Pan-Hellenic Spring Ball and Eight Society Parties Occupy Past Week End For Socialites

The 1934 Pan-Hellenic Spring Term party, staged at the Union Saturday night, takes its place in history as one of the most outstanding parties of the season and climaxes the college affairs of the year. The scene was a formal garden decorated with varied colors. Immediately in front of Nate Fry and his orchestra stood a large lighted fountain which helped to make the party's decorations very attractive and unusual. Sec. and Mrs. H. H. Halladay, Mr. and Mrs. Charles Bachman, and Dean Elisabeth Conrad were patrons for the party.

Phi Chi Alpha spring term party was held Friday evening while Delta Sigma Phi, Lambda Chi Alpha, Phi Kappa Phi, Alpha Chi Omega, Sigma Kappa, and the women's building entertained at private parties Saturday night.

Zeta Tau Alpha
Zeta Tau Alpha Mothers' club gave the house a kitchen shower last Thursday. Tea was served during the afternoon with Mrs. van Ryn van Alkamade, house mother, pouring. The mothers were dinner guests at the house afterward, and were seated at small tables with centerpieces of spring flowers. The house was attractively decorated throughout with large bowls of iris. The program of the evening included several vocal selections by Miss Beatrice Brody.

Mary Huston entertained the ladies and pledges of Zeta Tau Alpha at her cottage at Lake Lansing over the week-end. Miss Anne Marie Garlinger of Lansing acted as chaperon.

Chi Omega
Mrs. Elmer Leiminger entertained the seniors of Chi Omega fraternity at a luncheon at her home Saturday. Mrs. Halligan, Mrs. A. J. Clark and Mrs. Rodney were also guests at the affair.

Kappa Alpha Theta
Alumni of Kappa Alpha Theta entertained the seniors of the fraternity at breakfast at Hunt's Saturday morning.

Sigma Kappa
Sigma Kappa had as guests for the week-end, Frieda Brief, Helen Dunsmere, Ruth Barstow and Grace Conner, all of Highland Park. Elizabeth Covert, Lake Odessa, and Margaret Crummer, Bay City.

Alpha Phi
Ella Jane Gates and Marion Hubbard of Detroit were week-end guests at the Alpha Phi house.

Alpha Gamma Delta
Alpha Gamma Delta entertained Betty West of Perry, Ohio, June Smith of Niagara Falls, and Marian Davidson of Detroit over the week-end.

Beta Gamma
Eunice Herald, 33, of Highland Park and Charmion Griswold, 33, of Flint were guests at the Beta Gamma house this past week-end.

YOU NASTY MAN Gals Make Light of Situation

Bogey man beware! You can no longer scare timid Mary Mayettes into an Otter-sprint along the dark walks, or call forth police searchlights on the spire from now on the vicinity of Mary Mayo will be as light as the great white way and a bogey man won't have any more chance than the Wells hall palama-chads who recently serenaded Mayo hall.

With the growth of the shrubbery around the dormitory, the darkness of the long walks became too much for the co-eds' nerves, and the buildings and grounds department obliged with lights. The light back of Dean Conrad's house was raised, and new lights were put up on the northeast campus at the corner of West Mayo toward the hospital, and at various other places.

Sphinx Honorary Entertains Girls At Rushing Party

Nineteen Junior Students Are Guests of Senior Group.

Sphinx senior girls honorary entertained several juniors at a rushing party at the Alpha Gamma Delta house last night. Mary Elizabeth Boyce and Helen Abbott were in charge of the affair.

Guests were Dorothy Gilbert, Virginia Kamp, Marie Verhelst, Rhoda Garland, Gertrude Rodney, Angelica Rodney, Jane McClellan, Margaret Miller, Barbara Bradford, Barbara Adrich, Jean Kreeger, Carlotta Lamb, Marian Tobey, June Francis, Mary Louise Haliman, Marguerite Hoyt, Marguerite Palms, Elizabeth Johnson, Esther Lieberman, Helen Ellis and Marion Goodchild.

Junior women elected to membership in the organization will be tapped at the Lantern Night ceremonies June 4. They are selected on the basis of scholarship, leadership, character, and service.

COLLEGE BULLETIN

Seniors—Get your Wolverines by Thursday. No more given out after that.

