## Mud Hampers State Attack; Pass Beats Kansas at Lawrence

Outweighed by Bulky Kansas Line, Spartan Forward Wall Out-plays Jayhawkers Both On Offense and Defense to Win Handily 6 to 0.

By JACK WARNER

Playing in mud for the first time this season, the Michigan State Spartans defeated the University of Kansas Jayhawkers last Saturday by one touchdown, the only score made during the game.

The State line, badly outweighed by the bulky Kansas forward wall, got a strong foothold in the slime and outplayed the Jayhawkers on the offense and defense. It was the strong play that enabled Warmen to uphold his side of the kicking battle with Harris, and the line which kept Kansas players from smothering Warmen as he passed to Kiewicki for the winning points.

After holding the Kansans in check for the first 12 minutes of the first quarter, the Jayhawkers took the ball on the 49 yard line. Warmen received the ball, faded back and heaved a 20 yard pass to Kiewicki who evaded White Kansas safety and went over for a touchdown.

Brandtletter, the State fullback, attempted to add the point after touchdown but the kick was blocked by Peterson, the Kansas right tackle.

The Michigan State backfield had all the advantage over Kansas. Although they were outplayed at times they have been in most of their games this season. They were last in starting and behind goal interference. Colina, Warmen, and Brandtletter clashed off the Kansas tackles for gains of eight to 15 yards. State made a total of seven first downs to five for Kansas, and gained 126 yards from scrimmage while Kansas passed only 94.

It was a great day for punters of high teams. Although Harris, of Kansas, got more yardage Warmen was playing his kicks with more accuracy. Harris kicked for a total of 772 yards with Warmen getting 796 yards.

Reynolds, the Michigan State punter, was one of the greatest punts. Running behind perfect interference, he almost got a touchdown on the third down. Several times before he almost kicked Harris' punts and returned them for long gains. Late in the third period he took the field for a 70 yard punt.

Willie, you would not believe how they told us a while back that we will have to come down to school the day after Thanksgiving an I says no, is that right an he says yes an what is more if we are not back after Thanksgiving why we will get a bunch of marks chalked up again on account of not being there. To start right off with you see Gus has not ever been away from home before, let alone to be away from Thanksgiving an it is going to be awful tough on him when the kids comes around to think of uncle Herman and aunt Minnie to home with the kids havin' a lot of turkey an duck an everything, specially since Gus himself took to school these here ducks quite a while.

## MORTAR BOARD INDUCTS SPHINX HERE SATURDAY

Attractively Decorated Student Parlors of Peoples Church Scene of Ceremony.

36 MEMBERS INITIATED

New Chapter Installed by Miss Katherine Kuhlman of Dayton, Ohio.

At an impressive ceremony in the student parlors of the Peoples church last Saturday afternoon, Sphinx, local honorary service society for senior women for the past ten years, passed out of existence when its members were installed as the Michigan State chapter of Mortar Board, national honorary service fraternity.

The student parlors were attractively decorated in silver and gold. Mortar Board colors, for the occasion which took place at 3:30 in the afternoon, with candles furnishing the light. The gold and silver theme was carried out in the table decorations and candelabra, a lace cloth over gold covering the table, upon which were placed two large silver bowls of yellow roses. Miss Katherine Kuhlman, installing officer from Dayton, Ohio, first installed the new chapter and then the six active members, followed by 30 alumnae members of Sphinx.

The six active members of Sphinx who were initiated into Mortar Board are: June Frances, East Lansing, president; Carolyn Lamb, Chicago, vice president; Esther Lockman, Grand Rapids, secretary; Virginia Virginia, Kansas, Zeeland, Elizabeth Johnson, East Lansing, and Barbara Aldrich, East Lansing, Lansing and East Lansing alumnae were also initiated.

## Have You Lost Anything? Try Halladay's Office

Bargains in Men's Furnishings, Ladies' Ready-to-Wear, Millinery and Books Reside in the Old Library Ready to be Claimed by Rightful Owners.

In a small room opening into the old library, a hidden stock of men's and women's clothing and books is waiting to be claimed. Secretary Herman H. Halladay runs what appears to be a cross between a Chinese Bazaar and the Ladies Aid Bazaar Sale on a slack day. The stock is there but there are no sales being made—in fact one must charter a guide to even get to the place.

