SORORITY PLEDGES SET NEW RECORD

CARDINALS MAUL TIGERS IN SERIES FINAL

Dizzy Dean Subdues Detroit as St. Louis Pounds Out 11 Runs

Aker, Rowe, Hogsett, Bridges, Marberry, and Crowder Fail to Stop Onslaught as Cardinals Pounded Out 17 Hits and Won Seventh Game by Wide Margin.

Frankie Frisch's St. Louis Cardinals decisively whipped the Detroit Tigers in the final game of the 1934 World Series held at Navin Field today. Hammering Eldon Aker for three runs in the third inning, they then pounded schoolboy Rowe, who relieved Aker for two runs and Elton Hogsett took up the Tiger's burden.

Cochrane apparently crossed up the Cardinal team by starting the slim left hander, Aker, and the second inning looked like the battalion of death was back in action. Owen to Gehring to Greenberg was the first double play since the Tigers' unbroken Aker was weakened however and Cochrane was forced to put on the parade of pitchers in the third.

A play by play account of the game follows:

FIRST INNING
Pepper Martin first up struck out. Rothrock doubled to center field. Frisch flied out to Rogell. Medwick poked an infield fly to Owen. No runs, no hits, no errors.

White with the count one and one grounded to Frisch and was out at first. Cochrane grounded to Frisch who threw him out at first. Gehring hit a long foul out to left field. He was out on a long drive to right field. No runs, no hits, no errors.

SECOND INNING
Collins singled sharply to White. White bobbled the throw-in, but Collins stopped at first. Delancy hit into a double play. Owen to Gehring to Greenberg. Orsatti singled to right field. Durocher hit Orsatti with a stealing second. Cochrane to Gehring. Two hits, no runs, no errors.

Goslin hit the first ball to Collins who threw to Dizzy Dean covering first for the put-out. Rogell hit Durocher at short who threw low as Rogell was safe at first on Durocher's error. Greenberg struck out. Owen grounded to Martin who threw to Frisch at second forcing Rogell. No runs, no hits, no errors.

THIRD INNING
Durocher was out on a long fly to Joe White. Dean stretched a long drive to left field into a double. Pepper Martin rapped the first ball for a long fly. Martin was safe at first on a slow ground out. Greenberg as Aker covered first. Dean took third on the play. Martin stole second on the first pitch as Cochrane's throw to second was in the dirt. Rothrock took first on a pass. Frisch up. With the count two and two, Frisch then batted three times before doubling to right field. Three runs came across the plate on the play. At this point schoolboy Rowe replaced Aker. Medwick was out on a grounder. Rogell to Greenberg for the second out. Frisch went to third. Ripper Collins hit the first ball pitched for a single. Frisch scoring from third. Collins scored from first on Delancy's double to right field. Hogsett took up the pitching duties for Detroit, replacing Rowe. Orsatti the first man to face the Chief, walked. Durocher singled to right field, hitting the bases. Dizzy Dean hit a grounder to Owen who was unable to make a play. Delancy scoring from third. It was Dean's second hit of the inning. Martin walked, forcing Orsatti across the plate. Tommy Bridges, the fourth Tiger hurler to face the Cardinals in this inning, faced Rothrock with the bases loaded. Rothrock hit a ground ball to Rogell who retired the side with the throw to first. Seven runs, seven hits, no errors.

FOURTH INNING
Frisch grounded to Gehring who fielded the ball cleanly and threw him out at first. Medwick drove one deep into right field where Fox caught the ball for the second out. Collins singled to right field. His third single of the game. Collins was forced at second when Delancy grounded to

FROSH PLEDGES TO ATTEND ALL GAMES IN BODY

Freshmen to Meet at Union at 1:30 P. M. on Coming Saturday.

MORE NEW MEN LISTED

Frat Men Guests at Other Houses to be Continued This Year.

All fraternity freshmen will meet at the west door of the Union promptly at 1:30 p. m. and march in a body to the Carnegie Tech game this Saturday, according to an edict laid down by the Interfraternity council in its regular meeting last night. President Pendell announced that the individual houses would be responsible for a 100% turnout of their freshmen for this game.

The council also voted to continue the plan of having various members of the different fraternities as dinner guests at other houses during the coming year. Walker, Sigma Nu, was charged with drawing up the list of the various host houses and their scheduled guests. Briefly the plan is to have two members of each fraternity as guests at some other fraternity one night a week.

A motion was made and unanimously accepted that no member or pledge dropping from any house can be pledged to any other house until their house bills at the previous organization have been paid in full. This step was made to fore-stall any attempts being made by individuals of "working" a fraternity for a nice bill and then dropping from the organization. Inasmuch as the college co-ops with the fraternities in withholding credits until board bills are paid this rule was included in the Council to protect the fraternities in their normal chapter bills.