All college elections will be held on Thursday, May 31.

Tickets for reserved seats for Homecoming and Commencement exercises may be secured by members of the graduating class at the registrar's office.

Seniors graduating in June will follow the regular class schedules up to noon of June 2. Those whose average for the term in any class is B or better are excused from final examination in the subject.

Students who have second hand books at the Union desk which are not going to be used in the classes next term are asked to call for them not later than this week. All obsolete books which have not been claimed by them will be sent to a book-burning company. Those books which will again be used at Michigan State in the fall will be kept in the Union and offered for sale fall term.

Baseball game with University of Michigan Wednesday, May 30 at 4:10.

Senior Swingout, the first of the general Commencement activities, will be held at 7:30 p. m. on Thursday, May 31.

17-15 permission for co-eds to-night because of Memorial day tomorrow.

Absentees immediately preceding and following Memorial day will be counted as double cuts.

MEMBERS OF ORCHESTRA ATTEND DANCE RECITAL

Members of Orchestra, honorary glee club recently made a recital given by Delta Humphrey trip to Ann Arbor to attend a dance and Charles Widman. Two groups went one on Monday and one on Thursday. The program was varied, although some of the numbers were repeated.

The society held a dance recital in the studio Tuesday evening, May 22. Several lovely numbers were presented. The Big Bad Wolf was outstanding among the comic numbers, while Three Pictures, among the dramatic numbers, presented by Virginia Dwyer, was especially popular with the audience.

DEAN DYE MAKES ADDRESS

Dean Mark Dye of the home economics department spoke on the subject "Homemaking in Foreign Lands," in Muskegon Saturday. Three hundred women who were completing extension courses in nutrition and child training attended the meeting. Six hundred women are taking courses in home economics extension.

New Occupants Now in Charge of Practice Houses

A new group of girls moved into the home management houses Sunday. They will be there until the end of the term. The girls in No. 6 are Edith Milarch, Caroline Chapel, Virginia Poczki, Dorothy Kohler, Jean Mansfield, Margaret Mast. One of the children who has been living in the home economics apartment is going to live at No. 6. With the growth of the shrubbery around the dormitory, the darkness of the long walks became too much for the co-eds' nerves, and the buildings and grounds department obliged with lights.

Home Ec Club Installs Officers

The annual banquet of the Home Economics club was held May 23 in the Union ballroom. At that time the new officers were installed and the H. E. club scholarship was awarded. Miss Zuel, president of the National Home Economics association and dean of home economics at the University of Iowa, was the guest speaker.

STATE BORROWS DR. THRUN

Dr. Thrun of the economics department who was recently loaned by the college to the state tax commission, is making a tour of the upper peninsula reviewing mine assessments with the tax body. They are also meeting with the county tax allocation boards of the upper peninsula.

PLANTERS MAKE TRIP TO INDIANA

Nursery Students Guests of Ind. Conservation Dept.

Eighteen students under the supervision of J. L. Van Camp, nursery head, went to Indiana where they spent four days inspecting the Indiana state forests, nurseries and CCC camps. The purpose of the trip was to acquaint the students with the different forms of production of forest seedling trees for forest plantation and for planting in the fields.

The trip which is a part of the regular course in seedling and planting offered by the college, is sponsored by the Conservation department of the state of Indiana. The following students took the trip: D. A. Craig, L. B. Culver, H. M. Davenport, S. E. Elsenburg, H. J. Peiz, L. E. Glasscock, J. C. Hanson, R. W. Kinsley, K. S. Lindeman, T. C. Mason, G. L. Meade, F. E. Philippe, W. C. Rysberg, P. C. Schroeder, F. S. Salsby, J. E. Spoelstra, M. H. Utter and J. W. Wood.

SUMMER SCHOOL HOLDS EXTENSION

With the education and extension departments cooperating, an innovation is to be introduced into this year's summer session. To enlarge the scope of the summer school a course in methods of teaching, and vocational and educational guidance is to be presented at St. Mary's high school in Lansing for a class of about twenty-five men from Lansing and neighboring communities.

Forestry Dept. To Grow Trees

Plans to Plant 15,000 Trees Announced by R. H. Westveld.