This shop that sells nothing at all and has the strangest stock of any other department of the college, undoubtedly receives more unusual merchandise in broken lots than even the college store. Among the departments in this old and reliable firm of Halladay and Co. are men's furnishings, ladies' ready-to-wear, millinery, leather goods, optical supplies, new and used books, fountain pens and other school necessities. Although all of the stock is slightly used, there is often a large demand for it. At times the inventory reaches such staggering proportions that proprietor Halladay, philanthropic soul that he is, decides to give away nearly his whole supply to charitable institutions.

Mr. Halladay had not experienced one of these moods a few days before we gained entrance to the establishment, so the most choice articles on hand were none to good. Men's apparel consisted only of three jackets (a little the worse for wear) and a trench coat in very serviceable condition. The women's department had been newly cleaned out except for a few items.

## YOUTH SERVICE HOLDS MEETING

Professor L. J. Carr and Dr. Norton Speak Before Large Group in Union Friday.

Showing that interest had been aroused, the second convention of the Problems of Youth Conference held in the Union Friday, held over double the representation of last year, over a hundred representatives being present. The volunteers represented Y. M. C. A. and Y. W. C. A. members, recreation leaders, settlement workers, school teachers, parent-teacher organizations, college professors, students, ministers and others.

Professor L. J. Carr of the University of Michigan presented a summary of the problems which face the conference. His seven principal points were as follows:

1. Adjustment of home environment.
2. Over-stimulation due to the modern advancement in communication and transportation.
3. Economic need and insecurity.
4. Frustration of plans and ideals.
5. Lack of social investigation.
6. Community indifference.
7. Clash of values.

## NO MAN'S LAND

Reporter Traces Co-ed Prom.

No men allowed! Just the coeds trying to show their independence, but that was back in 1920 and maybe the college boys weren't all they are today. Anyway Dean Edmonds and the A. W. S. decided that there should be one all-co-ed night carried out as a masquerade ball. No other parties were scheduled, the gym was decorated to depict the four seasons, and the girls attended representing everything from the Fiji Islanders to George and Martha Washington. Ah, but this proved much too successful to please the Romans on campus so the following year when the little rover boys found they couldn't crash through the faculty guards at the door headed by Dean Huston, why they balked and peeped until they were down into the heating tunnel they went. Screams and shrieks from the gym. Lights. What's happened to the lights? Reconciled or bounced, no lads? Reconciled, of course, so the co-ed prom proceeded with a certain degree of smoothness for the next few years, progressing from a masquerade ball to a circus with a W. C. A. ring leader and stunts by the different organizations. But the fun stopped when the organizations made the freshmen represent them while they found a more pleasant way to spend the evening.

#### Politicians Mass In East Dorm of Mayo for Dance

Nate Fry's Orchestra furnishes music for party in midst of Political Decorations.

The final returns from the East Mary Mayo political party Saturday night have all been turned in, and a 100 per cent vote was cast for a huge success. Both the Republicans and the Democrats dropped their party warfare for an evening to give Nate Fry and his Senators the platform and he readily did well by it. The Stars and Stripes reigned over the party as they were draped from one light to the other, through the parlor into the dining room. Pictures of the candidates were posted in the lobby so everyone could suit his tastes. A couple of prominent ones were Mr. Phil O. Bluster and Mr. Bob Gizzler.

At the Dean's office, the first application for a room next year was received in the mail. The whole ten dollar deposit was there. Evidently the girl is anxious to get into the old Alma Mater, and we can't say as we blame her.

Alpha Omicron Pi announces the pledging of Dorina Sigler, 38, of Delmondale, and Marie Terry, 36, of Garret Park, Mid. Claudia Burkhardt, an alumnae of last year, came back to be initiated into Mortar Board last week-end.

At 12 o'clock Sunday night the Mary Mayones were started out of bed by the ringing fire alarm. Confusion reigned. Alarm clocks were smashed, only to find that they weren't the cause of the noise, and about two hundred sleepy girls marched down the back stairs out into the cold, cold night, only to find that it took them five minutes to all clear out of the building, and according to the fire chief, that was "way too much."

Much to the surprise of the force Alpha Gamma Delta announces the pledging of Jean Wat, 38, of Flint.

Miss Mary Walker, former house mother of East Mary Mayo, will be honored at a tea given Friday afternoon, November 30, from 4 to 5 p. m. at the East Mary Mayo hall. It will be given by the girls of the house, and will give to those who were associated with her last year an opportunity to meet her again. June Laughlin, 35, has charge of the arrangements.