Pendell Named Delegate

President Pendell was nominated and accepted as the regular representative of the Michigan State Interfraternity Council at the coming national Interfraternity Council convention in New York. Roger Kenyon, secretary, was also selected as alternate.

An informal discussion of the rushing rules and penalties for violation was climaxed by the suggestion that the fraternities try to attempt to combine the pledging of unsuitable members and to prevent high-pressure of freshmen. Tom Warner, Hermitan, presented arguments for this system and Walker, Sigma Nu, offered alternate suggestion of the University of Michigan system. The members were urged to sound out their own houses on this matter and report results to the council.

Additional men have been pledged to the following houses:

Phi Kappa Phi—John Cray, 36, Detroit; Frank Olds, 36, Yale; Gerald R. Cox, 36, Detroit; William H. Knight, 36, Elsie Roswell Green, 38, Yale; Franklin H. MacNaughton, 38, Mulliken; Hunter L. Stockton, 38, Yale; Noel K. Jepson, 38, Saranac; Jerry Hakiga, 38, Ovid.

Hesperian—John P. Kellig, 38, Buffalo; N. Y. Paul Ford, 38, Buffalo; N. Y. Hartley Finstrom, 36, Buffalo; Robert Manning, 36, Lansing; Richard Edwards, 36, Dismonds; Walter Backus, 36, Wyandotte; James Carpenter, 36, Grand Rapids.

Hesperian—John P. Kellig, 38, Detroit; Granville Horton, 38, Huntington, N. Y.; Albert Theiler, 38, Grand Haven; Charles Suterby, 38, East Lansing; Robert Shasberger, 38, Lansing; Robert Refor, 38, East Lansing; Watson Page, 38, East Grand Rapids; Jere Kimball, 38, East Lansing; Robert Dodge, 38, Flint; Ross E. Handy, 38, East Lansing; Donald Gezon, 38, Grand Rapids; W. G. Dahlberg, 38, Lansing; Henry E. Buell, 38, Lansing; William Bell, 38, Lansing; Frank R. Allison, 38, Plymouth; K. H. Misner, 38, Sheridan.

Spartan Day Celebration Heightens Roaring Spirit

Speeches by Coaches and Players, Union Dancing and Whole-hearted Cheering Feature Annual Demonstration.

Cutting was unlimited, and since the fresh are wise to the system by now, campus romances were totally disregarded and at the heat of the fray even Quella was seen alone.

Spencer Conducts Demonstration
An hour later the demonstration led by Carlton Spencer, head cheerleader, drew the enthusiasts out of the ballroom and down to the gymnasium where the band played the Fight Song and the Alma Mater, the cheerleaders led increasingly loud cheers and the raucous and members of the team gave short talks.

Ralph Young, director of athletics, opened the speaking with a general discussion of the reasons given for State's victory and a conclusion that the result was attributable only to the fact that we had a superior coaching staff and team. He commented on the receipt of telegrams from such distant points as San Francisco and Honolulu and asked his own congratulations to those of a multitude of alumni and friends.

At 9:00 the dance began to the music of Red Drennan and his Collegians. Being the affair drew twice as much as a capacity crowd. In fact, there was a capacity dancing crowd and a capacity stag

SENIORS TO PAY \$2 FOR ANNUAL OFFICERS WILL PICK SPONSORS

Class Votes for Plan at Meeting in Physics Laboratory.

The senior class, at a meeting held yesterday afternoon in the Physics building, voted to pay two dollars of the total cost of the 1935 Wolverine for every yearbook purchased by a senior, whether bought before or after December 1. Thus, if a senior signs for a Wolverine before that date, the cost to him will be only \$1.75, after that, the price will be \$2.25.

Despite the aid being given by the senior class treasury, any senior who signs to purchase a Wolverine at this reduced rate may be counted by his or her fraternity or sorority under their plan to sign up 100 per cent of the active members and thus save money for their society.

Appointments for photo work are being constantly sent out to the classes at the rate of 100 a day, and 54 individual photos were taken yesterday. Those who are unable to keep Wolverine appointments are instructed to call at the studio of Photographer Versteis on the fourth floor of the Union at their earliest convenience.

Representatives of the societies who are handling the sale of Wolverines in their respective houses are urged to register on the sheet posted outside of the Wolverine office on Wednesday from 8 to 5.

Twelve Sororities Ribbon 156 Co-eds; Give Pins Thursday

Total Number is 47 More Than Last Year; Kappa Alpha Theta Leads With 28, Followed by Chi Omega with 25 and Alpha Chi Omega With 22.

Setting a new all time sorority pledging record, individual societies today reported that 156 co-eds had taken ribbons. This figure dwarfs the new high of 109 pledged by female Greek letter organizations last year and points to a prosperous future among the societies on campus.