Plans to grow 15,000 trees, and to experiment with fence posts on the W. K. Kellogg reforestation tract were announced by R. H. Westveld, assistant professor of forestry who left for Augusta, Mich. recently to direct experimental work on the 280-acre reservation.

Various types of woods, which will be used in forest planting, lumbering and as Christmas trees, are to be planted on this tract. The different species include white pine, Norway pine, western yellow pine and Norway spruce. In the fence post experiments, 12 fence posts of different species of trees will be used in an effort to determine their durability and hardness.

TO FINISH CWA PROJECTS UNDER WAY AT COLLEGE

Work has been resumed on the unfinished CWA projects according to word received from Secretary Halladay's office yesterday. Approximately 60 men are now employed. Their tasks include the construction of water mains, completion of the piggery and the construction of the drafts of the college farms. The ground in front of Demonstration hall is being graded and seeded so that it may be used as the pasture ground again next year as in the past. The field in front of the gymnasium is being used as a temporary drill ground. Another landscaping improvement has been broadened about by the removal of the blue sand hill back of the pine nursery in the rear of Demonstration hall, thus making the pipes visible from the late back of the stadium.

STUDENTS POPULARIZE LIBRARY AT BROWN U.

A teaching policy which encourages wide reading at Brown university has resulted in a 50 per cent increase in the use of the library at that university in the last three years, according to a recent report by Henry B. Van Hoesen, librarian. Nearly 200 more students are making daily use of the library's 30,000 volumes, particularly the new addition of 5,000 outstanding books purchased through a grant of the Carnegie corporation. Special collections are being used more frequently.

There were 8,153 more student visits to the library during the past semester than there were during the preceding semester, Mr. Van Hoesen's report shows.

All the Lits are having fits. Rem-A-Bike; they are the kids.

A. A. U. W. ELECTS FOUR NEW OFFICERS

At the last meeting of the local A. A. U. W. group the following officers were elected to serve for the coming year: Miss Ruth Bowen, president; Mrs. Neil VanEenen, vice-president; Miss Carolyn Cook, secretary; and Dorothy Stophlet, treasurer.

The very last meeting of all the A. A. U. W. sections will be that of the book section meeting at the home of Mrs. N. A. McCune Wednesday evening at 7:30 o'clock. Mrs. B. H. Roseboom, who is in charge of this group has announced the subject as "The Scriptbook."

The clean Center Leaves are the mildest leaves

They Taste Better!

WE like to tell about the finer tobaccos in Luckies—the choicest Turkish and domestic, and only the mild, clean center leaves—they cost more—they taste better. Then "It's toasted"—for throat protection. But we're just as proud of the way Luckies are made. They're so round and firm, so free from loose ends. That's why Luckies "keep in condition"—do not dry out. Luckies are always—in all ways!—kind to your throat.

THESE ARE THE MILDEST LEAVES—THEY COST MORE—They Taste Better

Michigan Invades Spartan Lair Tomorrow Afternoon For Return Engagement

Kobmen Will be Gunning for Revenge in Tackling Wolverines in Second Contest; Indiana Pushes Three Runs Across in Tenth Inning to Defeat Spartans 5 to 2.

By TOM O'BRIEN Sports Editor

With none too pleasant memories of the 13 to 3 shellacking handed out to them at Ann Arbor several weeks ago, the Spartan baseball men will be out for revenge Wednesday afternoon in colliding with Michigan's Wolverines on their own premises at 3 o'clock.

As "Whitey" Wiestert, giant righthander, performed his chores against Indiana Saturday in spinning a 4 to 2 triumph against the Hoosiers, Patchin will probably decorate the mound for Fisher's men. Patchin was the young man who tamed the Spartans bats at Ann Arbor.

BACHMAN'S MEN TO TRAVEL FAR

1934 Eleven Will Ramble Over Eight Thousand Miles This Fall.

Michigan State's fighting eleven in taking to the road this fall makes a serious bid for Notre Dame's title of "The Ramblers." The men of State will really catch up on their geography during their travels this year as they roll over 8,000 miles across eastern, western and southern plains.

A tenth inning attack which netted three runs gave the University of Indiana a 5 to 2 triumph over the Spartans on the college diamond Friday afternoon. Held in check the first nine innings by the stellar hurling of Alan Kronbach, the visitors broke out with a rash of base hits in the extra inning to give them victory.