The Kappa Delta sorority announces the formal pledging of the following three girls: Reva Stockman, 26, Lansing; Betty Heald, 26, South Haven; and Dorothy Petty, 26.

# Ottey Takes Third as State Harriers Lose Meet Last Saturday

## Spartans Lose to Indiana by One Point as Lash Takes First and Sears of Butler, Second to Nose Out Spartan Captain in Central Intercollegiate.

Indiana university, a newcomer to the annual Central Intercollegiate cross country run held here at Michigan State last Saturday, celebrated its entry into this event by winning over Michigan State, the present national champions by virtue of their victory in the I. C. A. A. meet in New York last week Monday, by the close score of 44 to 45. Don Lash, the ace distance star of Indiana, who once before this season led Tom Ottey of the Spartans to the finish line, came in a full 30 yards ahead of Ray Sears of Butler to nail first place. Capt. Tom Ottey was third, about 40 yards behind Sears.

The Spartans, defending champions in this meet, were barely nosed out by a strong Indiana team and showed a surprising amount of power in spite of their grueling six-mile run five days earlier in the week. Michigan Normal finished in third place with a team score of 56, with Butler in fourth position with a score of 74. Notre Dame trailed in the overall position with a total score of 114.

This defeat of the Spartans marked their first of the season and was undoubtedly due to the showing of their two stellar runners, Ottey and Nelson Gardner. Apparently the run at Van Courland Park took too much out of the lads and we also have an unconfirmed rumor that Nelson Gardner was bothered plenty by sleeplessness the night before the race, which was probably a large factor in his finishing in eleventh place after turning in such a brilliant record run in the East on Monday.

Lash's time of 26:05.3 fell away below the course record for this distance. Hobbs was the second Indiana man to cross the finish line for his team, runner third for his team in eighth position. This marked the second individual victory for Lash over Tom Ottey, having taken the first one in the dual meet with Indiana held during the half time at the Homecoming game with Marquette.

The Spartans turned in a remarkable showing in spite of their loss, winning a first in the national meet and a second in this Central Intercollegiate meet against such class as they have had to meet, and all within six days' time.

The second Spartan to reach the finish line was Eddie Beckwith who followed Hobbs, Indiana's second place man, and ran in sixth place. Johnny Hammer was the third Spartan to finish the race, placing tenth. The biggest surprise of the meet was the bad showing of Nelson Gardner, who generally runs close to Ottey's heels. Because of reasons already advanced, perhaps, Nelson finished behind Hammer in eleventh place.

Ottey, however, managed to vanquish one of his three rivals and led Bill Zapp, first runner for Michigan Normal, to the tape. Harry Werbin of Michigan Normal finished in seventh and third place winner went to Ned Rosenkrantz in ninth place.

Until this Saturday's win by Indiana the title for this meet had rested either with Michigan State or Michigan Normal. The Spartans won six out of the previous eight meets and Normal two. Last year the Spartans won the Michigan Normal meet with 67. Michigan Normal was second with 67. Notre Dame third with 74. Western State fourth with 90 and Ball State Teachers of Indiana fifth with 100.

Summarized the first twelve place winners were: first, Flash Indiana; second, Sears, Butler; third, Ottey, State; fourth, Zapp, Michigan Normal; fifth, Hobbs, Indiana; sixth, Reichold, Michigan State; seventh, Werbin, Michigan Normal; eighth, Robinson, Indiana; ninth, Rosenkrantz, Michigan Normal; tenth, Hammer, Michigan State; eleventh, Nelson Gardner, Michigan State; and twelfth, Griffin, Butler.

# BILLIARD EXPERT TO APPEAR SOON

## Johnny Layton Will Give Exhibition at Rainbow, Nov. 29.

Local billiard fans will again be entertained by another of the world's champions when Johnny Layton, present holder of the world's three-cushion billiard title, makes his appearance at the Rainbow Recreation on November 29 in connection with the national "Better Billiards" program. Free instruction to any one interested will be given by Layton from 7:00 to 8:00. At 8:00 he will give an exhibition, including a demonstration of the diamond system of which he claims to be the originator. Layton, commonly known as the "clown" of billiards, is one of a group of seven players scheduled to appear here during the six months' program. He appeared in this territory last summer after

By AL THEILER A Dope Chart on Michigan State's Opponents

While the Spartans are resting this week and are preparing for their last game of the season at San Antonio December 8, State interest will be divided among four encounters. Thanksgiving day will see three squads engaging opponents, and the U. of D. will wind up their schedule Saturday.

