are: Little, Paxon and... WOLVERINE TO MEET SPARTAN HARRIER SQUAD

Captain Clark Chamberlain is Expected to Cop First Place in Event.

STATE IS STRONG

State Thin-clads Out to Avenge Defeat of Last Year.

Coach Jackson's Spartan Harriers, who defeated the Harrier last week at the Michigan State meet, are preparing themselves for the Michigan Harriers here Saturday. In last year's tilt with the Harriers, the green-clad runners met defeat although Clark Chamberlain was the first to cross the finish line. The race between the two teams this year will be marked with more running and the final season will undoubtedly show little difference. State has a stronger suggestion this year in comparison to that of last season's while the Michigan squad has shown little if any improvement. However, the Harriers will be expected to meet the Spartans in their encounter this week.