The Spartans held a two run margin before the Hoosiers rallied with two out in the fourth. Fielder went to second on Howie's single through short and counted when Kronbach whiffed a hit to right. Irv Bartling opened the sixth by firing a single to left, was sacrificed to second by Fielder, pilfered third, and scampered home when Howie rifled a hit into center.

The Spartans held a two run margin before the Hoosiers rallied with two out in the fourth. Fielder went to second on Howie's single through short and counted when Kronbach whiffed a hit to right. Irv Bartling opened the sixth by firing a single to left, was sacrificed to second by Fielder, pilfered third, and scampered home when Howie rifled a hit into center.

Bartling's error helped Indiana to knot the count at the seventh. McLaughlin, pinch hitting, drew a walk and Howie drove a triple to right field. Bartling threw into the screen when he took McCann's relay. State threatened in the 10th but the rally fizzled out.

INTER-FRAT TILT SET FOR TONIGHT

Ties and Sigma Nus Play for Baseball Title.

The game scheduled between the Ties and the Sigma Nus for the championship of the inter-fraternity baseball league has been postponed from Monday evening to tonight at 8:30. Ed Kramer will hurl for the Ties and Featherly will offer his slants for the Sigma Nus.

Both clubs have played sensational ball all year and have pulled through a number of close contests. The game should prove to be a thriller as both fraternities are natural rivals and there is little love lost among the two outfits. A number of personal grudges should go along toward making the game one of the best in the history of the inter-fraternity baseball league.

Another sidelight is the fact that just last week the Ties tennis team took the measure of the Sigma Nus team in straight sets in the finals of the inter-fraternity tennis league. The Sigma Nus are anxious to atone for this stinging defeat and will be in there gunning for the fast traveling Tie outfit.

M. S. C. ENGINEERS A. S. M. E. GUESTS

Three Schools Represented at Detroit Meeting.

A group of student members of the local chapter of the American Society of Mechanical Engineers together with Dean H. B. Durks and Professors Reuling, Field and Bratlin of the engineering department, went to Detroit Thursday, May 17, to be guests of the Detroit section of the A. S. M. E. There were also students and faculty members from the University of Michigan and the University of Detroit present. The program consisted of inspection tours through the Plymouth motor car plant and the Goodrich Rubber company plant.

Several house managers have indicated that they are in favor of the co-operative buying idea, but state that they want to wait until the organization is under way and transacting business before they join. Such an attitude resembles that of the society matron who asserted, "Nobody ever gets to the Joneses until everyone else is there."

NETMEN KEEP RECORD FREE FROM DEFEATS

Extend Victory String With Three More Triumphs Over Week-End.

By JIM HUGHES

Western Conference Champions Fall Before Undefeated Spartans.

Some of the best tennis ever played on Michigan collegiate courts gave the Michigan State tennis team victories over three Big Ten schools in the past few days.

Yesterday the net men scored a convincing 5-1 win over the University of Chicago, Big Ten champs, after defeating the University of Michigan last Friday and Ohio State Saturday.

The score of the Michigan match was 7-2, while the Rocky score was 5-1. This week will see the finish of competition for all of the teams in Michigan, with the holding of the annual Intercollegiate here starting Thursday. Every college in the lower peninsula has been invited to send men to the tourney, so a large draw is expected.

The major victory over the past few days was the triumph over the University of Chicago. Hosts of the Big Ten singles and doubles championship along with the team championship, the Big Ten team here scheduled as the one team that would force the Spartans to take a trimming, and like it. However, the Green and White tennis pulled through with some real tennis to see the match up in the singles, and then enjoy times in the doubles.

State opens up with Grinnell here at East Lansing. The second game the boys will meet is run up against the national champs, and also state's traditional rival, as they take Michigan on in their own back yard. The following Saturday Howard Harper brings his mighty squad from Carnegie Tech here for the second time in two years. Last year's contest proved to be a useless tie as the officials went to sleep while Jim McCrary scored. The fourth game of the season the squad will ride the rails to New York city and do their best to put the high sign on "Cluck Meekins' Manhattan eleven. The game will be played in Flatbush, at the Brooklyn field, the home of the Brooklyn Dodgers and will be accompanied by the characteristic Meekins ballyhoo.