Although they played way above expectations in handing Duquesne a beating two weeks ago, the Tartans of Carnegie Tech can hardly be favored over Jack Sutherland's strong Pitt eleven. Both schools were idle last week, and although the Techs have come to the front after a string of mid-season defeats, the Panthers will probably hold too many guns.

Grimmell wound up a losing year with a victory over Cornell college 23-0. The Pioneers finished with a record of two victories and seven defeats.

Michigan, down at the goal line time after time, saw her chances to wind up a dismal year in victory fade in the form of incomplete end-zone passes or useless place kicks by Ward. Although they were clearly outclassed by the Wildcats, a touch of the old Wolverine scoring punch would have won this game for the Kippies.

Lou Little had installed a punch into his Columbia Lions, and they took advantage of breaks to nullify a stronger Syracuse attack to win 12-0. The Orange ran up more yardage and threatened more times, but the Rose Bowl champions crossed the final marker two times to provide another of the year's big upsets.

Detroit and Marquette met in the Hilltoppers' finale and the Titans were better muddlers and won second place in the Detroit-States-Marquette series. Washington State journeyed east this week to wind up a fairly successful season for Coach Dorais. The Congrats, strong enough to tie Washington U. in a scoreless game, will probably rate as favorites in this inter-sectional battle.

Kansas will try to climax their year with a victory and should be successful against Carleton's Missouri hapless eleven. Texas A & M, after a week's rest, ran into Texas U. in what should be one of the best of the day. When State and the Aggies meet December 8 it will be the season windup for both eleven.

Now the Spartans have completed what would normally have been their regular eight-game schedule, ending with Kansas. They have one more game to go, that with Texas A & M, which seems to be somewhat of a post-season affair to us up here. But down below the Mason and Dixon line they are still playing football in earnest. Out of eight games the Spartans have lost one, which is one mighty sweet record for any ball club. It gives them an average of .875, and there aren't going to be many teams throughout the country which can turn in such a record. Syracuse, the one team to beat the Spartans, will have a lower winning average due to two defeats in two successive Saturdays.

Looks like the U. of D. was just about as good a team as State if the Marquette game can be jury. State won 13 to 7. Detroit won 13 to 6. But we're still wondering just how Detroit would have made out against the Spartans if they had played good football all day long.

It was so muddy down at Kansas that the referee took time out once to walk over to the sidelines and wash the mud out of his whistle that it's plenty muddy. Consequently it appears that the Spartans must have played a 100 percent better game than they have turned in on recent Saturdays.

A salute to Charles Bachman, back during the first weeks of the term, after talking it over with the coaches, we said State would be lucky to win five out of the nine games on this season's schedule.

But we once heard that Bachman was a coach who might get better once, but seldom twice in succession by the same team. In proof of this witness the U. of M. and U. of D. they both won last year. Bach even pushed his record for wins against Kansas up another notch this week-end, and with a vastly different type of team than he turned in the last hawking when he was coaching the Kansas Aggies. Bach's fast speed and versatility Bachman seems to have the knack of instilling the will-to-win in any kind of a ball club. And size doesn't make much difference if the fight

and training are there. And for this reason, the coaching staff deserves a loud chorus of praise for the way in which they trained the Spartans in the one thing that does more to win ball games than any other—fundamentals. The State men seldom failed to click on their fundamentals, and a smash through a line that cut weights 30 pounds to the man will gain ground if your own line knows how to use fundamentals.

didn't get their share of the breeze. If that is really true then I'm certain that the State players themselves are not to blame. They played the game as the rest saw it, no more and no less. They won this game without the services of Bob Herriek, starting guard from last year, who was unable to play in this tilt due to an injured ankle. Looks like the partages of Ben VanAlstine are being pinned for another successful season of basketball here at State. And do they play some nice teams. Look at the schedule.

The cross country boys found that two races in one week, one of six miles and one of five, was a lot much for them and they dropped the Central Intercollegiate to Indiana, by the too-close-for-comfort score of 44 to 45.