NEWS HEADS TO ATTEND CONVO

Palmer and Montgomery Will Represent State at Meet in Chicago.

Charles Palmer and Donald Montgomery, managing editor and business manager respectively of the Michigan State News, will leave tomorrow evening to attend the combined convention of the National College Press and the Associated Collegiate Press associations at Chicago.

The convention will open Thursday and continue until Saturday evening, October 11 to 14. The convocation has been given the hearty endorsement of scores of prominent Illinois personages, among them being Mayor Edward J. Kelley of Chicago, Governor Horner and Rufus C. Dawes, president of the Chicago World's Fair, who has extended to the collegiate journalists the freedom of the fair, and has designated October 11 as National College Press day.

The members attending the convention will be the official guests of DePaul university, situated in Chicago, and the students of this institution will have much to do with the entertaining of the visiting delegates. The program as arranged now provides for registration of those attending a tour of the city of Chicago, a tour of Chicago's famous newspaper plants, editorial and business meetings, witnessing of a night football game between the unbeaten DePaul university team and Dayton university, a luncheon at the Century of Progress and a tour of the fair grounds, and a final banquet on Saturday.

CHANGES LISTED IN ENGLISH DEPT

Increased Enrollment Necessitates New Class Rooms.

Due to the greatly increased enrollment this fall, the English department under the supervision of Prof. W. W. Johnston has found it necessary to make several changes. Many sections were so large that in order to have adequate room and convenient studying facilities for the students the department has had to split several of the sections. A new teacher will be added to the staff in the near future.

Professor Johnston, who is also chairman of the Students' Lecture Course for 1934-35, has announced that the first lecture will be given October 11, by Amelia Earhart, the first woman to fly across the Atlantic alone. Her subject will be "Aviation" and will include the story of her trans-Atlantic flight. Miss Earhart, who in private life is Mrs. George Palmer Putnam, is an accomplished speaker. This being the first lecture, it is anticipated that a capacity crowd will take advantage of the opportunity to hear the famous aviatrix.

There are more than 20,000 chemists who hold membership in the American Chemical Society.

The Spartan Spoofer

After all these years it is our privilege to toast the best team Michigan State has produced in 19 years.

When Bachman's varsity, and incidentally we think he has two varsities, invaded Ann Arbor Saturday and squelched the Marz and Blue with a score that began to look like democratic returns in Alabama, they proved beyond any doubt that Michigan State can not only equal any Big Ten records but can compete with the best football teams in the country.

Michigan State: A Grouping Institution— Michigan State has, since the faculty and Student Council declared a half holiday with classes resuming at 1:00 in the afternoon on the following Monday.

They stated that the institution had outgrown the childish habit of openly revolting and refusing to go to classes. And the request for time was granted by the administrative board.

So far, 27 women have signed up for the women's glee club, of which Miss Frances Pearl is temporary director, due to the illness of Miss Josephine Kackley, whose policy it has been in the past to limit the membership of the club to good voices.

Exclusion of men's and women's glee club ensembles, the Michigan State college chorus has 110 students registered. The first two groups are required also to take chorus and with the addition of those the total enrollment at present is 229.

The university supporters presented a picture of gloom unparalleled in Michigan history down there in the Yost stadium as a speedy team that looked small in their newly acquired moiré long-sleeved shirts and around the home-town supermen, until they were dazed and built up the wind effect for Michigan in two days' time.

And now for the compliments Russ Reynolds, doubts quarter who has had nothing but tough breaks in the past finally overcame his jinx and played as clever a game as we have seen in a long time. Warmben, who was called "lucky" by many last fall, finally proved that he has All-American caliber if he keeps up his super-triple threat footballing.

Head Coach Charles Bachman came next with a droll humorous discourse on college sentiment before and after the game. When he first arrived at Michigan State, he declared, he was confident that the Spartans were capable of beating Michigan if they could only overcome a mental hazard over Michigan's supposed "superman" power.

Spartans Celebrate Michigan Defeat With Victory Dances At East Lansing and Ann Arbor

Union Party and Fall Opening of Popular Coral Gables Draw Big Crowds; Sororities Ribbon Large Number of Girls Monday Evening; Entertain Numerous Guests.

With Red Drennan's music at the Union and the fall opening of Coral Gables last Friday night, Michigan State's socially inclined made a fine start on one of the biggest week ends in State history in a long, long time. And then Saturday evening and far into the night there were those celebrations at Ann Arbor which turned out to be Victory parties for the men and women of State.

It atmosphere means anything, Coral Gables is slated to become more popular than ever with the student body this winter. The ballroom has gone entirely modernistic, with a new fountain and tap room added. The lighting effects are superb and the opening band great, and the best part of it all is that there will be dancing every night except Monday and Wednesday.