Homecoming brings the boys back to East Lansing to engage Marquette university, a team which promises to be one of the strongest in the Midwest this fall. They will also be out to avenge the 6 to 0 defeat handed to them by State in Milwaukee last year. In order to escape the excitement following homecoming the team will again entrain for the east and continue their rivalry with Vic Hanson's Orange eleven at Syracuse, in a game which promises to be a thriller as ten veterans of Syracuse's 33 team will be in the harness again this year.

Returning to East Lansing, the State squad will rest awhile and then prepare for Gus Doran and his traveling circus with every man a star. A win over Detroit should be very sweet indeed as the Titans will be exceptionally strong again this year. The eighth game calls for new scenery as the squad swings westward across the Mississippi into Lawrence, Kan. where the state university of the Sunflower state is located. Kansas defeated Notre Dame last fall and will be plenty tough again this year. Another week's rest and the Ramblers go south and play Texas A and M in San Antonio on Dec. 8. This completes the 1934 schedule as the gridiron giants come north once again to revel in the snow flurries and pleasant Michigan climate.

NATIONAL SPORT SUMMARY

By JACK WARNER

PRESTWICK, Scotland—W. Lawson Little of the United States, won the British amateur golf championship Saturday by defeating James Wallace of Troon, by the record margin of 14-13. He is the first American to win the championship on his first attempt. Bobby Jones himself could not have survived the rain of 3 and 4, which Little fired at his opponent. Little's score of 66 for the 18 holes is the best score ever turned in at Prestwick. His opponent failed to take a single hole, which is also quite a record for the British amateur championship match.

NEW YORK—And here's news for the boxing fans. Barney Ross, the rapid fire little Jewish boy, took the championship crown from the head of Irish Jimmy McLarnin last night to continue the jinx on the welterweight title. McLarnin trusted implicitly in an explosive right fist, weight advantage, and experience, but Ross was far too fast. The Irish mauler didn't have much of a chance to connect, and Ross won a 14 round decision. There has never been a welterweight fighter who successfully defended his title, and so the jinx still hovers. Barney Ross is regarded as the greatest lightweight since Benny Leonard, but will he be able to beat the old custom of promptly being shorn of his laurels as soon as they are won?

DETROIT—The Detroit Tigers kept their promise to the fans when they handed out a 12-6 lunking to the Boston Red Sox Marberry went in for the Tigers in the fourth, and finished the game. This is the third straight win for Detroit in their series with Boston, and once again the prospects look bright.

STATE FRESHMEN TAKE FINAL GAME

Defeat Battle Creek 11 to 4 to Finish Season.

Playing the last game of their season, the Michigan State freshmen defeated the Battle Creek high school Monday by a score of 11-4. Paynich, pitching for State, allowed only two hits while Hyslop was touched for nine safeties by the Irons. Both teams played ragged ball in the field, State committing six errors to five for Battle Creek. The only home run of the game was by Nevilus of State.

Batteries for the game were Paynich and Kuhn for State Hyslop and Orms for Battle Creek.

STATE SCORES NINE POINTS IN I. C. 4-A. EVENT

Tom Ottey Takes Third in 3000 Meter Run at Philadelphia.

By JACK WARNER

With four men placing out of five entered, State's track team gave a good account of itself Saturday in the annual I.C. 4-A meet held in Philadelphia.

Tom Ottey, entered in the 3,000 meter run, placed third to give State three points. Tom set the pace for the entire race but was beaten out in the last lap by Crowley of Manhattan and Frank Nordell of N. Y. U. The fact that Nordell was used as the standard of measurement instead of yards confused quite a few of the runners, especially the distance men.

Wes Hurd was another State man who captured a third place. Wes ran against the cream of the country in his event but beat out all except Bill Bontrou, Princeton's great athlete, and Gene Venzke, holder of the world's record for the mile run indoors. In this meet Bontrou scored a double victory, winning both the 1500 and also the 800 meter run.

Otto Pongrace ran into tough luck in the 800 meter run when he finished only a yard behind Bontrou but only got fourth place. The runners were so close together in the finish of this race that two yards would have covered all of the place winners. Ray of Manhattan college took second place about a foot behind Bontrou.

