

[Voiceover] This year we are celebrating the 200th anniversary of the birth of Wolfgang Amadeus Mozart. Consequently, it is most appropriate that our faculty string quartet has chosen to play this evening the "Quartet in D minor," Kerschel number 421, composed by Mozart in 1783 at the age of 27. The four movements of this work are Allegro Moderato, Andante, Menuetto, and Allegretto Ma Non Troppo. [Quartet in D minor, Kerschel number 421, playing] [Voiceover] In commemoration of the 200th anniversary of the birth of Wolfgang Amadeus Mozart, we have presented the "Quartet in D minor," Kerschel, number 421, one of the more than 20 works which Mozart wrote for string quartet. [instrumental outro music]