Cleo Beaumont added to State's total with a fifth in the javelin throw. Odell of Manhattan was the winner of this event with a toss of 200 feet 4 5/8 inches. Beaumont's toss was 180 feet 10 3/4 inches.

Willie Hart was the other State man who made the trip. Willie was entered in both the 100 and 200 meter dashes but did not qualify. Willie was slowed up a little by the muddy field which prevailed in both the preliminaries and also in the finals.

The winner of this meet was Stanford university of California with 35 1-4 points. Yale was second with 25 1-2 points and California third with 20 points.

TENNIS JOTS

One of the largest tennis galleries in the history of the school turned out for the Chicago match Monday afternoon, and was rewarded by a great exhibition of tennis put on by Stanley Weitz and Max Davidson, Western Conference champion.

By JACK WARNER

Weitz' blistering two-handed forehand and crisp backhand shot drew the plaudits of the gallery continuously. The Spartan co-captain harried the little Chicagoan with a fantastically chop stroke that he intermingled with his drives.

One could hardly ask for better sportsmen than the Chicago players. Playing before a highly partisan gallery, the Maroon performers never questioned linesmen's decisions.

"Blondie" Farleman, erstwhile Spartan tennis star, was kept busy broadcasting the match. Those who had radios in their cars sampled Farley's broadcasting by listening to and watching the matches at the same time.

A photographer aroused the ire of Coach Ball when he came inside the courts to snap Weitz and Davidson in action. But he folded up his camera when he saw the disturbed Spartan mentor coming in his direction.

Rex Norris made a gallant comeback in winning the last set, deciding set. Down 5 to 2, Norris finally fathomed Weiss' sizzling shot, to sweep the next five games and the match.

Construction work on the Chittenden Memorial an attractive 28-48 log cabin to be erected at the M. S. C. nurseries began this week according to A. B. Bowman of the forestry department. The memorial will be built as a tribute to the memory of Professor Chittenden, who died in 1926.

This project is made possible through the generous donations of forestry alumni and forestry students. Those students who are not able to aid financially are contributing their time by working during spare hours on the building.

Ben VanAlstyne will be in complete charge of all basketball work by its men.

Five men retained their titles and one tied again. Brown, Yale's great pole vaulter, tied for the title last year and also this year.

Michigan State was 11th in the team standings with a total of 9 points.

STATE COACHES CONDUCT CLINIC

Potoskey to be Site of First Annual Coaching School.

By HARRY WISMER

Michigan State college announces the first annual summer coaching school to be held in Potoskey, Michigan's summer playground, from Aug. 20 to 29. Coach Charles W. Bachman is in charge and will be assisted by Miles W. Casteel, Ben VanAlstyne and Tom King.

Potoskey makes an ideal spot for a coaching school, as it is pleasantly situated on the beautiful shores of Lake Michigan, and is generally recognized as the finest resort in Michigan. Students enrolled in the coaching school will find plenty of chance for diversion from their daily tasks in the form of golf, swimming, tennis, boating, all descriptions, lake fishing and all trout fishing in some of the finest trout streams in the United States.

Bachman Heads Staff

Charles W. Bachman will instruct the pupils in all the leading systems of football play, including the Notre Dame system, Warner system, both double and single wing back, and variations of other systems employed by leading coaches in the nation today. Instruction in blocking, tackling, passing, punting, strategy on the field of play, will also be given.

Coach Bachman is well qualified for this position as he has worked in several schools of this type during the past 15 years, having coached schools in both Kansas and Florida which were recognized with the leading ones in the nation.

Castell on Backfield

Miles "Mike" Castell will offer expert instruction in backfield play and also track. Mike has handled the backfield at State for a number of years and is largely responsible for the development of such stars as Roger Grove, Bob Monnett, Abe Elowitz and a number of other famous bright lights of the gridiron. Mike has assisted Coach Ralph Young in track for the last ten years and also knows that branch of sport thoroughly.

VanAlstyne Teaches Basketball

Ben VanAlstyne will be in complete charge of all basketball work by its men.

Five men retained their titles and one tied again. Brown, Yale's great pole vaulter, tied for the title last year and also this year.
